QUESTIONS AND ANSWERS

Important Information to Help You Understand and Vote on the Proposals at the Annual Meetings and Special Meetings.

While we strongly encourage you to read the full text of the enclosed combined joint proxy statement, we are also providing you with a brief overview of the proposals on which shareholders are requested to vote. Your vote is important.

QUESTIONS AND ANSWERS

What are the proposals being considered at the Annual Meetings of Shareholders (Annual Meetings) and Special Meetings of Shareholders for PFD, PFO, FFC and FLC (Special Meetings, together with the Annual Meetings, the Meetings)?

At the Annual Meetings, shareholders are being asked to vote on the following proposals:

(1) To elect Directors of each Fund (Proposal 1).

(2) To transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.
At the Special Meetings for PFD, PFO, FFC and FLC, shareholders are being asked to vote on the following proposals:

(1) To approve a change to each Fund's fundamental investment policy regarding investments in commodities (Proposal 1).

(2) To transact such other business as may properly come before the Special Meeting or any adjournments or postponements thereof.
How does the Board recommend I vote?

The Board has unanimously approved, and recommends that you vote **FOR** Proposal 1 at the Annual Meetings.

The Board has unanimously approved, and recommends that you vote **FOR** Proposal 1 at the Special Meetings for PFD, PFO, FFC and FLC.

Who is eligible to vote at the Meetings?

Shareholders of record as of the close of business on January 17, 2014 are eligible to vote at the relevant Meetings.

I only have a few shares. Why should I bother to vote?

Each vote makes a difference. Your vote is needed to help ensure that the proposals can be acted upon. Voting promptly is also important. If we do not receive enough votes, we may have to re-solicit shareholders, which can be costly, time consuming and may delay the Meetings. We encourage all shareholders to participate in the governance of their Fund and to avoid unnecessary communications with you as a shareholder.

What if I have additional questions?

If you are a shareholder of FFC, FLC or DFP, please call 1-877-855-3434 with any additional questions. If you are a shareholder of PFD or PFO, please call 1-626-795-7300.

ANNUAL MEETINGS OF SHAREHOLDERS

Who are the nominees for election to the Board of Directors?

The nominee(s) for election to the relevant Fund's Board of Directors are as follows:

Fund	Nominees For Election
PFD	David Gale Karen H. Hogan
PFO	Morgan Gust Karen H. Hogan
FFC	David Gale
FLC	David Gale
DFP	Donald F. Crumrine Robert F. Wulf

Biographical information for each nominee is included in the enclosed combined joint proxy statement under Proposal 1 of the Annual Meetings.

SPECIAL MEETINGS OF SHAREHOLDERS FOR PFD, PFO, FFC AND FLC

What is the purpose of the Special Meetings?

Each Fund's Board of Directors called the Special Meeting to present a proposal to shareholders for their approval with respect to each Fund's fundamental investment policy relating to investments in commodities. The Board has proposed a clarification to its existing policy in order to avoid confusion in light of recent changes to applicable law. The proposed revised fundamental investment policy makes clear that the Funds have the flexibility to use swaps on financial instruments in order to achieve their investment goals, consistent with each Fund's original intent.

You can find greater detail in the enclosed combined joint proxy statement under Proposal 1 of the Special Meetings.

Why is the Fund's Board of Directors recommending revising each Fund's fundamental investment policy with respect to commodities?

Each Fund has adopted certain investment policies that cannot be changed without shareholder approval. The Board has proposed that the existing fundamental investment policy with respect to the purchase and sale of commodities be revised in order to avoid confusion in light of recent changes to applicable law. The change to the fundamental policy is not expected to materially affect the manner in which each Fund's investment program is being conducted at this time.

What will happen if shareholders do not approve the change to a Fund's fundamental investment policy with respect to commodities?

If the revised fundamental investment policy with respect to commodities is not approved by shareholders of a Fund, the fundamental investment policy will remain as is and the manner in which the Fund's investment program is being conducted at this time will remain substantially the same. Since the change is a clarification, the Funds would be able to use swaps on financial instruments even if the required vote was not obtained.

