In accordance with rules of the Securities and Exchange Commission (the “SEC”), the materials on this website are searchable, readable and printable, and the website does not have “cookies” or other tracking devices which identify visitors.

Under our governing documents, no other business may be raised by stockholders at the Annual Meeting unless proper notice has been given to us by the stockholders seeking to bring such business before the meeting. If any other item or proposal properly comes before the Annual Meeting, the proxies received will be voted on such matter in accordance with the discretion of the proxy holders.

If you are a record holder, meaning your shares are registered in your own name, you may vote:

- (3) **By Mail:** Complete, sign and date your enclosed **GOLD** Proxy Card and mail it in the enclosed postage pre-paid envelope. Your shares will be voted according to your instructions.
- (4) **In Person at the Annual Meeting:** If you attend the Annual Meeting, you may deliver your completed **GOLD** Proxy Card in person or you may vote by completing a ballot, which we will provide to you at the meeting. You are encouraged to complete, sign and date the **GOLD** Proxy Card and mail it in the enclosed postage pre-paid envelope regardless of whether or not you plan to attend the Annual Meeting.

If your shares are held in “street name,” meaning they are held for your account by a broker, bank or other nominee, these proxy materials are being forwarded to you by that nominee. The nominee holding for your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you may vote:

- (1) **Over the Internet:** You will receive instructions from your broker, bank or other nominee stating if they permit Internet voting and, if they do, explaining how to do so. You should follow those instructions.
- (2) **By Telephone:** You will receive instructions from your broker, bank or other nominee stating if they permit telephone voting and, if they do, explaining how to do so. You should follow those instructions.
- (3) **By Mail:** You will receive instructions from your broker, bank or other nominee explaining how you can vote your shares by mail. You should follow those instructions.
- (4) **In Person at the Annual Meeting:** You must contact your broker, bank or other nominee who holds your shares to obtain a “legal” proxy card and bring it with you to the Annual Meeting. **You will not be able to vote in person at the meeting unless you have a Legal proxy from your broker, bank or other nominee issued in your name giving you the right to vote your shares.**

Proxy Contest of Bradley P. Rexroad and Michael D. Tofias

Bradley P. Rexroad and Michael D. Tofias (together with their affiliates and related parties, the “Dissident Stockholders”) have nominated themselves as candidates for election as directors at the Annual Meeting. The Board of Directors **DOES NOT** endorse Mr. Rexroad or Mr. Tofias, and recommends that you vote **FOR** the election of each of the nominees proposed by the Board of Directors. Our Board of Directors recommends a vote **FOR** each of the Board of Directors’ nominees for director on the enclosed **GOLD** Proxy Card. Messrs. Rexroad and Mr. Tofias are **NOT** endorsed by our Board of Directors.

You may receive proxy solicitation materials from the Dissident Stockholders, including an opposition proxy statement and proxy card. **Our Board of Directors recommends that you disregard them along with any White Proxy Card you may receive.** We are not responsible for the accuracy of any information provided by or relating to the Dissident Stockholders or their nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, Dissident Stockholders or any other statements that Dissident Stockholders may otherwise make. If you have already voted using the proxy card provided by Dissident Stockholders, you have the right to change your vote by completing, signing and dating the enclosed **GOLD** Proxy Card and mailing it in the postage pre-paid envelope provided, or by voting by telephone or via the Internet by following the instructions provided on the enclosed **GOLD** Proxy Card. Only the latest proxy you submit will be counted. If you vote against the Dissident Stockholders’ nominees using the proxy card provided by Dissident Stockholders, your vote will not be counted as a vote for the Board of Directors’ nominees, but will result in the revocation of any previous vote you may have cast on the Company’s **GOLD** Proxy Card. If you wish to vote pursuant to the recommendation of the Board of Directors, you should disregard any proxy card that you receive other than the **GOLD** Proxy Card. **If you have any questions or need assistance voting, please call Okapi Partners, our proxy solicitor, at 1 (877)629-6357 or collect at (212) 297-0720.**

If you receive multiple Proxy Statements or **GOLD** Proxy Cards, your shares are likely registered differently or are in more than one account, such as individually and also jointly with your spouse. Please vote each and every **GOLD** Proxy Card or voting instruction form you receive. Since the Dissident Stockholders have submitted an alternative slate of directors, we will likely conduct multiple mailings prior to the Annual Meeting date to ensure stockholders have our latest proxy information and materials to vote. We will send you a new **GOLD** Proxy Card with each mailing, regardless of whether you have previously voted. The latest dated proxy you submit will be counted. **If you wish to vote as recommended by the Board of Directors, then you should only submit GOLD Proxy Cards.**

Proxy Card

The shares represented by any proxy card which is properly executed and received by the Company prior to or at the Annual Meeting (each, a “Conforming Proxy”) will be voted in accordance with the specifications made thereon. Conforming Proxies on a **GOLD** Proxy Card on which no specifications have been made by the stockholder will be voted in favor of the proposals described in the Proxy Statement. The Board of Directors is not aware of any matters that are expected to come before the Annual Meeting other than those described in this Proxy Statement. However, if any other matters are properly brought before the Annual Meeting, the persons named in the **GOLD** Proxy Card will vote the shares represented by each Conforming Proxy on a **GOLD** Proxy Card on those matters as instructed by the Board of Directors, or in the absence of express instructions from the Board of Directors, in accordance with their own best judgment. For information regarding the revocation of a Conforming Proxy, please see “Revocation of Proxies” on page 5 of this Proxy Statement.

Proof of Ownership Required for Attending the Annual Meeting in Person

You are entitled to attend the Annual Meeting only if you are a stockholder of the Company’s common stock, par value \$0.001 per share (“Common Stock”), as of the close of business on [], 2016, the record date set by the Board of Directors (“Record Date”), or hold a valid proxy for the Annual Meeting. If you are a stockholder of record or a beneficial owner of Common Stock that is held of record by a broker, bank or other nominee, you will need to provide valid identification and proof of ownership to attend the Annual Meeting. This proof can be:

a brokerage statement or letter from a broker, bank or other nominee indicating ownership on the Record Date,

a proxy card, or

a valid, legal proxy provided by your broker, bank or other nominee.

