PRELIMINARY PROXY STATEMENT,
SUBJECT TO COMPLETION DATED AUGUST 23, 2016

August 29, 2016

Dear Stockholder:

On behalf of the Board of Directors, I am pleased to invite you to attend the 2016 annual meeting of stockholders of Professional Diversity Network, Inc. (the "Company"). The meeting will be held at the offices of the Company located at 801 W. Adams Street, Suite 600, Chicago, Illinois 60607, on September 26, 2016, at 11:00 a.m., Central Time.

Annual Meeting Proposals

At the meeting, you and the other stockholders will be asked to vote on the proposals described in detail in the notice of meeting on the following page and the accompanying proxy statement, including the following matters: (i) the election of seven directors to hold office until the next annual meeting and until their successors are duly elected and qualified; (ii) the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016; (iii) the approval of a series of alternate amendments to our certificate of incorporation, to effect, at the discretion of our Board of Directors, a reverse stock split of our common stock, whereby each outstanding 2 through 15 shares would be combined, converted and changed into one share of our common stock (the "Reverse Stock Split Proposal") and to reduce proportionally the number of shares of common stock the Company is authorized to issue; and (iv) such other business as may properly be brought before the meeting or any adjournment or postponement thereof.

Reverse Stock Split Proposal

We direct your attention to the discussion of our Reverse Stock Split Proposal in our proxy statement. Our common shares are currently listed on the Nasdaq Capital Market. However, as we have previously announced, we have received a delisting notice from the Nasdaq Stock Market for failing to comply with the continued listing requirement of maintaining a minimum bid price of at least \$1.00 per share. In order to regain compliance, the closing bid price of our common stock must be at least \$1.00 per share for a minimum of 10 consecutive business days prior to October 10, 2016. If we fail to satisfy this minimum bid price requirement before the October 10, 2016 deadline, our common stock will be delisted from the Nasdaq Capital Market. We believe it is in our stockholders' best interests to maintain the listing of our common stock on the Nasdaq Capital Market.

As of August [], 2016, the closing bid price of our common stock on the Nasdaq Capital Market was \$[]. Because we cannot be assured that we will meet the \$1.00 minimum bid price requirement prior to October 10, 2016, we are asking our stockholders to approve the Reverse Stock Split Proposal. This Proposal authorizes our Board of Directors to file an amendment to our Certificate of Incorporation to effect a reverse stock split in a ratio ranging from 1-for-2 to 1-for-15, which means that each outstanding 2 through 15 shares would be combined, converted and changed into one share of our common stock. For complete information regarding the Reverse Stock Split Proposal, please review the proxy statement.

You and the other stockholders will not be asked to vote on the proposals related to the pending acquisition by Cosmic Forward Limited, a Republic of Seychelles company ("CFL") of 51% of shares of our common stock on a fully diluted basis. You will receive separate materials with respect to a special meeting of stockholders to be held at a later date determined by our Board of Directors, to vote on such proposals.

Your Vote is Important

Please note that the Reverse Stock Split Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of our common stock. As a result, your participation and vote at the annual meeting are important.

Whether or not you plan to attend the meeting, please vote electronically via the Internet, by telephone or by completing, signing, dating and returning the proxy card included with a paper copy of the proxy statement as promptly as possible. See the proxy statement for more details. Voting electronically or returning your proxy does NOT deprive you of your right to attend the meeting and to vote your shares in person for the matters acted upon at the meeting.

Thank you for your continued interest in the Company. We look forward to seeing you at the meeting.

Sincerely,

James Kirsch
Executive Chairman of the Board of Directors

PROXY STATEMENT

Proxy Statement for Annual Meeting of Stockholders to be held on September 26, 2016

You are receiving this proxy statement because you own shares of our common stock that entitle you to vote at the 2016 annual meeting of stockholders. Our Board of Directors is soliciting proxies from stockholders who wish to vote at the meeting. By use of a proxy, you can vote even if you do not attend the meeting. This proxy statement describes the matters on which you are being asked to vote and provides information on those matters so that you can make an informed decision.

Date, Time and Place of the 2016 Annual Meeting of Stockholders

We will hold the 2016 annual meeting of stockholders on September 26, 2016 at 11:00 a.m., Central Time, at our corporate offices located at 801 W. Adams Street, Suite 600, Chicago, Illinois 60607.

Questions and Answers about Voting at the 2016 Annual Meeting of Stockholders and Related Matters

Q: Who can vote at the 2016 Annual Meeting of Stockholders?

A: Holders of our common stock at the close of business on August 4, 2016, are entitled to vote their shares at the 2016 annual meeting of stockholders. As of August 4, 2016, there were 14,510,960 shares of common stock issued, outstanding and entitled to vote. Each share of common stock issued and outstanding is entitled to one vote.