Under the Bylaws of each Fund, the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote shall be necessary and sufficient to constitute a quorum for the transaction of business (a Quorum) at that Fund's Meeting(s). In the event that a Quorum is not present at the relevant Meeting, or in the event that a Quorum is present but sufficient votes to approve any of the proposals are not received, the Chairman of the Meeting may adjourn the meeting without assigning a specific date or from time to time to a date not more than 120 days after the original record date without notice other than announcement at the Meeting. At such adjourned meeting at which a Quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified. A shareholder vote may be taken on a proposal in the Joint Proxy Statement relating to the applicable Meeting prior to any such adjournment if sufficient votes have been received for approval of that proposal. Once a Quorum has been established at the relevant Meeting, shareholders may continue to transact business, notwithstanding the withdrawal of shareholders and the loss of a Quorum.

Each Fund has one class of capital stock outstanding: common stock, par value \$0.01 per share (the Common Stock or the Shares). ¹ Information obtained from a Schedule 13G/A filed by First Trust Portfolios L.P. (FTP), First Trust Advisors L.P (FTA) and The Charger Corporation (Charger) with the SEC reporting share ownership as of February 28, 2014. Based on that filing, FTP, FTA and Charger do not have sole or shared voting power, but do have the shared power to dispose or direct the disposition of 1,054,472 Shares.

² Information obtained from a Schedule 13G/A filed by the Filing Entities with the SEC reporting share ownership as of December 31, 2013. Based on that filing, the Filing Entities have the shared power to vote or direct the vote or dispose or direct the disposition of 604,237 Shares.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Fund. At each of the relevant Meetings, Shareholders of each Fund will vote as a single class. Shareholders of each Fund will vote separately for each of PFD, PFO, FFC, FLC and DFP on each proposal on which shareholders of that Fund are entitled to vote at a Meeting. Separate proxy cards are enclosed for each Fund in which a shareholder owns Shares. Thus, if a proposal at the relevant Meeting is approved by shareholders of one or more Funds and not approved by shareholders of one or more other Funds, the proposal will be implemented for the Fund or Funds that approved the proposal and will not be implemented for any Fund that did not approve the proposal. It is therefore essential that shareholders complete, date and sign each enclosed proxy card. Shareholders of each Fund are entitled to vote on the proposal pertaining to that Fund.

(1)

Interested person (as defined in the Investment Company Act of 1940, as amended (the 1940 Act)) of the Funds. Mr. Crumrine is considered an "interested person" because of his affiliation with Flaherty & Crumrine.

With the exception of DFP, each Director has been a Director of the Funds for at least five years. Additional information about each Director follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Boards believe have prepared them to be effective Directors. The Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Boards believe that their members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (*e.g.*, accounting or law); public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charters for the Boards' Nominating and Governance Committees contain certain other factors considered by the Committees in identifying and evaluating potential Director nominees. To assist them in evaluating matters under federal and state law, the Independent Directors (defined below) are counseled by their own independent legal counsel, who participates in Board meetings and interacts with Flaherty & Crumrine, and also may benefit from information provided by the Funds' and Flaherty & Crumrine's counsel; both counsel to the Independent Directors and counsel to the Funds and Flaherty & Crumrine have significant experience advising funds and fund directors. The Boards and their Committees have the ability to engage other experts as appropriate. The Boards evaluate their performance on an annual basis.