Any holder of a proxy from a stockholder must present the proxy card, properly executed, and a copy of proof of ownership. Stockholders and proxy holders must also present a form of photo identification such as a driver’s license. We will be unable to admit anyone who fails to present identification or refuses to comply with our security procedures. No cameras, recording equipment, electronic devices, large bags or packages will be permitted at the Annual Meeting. You are encouraged to vote by proxy regardless of whether or not you plan to attend the Annual Meeting.

Quorum

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote, is necessary to constitute a quorum. Shares of Common Stock represented by Conforming Proxies will be counted as present at the Annual Meeting for purposes of determining a quorum without regard as to whether the proxy is marked as casting a vote for or against a proposal, withholding a vote or abstaining. Shares of Common Stock represented by Conforming Proxies that are voted on at least one matter coming before the Annual Meeting will also be counted as present for purposes of determining a quorum, even if the beneficial owner's discretion has been withheld (a "broker non-vote") for voting on some or all other matters. For information regarding broker non-votes, please see "Revocation of Proxies" on page 5 of this Proxy Statement.

Required Vote

Each stockholder is entitled to one vote for each share of Common Stock.

Proposal 1, concerning the two directors to be elected, will require approval of a plurality of the votes cast. With plurality voting, the two nominees for director who receive the largest number of shares voted FOR will be elected, irrespective of the number or percentage of votes cast. Directors will be elected by a favorable vote of the plurality of shares of Common Stock present, in person or by proxy, at the Annual Meeting and entitled to vote. You may either vote FOR or WITHHOLD authority to vote for the Company's director nominees. If you withhold authority to vote with respect to any nominee, your shares will be counted for purposes of establishing a quorum, but will not be considered to have been voted FOR the director nominee and will result in such nominee receiving fewer votes. As a result of the Dissident Stockholders' intention to propose an alternative slate of director nominees, and assuming these nominees have not been withdrawn before we mail the Notice of Annual Meeting and this Proxy Statement to our stockholders, there will be more than two nominees. As a result, directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning that the two candidates receiving the highest number of FOR votes will be elected. Broker non-votes are not deemed "votes cast" with respect to proposal 1 and therefore will have no effect on the vote.

PLEASE SUPPORT YOUR BOARD OF DIRECTORS' NOMINEES BY VOTING FOR THE BOARD OF DIRECTORS' NOMINEES ON THE GOLD PROXY CARD. DO NOT COMPLETE OR RETURN A PROXY CARD FROM THE DISSIDENT STOCKHOLDERS, EVEN IF YOU VOTE WITHHOLD ON THEIR DIRECTOR NOMINEES. DOING SO MAY CANCEL ANY PREVIOUS VOTE YOU CAST ON THE COMPANY'S GOLD PROXY CARD.

Pursuant to the Company's Articles of Incorporation, Bylaws and Nevada Law, each of proposals 2, 3, 4, 5 6 and 7 will require the affirmative "FOR" votes of a majority of the shares present, in person or by proxy, entitled to be voted thereon. You may vote FOR, AGAINST or ABSTAIN on Proposals 2, 3, 4, 5, 6 and 7. If you abstain from voting on any of such proposals, your shares will nevertheless be counted as present for purposes of establishing a quorum at the Annual Meeting. Abstentions will have the same practical effect as a vote against any of proposals 2, 3, 4, 5, 6 and 7. Broker non-votes will have no effect on the outcome of the vote for any of proposals 2, 3, 4, 5,6 and 7.

If your shares are registered in your name, your shares will not be voted unless you provide a proxy by Internet, telephone or mail, or vote in person at the Annual Meeting. If you hold shares through an account with a bank, broker, or other nominee, your shares will not be voted, except with respect to certain routine matters, unless you provide voting instructions. Broker non-votes, if any, are counted as present for purposes of determining the presence or absence of a quorum but will not be counted for purposes of determining whether a proposal has been approved, except in the case of certain "routine" matters. Broker non-votes occur when brokers, banks and other nominees do not receive voting instructions from their customers, and the broker, bank or other nominee does not have discretionary voting authority with respect to a proposal. If you hold shares through a broker, bank or other nominee and you do not give instructions as to how to vote, under the rules of the New York Stock Exchange ("NYSE"), your broker, bank or other nominee may have authority to vote your shares on certain routine matters but not on non-routine matters. If the nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the nominee that holds your shares will inform us that it does not have the authority to vote on such matter with respect to your shares. Typically, "non-routine" matters include the election of directors, the advisory proposal on executive compensation, and the adoption of the rights plan, and "routine" matters include ratification of the appointment of independent auditors. However, because the Dissident Stockholders have filed proxy materials to contest the election of the Company's director nominees, all of the proposals in this proxy statement will be non-routine matters, and therefore, brokers will not be permitted to exercise discretionary authority regarding any of the proposals to be voted on at the Annual Meeting. As such, your broker will not be permitted to vote your share with respect to any proposals at the Annual Meeting without your instructions as to how to vote. Therefore, please instruct your broker how to vote your shares on these matters promptly. Broker non-votes will not be counted for purposes of the election of directors (proposal 1) and will have no effect on the outcome of the vote for proposals 2, 3, 4, 5, 6 and 7. We will publish final voting results in a Current Report on Form 8-K to be filed with the SEC within four business days from the date of the Annual Meeting.

