Corporate Governance

We are committed to high standards of ethical and business conduct and strong corporate governance practices. This commitment is highlighted by the practices described below.

Annual Elections: Our directors are elected annually for one-year terms.

Director Independence: A majority of our director nominees are independent, and our key Board committees (Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee) are comprised entirely of independent directors.

No Shareholder Rights Plan. We do not currently have in place, nor have we ever had, a shareholder rights plan, commonly known as a poison pill.

Performance Highlights

PROXY STATEMENT

This proxy statement and enclosed proxy card are being furnished commencing on or about April 3, 2019 in connection with the solicitation by the Board of Directors of Heritage Insurance Holdings, Inc., a Delaware corporation. In this proxy statement, we refer to Heritage Insurance Holdings, Inc. as the Company, we, our or us as the Board of Directors as the Board. We are sending the proxy materials because the Board is seeking your permission (or proxy) to vote your shares at the annual meeting of stockholders on your behalf. This proxy statement presents information that is intended to help you in reaching a decision on voting your shares of common stock. Only stockholders of record at the close of business on April 1, 2019, the record date, are entitled to vote at the meeting, with each share entitled to one vote. We have no other voting securities.

Questions and Answers about Voting and the Annual Meeting

When and where is the Annual Meeting being held?

We will hold the annual meeting on May 1, 2019, at 10:00 a.m. (ET), at the Grand Hyatt Tampa Bay, 2900 Bayport Dr., Tampa, Florida 33607.

Who can attend the Annual Meeting?

Only record or beneficial owners of the Company's common stock or their proxies may attend the annual meeting in person. When you arrive at the annual meeting, you must present photo identification, such as a driver's license. Beneficial owners must also provide evidence of stock holdings, such as a recent brokerage account or bank statement.

Who can vote at the Annual Meeting?

The record date for the annual meeting is April 1, 2019. You may vote all shares of the Company's common stock that you owned as of the close of business on that date. Each share of common stock entitles you to one vote on each item to be voted on at the annual meeting. Cumulative voting is not permitted. On the record date, 30,013,018 shares of our common stock were outstanding.

Will my vote be disclosed to anyone?

Your vote is confidential and will not be disclosed to any officer, director or employee, except in certain limited circumstances, such as when you request or consent to disclosure.

How can I vote if I am unable to attend the Annual Meeting?

Edgar Filing: Heritage Insurance Holdings, Inc. - Form DEF 14A

If your shares of common stock are held in your name, you can vote your shares on items presented at the annual meeting or by proxy. There are three ways to vote by proxy:

1. **By Telephone** You can vote by telephone by calling 1-800-652-VOTE (8683) and following the instructions on the proxy card;
2. **By Internet** You can vote over the Internet by following the instructions on the proxy card; or
3. **By Mail** You can vote by mail by signing, dating and mailing the enclosed proxy card.

How can I vote if my shares are held through a broker?

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and your broker, bank or nominee is considered

Table of Contents

the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting with proper evidence of stock holdings, such as a recent brokerage account or bank statement. Street name stockholders should check the voting instruction cards used by their brokers or nominees for specific instructions on methods of voting. If your shares are held in street name, you must contact your broker or nominee to revoke your proxy.

If you hold shares through a broker, follow the voting instructions you receive from your broker. If you want to vote in person at the annual meeting, you must obtain a legal proxy from your broker and present it at the annual meeting. If you do not submit voting instructions to your broker, your broker may still be permitted to vote your shares in certain cases. Brokers may vote your shares as described below.

Non-discretionary Items. All items, other than the ratification of the appointment of the Company's independent registered public accounting firm, are non-discretionary items. It is critically important that you submit your voting instructions if you want your shares to count for non-discretionary items, such as the election of directors. Your shares will remain unvoted for such items if your broker does not receive instructions from you.

Discretionary Items. The ratification of the appointment of the Company's independent registered public accounting firm is a discretionary item. Brokers that do not receive instructions from beneficial owners may vote uninstructed shares in their discretion.

What is the quorum required for the meeting to be held?