- Donald F. Crumrine Mr. Crumrine has been the Chairman of the Boards of PFD and PFO since 2002 and Chairman of the Boards of FFC, FLC and DFP since each Fund's inception. Mr. Crumrine has over 36 years of experience managing portfolios of preferred securities. He co-founded Flaherty & Crumrine in 1983, after spending twelve years at Scudder, Stevens & Clark, to focus on managing preferred securities portfolios and associated hedges. Mr. Crumrine is actively involved in the day-to-day management of all Flaherty & Crumrine client portfolios, including those of the Funds, and directs client service and marketing efforts at Flaherty & Crumrine.
- David Gale In addition to his tenure as a Director of the Funds, Mr. Gale has been President and Chief Executive Officer of Delta Dividend Group, Inc., a San Francisco-based investment management firm, since 1992. Prior to joining Delta Dividend Group, Inc., Mr. Gale was a Principal with Morgan Stanley from 1983 to 1990, and a Managing Director of Lehman Brothers Holdings Inc. from 1990 to 1992. Mr. Gale previously served as a director of Emmis Communications.
- Morgan Gust In addition to his tenure as a Director of the Funds, Mr. Gust is the owner and operator of various entities engaged in agriculture and real estate. From 1990 to 2007, Mr. Gust served in various capacities, including President, Executive Vice President, General Counsel and Corporate Secretary of Giant Industries, Inc., a petroleum refining and marketing company listed on the New York Stock Exchange (the NYSE). Mr. Gust currently serves as lead Director of CoBiz Financial, Inc., a publicly traded bank holding company. He is also a member of the Arizona State Bar.
- Karen H. Hogan In addition to her tenure as a Director of the Funds, Ms. Hogan serves as a board member and committee member of several charitable and non-profit organizations. From 1985 to 1997, Ms. Hogan served as Senior Vice President of Preferred Stock Origination, and previously Vice President of New Product Development, at Lehman Brothers Holdings Inc.
- Robert F. Wulf In addition to his tenure as a Director of the Funds, Mr. Wulf has worked as a financial consultant for over 30 years. Mr. Wulf also served as a board member of two non-profit organizations.

Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Funds' Directors not be "interested persons" (as defined in the 1940 Act) of the Funds, and therefore not affiliated with Flaherty & Crumrine ("Independent Directors"). To rely on certain exemptive rules under the 1940 Act, a majority of the Funds' Directors must be Independent Directors and, for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, four of the Funds' five Directors are Independent Directors. The Chairman of the Boards is an interested person of the Funds. The four Independent Directors interact directly with the Chairman and other senior management of Flaherty & Crumrine at scheduled meetings and between meetings as appropriate. Independent Directors have been designated to chair the Audit Committees and the Nominating and Governance Committees, and the Independent Directors rotate the responsibility for chairing meetings of Independent Directors. In addition, from time to time, one or more Independent Directors may be designated, formally or informally, to take the lead in addressing with management or their independent legal counsel matters or issues of concern to the Boards. As a result, the Boards have determined that their leadership structures and composition, in which no individual Independent Director has been designated to lead all the Independent Directors, are appropriate in light of the Boards' size and the cooperative and dynamic working relationship among the Independent Directors and the Independent Directors' open lines of communication with Fund management. The Boards have determined that their leadership structures and composition, in which the Chairman of the Boards is an "interested person" of the Funds and 80% of the Directors are Independent Directors, are appropriate in light of the services that Flaherty & Crumrine provides to the Funds.

Boards' Oversight Role in Management

The Boards' role in management of the Funds is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Funds, primarily Flaherty & Crumrine, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of their oversight, the Boards, acting at their scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Funds' and Flaherty & Crumrine's Chief Compliance Officer and portfolio management personnel. The Boards' Audit Committees (which consist of all the Independent Directors) meet during their scheduled meetings, and between meetings the Audit Committee chairs maintain contact, with the Funds' independent registered public accounting firm and the Funds' Chief Financial Officer. The Boards also receive periodic presentations from senior personnel of Flaherty & Crumrine regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation and credit. The Boards have adopted policies and procedures designed to address certain risks to the Funds. In addition, Flaherty & Crumrine and other service providers to the Funds have adopted a variety of policies, procedures and controls designed to address particular risks to the Funds. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Funds. The Boards also receive reports from counsel to the Funds and Flaherty & Crumrine and the Independent Directors' own independent legal counsel regarding regulatory, compliance and governance matters. The Boards' oversight role does not make the Boards guarantors of the Funds' investments or activities.