Solicitation of Proxies

We are required by law to convene an Annual Meeting of our stockholders at which directors are elected. Because our shares are widely held, it would be impractical for our stockholders to meet physically in sufficient numbers to hold a meeting. Accordingly, proxies are solicited from our stockholders. United States federal securities laws require us to send you this Proxy Statement and specify the information required to be contained in it. This solicitation of proxies is being made by the Board of Directors of the Company and all expenses of this solicitation will be borne by the Company. These costs will include, among other items, the expense of preparing, assembling, printing and mailing the proxy materials to stockholders of record and beneficial owners, and reimbursements paid to brokerage firms, banks and other fiduciaries for their reasonable out-of pocket expenses for forwarding proxy materials to stockholders and obtaining beneficial owner's voting instructions. In addition to soliciting proxies by mail, directors, officers and employees may solicit proxies on behalf of the Board of Directors, without additional compensation, personally or by telephone. We may also solicit proxies by email from stockholders who are our employees or who previously requested to receive proxy materials electronically. The Company has retained Okapi Partners LLC ("Okapi") to solicit proxies. Under our agreement with Okapi, Okapi will receive a fee of up to \$75,000 plus the reimbursement of reasonable expenses. Okapi expects that approximately 24 of its employees will assist in the solicitation. Okapi will solicit proxies by mail, telephone, facsimile or email. Our aggregate expenses, including those of Okapi, related to our solicitation of proxies, excluding salaries and wages of our regular employees, are expected to be approximately \$[], of which approximately \$[] has been incurred as of the date of this Proxy Statement. Further discussion below sets forth information relating to our directors and director nominees as well as certain of our officers and employees who are considered "participants" in our solicitation under the rules of the SEC by reason of their position as directors and director nominees of the Company or because they may be soliciting proxies on our behalf.

Revocation of Proxies

A stockholder of record who has executed and delivered a Conforming Proxy may revoke such Conforming Proxy at any time before the Annual Meeting by (i) timely completing and returning a new proxy card with a later date, (ii) voting on a later date by using the Internet or by telephone, (iii) delivering a written notice of revocation to the Corporate Secretary of the Company prior to the Annual Meeting or (iv) attending the Annual Meeting and voting in person. Only a stockholder's latest proxy submitted prior to the Annual Meeting will be counted. A stockholder's attendance at the Annual Meeting will not automatically revoke such stockholder's proxy unless such stockholder votes at the Annual Meeting or specifically requests in writing that his or her prior proxy be revoked.

If you have previously submitted a proxy card sent to you by the Dissident Stockholders, you may change your vote by completing and returning the enclosed **GOLD** Proxy Card in the accompanying postage pre-paid envelope, or by voting by telephone or via the Internet by following the instructions on the **GOLD** Proxy Card. Submitting a proxy card sent to you by the Dissident Stockholders will revoke votes you have previously made via the Company's **GOLD** Proxy Card.

If you are a beneficial owner, you may change your vote by submitting new voting instructions to your broker in accordance with such broker's procedures.

Other Matters

The Board of Directors maintains a process for stockholders or other interested parties to communicate with the Board or any Board member. Stockholders or interested parties who desire to communicate with the Board should send any communication to the Company's Corporate Secretary, Surge Components, Inc., 95 East Jefryn Blvd., Deer Park, New York 11729. Each communication should specify the applicable director or directors to be contacted as well as the general topic of the communication. We may initially receive and process communications before forwarding them to the applicable director. The Corporate Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is determined to be threatening or illegal, uses inappropriate expletive language or is similarly inappropriate, in which case the Corporate Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

Proposal No. 1:

Election of Directors

Our board of directors is classified into the following three classes:

Name	Class	Term Expires
Ira Levy	Class A	Nominee in 2016 for term ending in 2019
Steven J. Lubman	Class A	Nominee in 2016 for term ending in 2019
Alan Plafker	Class B	2018
Martin Novick	Class B	2018
Lawrence Chariton	Class C	2017
Gary Jacobs	Class C	2017

The current Class A directors are Ira Levy and Steven J. Lubman and their terms expire at the Annual Meeting, or as soon thereafter as their successors are duly elected and qualified.

At the Annual Meeting, stockholders will be asked to elect each of Ira Levy and Steven J. Lubman as Class A directors, each to hold office until the 2019 Annual Meeting of Stockholders or until his successor is elected and qualified or until his earlier resignation or removal.

Pursuant to the recommendation of the Nominating and Corporate Governance Committee, the Board has nominated each of Ira Levy and Steven J. Lubman, who each currently serve as a director, to stand for reelection at the Annual Meeting. Mr. Levy is our Chief Executive Officer, Chief Financial Officer and President and Mr. Lubman is our Vice President and Secretary.

The basic responsibility of a Company director is to exercise his or her business judgment prudently and act in a manner that he or she believes in good faith to be in the best interests of the Company and its stockholders. The Nominating and Corporate Governance Committee and the Board consider individuals who have records for leadership and success in their areas of activity and who will make meaningful contributions to the Board. Nominees for director are selected on the basis of Board experience, character, integrity, ability to make independent analytical inquiries, business background, as well as an understanding of the Company's business environment.

We believe that each of the director nominees bring these qualifications in a positive manner to our Board of Directors. Moreover, the director nominees provide our Board with a complement of specific business skills, experience and perspectives.

We have been advised by each of Mr. Levy and Mr. Lubman that they are willing to be named as a nominee and each is willing to continue to serve as a director if elected. If some unexpected occurrence should make necessary, in the discretion of the Board, the substitution of some other person for the nominees, it is the intention of the persons named in the proxy to vote for the election of such other person as may be designated by the Board.

Conforming Proxies on a GOLD Proxy Card held on the Record Date that are returned will be voted, unless otherwise specified, in favor of the nominees for the Class A directors named below. Each of the nominees has consented to be named in this Proxy Statement and to serve if elected, but should any nominee be unable to serve or decline to serve for good cause (which event is not anticipated) the persons named in the GOLD Proxy Card intend to vote for such substitute nominee or nominees as the Nominating and Corporate Governance Committee may recommend and that the Board of Directors may nominate. If any such substitute nominee(s) are designated, we will file an amended proxy statement and GOLD Proxy Card that, as applicable, identifies the substitute nominee(s), discloses that such nominee(s) have consented to being named in the revised proxy statement and to serve if elected, and includes biographical and other information about such nominee(s) as required by the rules of the SEC.

Required Vote

Each nominee shall be elected by a plurality of the votes cast in the election by the holders of the Common Stock represented and entitled to vote at the Annual Meeting, meaning that the two candidates receiving the highest number of FOR votes will be elected. Unless marked to the contrary, Conforming Proxies on a **GOLD** Proxy Card will be voted FOR each of the nominees.