In order to carry on the business of the meeting, we must have a quorum. This means that stockholders representing a majority of the common stock issued and outstanding as of the record date must be present at the annual meeting, either in person or by proxy, for there to be a quorum at the annual meeting. Abstentions and broker non-votes are counted as present for purposes of establishing a quorum but broker non-votes are not considered present for purposes of voting on non-discretionary items. A broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Can I change my vote after I return my proxy card?

You can revoke your proxy at any time before your shares are voted by (1) delivering a written revocation notice prior to the annual meeting to Kirk Lusk, Chief Financial Officer, Heritage Insurance Holdings, Inc., 2600 McCormick Drive, Suite 300, Clearwater, Florida 33759; (2) submitting a later-dated proxy that we receive no later than the conclusion of voting at the annual meeting; or (3) voting in person at the annual meeting. Attending the annual meeting does not revoke your proxy unless you vote in person at the meeting. If your shares are held in street name, you must contact your broker or nominee to change your vote or obtain a proxy to vote your shares if you wish to cast your vote in person at the meeting.

What is the vote required to elect directors?

Directors will be elected by a plurality of the votes present in person or by proxy at the annual meeting and entitled to vote. A plurality means that the individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the annual meeting

Table of Contents

What is the vote required to adopt all other proposals on the agenda?

The ratification of Plante & Moran, PLLC's appointment as independent registered public accounting firm requires the affirmative vote of a majority of the shares of common stock represented at the annual meeting and entitled to vote thereon.

What are the consequences if I choose not to vote on a specific proposal?

You may withhold your vote with respect to any nominee in the election of directors and may abstain from voting on the other proposals. Shares abstaining from voting on any proposal will be counted as present at the annual meeting for purposes of establishing the presence of a quorum. Withhold votes with respect to any nominee for director will have no effect on the election of directors. Your abstention will have the effect of a vote against the ratification of the appointment of Plante & Moran, PLLC as independent registered public accounting firm for fiscal year 2019. Broker non-votes will have no effect on the election of directors. There will be no broker non-votes with respect to the ratification of Plante & Moran, PLLC's appointment as independent registered public accounting firm, as it is a discretionary item.

JOBS Act Explanatory Note

We are an emerging growth company under applicable federal securities laws and are therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the JOBS Act), including the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. PROPOSALS TO BE VOTED ON

Proposal 1: Election of Directors

Nominees

The size of the Board is currently set at ten members. At the annual meeting, the stockholders will elect nine directors to serve until the 2020 annual meeting of stockholders or until their respective successors are elected and qualified. The vacancy which will occur after the annual meeting and any other vacancies occurring after the election may be filled by a majority vote of the remaining directors. In accordance with the Company's Bylaws, a director appointed to fill a vacancy will be appointed to serve until the next annual meeting of stockholders.

Assuming a quorum is present, the nine nominees receiving the highest number of affirmative votes of shares entitled to be voted for them will be elected as directors of the Company. Stockholders are not entitled to cumulate votes in the election of directors. All nominees have consented to serve as directors, if elected. If any nominee is unable or declines to serve as a director at the time of the annual meeting, the proxy holders may vote for any nominee designated by the present Board to fill the vacancy. As of the date of this proxy statement, the Board has no reason to believe that any of the director nominees named herein will be unable or unwilling to serve as a director if elected.

The Company believes that its Board, as a whole, should encompass a range of talent, skill, diversity, experience and expertise enabling it to provide sound guidance with respect to the Company's operations and interests. In addition to considering a candidate's background, experience and accomplishments, candidates are reviewed in the context of the current composition of the Board and the evolving needs of our business. Although the Company does not have a formal policy with regard to the consideration of diversity in identifying candidates, the Corporate Governance and Nominating Committee strives to nominate candidates with a variety of complementary skills so that, as a group, the Board will possess the appropriate level of talent, skills and expertise to oversee the Company's business. The Company regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. The Company's policy is to have at least a majority of our directors qualify as independent directors as defined in the rules of the NYSE. Currently, seven of our ten directors are independent. See page 11 for a further discussion of director independence.