Audit Committee

The role of each Fund's Audit Committee is to assist the Board of Directors in its oversight of: (i) the integrity of the Fund's financial statements and the independent audit thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent auditor's qualifications, independence and performance. Each Fund's Audit Committee is also required to prepare an audit committee report pursuant to applicable laws and regulations for inclusion in the Fund's annual proxy statement. Each Audit Committee operates pursuant to a charter (the "Audit Committee Charter" or "Charter") that was most recently reviewed and approved by the Board of Directors of each Fund on January 21, 2014 and which is available at www.preferredincome.com. As set forth in the Charter, management is responsible for the (i) preparation, presentation and integrity of each Fund's financial statements, (ii) maintenance of appropriate accounting and financial reporting principles and policies and (iii) maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Funds' independent registered public accounting firm, KPMG LLP (the "independent accountants" or "KPMG"), is responsible for planning and carrying out proper audits and reviews of each Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

Audit Committee Report

In performing its oversight function, at a meeting held on January 21, 2014, each Audit Committee reviewed and discussed with management of the Fund and the independent accountants, the audited financial statements of the Fund as of and for the fiscal year ended November 30, 2013, and discussed the audit of such financial statements with the independent accountants.

In addition, each Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Each Audit Committee also received from the independent accountants the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent accountants and the Funds and discussed the impact that any such relationships might have on the objectivity and independence of the independent accountants.

As set forth above, and as more fully set forth in each Fund's Audit Committee Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of each Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of each Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee of each Fund recommended to that Fund's Board that the audited financial statements be included in the Fund's Annual Report for the fiscal year ended November 30, 2013.

This report was submitted by the Audit Committee of each Fund's Board of Directors

David Gale
Morgan Gust
Karen H. Hogan
Robert F. Wulf (Chairman)

January 22, 2014

Each Audit Committee was established in accordance with Section 3(a)(58)(A) of the 1934 Act. Each Audit Committee met four times in connection with its Board of Directors' regularly scheduled meetings during the fiscal year ended November 30, 2013. Each Audit Committee is composed entirely of each Fund's Independent Directors who are also independent (as such term is defined by the NYSE under the listing standards applicable to closed-end funds, as may be modified or supplemented (the "NYSE Listing Standards")), namely Ms. Hogan and Messrs. Gale, Gust and Wulf.

Nominating and Governance Committee

Each Board of Directors has a Nominating and Governance Committee composed entirely of each Fund's Independent Directors who are also independent (as such term is defined by the NYSE Listing Standards), namely Ms. Hogan and Messrs. Gale, Gust and Wulf. The Nominating and Governance Committee of each Fund, except DFP, met twice during the fiscal year ended November 30, 2013 and the Nominating and Governance Committee of DFP met once during the period ended November 30, 2013.

The Nominating and Governance Committee is responsible for identifying individuals believed to be qualified to become Board members; for recommending to the Board such nominees to stand for election as directors at each Fund's annual meeting of shareholders and to fill any vacancies on the Board; and for overseeing the Board's governance practices. Each Fund's Nominating and Governance Committee has a charter which is available on its website, www.preferredincome.com.

Each Fund's Nominating and Governance Committee believes that it is in the best interest of the Fund and its shareholders to obtain highly qualified candidates to serve as members of the Board. The Nominating and Governance Committees have not established a formal process for identifying candidates where a vacancy exists on the Board. In nominating candidates, each Nominating and Governance Committee shall take into consideration such factors as it deems appropriate, including educational background; business, professional training or practice (e.g., accounting or law); public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Each Fund's Nominating and Governance Committee may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Each Fund's Nominating and Governance Committee will consider Director candidates recommended by shareholders and submitted in accordance with applicable law and procedures as described in this Joint Proxy Statement. (See "Submission of Shareholder Proposals" Annual Meetings 2015 below.)

Other Board-Related Matters

Shareholders who wish to send communications to the Board should send them to the address of their Fund(s) and to the attention of the Board. All such communications will be directed to the Board's attention.

