(b) the Registrant's quarterly reports on Form 10-Q for the quarterly periods ended November 25, 2018 and February 17, 2019, filed on December 20, 2018 and March 13, 2019, respectively, which contain unaudited interim financial statements;

(c) the Registrant's current reports on Form 8-K filed on October 24, 2018, October 26, 2018, January 25, 2019, and January 30, 2019 (excluding any reports or portions thereof that are furnished under Item 2.02 or Item 7.01 and any exhibits included with such Items); and

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers.

Washington law provides that directors of a corporation shall not be personally liable for reasonable expenses incurred in the wholly successful defense of a proceeding to which the director was a party because of being a director.

Washington law provides further that directors may be indemnified against liability incurred in a proceeding to which they are a party because of being a director so long as:

the director acted in good faith;

the director reasonably believed, in the case of conduct in the director's official capacity, that his or her conduct was in the corporation's best interests or, in all other cases, that his or her conduct was not opposed to the best interests of the corporation; and

in the case of a criminal proceeding, the director had no reasonable cause to believe his or her conduct was unlawful.

Directors generally may not, however, be indemnified:

in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation;

in connection with any other proceeding in which the director was adjudged liable for receiving improper personal benefit;

for acts or omissions of the director that involve intentional misconduct or knowing violation of law; or

for unlawful distributions to shareholders.

The Registrant's amended and restated articles of incorporation and the Registrant's bylaws provide that the Registrant will indemnify its directors to the fullest extent permitted by law. The Registrant's bylaws also permit it to secure insurance, at the Registrant's expense, on behalf of any officer or director for any expense, liability or loss arising out of his or her actions in connection with their services to the Registrant, regardless of whether the Washington Business Corporation Act would permit indemnification of such expense, liability or loss.

The Registrant has entered into agreements to indemnify its directors and certain of its officers to the fullest extent allowed under Washington law. These agreements provide, among other things, that the Registrant will indemnify its directors and certain of its officers for losses, claims, damages, liabilities or expenses (including attorneys' fees, judgments, fines, penalties, settlements, and other expenses incurred in connection with an indemnifiable proceeding) that the individual party became legally obligated to pay in connection with any claim made by reason of his or her conduct as director, officer, employee or agent of the Registrant, including any action taken while serving in such a capacity for another enterprise at the Registrant's request. The Registrant has also obtained directors' and officers' liability insurance.

The indemnification provisions in the Registrant's amended and restated articles of incorporation, bylaws and any indemnity agreements the Registrant may enter into with its directors and officers may be sufficiently broad to permit indemnification of the Registrant's directors and officers for liabilities arising under the Securities Act of 1933, as amended (the *Securities Act*).

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(a) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(b) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and

(c) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (1)(a) and (1)(b) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

II-3

In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

II-4