The Corporate Governance and Nominating Committee seeks candidates with strong reputations and experience in areas relevant to the strategy and operations of the Company, particularly in industries and growth segments that the Company serves, as well as key geographic markets where it operates. Each of the director nominees holds or has held senior positions in complex organizations and has operating experience that meets this objective, as described below. In these positions, they have also gained experience in core management skills, such as strategic and financial planning, financial reporting, corporate governance, risk management and leadership development.

The Corporate Governance and Nominating Committee also believes that each of the nominees, each of whom is a current director, has the experience, expertise, integrity, sound judgment and ability to engage management in a collaborative fashion to collectively comprise an effective Board. In addition, the Corporate Governance and Nominating Committee believes that each of the nominees is committed to devoting significant time and energy to service on the Board and its committees.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm. To execute this responsibility, the Audit Committee engages in a comprehensive evaluation of the independent registered public accounting firm's qualifications, performance and independence and whether the independent registered public accounting firm should be rotated, and considers the advisability and potential impact of selecting a different independent registered public accounting firm.

Plante & Moran, PLLC (Plante & Moran) has served as our independent registered public accounting firm since June 2018 and has been appointed by the Audit Committee to continue as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Although ratification is not required by our Bylaws or otherwise, we are submitting the selection of Plante & Moran to our stockholders for ratification because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate governance. In the event that ratification of this selection is not approved by the affirmative vote of the holders of a majority of the shares of common stock of the Company represented at the annual meeting in person or by proxy and entitled to vote on the item, the Audit Committee and the Board will review the Audit Committee's future selection of an independent registered public accounting firm, but is not bound by the stockholders' vote. Even if the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time if it determines that a change would be in the best interests of us and our stockholders.

Prior to the engagement of Plante & Moran, Grant Thornton LLP (Grant Thornton) had served as our independent auditor from November 2013. In June 2018, our Audit Committee approved the dismissal of Grant Thornton and appointed Plante & Moran as our independent registered public accounting firm. Grant Thornton's audit reports on our financial statements for our prior years did not contain any adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During our two most recent fiscal years ended December 31, 2017 and December 31, 2016 and during the subsequent interim period from January 1, 2018 through June 14, 2018, (i) there were no disagreements with Grant Thornton on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures that, if not resolved to Grant Thornton's satisfaction, would have caused Grant Thornton to make reference to the subject matter of the disagreement in connection with its reports and (ii) there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. In June 2018, we filed a Current Report on Form 8-K to announce the changes in our independent registered public accounting firms, attaching as an exhibit thereto the letter we requested from Grant Thornton addressed to the SEC stating that it agreed with the statement contained in the Current Report.

Representatives of Plante & Moran will be available via teleconference at the annual meeting. The representatives will have an opportunity to make a statement and will be available to respond to appropriate questions.

Required Vote

The affirmative vote of the holders of a majority of the Company's common stock present at the annual meeting in person or by proxy and entitled to vote on this proposal is required to approve the ratification of the appointment of Plante & Moran as the Company's independent registered public accounting firm for the current fiscal year.

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF PLANTE & MORAN, PLLC AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board Leadership Structure

The Board determines whether it is appropriate to combine or separate the roles of Chairman of the Board and CEO depending on the Company's circumstances at the time. Our Board currently believes it is in the best interests of the Company to combine the positions of Chairman and CEO because this provides the Company with unified leadership and direction. Mr. Lucas, who currently serves as the Company's CEO and as Chairman of the Board, possesses in-depth knowledge of the issues, opportunities and challenges the Company faces, and is thus best positioned to develop agendas and highlight issues that ensure that the Board's time and attention are focused on the most critical matters. In addition, the Board has determined that this leadership structure is optimal because it believes that having one leader serving as both the Chairman and CEO provides decisive, consistent and effective leadership, as well as clear accountability. Having one person serve as Chairman and CEO also enhances the Company's ability to communicate its message and strategy clearly and consistently to its stockholders, employees, and business partners, particularly during times of turbulent economic and industry conditions. Although the Board believes that the combination of the Chairman and CEO roles is appropriate under current circumstances, it will continue to review the roles periodically to determine whether, based on the relevant facts and circumstances, separation of these offices would serve the Company's best interests and the best interests of its stockholders.