The Funds do not have a formal policy regarding Board member attendance at the Annual Meeting of Shareholders. However, all of the Directors of each Fund attended the April 18, 2013 Annual Meetings of Shareholders.

Board Compensation

Each Director of each Fund who is not a director, officer or employee of Flaherty & Crumrine or any of its affiliates receives from each Fund a fee of \$9,000 per annum plus \$750 for each in-person Board of Directors or Audit Committee meeting attended, \$500 for each in-person Nominating and Governance Committee meeting attended, and \$250 for each telephone meeting attended. In addition, the Audit Committee Chairman receives from each Fund an annual fee of \$3,000. Each Director of each Fund is reimbursed for travel and out-of-pocket expenses associated with attending Board and committee meetings. During the fiscal year ended November 30, 2013, the Board of Directors for each of PFD and PFO held six meetings (two of which were telephone meetings), the Board of Directors of each of FFC and FLC held seven meetings (three of which were telephone meetings), and the Board of Directors DFP held seven meetings (four of which were telephone meetings). Independent Registered Public Accounting Firm

KPMG, Two Financial Center, 60 South Street, Boston, Massachusetts 02111, has been selected to serve as each Fund's independent registered public accounting firm for each Fund's fiscal year ending November 30, 2014. KPMG acted as the independent registered public accounting firm for each Fund for the fiscal year/period ended November 30, 2013. The Funds know of no direct financial or material indirect financial interest of KPMG in the Funds. A representative of KPMG will not be present at the Meetings, but will be available by telephone to respond to appropriate questions and will have an opportunity to make a statement, if asked.

Set forth in the table below are audit fees and non-audit related fees billed to each Fund by KPMG for professional services for the fiscal year ended November 30, 2012 and fiscal year/period ended November 30, 2013, as applicable.

** All Other Fees are those fees billed to DFP by KPMG in connection with the Seed Audit of the Fund.

Each Fund's Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent accountants to the Fund, and all non-audit services to be provided by the independent accountants to the Fund's investment adviser and any entity controlling, controlled by or under common control with the Funds' investment adviser (affiliates) that provide on-going services to each Fund, if the engagement relates directly to the operations and financial reporting of each Fund, or to establish detailed pre-approval policies and procedures for such services in accordance with applicable laws. All of the audit and non-audit services described above for which KPMG billed each Fund fees for the fiscal year ended November 30, 2012 and the fiscal year/period ended November 30, 2013, as applicable, were pre-approved by the Audit Committee.

For each Fund's fiscal year ended November 30, 2012 and fiscal year/period ended November 30, 2013, KPMG did not provide any non-audit services (or bill any fees for such services) to the Funds' investment adviser or any affiliates.

**SPECIAL MEETINGS
(PFD, PFO, FFC and FLC ONLY)**

**PROPOSAL 1: TO APPROVE A CHANGE TO EACH FUND'S FUNDAMENTAL INVESTMENT POLICY
REGARDING INVESTMENTS IN COMMODITIES**

Background. The preferred and debt securities typically held by each Fund generally are longer duration instruments. As a result, the Fund can be more sensitive to interest rate changes than funds that invest in shorter duration instruments. However, while it does not currently do so, each Fund has historically and may in the future utilize an interest-rate strategy. Under this strategy, each Fund mitigates some or all of this exposure to long-term U.S. Treasury interest rates through purchasing futures or options, entering into swap transactions or utilizing other types of instruments. If a Fund did make such investments, they normally would be expected to appreciate in value when long-term interest rates rise significantly. If long-term interest rates did rise, and the instruments employed by the Fund increased in value, the Fund could use those realized gains to purchase additional preferred securities. This could potentially increase dividends to common shareholders.