Recommendation of the Board

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS USE THE GOLD PROXY CARD TO VOTE FOR THE ELECTION OF EACH OF MR. LEVY AND MR. LUBMAN AS A CLASS A DIRECTOR.

Transactions with Related Persons, Promoters and Certain Control Persons

The following is a description of transactions with our executive officers, directors or 5% stockholders during the past two years. We believe that all of the transactions described below were made on terms no less favorable to us than could have been obtained from unaffiliated third parties. All future related party transactions will be approved by our audit committee or a majority of our independent directors who do not have an interest in the transaction and who will have access, at our expense, to our independent legal counsel.

Surge and Challenge both lease their current executive offices from Great American Realty of Jefryn Blvd., LLC, an entity owned equally by Ira Levy, our Chief Executive Officer, President and Secretary, Steven Lubman, our vice

president, and an individual who is not affiliated with us. Our lease is through September 2020 and our annual minimum rent payments were approximately \$249,276 and \$250,026 for fiscal 2014 and 2015, respectively, which reflect market rates.

Procedures for Review and Approval of Transactions with Related Persons

Pursuant to the Audit Committee Charter, the Audit Committee is responsible for reviewing and approving all related party transactions as defined under Item 404 of Regulation S-K, after reviewing each such transaction for potential conflicts of interests and other improprieties.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires our directors, executive officers and holders of more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in the ownership of our common stock and other equity securities. Such persons are required to furnish us copies of all Section 16(a) filings.

Based solely upon a review of the copies of the forms furnished to us, we believe that our officers, directors and holders of more than 10% of our common stock complied with all applicable filing requirements during the fiscal year ended November 30, 2015 except for one late Form 4 for each of Messrs. Chariton, Jacobs, Plafker, Siegel and Tofias.

Proposal No. 2:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by the SEC's proxy rules, we are seeking an advisory, non-binding stockholder vote with respect to compensation awarded to our named executive officers.

Our executive compensation program and compensation paid to our named executive officers are described in this Proxy Statement. Our compensation programs are overseen by the Board and our Compensation Committee and reflect our philosophy to pay all of our employees, including our named executive officers, in ways that support three primary business objectives:

Attract and retain the best talent.

Support our culture of performance.

Align employee interests with long-term stockholder interests in the overall success of the Company.

To help achieve these objectives, we structure our named executive officers' compensation to reward the achievement of short-term and long-term strategic and operational goals.

The Board believes that the Company's executive compensation programs use appropriate structures and sound pay practices that are effective in achieving the Company's core objectives and goals. Accordingly, the Board is asking you to vote on the adoption of the following resolution:

RESOLVED, that the stockholders of the Company hereby approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in this Proxy Statement, including the compensation tables and related narrative discussion.

Vote Required

Approval of proposal 2 will require the approval of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote. Unless marked to the contrary, Conforming Proxies on a **GOLD** Proxy Card will be voted FOR proposal 2. Abstentions will have the same practical effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the vote on the proposal.

The advisory vote on executive compensation solicited by this proposal is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers, which is disclosed elsewhere in this Proxy Statement. The vote is advisory, and therefore is not binding on the Company or the Board in any way. Furthermore, because this non-binding, advisory resolution primarily relates to the compensation of our named executive officers that have already been paid or contractually committed, there is generally no opportunity for us to revisit these decisions. However, the Board values the opinions of our stockholders and will take into account the outcome of the vote when considering future executive compensation policies and decisions.

Recommendation of the Board

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS USE THE GOLD PROXY CARD TO VOTE *FOR* PROPOSAL 2.

Proposal No. 3:

Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee has appointed Seligson & Giannattasio, LLP as our independent registered public accounting firm for the fiscal year ending November 30, 2016. Although this appointment does not require ratification, the Board has directed that the appointment of Seligson & Giannattasio, LLP be submitted to stockholders for ratification due to the significance of their appointment to us. If stockholders do not ratify the appointment of Seligson & Giannattasio, LLP, the Audit Committee will consider the appointment of another independent registered public accounting firm for the fiscal year ending November 30, 2016.

Seligson & Giannattasio, LLP served as our independent registered public accounting firm for the fiscal year ended November 30, 2015. A representative of Seligson & Giannattasio, LLP is expected to be present at the Annual Meeting.

	2014	2015
Audit Fees (1)	\$ 151,000	\$ 151,000
Tax Fees (2)	\$ 12,000	\$ 12,000

Audit Fees represent the aggregate fees for professional services for the audit of our annual financial statements (1) and review of financial statements included in our quarterly reports on Form 10-Q or services that are normally provided in connection with statutory and regulatory filings or engagements for those fiscal years.

(2) Tax fees represent the aggregate fees billed for tax compliance, tax advice, and tax planning.

Audit Committee Pre-Approval Policies and Procedures

Pursuant to its charter, the Audit Committee is responsible for the pre-approval of all audit and permissible non-audit services provided by our principal independent accountants on a case-by-case basis. Our Audit Committee has established a policy regarding approval of all audit and permissible non-audit services provided by our principal independent accountants. Our Audit Committee pre-approves these services by category and service. Our Audit Committee has preapproved all of the services provided by our principal independent accountants in the fiscal year ending November 30, 2016.

Vote Required

Approval of proposal 3 will require the approval of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote on the proposal. Unless marked to the contrary, Conforming Proxies on a **GOLD** Proxy Card will be voted FOR proposal 3. Abstentions will have the same practical effect as a vote against the proposal. Recommendation of the Board

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS USE THE GOLD PROXY CARD TO VOTE *FOR* PROPOSAL 3.

Proposal No. 4:

APPROVAL OF THE RIGHTS PLAN

The Board is asking stockholders to approve the stockholder NOL rights plan in the form of a Section 382 Rights Agreement between the Company and Continental Stock Transfer & Trust Company (the “NOL Rights Plan”), which was adopted by our Board, effective October 7, 2016, in an effort to protect the Company’s valuable income tax net operating loss carryforwards (“NOLs”) and thereby protect stockholder value. Failure to obtain stockholder approval will result in the automatic termination of the NOL Rights Plan.