Board of Directors Role in Risk Oversight

Our Board oversees the risk management activities designed and implemented by our management. The Board executes its oversight responsibility for risk management both directly and through its committees. The full Board also considers specific risk topics, including risks associated with our strategic plan, business operations and capital structure. In addition, the Board receives detailed regular reports from members of our senior management and other personnel that include assessments and potential mitigation of the risks and exposures involved with their respective areas of responsibility.

Our Board has delegated to the Audit Committee oversight of our risk management process. Our other Board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk. The independent Board members also discuss the Company's significant risks when they meet in executive session without management, as described below.

Meetings and Committees of the Board of Directors

During 2018, the Board held 4 meetings. During 2018, each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board held during the period in which he or she was a director and (ii) the total number of meetings held by all of the committees of the Board on which he or she served. The Board has an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. The Audit, Compensation and Corporate Governance and Nominating Committees were formally established in May 2014 in connection with the Company's initial public offering and operate under written charters adopted by the Board.

At the Board meetings, independent directors of the Company meet regularly in executive session without management as required by the NYSE listing standards. Generally, executive sessions are held in conjunction with regularly-scheduled meetings of the Board. Mr. Masiello presides over executive sessions of the Board. In 2018, the non-employee independent members of the Board met in executive session 4 times.

In evaluating and determining whether to nominate a candidate for a position on our Board, the Corporate Governance and Nominating Committee will consider the candidate's professional ethics and values, relevant management experience and a commitment to enhancing stockholder value. We regularly assess the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. Candidates may come to the attention of the Corporate Governance and Nominating Committee from current Board members, stockholders, professional search firms, officers or other persons. The Corporate Governance and Nominating Committee will review all candidates in the same manner regardless of the source of recommendation, including from stockholders.

In addition, the notice must include the stockholder's name, address and the number of shares beneficially owned (and the period they have been held).

In 2018, we did not engage a third party to identify, evaluate or assist in identifying potential nominees for director.

Director Independence

There are no family relationships among any of our executive officers or directors. Our Board has affirmatively determined that each of Messrs. Apostolou, Houvardas, Masiello, Pappas, Vattamattam and Walvekar and Ms. Barlas is an independent director, as defined under the rules of the NYSE. In making the independence determination, the Board considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances that the Board deemed relevant, including the beneficial ownership of the Company's capital stock by each non-employee director. Mr. Houvardas is not standing for re-election at the annual meeting, at which time his term as a director will expire.

EXECUTIVE COMPENSATION

Executive Compensation Program Summary

General Overview

This executive compensation program summary outlines our compensation philosophy, describes the process for setting compensation of our named executive officers and describes the elements of our executive compensation program in 2018. For 2018, our named executive officers, listed below, were our CEO and our two other most highly compensated executive officers who were serving as executive officers as of December 31, 2018:

Bruce Lucas, Chairman and CEO;

Richard Widdicombe, President; and

Ernie Garateix, Chief Operating Officer.

Compensation Philosophy

Our compensation philosophy is based on pay-for-performance principles. Our executive compensation program is designed to accomplish each of the following goals:

reward superior financial and operational performance;

motivate our executive officers to build and grow our business profitably;

align the interests of our executive officers with those of our stockholders; and

enable us to attract, retain and motivate qualified executive officers.

2018 Performance Highlights

In 2018, we delivered solid financial and operational performance despite net losses incurred related to Florida hurricane activity and winter storms in the northeast:

Total revenues increased by 18% to \$480 million.

Gross premiums earned increased by 44% to \$926 million.

Achieved \$27 million of net income, a 7% return on average equity and a 90% net combined ratio, despite retaining \$45 million of pre-tax net catastrophe losses and \$18 million of non-core pre-tax expenses. The Company's vertical integration of the claims handling process benefitted 2018 results, with hurricane mitigation revenue stemming both from 2017 and 2018 hurricanes.

