PROXY STATEMENT for ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON OCTOBER 20, 2004

This Proxy Statement is being furnished to the holders of Class A Stock, \$1.00 par value (the "Class A Stock"), of Ampal-American Israel Corporation (the "Company" or "Ampal") in connection with the solicitation of proxies by the Board of Directors (the "Board" or "Board of Directors") for use at the annual meeting of the shareholders of the Company to be held on October 20, 2004, and at any adjournment(s) or postponement(s) thereof (the "Annual Meeting"). The mailing address of our principal executive office is 111 Arlozorov Street, Tel Aviv, Israel 62098. This Proxy Statement and enclosed proxy card are first being mailed to the shareholders of the Company entitled to vote at the Annual Meeting on or about October 8, 2004. In an effort to present the information contained in this Proxy Statement in a clear manner, the Company has decided to use a question and answer format.

Q: What am I voting on?

Election of Ampal's eight directors for one-year terms, and ratification of the appointment of Kesselman & Kesselman, a member firm of PricewaterhouseCoopers International Limited ("Kesselman & Kesselman"), as the independent auditors of the Company for the fiscal year ending December 31, 2004.

Q: Who is entitled to vote?

Holders of the Class A Stock as of the close of business on September 30, 2004 (the "Record Date") are entitled to notice of, and to vote at, the Annual Meeting. As of such date, the Company had 19,872,305 shares of Class A Stock outstanding (excluding treasury shares). Each shareholder is entitled to one vote for each share of Class A Stock held on the Record Date. The Class A Stock does not have cumulative voting rights.

Q: How can I get a copy of Ampal's Annual Report on Form 10-K?

Upon request, the Company will provide, without charge to any shareholder entitled to vote at the Annual Meeting, a copy of Ampal's annual report on Form 10-K to the Securities and Exchange Commission (the "SEC") for the fiscal year ended December 31, 2003. Such request should be made to the Secretary of the Company at the address shown on the accompanying Notice of Annual Meeting of Shareholders. The Company's annual report on Form 10-K, as well as its other filings with the SEC, are available via the Internet at the Company's website at <http://www.ampal.com> and at the SEC's website at <http://www.sec.gov>.

Q: How can I review Ampal's financial statements for the fiscal year ended December 31, 2003?

A copy of Ampal's 2003 annual report on Form 10-K containing the Company's audited financial statements for the fiscal year ended December 31, 2003 has been mailed with this Proxy Statement to all holders of Class A Stock entitled to vote at the Annual Meeting on or about October 8, 2004.

Q: Who are the principal shareholders of Ampal and how will they vote?

As of the Record Date, Y.M. Noy Investments Ltd. (Noy) was the holder of approximately 59.13% of the outstanding Class A Stock. Noy is the only holder of more than 5% of the Class A Stock known to the Company. (See Security Ownership of Certain Beneficial Owners regarding the principal shareholders.) Noy has advised the Company that it will vote in favor of the Board's slate of nominees for directors and in favor of the ratification of the appointment of Kesselman & Kesselman as the independent auditors of the Company for the fiscal year ending December 31, 2004.

Q: Who is bearing the cost of preparing this Proxy Statement?

The cost of preparing, assembling and mailing the Notice of Annual Meeting of Shareholders, this Proxy Statement and the proxy card is being borne by the Company. The Company will also reimburse brokers who are holders of record of shares of the Company for their expenses in forwarding proxies and proxy soliciting material to the beneficial owners of the shares held by them.

Q: Besides shareholders, who else will attend the Annual Meeting?

Some of the directors of Ampal, senior management of Ampal and representatives of Mellon Investor Services, the Company's transfer agent, will be present at the Annual Meeting. Additionally, representatives of Kesselman & Kesselman, whom the Audit Committee of the Board has appointed to be the Company's independent auditors for the fiscal year ending December 31, 2004, are expected to be present, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

Q: What constitutes a quorum?

The holders of record of one-third of the outstanding Class A Stock entitled to vote at any meeting of shareholders constitute a quorum for the Annual Meeting. Since as of the Record Date 19,872,305 of Class A Stock were outstanding (excluding treasury shares), a quorum equals 6,624,102 shares of Class A Stock. All votes will be tabulated by the inspector of elections appointed for the meeting. The inspector of elections will also determine whether or not a quorum is present.

Q: How do I vote using the proxy?