Background and Reasons for the NOL Rights Plan

As of August 31, 2016, the Company had cumulative NOLs of approximately \$10.3 million. These NOLs can be used to offset future taxable income of the Company. While we cannot accurately predict the amount and timing of our future taxable income, we believe that our NOLs are a valuable asset and that it is in the Company’s best interest to attempt to preserve their use.

Our ability to use the NOLs would be substantially limited if we experience an “ownership change” under Sections 382 and 383 of the Internal Revenue Code and related U.S. Treasury regulations. In general, an ownership change occurs if the Company’s stockholders who own 5% or more of the Common Stock increase their collective ownership by more than 50 percentage points within a rolling three-year period. The Board adopted the Rights Plan to reduce the likelihood of an unintended “ownership change” occurring through acquisition of the Common Stock. Specifically, the Rights Plan is intended to act as a deterrent to (i) any person or group acquiring 4.99% or more of the Company’s outstanding Common Stock (an “Acquiring Person”) without the approval of the Board and (ii) any existing stockholder who owns 4.99% or more of the Company’s outstanding Common Stock as of October 7, 2016 from acquiring any additional shares of Common Stock. Stockholders who own 4.99% or more of the Company’s outstanding Common Stock as of October 7, 2016 will not trigger the Rights Plan so long as they do not (i) acquire any additional shares of Common Stock or (ii) fall under 4.99% ownership of Common Stock and then re-acquire additional shares so that they own 4.99% or more of the Common Stock. The Rights Plan does not exempt any future acquisitions of Common Stock by such persons. Any Rights held by an Acquiring Person are void and may not be exercised.

Description of the NOL Rights Plan

The Rights. Effective October 7, 2016, the Board authorized the issuance of one preferred share purchase right (a “Right”) for each outstanding share of our Common Stock to our stockholders of record as of October 17, 2016 (the

“Record Date”). When the Rights become exercisable, each Right would initially represent the right to purchase from the Company one one-thousandth of a share of Series D Preferred Stock, par value \$0.001 per share at a price of \$5.00 per one one-thousandth of a share of Preferred Stock (the “Exercise Price”), subject to adjustment in accordance with the terms of the Rights Plan. If issued, each one-thousandth of a share of Series D Preferred Stock would give its holder approximately the same dividend, liquidation and voting rights as does one share of the Common Stock. However, prior to exercise, a Right does not give its holder any rights as a stockholder, including any dividend, voting or liquidation rights.

Exercisability. The Rights are not exercisable until the earlier of (i) the tenth business day after a public announcement that a person or group has become an Acquiring Person and (ii) the tenth business day after the commencement of a tender or exchange offer by a person or group for 4.99% or more of the Common Stock (the “Distribution Date”).

Until the Distribution Date, our Common Stock certificates will evidence the Rights. The surrender or transfer of any certificates for shares of Common Stock (or book entry shares of Common Stock) outstanding as of the Record Date will also constitute the transfer of the Rights associated with the underlying shares of Common Stock represented by the certificate or registered in book entry form. After the Distribution Date, separate certificates evidencing the Rights (“Rights Certificates”) will be mailed to holders of record of the Common Stock and such Rights Certificates alone will evidence the Rights.

Exchange. At any time after any person or group becomes an Acquiring Person, the Board may exchange all or part of the then outstanding Rights (other than Rights owned by such Acquiring Person which will have become void) for shares of Common Stock at an exchange ratio of two shares of Common Stock per Right. However, the Board will have no power to effect such exchange after any Acquiring Person becomes the beneficial owner of 50% or more of the outstanding Common Stock.

Redemption. At any time before an Acquiring Person becomes such, the Board may redeem all, but not less than all, of the outstanding Rights at a price of \$0.001 per Right (the “Redemption Price”) payable, at the option of the Company, in cash, shares of Common Stock or any other form of consideration as the Board will determine. The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Expiration. The Rights will expire prior to the earliest of: (i) October 7, 2019, (ii) the time at which the Rights are redeemed or exchanged by the Company, (iii) the closing of certain merger or other acquisition transaction involving the Company at which time the Rights are terminated, (iv) the close of business on the first day after the Annual Meeting, if stockholder approval has not been obtained at the Annual Meeting, (v) the close of business on the effective date of the repeal of Section 382 of the Internal Revenue Code, if the Board determines that the Rights Plan is no longer necessary or desirable for preserving the NOLs, and (vi) the Close of Business on the first day of a taxable year of the Company to which the Board determines that no NOLs are available to be carried forward.

Anti-Dilution Provisions. The Board may adjust the Exercise Price, the number of shares of Series D Preferred Stock or other securities or property issuable from time to time to prevent dilution as a result of certain events, including among others, a stock dividend, a forward or reverse stock split or a reclassification of the Series D Preferred Stock.

Amendments. Prior to the Redemption Date, the Company may supplement or amend the Rights Plan in any manner without the approval of the holders of the Rights. From and after the Redemption Date, no amendment can adversely affect the interests of the holders of the Rights.

The foregoing is a summary of the terms of the Rights Plan. The summary does not purport to be complete and is qualified in its entirety by reference to the text of the Rights Plan, which is attached to this Proxy Statement as Appendix A. **Please read the Right Plan in its entirety carefully, as the discussion above is only a summary.**

Vote Required

Approval of proposal 4 will require the approval of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote. Unless marked to the contrary, Conforming Proxies on a **GOLD** Proxy Card will be voted FOR proposal 4. Abstentions will have the same practical effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the vote on the proposal.

Proposal No. 5:

Stockholder Proposal Regarding Changing Our Jurisdiction of Incorporation

We have received a non-binding stockholder proposal from Michael Tofias, one of the Dissident Stockholders, for presentation at the Annual Meeting. ***The Board opposes the stockholder proposal for the reasons stated following the proposal.***

The Proposal and the Proponent's Statement in Support

RESOLVED, that the stockholders of the Company urge the Board of Directors of the Company to take the necessary steps (excluding those that may be taken only by stockholders) to change the Company's jurisdiction of incorporation to Delaware.