Achieved \$17 million of NBIC-related reinsurance synergies in the 2018-2019 reinsurance program and expect another \$7-9 million in the following year's program. The 2018-2019 reinsurance program also benefitted from cost savings associated with Florida exposure management efforts.

Favorable prior and current accident year reserve development in third and fourth quarters, reflecting benefit of recent reserving initiatives.

Prudent underwriting and diversification efforts drove a 39% year-over-year reduction in new Tri-County Florida water claims, tempering risk for equity investors and reinsurers.

Retired \$155.4 million of debt, while borrowing \$114.2 million at a lower interest rate, resulting in over \$7 million of annual pre-tax interest savings and a seven-point debt-to-capital ratio reduction. In first quarter 2019, repurchased an incremental \$5.8 million principal amount of convertible notes and paid down \$10 million of revolving credit facility debt, further reducing interest expense and financial leverage; 83% of the convertible notes issued in 2017 have been repurchased, leaving only \$23.4 million in principal amount outstanding held by third parties.

Table of Contents

Returned over \$8 million of capital to shareholders through dividends and share repurchases.

Received licenses in Maryland and Virginia, bringing total licensed count to 15 states and expanded Contractors Alliance Network and commercial residential products to the northeast.

Expanded relationship with GEICO's insurance agency to all states and launched partnership with Safeco Insurance, a Liberty Mutual Company, in the northeast.

As discussed in more detail below, the Compensation Committee took into account our 2018 financial and operational performance in making its 2018 executive compensation decisions, and a significant portion of the annual compensation for our named executive officers were tied to our annual EBITDA performance.

Compensation Setting Process

The Compensation Committee is responsible for reviewing and approving compensation of our CEO and our other executive officers, and for setting our executive compensation and benefits policies and programs generally. In formulating our executive compensation program, the Compensation Committee does not benchmark to a particular industry or group of companies, but it draws information from general experience of the insurance industry and comparable companies.

Each of our three named executive officers has an employment agreement which provides for a minimum annual base salary and an annual cash incentive award based on our annual EBITDA performance, as described below. Each year, the Compensation Committee reviews our EBITDA performance for the fiscal year and the individual contributions of each executive officer, and determines the size of the EBITDA cash incentive award pool and the allocation of the pool to our executive officers, as more fully described below. Our CEO provides the Compensation Committee with recommendations regarding the allocation of the pool to our executive officers (other than our CEO), subject to the requirements of any individual employment agreements.

Elements of Executive Compensation Program

Our 2018 executive compensation program consisted of three primary elements:

Base Salary We provided base salaries, which are intended to be generally competitive with salaries of similarly-situated executives at comparable companies and are based on the executive officer's role and responsibilities, individual job performance and experience. The base salaries for our named executive officers were initially set pursuant to their respective employment agreements.

Annual Cash Incentive Award We provided annual cash incentive awards, which were based on, and commensurate with, our 2018 EBITDA performance. Annual cash incentive awards are performance-based and designed to drive performance, motivate and reward eligible employees who contribute positively towards our growth and business strategy. Annual cash incentive awards are only paid if we achieve positive EBITDA for the fiscal year. As a result, any growth in the size of the pool is a function of the Company's EBITDA performance growth. As described below, the employment agreements for certain of our named executive officers set forth a target amount of annual cash incentive award, subject to the achievement of certain EBITDA targets, and allocated in the discretion of the Compensation Committee.

Long-Term Equity Awards We did not grant any equity awards to our named executive officers in 2018 because the grants of restricted stock we made in 2015 were intended to compensate our named executive officers over the five years following the grant. In addition, we previously granted stock options to certain of our named executive officers as long-term equity incentive compensation. However, the majority of those stock options were underwater and therefore remained unexercised when they expired in late 2017. The Compensation Committee reserves the right to alter its grant practice in light of business needs and changes in applicable laws and regulations, including the Tax Cuts and Jobs Acts and related repeal of the performance-based compensation exception under Section 162(m) of the Internal Revenue Code of 1986, as amended.

Table of Contents

Each of these elements is described in more detail in the discussion below regarding 2018 compensation decisions and the executive compensation tables and narrative disclosures that follow.