1940 Act Requirements: PFD, PFO, FFC and FLC, like all registered investment companies, are required by the 1940 Act to have certain specific investment policies that can be changed only with the prior approval of the holders of a majority of its outstanding voting securities. These policies are often referred to as fundamental policies or restrictions. Under Section 8(b)(1)(F) of the 1940 Act, a fund is required to include in its registration statement a recital of its policy regarding the purchase or sale of commodities, and such policy must be a fundamental policy. The 1940 Act does not prohibit a fund from owning commodities, whether physical commodities or contracts related to physical commodities (such as oil or grains and related futures contracts), or financial commodities and contracts related to financial commodities (such as currencies).

PFD, PFO, FFC and FLC currently have a fundamental investment policy with respect to commodities, as detailed below, which restrict their use of certain commodities.

Title VII of The Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act) expanded the scope of commodity interests subject to regulation under the Commodity Exchange Act to include most swaps, including the types of interest rate swaps that could be employed in the execution of each Fund's interest-rate hedging strategy. These instruments were not previously included within the legal definition of commodities, but were permissible investments for each Fund.

In connection with such changes, and to avoid confusion, it is proposed that the below referenced fundamental investment restriction of each Fund be changed so that the Fund may purchase and sell commodities or commodity contracts, including futures contracts, to the extent permitted by law. This change will clarify that the Fund continues to have the same ability to utilize derivative instruments as it did prior to the change in definition of commodity interest under the Dodd-Frank Act.

In addition, the proposed revised fundamental investment policy is intended to provide each Fund with flexibility to respond to changing markets, new investment opportunities and future changes in applicable law.

Flaherty & Crumrine has advised the Board that the proposed revision to the fundamental policy on investment in commodities and commodity contracts is not expected to materially affect the manner in which a Fund's investment program is being conducted at this time. In addition, Flaherty & Crumrine has advised the Board that it does not expect to purchase any physical commodities or contracts related to physical commodities, such as swaps on precious metals or agricultural products. Instead, it expects that it could use financial commodity contracts, such as interest rate swaps, to mitigate risk of loss or otherwise increase return for each Fund.

Proposal: Each Fund's current fundamental investment policy regarding investments in commodities is set forth below.

PFD [The Fund may not] [i]nvest in commodities, except that the Fund may enter into futures contracts, including interest rate and stock index futures, and may purchase options and write covered options on such futures contracts and securities, as described in this Prospectus.

PFO [The Fund may not] [i]nvest in commodities, except that the Fund may enter into futures contracts, including interest rate and stock index futures contracts, and may purchase options and write covered options on futures contracts, securities and stock indices, as described in this Prospectus.

FFC [The Fund may not] [i]nvest in commodities, except that the Fund may enter into futures contracts, including interest rate and stock index futures, and may purchase options and write covered options on futures contracts and securities, as described in the Prospectus.

FLC [The Fund may not] [i]nvest in commodities, except that the Fund may enter into futures contracts, including interest rate and stock index futures, and may purchase options and write covered options on futures contracts and securities, as described in the Prospectus.

If shareholders of each Fund approve the proposal, each Fund's current fundamental investment policy relating to investments in commodities will be revised as follows:

The Fund may purchase and sell commodities or commodity contracts, including futures contracts, to the extent permitted by law.

Shareholders of each Fund will vote separately from shareholders of the other Funds with respect to their Fund's investment policy.

THE BOARD OF DIRECTORS OF PFD, PFO, FFC AND FLC, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL 1.

Required Vote

Approval of the change in each Fund's fundamental investment policy, with respect to Proposal 1, will require the approval of the holders of a majority of the relevant Fund's outstanding voting securities. A majority of the Fund's outstanding voting securities for this purpose means the lesser of (1) 67% or more of the Shares of Common Stock, present at a meeting of shareholders, if the holders of more than 50% of such Shares are present or represented by proxy at the meeting, or (2) more than 50% of the outstanding Shares.

OTHER MATTERS TO COME BEFORE THE MEETINGS

Annual Meetings. Each Fund does not intend to present any other business at the relevant Meeting, nor is any Fund aware that any shareholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their judgment.

