PROXY STATEMENT
FOR
2008 ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is being furnished to holders of common stock, no par value per share (the "Common Stock") of Firstgold Corp., a Delaware corporation ("Firstgold" or the "Company"), in connection with the solicitation of proxies by the Board of Directors ("Board") for use at Firstgold's Annual Meeting of Stockholders (the "Annual Meeting") to be held on November 20, 2008 at 9:00 a.m., Pacific Time, or at any adjournment(s) or postponement(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Sierra Grand Resort, 2500 East 2nd Street, Reno, Nevada 89595. The telephone number at that address is 800-501-2651.

This Proxy Statement and the enclosed proxy card, together with Firstgold's Annual Report on Form 10-KSB for the fiscal year ended January 31, 2008, were mailed on or about October 17, 2008 to all stockholders entitled to vote at the Annual Meeting.

INFORMATION CONCERNING SOLICITATION AND VOTING

Purposes of the Annual Meeting

The purposes of the Annual Meeting are: (i) to elect four (4) directors to serve for the ensuing year and until their successors are duly elected and qualified; (ii) to ratify the appointment of Hunter & Renfro LLP as the Company's independent registered public accountants; and (iii) to transact such other business as may properly come before the meeting or any adjournment thereof.

Stockholders Entitled to Vote; Record Date

Only holders of record of Common Stock at the close of business on October 7, 2008 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 130,845,543 shares of Common Stock outstanding.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company (Attn: Corporate Secretary) a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

Voting Procedures

General. Your shares will be voted in accordance with the instructions you indicate when you submit your proxy. If you submit a proxy, but do not indicate your voting instructions, your shares will be voted as follows:

FOR the election of the director nominees listed in this proxy statement;

RATIFY Hunter & Renfro LLP as the Company's independent registered public accountants for fiscal year 2009; and

At the discretion of the proxy holders, upon such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Voting by Mail. By signing and returning the enclosed proxy card according to the instructions provided, you are enabling the individuals named on the proxy card, known as "proxies," to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way your shares will be voted even if you are unable to attend the meeting.

Voting in Person at the Meeting. If you plan to attend the Annual Meeting and vote in person, Firstgold will provide you with a ballot at the meeting. If your shares are registered directly in your name, you are considered the stockholder of record, and you have the right to vote in person at the meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in your name. In that case, and if you wish to vote at the meeting, you will need to bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote these shares.

Voting and Solicitation

Each share of Common Stock outstanding on the Record Date entitles its owner to one vote on all matters. With respect to the election of directors, every stockholder voting at the election of directors may cumulate such stockholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the stockholder's shares are entitled, or distribute the stockholder's votes on the same principle among as many candidates as the stockholder thinks fit, provided that votes cannot be cast for more than five candidates. However, no stockholder shall be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the stockholder, or any other stockholder, has given notice at the Annual Meeting prior to the voting of the intention to cumulate the stockholder's votes. On all other matters, each share of Common Stock has one vote.

Proxies are being solicited by Firstgold and expenses of this solicitation of proxies will be borne by Firstgold. Firstgold may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of Firstgold's directors, officers and regular employees, without additional compensation, personally or by telephone, e-mail or letter. Firstgold may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Firstgold's costs for such services, if retained, will not be material.

Quorum; Abstentions; Broker Non-votes

A majority of the shares of Common Stock outstanding on the Record Date and entitled to vote must be present, in person or represented by proxy, to constitute the required quorum for the transaction of business at the Annual Meeting. Shares that are voted "FOR," "AGAINST," or "WITHHELD" are treated as being present at the meeting for purposes of establishing a quorum. Shares that are voted "FOR" or "AGAINST" a matter will also be treated as shares entitled to vote (the "Votes Cast") with respect to such matter.

A plurality of Votes Cast is required for the election of directors and only director votes (either "FOR" or "AGAINST") will affect the outcome of the election of directors.

While there is no definitive statutory or case law authority in California as to the proper treatment of abstentions or broker "non-votes," Firstgold believes that both abstentions and broker "non-votes" should be counted for purposes of determining the presence or absence of a quorum for the transaction of business. Firstgold further believes that neither abstentions nor broker "non-votes" should be counted as shares "represented and voting" with respect to a particular matter for purposes of determining the total number of Votes Cast with respect to such matter. In the absence of controlling precedent to the contrary, Firstgold intends to treat abstentions and broker "non-votes" in this manner. Accordingly, abstentions and broker "non-votes" will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

A broker "non-vote" occurs when an agent holding shares for a beneficial owner does not vote on a particular proposal because the agent does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Agents will typically have discretionary voting power with respect to the election of directors.