2018 Executive Compensation Decisions

As more fully described below in the narrative disclosures following the Summary Compensation Table, each of our named executive officers has an employment agreement which provides for an initial base salary (subject to annual cost of living and inflation-based adjustments) and an annual cash incentive award tied to our annual EBITDA performance. Consistent with historical practice, the Compensation Committee approved an EBITDA cash incentive award pool equal to 8.5% of our 2018 EBITDA, reduced by certain adjustments, resulting in a 2018 EBITDA cash incentive award pool of \$6,120,000. The Compensation Committee decided to award to eligible employees \$3,420,000 of the total pool, and to withhold and award the remaining pool in the future at its discretion based on such employees' 2018 performance. The Compensation Committee's 2018 executive compensation decisions for each of our named executive officers, which are based in large part on the terms of each named executive officer's employment agreements which were effective in November 2015 at the time of the Company's initial public offering, are discussed below.

Bruce Lucas

Base Salary The Lucas Amended Agreement (defined below) provides for an initial base annual salary of \$2.0 million commencing in 2016. In 2018, the Compensation Committee approved a 5% increase in Mr. Lucas' base salary, reflecting cost of living and inflation-based adjustments.

Annual Cash Incentive Award Pursuant to the Lucas Amended Agreement, for 2018, Mr. Lucas was entitled to an (i) incentive bonus of \$1.75 million, subject to our achievement of at least \$50 million in EBITDA for 2018, and (ii) annual cash bonus under our EBITDA bonus pool with a target amount equal to the greater of (1) \$2.5 million or (2) the remainder of the EBITDA bonus pool after paying all employee bonuses. For 2018, the Compensation Committee approved a total annual cash incentive bonus for Mr. Lucas of \$6.5 million, which represents a \$3.0 million discretionary bonus, the \$1.75 million incentive bonus he earned when the Company achieved at least \$50 million in EBITDA for 2018, plus the remainder of the EBITDA pool not awarded to eligible employees (less the amount reserved by the Compensation Committee). In making its determination, the Compensation Committee considered Mr. Lucas' individual contributions to the Company, including the following:

Successful integration of NBIC acquisition and achievement of meaningful reinsurance and operational synergies, substantially boosting the Company's earnings power.

Implemented the Company's multi-state infrastructure, forged partnerships with national insurance carriers and expanded relationships with large agencies, establishing a solid organic growth engine and positioning the Company to more nimbly respond to new business opportunities as they arise.

Significantly reduced total insured value concentration risk in certain geographies, strengthening the Company's resilience to weather events and benefiting reinsurance spend.

Spearheaded underwriting actions that drove improved claims and litigation trends.

Optimized the Company's capital structure, resulting in lower financial leverage and interest expense.

Richard Widdicombe

Base Salary The Widdicombe Amended Agreement (defined below) provides for an initial base annual salary of \$1.75 million commencing in 2016. In 2018, the Compensation Committee approved a 5% increase in Mr. Widdicombe's base salary, reflecting cost of living and inflation-based adjustments.

Table of Contents

Annual Cash Incentive Award Pursuant to the Widdicombe Amended Agreement, for 2018, Mr. Widdicombe was entitled to an incentive bonus of \$375,000, subject to our achievement of at least \$50 million in EBITDA for 2018, and an annual cash bonus under our EBITDA bonus pool with a target amount of \$375,000. In 2018, the Compensation Committee approved a total annual cash incentive bonus for Mr. Widdicombe of \$750,000, which represents the \$375,000 incentive bonus when the Company achieved at least \$50 million in EBITDA for 2018, plus \$375,000 from the EBITDA pool. In making its determination, the Compensation Committee considered Mr. Widdicombe's individual contributions to the Company, including the following:

Improved performance of claims department;

Managed expansion of commercial general liability product and management of related loss costs; and

Fostered reinsurer and agency relationships.

Ernie Garateix

Base Salary The Garateix Amended Agreement (defined below) provides for an initial base annual salary of \$750,000 commencing in 2016. In 2018, the Compensation Committee approved a 14.3% increase in Mr. Garateix's base salary, reflecting expansion of his responsibility following the NBIC acquisition and cost of living and inflation-based adjustments.