Special Meetings. Under Maryland law and each applicable Fund's Bylaws, the only matters that may be acted on at a special meeting of shareholders are those matters stated in the notice of the special meeting. Accordingly, no other business may properly come before the Special Meetings.

ADDITIONAL INFORMATION

Investment Adviser, Administrator and Servicing Agent

Flaherty & Crumrine serves as the investment adviser to each Fund, and its business address is 301 E. Colorado Boulevard, Suite 720, Pasadena, California 91101. BNY Mellon acts as the administrator to each Fund and is located at 4400 Computer Drive, Westborough, Massachusetts 01581. Destra Capital Investments LLC acts as the servicing agent to FFC, FLC and DFP and is located at 901 Warrenville Road, Suite 15, Lisle, Illinois 60532.

Compliance with the Securities Exchange Act of 1934

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act require each Fund's Directors and executive officers, certain persons affiliated with Flaherty & Crumrine and persons who beneficially own more than 10% of a registered class of each Fund's securities to file reports of ownership and changes of ownership with the SEC and the NYSE and to furnish each Fund with copies of such forms they file. Based solely upon its review of the copies of such forms received by it and written representations from certain of such persons, each Fund believes that during 2013 all such filing requirements applicable to such persons were met in a timely manner, except for one late Form 5 filing on behalf of Mr. Robert Ettinger for PFD, PFO, FFC and FLC that related to a gift.

Submission of Shareholder Proposals - 2015 Annual Meetings

All proposals by shareholders of each Fund that are intended to be presented at each Fund's next Annual Meeting of Shareholders to be held in 2015 must be received by the relevant Fund for consideration for inclusion in the relevant Fund's proxy statement relating to the meeting no later than November 21, 2014, and must satisfy the requirements of federal securities laws.

Each Fund's Bylaws require shareholders wishing to nominate Directors or make proposals to be voted on at the Fund's Annual Meeting to provide timely advance notice of the proposal in writing. To be considered timely, any such advance notice must be in writing delivered to or mailed and received at the principal executive offices of the Fund at the address set forth on the first page of this Joint Proxy Statement not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the shareholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or the tenth day following the day on which public announcement of the date of such meeting is first made.

Any such notice by a shareholder shall set forth the information required by the Fund's Bylaws with respect to each matter the shareholder proposes to bring before the annual meeting.

Householding

Please note that only one annual or semi-annual report or Joint Proxy Statement may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or semi-annual report or this Joint Proxy Statement, or for instructions regarding how to request a separate copy of these documents or regarding how to request a single copy if multiple copies of these documents are received, shareholders should contact BNY Mellon C/O Computershare, P.O. Box 30170, College Station, Texas 77842-3170 or by phone at 1-866-351-7446.

Voting Results

Each Fund will advise its shareholders of the voting results of the matters voted upon at its Meetings in its next Semi-Annual Report to Shareholders.

Broker Non-Votes and Abstentions

A proxy which is properly executed and returned accompanied by instructions to withhold authority to vote represents a broker non-vote (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter). Proxies that reflect abstentions or broker non-votes (collectively, "abstentions") will be counted as Shares that are present and entitled to vote at the meeting for purposes of determining the presence of a Quorum.

With respect to Proposal 1 for the Annual Meetings, abstentions do not constitute a vote for directors. With respect to Proposal 1 for the Special Meetings, abstentions do not constitute a vote for the proposal and instead will count as a vote against the proposal.

NOTICE TO BANKS, BROKER/DEALERS AND VOTING TRUSTEES AND THEIR NOMINEES

Please advise the Funds whether other persons are the beneficial owners of Fund Shares for which proxies are being solicited from you, and, if so, the number of copies of the Joint Proxy Statement and other soliciting material you wish to receive in order to supply copies to the beneficial owners of Fund Shares.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE RELEVANT MEETINGS ARE THEREFORE URGED TO COMPLETE, SIGN, DATE AND RETURN ALL PROXY CARDS AS SOON AS POSSIBLE IN THE ENCLOSED POSTAGE-PAID ENVELOPE.