Deadlines for Submission of Stockholder Proposals for 2009 Annual Meeting

Requirements for Stockholder Proposals to be Considered for Inclusion in Proxy Materials. Stockholders of the Company are entitled to present proposals for consideration at forthcoming stockholder meetings provided that they comply with the proxy rules promulgated by the Securities and Exchange Commission or the Bylaws of the Company. Stockholders who wish to have a proposal considered for inclusion in the Company's proxy materials for the Company's 2009 Annual Stockholder Meeting must submit such proposal to the Company by June 10, 2009, and attend the meeting or have a representative attend the meeting in order to present the proposal at the stockholder's meeting. The submission of a proposal does not guarantee that it will be included in the Company's proxy statement or proxy.

Requirements for Stockholder Proposals not to be Included in Proxy Materials. Stockholders who wish to present a proposal at an annual meeting of stockholders that is not intended to be included in the proxy materials relating to such meeting must deliver notice of such proposal to the Secretary of the Company at the Company's principal executive offices by July 31, 2009.

Family Relationships

There are no family relationships between any director or executive officer.

Corporate Governance

Our board of directors has five directors and has established an Audit Committee, a Compensation Committee, and a Nominating & Corporate Governance Committee as its standing committees. Our board does not have an executive committee or any committee performing similar functions. We are not currently listed on a national securities exchange or on an inter-dealer quotation system that has requirements that a majority of the board of directors be independent, however, the board has determined that four of five directors, are "independent" under the definition set forth in the listings of the NASDAQ Stock Market, Inc., which is the definition our board has chosen to use for the purposes of determining independence. In addition, our board has determined that all members of its Audit Committee, in addition to meeting the standards for independence set forth in the listing standards of the NASDAQ Stock Market, Inc., also meet the criteria for independence for audit committee members set forth in the Securities Exchange Act of 1934, as amended, including the rules and regulations promulgated thereunder.

Board Meetings and Committees

Our Board of Directors held 11 meetings during the fiscal year ended January 31, 2008 and acted by unanimous written consent on one occasion. Each nominee who was a director during fiscal 2008 participated in at least 75% or more of the aggregate number of the meetings of the Board held during the time that such nominee was a director and any committee on which he served. On January 31, 2007, the Board voted to create a Compensation Committee and a Nominating & Corporate Governance Committee. Charters for those committees were adopted by the Board on July 31, 2007. The charter for each of these Committees and the Audit Committee are available for review on the Company's website at www.firstgoldcorp.com.

The Audit Committee consists of Donald Heimler as our Audit Committee financial expert and chairman of the Audit Committee along with Terry Lynch and Fraser Berrill. Each of Messrs. Lynch and Berrill were considered independent directors as defined the applicable NASDAQ Stock Market listing standards and by the Sarbanes-Oxley Act of 2002 and related regulation of the Securities and Exchange Commission. Stephen Akerfeldt served as chairman of the Audit Committee until January 4, 2008 when Mr. Akerfeldt assumed the position of CEO. At that time Mr. Akerfeldt resigned from the Audit Committee and was replaced by Donald Heimler. The Audit Committee facilitates and maintains open communications among the Board, the Audit Committee, senior management and Firstgold's independent auditors. The Audit Committee also serves as an independent and objective party to monitor Firstgold's financial reporting process and internal control system. In addition, the Audit Committee reviews and evaluates the efforts of Firstgold's independent auditors. The Audit Committee meets periodically with management and Firstgold's independent auditors. The Audit Committee held 3 meetings in fiscal year 2008. The Board has determined that the chairman of the Audit Committee, Mr. Heimler, meets the SEC's definition of audit committee financial expert. The Audit Committee has a written charter.

The Compensation Committee, consisting of Terry Lynch, chairman, Kevin Bullock, and Donald Heimler, establishes salary, incentive and other forms of compensation for Firstgold's Chief Executive Officer, and authorizes stock option issuances for Firstgold. The Compensation Committee meets periodically with management of Firstgold. The Compensation Committee, held two meetings in fiscal year 2008. The Compensation Committee has a written charter.