Supporting Statement

The Company at present is incorporated under the laws of Nevada. Professor Michal Barzuza, writing in the Virginia Law Review, has called Nevada's corporate law "shockingly lax." For example, Nevada law allows officers and directors to avoid liabilities that are considered almost axiomatic, such as those for breaches of the duty of loyalty, acts or omissions not in good faith, and transactions from which an officer or a director derived an improper personal benefit. A leading corporate law treatise states flatly that "a lot of con artists also find Nevada an ideal place to hide behind their corporate 'shells,' to the point that many professional investors view with suspicion any Nevada corporation that has its mailing address in another state."

The proposal recommends reincorporation of the Company in Delaware. Delaware is by far the most popular jurisdiction of incorporation for public companies. A majority of the corporations listed on U.S. stock exchanges are incorporated in Delaware, as are 64% of the corporations that make up the Fortune 500. Research has shown that Delaware firms are worth significantly more than similar firms incorporated elsewhere.

There are excellent reasons for Delaware's success, including a corporate statute that provides corporate efficiencies while retaining protections for stockholders and is regularly updated, and an efficient and professional office of the Secretary of State, which maintains state corporate records. Particularly notable is Delaware's Court of Chancery, a specialized court that focuses on corporate issues and can provide swift decisions. The Court of Chancery is one of the

most highly respected trial courts of any kind in the United States. It has produced a large body of case law, and its consistency and professionalism results in a predictability that is not available with less experienced courts.

A head-to-head comparison shows other advantages to Delaware:

Delaware has strong appraisal rights for stockholders, which in the recent case of Dell resulted in a 28% premium over the price negotiated in a merger. Nevada's appraisal rights are less extensive and impose more procedural barriers to stockholders.

Delaware provides stockholders with broad inspection rights, while Nevada rights are more limited.

Nevada imposes extensive antitakeover restrictions that can reduce stockholders' ability to realize value through a corporate sale.

While costs can be somewhat higher in Delaware (I estimate currently approximately \$6,000 per year), I believe the benefits to stockholders far exceed this difference in cost.

Accordingly, I believe it is time for the Company to reconsider its 2010 reincorporation in Nevada and seek to move instead to a more shareholder-friendly state. As Professor Barzuza has written, "it would seem as though Delaware is racing toward the top and Nevada is racing toward the bottom."

Board of Directors' Statement in Opposition

Our Board believes stockholders should vote AGAINST the proposal for the following reasons:

The Board believes that, for the reasons described below, reincorporating in Delaware would be detrimental to the best interests of the Company and its shareholders. The Board believes that reincorporating the Company in Delaware would involve substantial expense to the Company and would require a substantial investment of management time that would be better spent on the Company's business affairs. Among other things, reincorporation may require us to obtain consents from, or provide notices to, third parties under certain of our agreements. Reincorporation also may require approvals from federal, state, and/or local regulatory bodies. To identify all consents, notices, and approvals that reincorporation would require, the Company would be required to undertake an exhaustive review of the agreements to which it is a party and analysis of various federal, state, and local laws. Reincorporation also would involve the preparation of various documents and filings with governmental bodies, resulting in administrative costs to the Company. This process, in the Board's view, would divert the time and attention of our management from normal business operations without any apparent commensurate benefit. We do not believe that such a process is a productive use of management time and the Company's resources.

Furthermore, the Company would be subject to additional state taxes if it reincorporates in Delaware, including the annual Delaware franchise tax, even though the Company has no operations and no physical presence in Delaware. These added annual expenses would result in no additional benefit or value to the Company. The Board believes that management's time and resources should remain focused on its efforts to continue to create value for all shareholders.

For the reasons cited above, we believe that there are significant advantages for us and our stockholders to remain incorporated in Nevada and that the advantages outweigh any perceived enhancement of shareholder rights that could result from reincorporation in Delaware.

Vote Required

Approval of proposal 5 will require the approval of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote. Unless marked to the contrary, Conforming Proxies on a GOLD Proxy Card will be voted AGAINST proposal 5. Abstentions will have the same practical effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the vote on the proposal.

Recommendation of the Board

FOR THE REASONS SET FORTH ABOVE, OUR BOARD RECOMMENDS THAT YOU VOTE AGAINST THE ADOPTION OF THE STOCKHOLDER PROPOSAL.

Proposal No. 6:

Stockholder Proposal Regarding a Declassified Board Structure

We have received a non-binding stockholder proposal from the Concerned Stockholders of Surge Components, Inc. (the “Concerned Stockholders”) for presentation at the Annual Meeting. ***The Board opposes the stockholder proposal for the reasons stated following the proposal.***

The Proposal and the Proponent’s Statement in Support

RESOLVED, that the stockholders of the Company urge the Board to take all necessary steps (other than any steps that must be taken by stockholders) to eliminate the classification of the Board and to require that all directors be elected on an annual basis.

Supporting Statement

The Concerned Stockholders acknowledge that there are circumstances in which it may be beneficial for a company to have a classified board of directors. For example, a classified board reduces a company’s vulnerability to certain potentially abusive takeover tactics by encouraging potential acquirers to negotiate at arms-length with the company’s board of directors.

The Concerned Stockholders believe that a classified board reduces a board’s accountability to stockholders because directors only stand for election once every three years.

The Concerned Stockholders believe that the costs imposed by stockholders from a classified board structure more than outweigh any benefits.

The Concerned Stockholders believe that, as a matter of good corporate governance, all directors should be elected annually. The Concerned Stockholders recommend that you vote “FOR” this proposal. The Concerned Stockholders intend to vote their shares of Common Stock “FOR” this proposal.

Board of Directors' Statement in Opposition

Our Board believes stockholders should vote AGAINST the proposal for the following reasons:

The Board has concluded that, for the reasons described below, it is in the best interests of the Company and its stockholders to maintain a classified Board with three separate classes of directors elected to three-year staggered terms.