Sign your name exactly as it appears in the proxy, and return it in the enclosed prepaid envelope. IF YOU SIGN YOUR PROXY BUT DO NOT INDICATE YOUR VOTING PREFERENCES, YOUR VOTE WILL BE COUNTED FOR ALL OF THE BOARD'S NOMINEES FOR DIRECTORS AND THE RATIFICATION OF THE COMPANY'S INDEPENDENT AUDITORS. THE PROXIES, IN THEIR DISCRETION, ARE AUTHORIZED TO VOTE UPON ANY OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENT(S) OR POSTPONEMENT(S) THEREOF.

Q: May I revoke my proxy?

A proxy may be revoked at any time before it is exercised at the Annual Meeting by notifying the Company's Secretary in writing or by returning a later-dated proxy. You may also revoke your proxy by voting in person at the meeting (although your attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

Q: How many votes are needed for the election of a director?

The election of a nominee director requires a plurality of the votes cast by the holders of shares entitled to vote at the Annual Meeting. (Proxies cannot be voted for a greater number of persons than the number of nominees listed in the Proxy Statement.) The Board of Directors of Ampal unanimously recommends the election of the following persons to the Board of Directors: Yosef A. Maiman, Jack Bigio, Leo Malamud, Dr. Joseph Yerushalmi, Michael Arnon, Yehuda Karni, Eitan Haber and Menahem Morag. Set forth below is information about each nominee, including biographical data for at least the last five years.

Q: How many votes are needed for the ratification of the appointment of Kesselman & Kesselman as the independent auditors of the Company for the fiscal year ending December 31, 2004?

The ratification of the appointment of Kesselman & Kesselman as the independent auditors of the Company for the fiscal year ending December 31, 2004 requires a plurality of the votes cast by the holders of shares entitled to vote at the Annual Meeting. The Board of Directors of Ampal unanimously recommends the ratification of the appointment of Kesselman & Kesselman as the Company's independent auditors for the fiscal year ending December 31, 2004.

Q: Can I abstain?

Yes, however, abstentions and broker non-votes (i.e., shares held by a broker or nominee which are represented at the meeting, but with respect to which the broker or nominee is not empowered to vote on a particular matter) will be counted for purposes of determining a quorum but will not have any effect on the election of directors or the ratification of the appointment of the Company's auditors. Abstentions and broker non-votes will not be counted as votes cast for or against any other matter which may properly come before and be voted upon at the meeting.

Q: Was there a change in the Independent Auditors of the Company during the Company's two most recent fiscal years?

On June 19, 2002, the Company's Audit Committee recommended to the Board to dismiss Arthur Andersen LLP (Andersen) as the Company's independent auditors and to engage Kesselman & Kesselman as the Company's independent auditors for 2002. As recommended by the Audit Committee, on June 19, 2002, the Board nominated and engaged Kesselman & Kesselman as the Company's independent auditors to replace Andersen. None of Andersen's reports on the Company's consolidated financial statements for the past two years contained an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles.

During the two most recent fiscal years ended December 31, 2001, and through June 19, 2002, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter in connection with its report on the Company's consolidated financial statements for such years; and there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Andersen with a copy of the foregoing statements and received a letter from Andersen stating its agreement with such statements. The Company filed this letter as an exhibit to its current report on Form 8-K filed with the SEC on June 20, 2002.

During the Company's two most recent fiscal years ended December 31, 2001, and through June 19, 2002, the Company did not consult Kesselman & Kesselman with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any matters or events set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Q: Will any other matters be brought before the Annual Meeting?

The management does not presently know of any other matters which will be brought before the Annual Meeting. If, however, other matters requiring the vote of the shareholders, not now known or contemplated, do properly come before the meeting or any adjournment or postponement thereof, it is the intention of the persons named to vote the proxies held by them in accordance with their judgment in such matters.

THE FOLLOWING QUESTIONS AND ANSWERS RELATE TO THE NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS.

Q: How many directors does Ampal have?

The Company's By-Laws provide that the entire Board shall be constituted of not less than three and not more than twenty-nine persons, with the actual number serving set by the Board. In connection with the nomination of the persons listed below to the Board of Directors, the Board set the number of directors at eight. The Board recommends that the shareholders elect the eight persons nominated by the Board.

All of the nominees for directors were nominated by the Board and recommended by management.

Q: Does the Board of Directors have any committees?