The Board has also established a Nominating & Corporate Governance Committee. The Nominating & Corporate Governance Committee, consisting of Fraser Berrill, Chairman, Kevin Bullock, and Donald Heimler, evaluates potential candidates for membership on the Board and may consider such factors as it deems appropriate. These factors may include judgment, skill, diversity, integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. While the Board has not established any specific minimum qualifications for director nominees, the Board believes that demonstrated leadership, as well as significant years of service, in an area of endeavor such as business, law, public service, the mining industry or academia, is a desirable qualification for service as a director of Firstgold. The Committee also evaluates the performance of Board members and monitors Directors compliance with applicable rules and regulations of the Securities and Exchange Commission and other regulatory agencies. The Nominating and Corporate Governance Committee has a written charter.

Nominating Process

The Board has a policy with respect to the consideration of director candidates recommended by stockholders. Any stockholder may make recommendations to the Board for membership on the Board by sending a written statement of the qualifications of the recommended individual to: Secretary, Firstgold Corp., 3108 Ponte Morino Drive, Suite 210, Cameron Park, CA 95682. Such recommendations should be received no later than sixty (60) days prior to the annual meeting for which the stockholder wishes his or her recommendation to be considered. The Board will evaluate candidates recommended by stockholders on the same basis as it evaluates other candidates, including the following criteria:

Directors should be of the highest ethical character and share values that reflect positively on themselves and Firstgold.

Directors should have reputations, both personal and professional, consistent with the image and reputation of Firstgold.

Directors should be highly accomplished in their respective fields, with superior credentials and recognition.

The fact that a proposed director nominee meets some or all of the above criteria will not obligate the Nominating & Corporate Governance Committee Board to nominate or recommend the candidate for director in the proxy materials.

Stockholder Communication Policy

Stockholders may send communications to the Board or individual members of the Board by writing to them, care of Secretary, Firstgold Corp., 3108 Ponte Morino Drive, Suite 210, Cameron Park, California 95682, who will forward the communication to the intended director or directors. If the stockholder wishes the communication to be confidential, then the communication should be provided in a form that will maintain confidentiality.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTION

During the 2006 fiscal year, the president of Firstgold, Scott Dockter, had loaned Firstgold an aggregate of \$5,000. In July 2005 a convertible promissory note with a balance of \$1,402,742 and additional accrued interest of \$446,193 due to Mr. Dockter was converted into 12,326,231 shares of Firstgold common stock. As of January 31, 2005, Mr. Dockter had loaned Firstgold a total of \$24,845 and accrued interest of \$32,023. In addition to the outstanding note payable, Mr. Dockter has been issued Warrants to purchase up to 12,157,909 shares of Firstgold's Common Stock at exercise prices ranging from \$0.15/share to \$0.40/share. As of January 31, 2007, Firstgold had an advance receivable from Mr. Dockter in the amount of \$100,000. The advance receivable was repaid in full by April 30, 2007.

On January 25, 2006, Firstgold entered into a joint venture with ASDi, LLC to explore various Nevada mining properties. ASDi LLC is owned and managed by A. Scott Dockter, the then President and CEO of Firstgold. The joint venture was to be operated through a newly formed Nevada limited liability company called Crescent Red Caps, LLC. The terms of the Operating Agreement provide for ASDi LLC to contribute the leases covering two mining properties located in Nevada in exchange for Firstgold issuing 2.5 million shares of its Common Stock and warrants to purchase 2.5 million shares of Firstgold Common Stock at an exercise price of \$0.40 per share for a term of three years to ASDi, LLC. Firstgold initially owned a 22.22% interest in the Crescent Red Caps LLC and ASDi, LLC held a 77.78% interest. By expending up to \$1,350,000 on each project over the next three years, Firstgold could have increased its interest in the Crescent Red Caps LLC to 66.66%. Thereafter, Firstgold had the right to purchase the remaining interest in the Crescent Red Caps LLC held by ASDi, LLC at a price to be determined by the results of the exploration work conducted. Firstgold was the Manager of the Crescent Red Caps LLC. Due to the recent settlement of litigation regarding these Nevada mining properties, the leases held by ASDi LLC have been relinquished back to the property owners and the joint venture terminated. In addition to the shares and warrants previously issued to ASDi LLC, Firstgold paid approximately \$1,100,000 in litigation expenses representing all of the litigation costs relating to these properties and paid \$150,000 in final settlement of the litigation.