We believe that the three-year staggered terms of directors provide stability and continuity in our leadership. Staggered terms are designed to ensure that at any given time, the Board has a majority of members who, by serving for several years, have developed a deeper understanding of the breadth and nature of our business. Directors who have considerable experience with and knowledge of our business are better equipped to provide the oversight and make the decisions required by a board of directors, and are, correspondingly, more capable of engaging in the long-term strategic planning that is critical to a financial institution's success.

We believe that a classified board of directors can play an important role in protecting stockholders against an unsolicited takeover proposal at an unfair price. If our Board was not classified, a potential acquirer whose nominees receive a plurality of the votes cast at an annual meeting of the stockholders could replace all or a majority of the directors with its own nominees, who could then approve the takeover proposal from that acquirer even if the price did not adequately value the Company. A classified board of directors encourages a potential acquirer to negotiate with the Board on an arm's-length basis, and provides the Board with more time and leverage to evaluate the takeover proposal, negotiate the best result for all stockholders and consider alternatives available to the Company.

We believe that a classified board of directors makes directors no less accountable to stockholders than a board elected annually. The fiduciary duties of directors elected to three-year staggered terms are identical to those of directors elected annually, and our directors believe that they are no less attentive to stockholder concerns as a result of having been elected to three-year staggered terms than they would be if elected to one-year terms. A shorter term does not necessarily mean enhanced corporate governance or fulfillment of duties by the Board. Stockholders have the opportunity on an annual basis to express their opinion of the Board or management and to propose to our Board alternative candidates as directors.

The Board also believes that a classified board:

enhances the independence of the directors by providing them with an assured three-year term of office rather than just a one-year term;

strengthens the Company's ability to attract and retain highly qualified directors who are willing to make a long-term commitment to the Company and its stockholders and develop a deep understanding of the Company and its operations; and

creates an environment and culture and good corporate governance whereby new directors seek to gain knowledge about the Company from continuing directors.

The Board believes that a classified board structure is consistent with good corporate governance, which the Board believes depends primarily upon active and independent directors who are knowledgeable about critical aspects of the Company's operations and skillful in serving as competent and alert overseers of the Company's management. The current directors are experienced, qualified and knowledgeable about the Company and committed to protecting the long-term interests of all of the Company's stockholders.

Vote Required

Approval of proposal 6 will require the approval of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote. Unless marked to the contrary, Conforming Proxies on a GOLD Proxy Card will be voted AGAINST proposal 6. Abstentions will have the same practical effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the vote on the proposal.

Recommendation of the Board

FOR THE REASONS SET FORTH ABOVE, OUR BOARD RECOMMENDS THAT YOU VOTE AGAINST THE ADOPTION OF THE STOCKHOLDER PROPOSAL.

Proposal No. 7:

by-Law Restoration Proposal

We have received notice from the Concerned Stockholders of Surge Components, Inc. (the “Concerned Stockholders”) that it intends to propose the proposal set forth below at the Annual Meeting. ***The Board opposes the proposal for the reasons stated following the proposal.***

The Proposal

RESOLVED, that each provision or amendment of the By-Laws adopted by the Board without the approval of the stockholders of the Company after February 18, 2016 (purportedly the last date of reported changes) and prior to the approval of this resolution be, and hereby is, repealed, effective as of the time this resolution is approved by the Company’s stockholders.

Board of Directors’ Statement in Opposition

We recommend rejection of this stockholder proposal because it is speculative and is designed to nullify unspecified provisions of the Company's by-laws which may be adopted by the Board in its efforts to act in and protect the best interests of the Company and its shareholders. Since February 18, 2016, the Board has not adopted (or proposed at a meeting) any amendments to the Bylaws that would be required to be repealed if the proposal was adopted; however, the Board's fiduciary duties require that it retain flexibility to adopt, at any time any amendment to the by-laws that it believes is proper and in the best interest of the Company's shareholders. The automatic repeal of any duly adopted by-law amendment, irrespective of its content, could have the unfortunate effect of repealing one or more properly adopted by-law amendments determined by the Board to be in the best interest of the Company and its shareholders. Furthermore, as a public company subject to the federal proxy rules, it might be impracticable — if not impossible — for the Company to obtain shareholder approval for a necessary by-law amendment within a timeframe necessary to serve the best interests of the Company and its shareholders.

Vote Required

Approval of proposal 7 will require the approval of a majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote. Unless marked to the contrary, Conforming Proxies on a GOLD Proxy Card will be voted AGAINST proposal 7. Abstentions will have the same practical effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the vote on the proposal.

Director Independence

The Board has determined that each of Messrs. Chariton, Plafker, Novick and Jacobs qualify as “independent” under the Nasdaq Stock Market Rules as well as Rule 10A-3 promulgated under the Exchange Act.

Board and Committee Meetings

During the fiscal year ended November 30, 2015, the Board held five meetings. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board (held during the period for which he served as a director), and (ii) the total number of meetings held by all committees of the Board on which he served (during the periods that he served on such committees). We have no written policy regarding director attendance at annual meetings of stockholders. Our last annual meeting of stockholders was held on November 24, 2015 and all of our directors attended such meeting.

Board Committees

The composition and responsibilities of each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are described below. Members will serve on these committees until their resignation or until otherwise determined by the Board. Each committee operates under a charter that has been approved by the Board, and which is available on our website at <http://www.surgecomponents.com>.

Audit Committee

Our Audit Committee is comprised of Messrs. Chariton, Plafker and Jacobs, each of whom is an independent director of the Board. Mr. Jacobs serves as chairman of the Audit Committee. Our Board has determined that Mr. Jacobs is an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K. The audit committee members are “independent” as that term is defined under the Nasdaq Stock Market Rules. During the fiscal year ended November 30, 2015, the Audit Committee held four meetings.

The Audit Committee is authorized to:

approve and retain the independent auditors to conduct the annual audit of our books and records;

review the proposed scope and results of the audit;

review and pre-approve the independent auditor's audit and non-audit services rendered;

approve the audit fees to be paid;

review accounting and financial controls with the independent auditors and our financial and accounting staff;

review and approve transactions between us and our directors, officers and affiliates;

recognize and prevent prohibited non-audit services;

establish procedures for complaints received by us regarding accounting matters;

oversee internal audit functions; and

prepare the report of the Audit Committee that SEC rules require to be included in our annual meeting proxy statement.