Yes. The Board of Directors has the following standing committees: Audit Committee, Executive Committee and Stock Option and Compensation Committee. For the fiscal year ended December 31, 2003, the members, activities and functions of the various committees are set forth below. In addition, the reports of the Audit Committee and Stock Option and Compensation Committee are also set forth below.

Because Noy owns more than 50% of the voting power in the Company, the Company is deemed to be a controlled company under the rules of the Nasdaq National Market (Nasdaq). As a result, the Company is exempt from the Nasdaq rules that require listed companies to have (i) a majority of independent directors on the Board, (ii) a compensation committee and nominating committee composed solely of independent directors, (iii) the compensation of executive officers determined by a majority of independent directors or a compensation committee composed solely of independent directors and (iv) a majority of the independent directors or a nominating committee composed solely of independent directors elect or recommend director nominees for selection by the Board.

Code of Business Conduct and Ethics

The Company has adopted a (i) Code of Ethics for the Company's Senior Financial Officers and (ii) Code of Conduct applicable to all of the Company's employees and directors. These codes, which are both designed to insure that the Company's business is conducted in a consistently legal and ethical manner, address specific areas of professional conduct, including conflicts of interest, fair dealing and the strict adherence to all laws and regulations applicable to the conduct of the Company's business. Copies of the Company's Code of Ethics for Senior Financial Officers and Code of Conduct are available on the Company's website at www.ampal.com.

Communications Between Shareholders and the Board of Directors

Shareholders and other interested persons seeking to communicate with the Board should submit any communications in writing to the Company's Secretary, Ampal-American Israel Corporation, 111 Arlozorov Street, Tel Aviv, Israel 62098. Any such communication must state the number of shares beneficially owned by the shareholder making the communication. The Company's Secretary will forward such communication to the full Board or to any individual director or directors to whom the communication is directed.

Policy Governing Director Nominations

As stated above, because Noy owns more than 50% of the voting power in the Company, the Company is deemed to be a controlled company under the Nasdaq rules. Because the Company is a controlled company, the Board has elected not to establish a separate nominating committee or formal rules governing director nominations from shareholders. In the event of any vacancy on the Board, or in the event that the Board is to be expanded, the Board will determine at such time the appropriate procedures for filling the vacancy or additional position. The Board may decide at such time to authorize a committee of the Board of Directors to conduct the search for a director and to recommend nominations to the full Board of Directors.

Minimum Qualifications. The Company does not set specific criteria for directors except to the extent required to meet applicable legal, regulatory and stock exchange requirements, including, but not limited to, the independence requirements of the Nasdaq and the SEC, as applicable. Nominees for director will be selected on the basis of outstanding achievement in their personal careers; board experience; wisdom; integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to the Board duties. While the selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, the Board believes that each director should have a basic understanding of (i) principal operational and financial objectives and plans and strategies of the Company, (ii) results of operations and financial condition of the Company and of any significant subsidiaries and investee companies, and (iii) the relative standing of the Company, its business segments and investee companies in relation to its competitors.

The Board also may consider (i) whether a candidate would be deemed to be independent under the applicable laws, rules and regulations, (ii) whether the candidate's existing business commitments would interfere with the candidate's ability to devote sufficient time to discharge his or her duties as a director and (iii) the input of Noy, the Company's majority shareholder.

Audit Committee

The Audit Committee currently consists of Messrs. Arnon, Karni, Haber and Morag, each of whom is an independent director as defined under the rules of the National Association of Securities Dealers, Inc. and the rules promulgated by the Securities and Exchange Commission. From January 1, 2003 through January 26, 2004, the Audit Committee was composed of Messrs. Arnon, Karni and Haber. Mr. Morag became a member of the Audit Committee on January 27, 2004. The Board has determined that Mr. Morag is an audit committee financial expert for purposes of the rules promulgated by the Securities and Exchange Commission. The Audit Committee held nine meetings and acted once by written consent during the fiscal year ended December 31, 2003.

The Audit Committee assists the Board in fulfilling its responsibility to oversee management's conduct of the Company's financial reporting process, including the review of the financial reports and other financial information provided by the Company to any governmental or regulatory body, the public or other users thereof, the Company's systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements. The Audit Committee also has the duty and responsibility of approving all transactions between the Company, on the one hand, and any officer, director, or affiliate thereof, on the other hand, or in which any officer, director or affiliate has a material interest. A full description of the Audit Committee's primary responsibilities is contained in the Audit Committee's written charter, a copy of which is included as Appendix A to this Proxy Statement.