On December 1, 2006, Firstgold entered into an Aircraft Time Sharing Agreement (the "Agreement") with its CEO and President A. Scott Dockter. Pursuant to the Agreement, Mr. Dockter will make his private airplane available for use by Firstgold at a rental rate of \$200 per hour plus designated expenses. The Agreement has a term of 10 years. Firstgold made an advance payment under the Agreement of \$120,000 on December 9, 2006. As of January 31, 2008 Firstgold had utilized \$6,360 of the advance payment in plane usage. The rental rate being charged is deemed to be significantly less than the rates obtainable from an unaffiliated third party. The Agreement and advance payment were approved by the Firstgold Board with Mr. Dockter abstaining.

In April 2007, Kingsmill Capital Partners assisted Firstgold in a private placement which was conducted in Canada and raised gross proceeds of \$2,552,900. For Kingsmill's participation as a selling agent in the private placement, it received selling commissions of \$178,703.

Terrence Lynch, a director of Firstgold, is an officer of Kingsmill but did not receive any compensation as such from this completed Firstgold private placement. However, CBKT Media is Mr. Lynch's family owned entity which in turn owns a 25% interest in Kingsmill. Consequently, CBKT Media may receive some portion of the selling commissions paid by Firstgold to the extent net profits of Kingsmill are distributed to its partners. The amount of any such distribution cannot be determined at this time, but is expected to be less than \$45,000.

Review, Approval or Ratification of Transactions With Related Parties

Should a transaction, proposed transaction, or series of transactions involve one of our officers or directors or a related entity or an affiliate of a related entity, or holders of stock representing 5% or more of the voting power (a "related entity") of our then outstanding voting stock, the transactions must be approved by the unanimous consent of the disinterested members of our board of directors. In the event a member of the board of directors is a related party, that member will abstain from the vote.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who own more than 10% of Firstgold's common stock to file reports of ownership on Form 3 and changes in ownership on Form 4 with the SEC. Such executive officers, directors and 10% stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms they file. Based solely upon its review of copies of such forms received by it, or on written representations from certain reporting persons that no other filings were required for such persons, Firstgold believes that, during the fiscal year ended January 31, 2008, its executive officers and directors and 10% stockholders complied with all applicable Section 16(a) filing requirements except as follows:

Mr. Lynch sold shares of Firstgold on July 3, 2007. He did not file a Form 4 regarding such sale until July 10, 2007.

Mr. Dockter exercised warrants on April 15, 2007 and April 30, 2007. He did not file a Form 4 reporting such exercises until May 2, 2007.

Mr. Dockter sold shares of Firstgold on June 1, 2007. He filed a Form 5 reporting such sale and an adjustment to his share ownership on September 19, 2007.

1346049 Ontario Ltd. became a 10% stockholder of Firstgold on June 22, 2007. It did not file a Form 3 regarding such acquisition until July 5, 2007.

Mr. Bullock was appointed a Director of Firstgold on December 21, 2007. He did not file a Form 3 regarding his appointment until January 11, 2008.

Mr. Dockter sold shares of Firstgold on November 19, 2007. He filed a Form 5 reporting such sale on March 20, 2008.

AUDIT DISCLOSURE

Change in Independent Auditor

As previously reported on Form 8-K, on December 16, 2006, Firstgold received notification from its then current independent registered public accountants, Singer Lewak Greenbaum & Goldstein LLP (“SLGG”), Certified Public Accountants, that SLGG had decided not to continue as Firstgold’s independent public accounts. On January 5, 2007, Firstgold’s Audit Committee took action to appoint the accounting firm of Hunter Flemmer Renfro & Whitaker LLP (“HFRW”) as Firstgold’s new independent accountants and HFRW accepted the appointment on January 16, 2007.

During the two fiscal years ended January 31, 2006 and 2005, and as of December 16, 2006, there were no disagreements with SLGG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of SLGG, would have caused them to make reference in connection with their report to the subject matter of the disagreement. Furthermore, SLGG has not advised the Company of any reportable events as defined in Item 304(a)(I)(iv)(B) of Regulation S-B.

The report of the independent registered public accounting firm of SLGG as of and for the years ended January 31, 2006 and 2005, did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to audit scope or accounting principle. However, the reports contained a “going concern” paragraph.

Prior to HFRW’s engagement, the Company did not consult them regarding the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company’s financial statements nor did HFRW provide any written or oral advice relating to any accounting, auditing or financial issue relating to the Company. However, Mr. Christopher Whitaker, prior to joining HFRW, prepared the Company’s federal and state tax returns for fiscal years 2000-2006. The Audit Committee did not believe this prior service by Mr. Whitaker would adversely impact HFRW’s audit independence.