Annual Cash Incentive Award Pursuant to the Garateix Amended Agreement, for 2018, Mr. Garateix was entitled to an annual cash bonus under our EBITDA bonus pool of up to \$100,000. In 2018, the Compensation Committee approved an annual cash incentive bonus for Mr. Garateix of \$500,000. In making its determination, the Compensation Committee considered Mr. Garateix's individual contributions to the Company, including the following:

Managed expansion of span of control for operational matters throughout the Company group after successful M&A activity;

Successful conversion and integration of systems;

Successful integration of processes and personnel.

Severance and Change of Control Agreements

Our named executive officers are not party to any separate severance or change of control agreements. As described below, our named executive officers are entitled to certain severance and change of control payments and benefits pursuant to their employment agreements.

Employee Benefits

Our named executive officers participate in other employee benefit plans generally available to all employees on the same terms, such as medical, dental, life, disability insurance programs and a 401(k) plan, except that the Company provides additional life and disability insurance benefits to its NEOs. These amounts are included in the All Other Compensation column of the Summary Compensation Table and described in a footnote. In addition, in 2018, we provided non-elective contributions to the 401(k) accounts of all our employees, including our named executive officers, equal to 3% of annual compensation, subject to applicable limitations. We do not provide our named executive officers with any other material perquisites or similar personal benefits.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board consists of three non-employee directors, Irini Barlas, Joseph Vattamattam and Vijay Walvekar, each of whom the Board has determined to be an independent director as defined in the rules of the NYSE. The Audit Committee is a standing committee of the Board and operates under a written charter adopted by the Board, which is available at www.heritagepci.com on the Investors page listed as Governance Documents under the heading Corporate Governance. Among its other functions, the Audit Committee has the authority and responsibility to retain and terminate the engagement of the Company's independent registered public accounting firm (the independent auditors).

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

During 2018, at each of its meetings, the Audit Committee met with the senior members of the Company's financial management team and the independent auditors. The Audit Committee's agenda is established by the Audit Committee's chairwoman and senior members of the Company's financial management team. The Audit Committee met in private sessions with the Company's independent auditors at certain of its meetings, and also separately with the Company's head of internal audit, without management representation, to discuss financial management, accounting and internal control issues. The Audit Committee has reviewed and discussed with management and the independent auditors the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2018, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent auditors those matters required to be discussed by the auditors under the rules adopted by the Public Company Accounting Oversight Board.

The Company's independent auditors also provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Committee discussed with the independent auditors that firm's independence and considered whether the non-audit services provided by the independent auditors are compatible with maintaining their independence.

Based on the Audit Committee's discussion with management and the independent auditors, and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2018.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this proxy statement, in whole or in part, the Audit Committee Report above shall not be incorporated by reference into this proxy statement.

Expenses of Solicitation

The Company pays the cost of preparing, assembling and mailing this proxy-soliciting material. The Company pays all costs of solicitation, including certain expenses of brokers and nominees who mail proxy materials to their customers or principals. We have engaged Georgeson LLC (Georgeson) as our proxy solicitor at an anticipated cost of approximately \$14,000 plus reasonable out-of-pocket expenses. This estimate is subject to the final solicitation campaign approved by us and Georgeson.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and other proxy materials with respect to two or more stockholders sharing the same address by delivering a single copy of the proxy statement and other proxy materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides convenience for stockholders and cost savings for companies.

We have delivered only one copy of our proxy materials and other proxy materials to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of our proxy statement (and any other proxy materials and documents sent therewith), as requested, to any stockholder at the shared address to which a single copy of these documents was delivered. Stockholders should contact their broker or, if a stockholder is a direct holder of shares of our common stock, they should submit their request to our transfer agent in writing addressed to: Computershare Investor Services, P.O. Box 30170, College Station, Texas 77842-3170. In addition, stockholders who currently receive multiple copies of our proxy statement and other proxy materials at their address and would like to request "householding" of their communications should contact their broker or, if a stockholder is a direct holder of shares of our common stock, they should submit a request to our transfer agent in writing at the address above.