AUDIT COMMITTEE

Fees billed to the Company by Andersen for reviewing the financial statements included in the Company's quarterly report for the fiscal quarter ended March 31, 2002 amounted to \$37,000.

Tax Fees: Kesselman & Kesselman's tax fees for the fiscal years ended December 31, 2003, were \$103,600. No tax fees were billed for services rendered by Andersen for the fiscal year ended December 31, 2002.

All Other Fees: Kesselman & Kesselman's fees for other services for the fiscal year ended December 31, 2003, were \$49,200 respectively. No other services fees were billed for services rendered by Andersen for the fiscal year ended December 31, 2002.

All of the services provided by our principal accounting firm described above under the captions "Audit Fees", "Tax Fees" and "All Other Fees" were approved by our Audit Committee. The Audit Committee has determined that the rendering of professional services described above by Kesselman & Kesselman is compatible with maintaining the auditor's independence.

Audit Committee Pre-Approval Policies

The Company's Audit Committee Charter provides that the Audit Committee shall approve in advance all audit services and all non-audit services provided by the independent auditors based on policies and procedures developed by the Audit Committee from time to time. The Audit Committee will not approve any non-audit services prohibited by applicable SEC regulations or any services in connection with a transaction initially recommended by the independent auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations.

Our Audit Committee requires that our independent auditor, in conjunction with our Chief Financial Officer, be responsible for seeking pre-approval for providing services to us and that any request for pre-approval must inform the Audit Committee about each service to be provided and must provide detail as to the particular service to be provided.

Executive Committee

The Executive Committee meets as necessary between regularly scheduled meetings of the Board and, consistent with certain statutory limitations, exercises all authority of the Board. During the fiscal year ended December 31, 2003, the Executive Committee of the Board was composed of the following individuals: Jack Bigio, Leo Malamud, Dr. Joseph Yerushalmi and Yehuda Karni.

The Executive Committee did not hold any meetings but acted three times by written consent during the fiscal year ended December 31, 2003.

Stock Option and Compensation Committee

The Stock Option and Compensation Committee administers the Company's stock option plans and other option grants and determines the Company's policies regarding executive compensation. Since August 16, 2002, the members of the Stock Option and Compensation Committee are Michael Arnon, Yehuda Karni and Eitan Haber. The Stock Option and Compensation Committee met one time and acted once by written consent during the fiscal year ended December 31, 2003.

Report of the Stock Option and Compensation Committee

The Stock Option and Compensation Committee's executive compensation policy strives to provide compensation rewards based upon both corporate and individual performance while maintaining a relatively simple compensation program in order to avoid the administrative costs which the Stock Option and Compensation Committee believes are inherent in multiple complex compensation plans and agreements.

The determination of compensation ranges for executive officers reflect a review of salaries and bonuses for executive officers holding similar positions in companies of relatively comparable size and orientation. However, in making compensation decisions, the Stock Option and Compensation Committee remains cognizant of the Board of Directors' responsibility to enhance shareholder value. The Stock Option and Compensation Committee utilizes cash bonuses, when it feels a bonus is merited, based on factors such as an executive's individual performance. The Company has available a long-term incentive for executives to both remain in the employ of the Company and to strive to maximize shareholder value through the 1998 Plan and 2000 Plan, which aligns the interests of executives with those of shareholders.

Determination of Jack Bigio's compensation as the Company's Chief Executive Officer for the fiscal year ended December 31, 2003 reflects a comparison with chief executive officer compensation of companies of relatively comparable size and orientation, but also reflects recognition of Mr. Bigio's ongoing contribution to the growth, success and profitability of the Company. On August 16, 2002, Mr. Bigio was granted 150,000 options pursuant to the 2000 Plan to purchase shares of Class A Stock of the Company at an exercise price of \$3.12 per share, the closing price of the Class A Stock on The Nasdaq Stock Market, Inc. on the date of issuance. These options vest in equal installments of 9,375 shares beginning on November 16, 2002 and each three month anniversary thereafter, except that a portion of the options may vest on an accelerated basis upon the achievement of certain performance criteria. In negotiating the number of shares subject to the option grant, the Stock Option and Compensation Committee took into account the past option grants made to other executive officers, Mr. Bigio's rank and responsibilities and Mr. Bigio's expected contributions to the Company. In addition, the Stock Option and Compensation Committee sought to provide a significant incentive for Mr. Bigio to enhance stockholder value. Mr. Bigio did not receive an additional option grant during 2003.