Compensation Committee

Our Compensation Committee is comprised of Messrs. Chariton, Plafker and Jacobs, each of whom is an independent director. Mr. Jacobs serves as chairman of the Compensation Committee. During the fiscal year ended November 30, 2015, the Compensation Committee held four meetings.

The Compensation Committee is authorized to:

review and recommend the compensation arrangements for management, including the compensation for our chief executive officer;

establish and review general compensation policies with the objective of attracting and retaining superior talent, rewarding individual performance and achieving our financial goals;

administer our stock incentive plans; and

prepare the report of the Compensation Committee that SEC rules require to be included in our annual meeting proxy statement.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is comprised of Messrs. Chariton, Plafker and Jacobs, each of whom is an independent director. Mr. Jacobs serves as chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee held one meeting during the fiscal year ended November 30, 2015.

The Nominating and Corporate Governance Committee is authorized to:

identify and nominate members of the board of directors;

oversee the evaluation of the board of directors and management;

develop and recommend corporate governance guidelines to the board of directors;

evaluate the performance of the members of the board of directors; and

make recommendations to the board of directors as to the structure, composition and functioning of the board of directors and its committees.

Director Nominations

In evaluating and determining whether to nominate a candidate for a position on the Board, the Nominating and Corporate Governance Committee utilizes a variety of methods and considers criteria such as high professional ethics and values, experience on the policy-making level in business or medical research/practice experience relevant to our product candidates and a commitment to enhancing stockholder value. Candidates may be brought to the attention of the Nominating and Corporate Governance Committee by current Board members, stockholders, officers or other persons. The Nominating and Corporate Governance Committee will review all candidates in the same manner regardless of the source of the recommendation.

We have no formal policy regarding board diversity. Our Nominating and Corporate Governance Committee and Board may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include diversity, which is not only limited to race, gender or national origin. Our Nominating and Corporate Governance Committee's and Board's priority in selecting board members is identification of persons who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members and professional and personal experiences and expertise relevant to our growth strategy.

The Nominating and Corporate Governance Committee also considers stockholder recommendations for director nominees that are properly received in accordance with our By-Laws and applicable rules and regulations of the SEC. In order to validly nominate a candidate for election or reelection as a director, stockholders must give timely notice of such nomination in writing to our Corporate Secretary and include, as to each person whom the stockholder proposes to nominate, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, and the rules and regulations thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). For more information on director candidate nominations by stockholders, see "Stockholder Proposals" herein.

Procedures for Nominating Directors

Our By-laws provide that nominations for the election of directors may be made upon timely notice given by any stockholder of record entitled to vote for the election of directors. A timely notice must be made in writing, contain the information required by our Bylaws and be received by the Secretary of the Company, not later than the close of business on the 90th day, nor earlier than the opening of business on the 120th day before the first anniversary of the preceding year's annual meeting. However, in the event that the date of the upcoming annual meeting is advanced more than 45 days before, or delayed more than 45 calendar days after, such anniversary date, notice by the stockholder to be timely must be delivered not earlier than the opening of business on the 120th before the meeting and

not later than (x) the close of business on the 90th day before the meeting or (y) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting was first made by the Company.

Board Leadership Structure and Role in Risk Oversight

Although we have not adopted a formal policy on whether the Chairman and Chief Executive Officer positions should be separate or combined, we have traditionally determined that it is in our best interests and in the best interests of our shareholders to combine these roles. Mr. Levy has served as our Chairman since November 1981. Due to our small size, we believe it is currently most effective to have the Chairman and Chief Executive Officer positions combined.

Our board of directors is primarily responsible for overseeing our risk management processes. The Board receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our assessment of risks. The Board focuses on the most significant risks facing us and our general risk management strategy, and also ensures that risks undertaken by management are consistent with the board's appetite for risk. While the Board oversees our risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing us and that our board leadership structure supports this approach.

Code of Ethics

We have adopted a code of ethics that applies to our officers, directors and employees. A copy of the code of ethics is accessible on our website at <http://www.surgecomponents.com>. Additional copies of the code of ethics may be obtained without charge, from us by writing or calling: 95 East Jefryn Blvd., Deer Park, New York 11729, Attention: Corporate Secretary, Telephone: (631) 595-1818.

We will forward all communications from security holders and interested parties to the full Board, to non-management directors, to an individual director or to the chairperson of the Board committee that is most closely related to the subject matter of the communication, except for the following types of communications: (i) communications that advocate that we engage in illegal activity; (ii) communications that, under community standards, contain offensive or abusive content; (iii) communications that have no relevance to our business or operations; and (iv) mass mailings, solicitations and advertisements. The Corporate Secretary will determine when a communication is not to be forwarded. Our acceptance and forwarding of communications to directors does not imply that directors owe or assume any fiduciary duties to persons submitting the communications.

Additionally, the Audit Committee has established procedures for the receipt, retention and confidential treatment of complaints received by Surge regarding accounting, internal accounting controls or auditing matters, including procedures for confidential, anonymous submissions by employees with respect to such matters. Employees and stockholders may raise a question or concern to the Audit Committee regarding accounting, internal accounting controls or auditing matters by writing to:

Audit Committee Report

The Audit Committee has reviewed and discussed our financial statements for the fiscal year ended November 30, 2015 with both management and Seligson & Giannattasio, LLP, our independent registered public accounting firm. In its discussion, management has represented to the Audit Committee that our financial statements for the fiscal year ended November 30, 2015 were prepared in accordance with generally accepted accounting principles.

The Audit Committee meets with our independent registered public accounting firm, with and without management present, to discuss the results of their annual audit and quarterly reviews, our internal controls and the overall quality of our financial reporting. The Audit Committee has discussed with our independent registered public accounting firm the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from our independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, and has considered and discussed with Seligson & Giannattasio, LLP, such firm’s independence and the compatibility of the non-audit services provided by the firm with its independence.

Based on the Audit Committee’s review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended November 30, 2015.