Audit Committee Report

As stated elsewhere in this proxy statement, Firstgold has a separate Audit Committee which met three times during the 2008 fiscal year. The functions of the Audit Committee include reviewing and evaluating the efforts of Firstgold's independent auditors and the review and authorization of all non-audit fees incurred by Firstgold.

The Audit Committee has reviewed and discussed with Firstgold's management the audited consolidated financial statements as of and for the fiscal year ended January 31, 2008.

The Committee has also discussed with Hunter & Renfro LLP, Firstgold's independent auditors ("H&R"), the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Committee has received and reviewed the written disclosures and the letter from H&R required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and has discussed with H&R its independence.

The material contained in this Audit Committee Report is not soliciting material, is not deemed filed with the SEC, and is not incorporated by reference in any filing of Firstgold under the Securities Act, or the Exchange Act, whether made before or after the date of this proxy statement and irrespective of any general incorporation language in such filing.

Based on the reviews and discussions referred to above, the Audit Committee has approved the audited financial statements referred to above be included in Firstgold's Annual Report on Form 10-KSB for the fiscal year ended January 31, 2008 filed with the Securities and Exchange Commission.

Independent Public Accountants

Firstgold's independent public accountants for the last completed fiscal year ended January 31, 2008, were Hunter & Renfro LLP. The Board anticipates that representatives of H&R will not be present at the Annual Meeting.

Principal Accountant's Fees and Services

During Firstgold's fiscal years ended January 31, 2007 and January 31, 2008, Firstgold was billed the following aggregate fees by Singer Lewak Greenbaum & Goldstein LLP ("SLGG"), its former independent public accountants and Hunter & Renfro LLP ("H&R"), its current independent public accountants.

Audit Fees.

This category includes aggregate fees billed by our independent auditor H&R for the audit of our annual financial statements on Form 10-KSB, review of management's assessment and effectiveness of internal controls over financial reporting, review of financial statements included in our quarterly reports on Form 10-QSB and services that are normally provided by the auditor in connection with statutory and regulatory filings for those fiscal years.

The aggregate fees billed by H&R and SLGG to Firstgold for professional services rendered for the audit of Firstgold's financial statements for the fiscal year, for reviews of the financial statements included in Firstgold's Forms 10-QSB for the fiscal year, and for services provided by H&R and SLGG in connection with statutory or regulatory filings for the fiscal year, were \$106,831 for the fiscal year ended January 31, 2008 and \$177,186 for the fiscal year ended January 31, 2007.

Audit Related Fees

This category consists of services by our independent auditors that are reasonably related to the performance of the audit or review of our financial statements and are not reported above under Audit Fees. This category includes accounting consultations on transaction and proposed transaction related matters.

In fiscal year 2008, H&R and SLGG billed \$122,337 for Audit Related Fees. In fiscal year 2007, SLGG and H&R billed \$119,685 for Audit Related Fees.

Tax Fees

This category consists of professional services rendered for tax, compliance and preparation of our corporate tax returns and other tax advice. In fiscal year 2008, H&R billed \$4,830 for Tax Fees. In fiscal year 2007, Whitaker & Associates billed \$5,940 for Tax Fees.

All other Fees

There are no other fees to disclose.

As stated elsewhere in this report, Firstgold did not have a separate Audit Committee for most of the 2007 fiscal year. Consequently, all of the services performed by H&R and SLGG for most of fiscal year 2007 were reviewed and approved by Firstgold's Board of Directors, which concluded that the provision of the non-audit services described above were compatible with maintaining the accountant's independence. Services performed by H&R during fiscal year 2008 were reviewed and approved by the Audit Committee, which concluded that the provision of the non-audit services described above were compatible with maintaining the accountant's independence.

Pre-Approved Policies and Procedures

Prior to retaining H&R to provide services in the current fiscal year (beginning February 1, 2008), the Audit Committee will first review and approve H&R's fee proposal and engagement letter. In the fee proposal, each category of services (Audit, Audit Related, Tax and All Other) is broken down into subcategories that describe the nature of the services to be rendered, and the fees for such services. Firstgold's pre-approval policy provides that the Audit Committee must specifically pre-approve any engagement of H&R for services outside the scope of the fee proposal and engagement letter.

OTHER BUSINESS

Firstgold's management knows of no other business to be brought before the 2008 Annual Meeting of Stockholders. If, however, any other business should properly come before the annual meeting, the persons named in the accompanying proxy will vote proxies as in their discretion, as they may deem appropriate, unless they are directed by a proxy to do otherwise.