Q: What other benefits does the Company provide for its employees?

Ampal maintains a money purchase pension plan (Pension Plan) for its eligible employees. Eligible employees are all full-time employees of Ampal except non-resident aliens outside the United States, night-shift employees and employees represented by a collective bargaining unit. Ampal's contribution is equal to 7% of each employee's compensation plus 5.7% of the compensation in excess of the Social Security taxable wage base for that year. As of the Record Date, Ampal has no employees entitled to any benefits under the Pension Plan.

Employees become vested in amounts contributed by Ampal depending on the number of years of service, as provided in the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
less than 2 years	0%
2 but less than 3 years	20%
3 but less than 4 years	40%
4 but less than 5 years	60%
5 but less than 6 years	80%
6 or more years	100%

Benefits under the Pension Plan are paid in a lump sum, in an annuity form or in installments.

Ampal maintains a savings plan (the Savings Plan) for its eligible employees pursuant to Section 401(k) of the Internal Revenue Code of 1986, as amended (the Code). Eligible employees are all employees of Ampal except non-resident aliens, night-shift employees and employees represented by a collective bargaining unit. Participation by employees in the Savings Plan is voluntary. Participating employees may direct that a specific percentage of their annual compensation (up to 15%) be contributed to a self-directed 401(k) savings account. The amount which any employee could contribute to his or her 401(k)savings account in 2003 was limited under the Code to \$11,000. Effective January 1, 1996, the Savings Plan was amended so that Ampal matches 50% of each employee s contribution up to a maximum of 3% of the employee s compensation. Employees who were eligible to participate in the Savings Plan as of December 31, 1995, are 100% vested at all times in the account balances maintained in their 401(k) savings account. As of the Record Date, Ampal has no employees entitled to any benefits under the Pension Plan. Employees who became eligible to participate in the Savings Plan on or after January 1, 1996, become vested in amounts contributed by Ampal depending on the number of years of service, as provided in the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 but less than 3 years	20%
3 but less than 4 years	40%
4 but less than 5 years	60%
5 but less than 6 years	80%
6 or more years	100%

Benefits under the Savings Plan are required to be paid in a single, lump-sum distribution. Payment is usually made after termination of employment.

Q: Does Ampal have an active stock option plan?

In March 1998, the Board approved a Long-Term Incentive Plan (1998 Plan) permitting the granting of options to all employees, officers, directors and consultants of the Company and its subsidiaries to purchase up to an aggregate of 400,000 shares of Class A Stock. The 1998 Plan was approved by a majority of the Company s shareholders at the June 19, 1998 annual meeting of shareholders. The plan remains in effect for a period of ten years. As of December 31, 2003, 119,100 options of the 1998 Plan are outstanding.

On February 15, 2000, the Stock Option Committee, a predecessor committee to the Stock Option and Compensation Committee, approved a new Incentive Plan (2000 Plan), under which the Company has reserved 4 million shares of Class A Stock, permitting the granting of options to all employees, officers and directors. The 2000 Plan was approved by the Board of Directors at a meeting held on March 27, 2000 and was approved by a majority of the Company s shareholders at the June 29, 2000 annual meeting of shareholders. The plan remains in effect for a period of ten years. As of December 31, 2003, 1,277,000 options of the 2000 Plan are outstanding.

The options granted under the 1998 Plan and the 2000 Plan (collectively, the Plans) may be either incentive stock options, at an exercise price to be determined by the Stock Option and Compensation Committee (the Committee) but not less than 100% of the fair market value of the underlying options

on the date of grant, or non-incentive stock options, at an exercise price to be determined by the Committee. The Committee may also grant, at its discretion, restricted stock, dividend equivalent awards, which entitle the recipient to receive dividends in the form of Class A Stock, cash or a combination of both and stock appreciation rights, which permit the recipient to receive an amount in the form of Class A Stock, cash or a combination of both, equal to the number of shares of Class A Stock with respect to which the rights are exercised multiplied by the excess of the fair market value of the Class A Stock on the exercise date over the exercise price. The options granted under the Plans were granted either at market value or above.

Under each of the Plans, all granted but unvested options become immediately exercisable upon the occurrence of a change in control of the Company. On February 26, 2002, the controlling shareholder of the Company, Rebar Financial Corp., agreed to sell all of its stock in the Company to Y.M. Noy Investments Ltd. Accordingly, all options granted but unvested under the Plans were immediately exercisable.