Q: What constitutes a quorum, and why is a quorum required?

A: We are required to have a quorum of stockholders present to conduct business at the meeting. The holders of record of a majority of the aggregate voting power of our common stock issued and outstanding and entitled to be voted, present in person or by proxy, will constitute a quorum for the transaction of business at the 2016 annual meeting of stockholders or any adjournment or postponement thereof. Proxies received but marked as abstentions, if any, and broker non-votes will be counted as present at the meeting for quorum purposes. If we do not have a quorum, we will be forced to reconvene the 2016 annual meeting of stockholders at a later date.

Q: What is the difference between a stockholder of record and a beneficial owner?

A: If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, Inc., you are considered the "stockholder of record" with respect to those shares.

If your shares are held by a brokerage firm, bank, trustee or other agent ("nominee"), you are considered the "beneficial owner" of shares held in street name. As the beneficial owner, you have the right to direct your nominee on how to vote your shares by following their instructions for voting by telephone or on the Internet or, if you specifically request a copy of the printed materials from your nominee, you may use the voting instruction card provided by your nominee.

Q: How do I vote?

A: If you are a stockholder of record, you may vote:

- via Internet;
- by telephone;
- by mail, if you have received a paper copy of the proxy materials; or
- in person at the meeting.

Detailed instructions for voting via Internet, by telephone and by mail are set forth on your proxy card.

If you are a beneficial stockholder, you must follow the voting procedures of your nominee. If your shares are held by a nominee and you intend to vote at the meeting, please bring with you evidence of your ownership as of the record date (such as a letter from your nominee confirming your ownership or a bank or brokerage firm account statement) and a legal proxy from your nominee authorizing you to vote your shares.

Q: What am I voting on?

A: At the 2016 annual meeting of stockholders you will be asked to vote on the following proposals. Our Board recommendation for each of these proposals is set forth below.

Proposal	Board Recommendation
1. To elect seven directors to serve until the next annual meeting of stockholders (and until their successors are duly elected and qualified).	FOR each director nominee
2. To ratify the appointment of Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016.	FOR
3. Authorize the Board of Directors to effect, in its discretion, a reverse stock split of the outstanding and treasury shares of the Company's common stock in a ratio of [1-for-2] [1-for-3] [1-for-4] [1-for-5] [1-for-6] [1-for-7] [1-for-8] [1-for-9] [1-for-10] [1-for-11] [1-for-12] [1-for-13] [1-for-14] [1-for-15], to be determined by the Board of Directors, and to approve a corresponding amendment to the Company's Certificate of Incorporation to effect the reverse stock split and to reduce	FOR

proportionally the number of shares of common stock the Company is authorized to issue.

We will also consider other business that properly comes before the meeting in accordance with Delaware law and our bylaws.

You will not be asked to vote on the proposals related to the pending acquisition by Cosmic Forward Limited, a Republic of Seychelles company (“CFL”) of 51% of shares of our common stock on a fully diluted basis. You will receive separate materials with respect to a special meeting of stockholders to be held at a later date determined by our Board of Directors, to vote on such proposals.

Q: What happens if additional matters are presented at the 2016 Annual Meeting of Stockholders?

A: Other than the items of business described in this proxy statement, we are not aware of any other business to be acted upon at the 2016 annual meeting of stockholders. If you grant a proxy, the persons named as proxy holders, James Kirsch and Katherine Butkevich, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting in accordance with Delaware law and our bylaws.

You will not be asked to vote on the proposals related to the pending acquisition by CFL of 51% of shares of our common stock on a fully diluted basis. You will receive separate materials with respect to a special meeting of stockholders to be held at a later date determined by our Board of Directors, to vote on such proposals.

Q: What if I abstain on a proposal?

A: If you sign and return your proxy marked “abstain” on any proposal, your shares will not be voted on that proposal. However, your shares will be counted for purposes of determining whether a quorum is present.

Q: What is the required vote for approval of each of the proposals in this proxy statement?

A: Proposal	Vote Required for Approval
1. Election of Directors	Plurality of shares present and entitled to vote
2. Ratification of Auditor	Majority of shares present and entitled to vote
3. Authorization of the Reverse Stock Split and Approval of a Corresponding Amendment to the Certificate of Incorporation to Effect the Reverse Split	Majority of outstanding shares entitled to vote

Election of Directors. In order to be elected to the Board, each nominee must receive a plurality of the voting power of the Company’s common stock present in person or represented by proxy at the 2016 annual meeting of stockholders and entitled to vote on the election of directors. This means that the director nominees who receive the highest number of votes “FOR” their election are elected. Stockholders may only vote “FOR” or withhold their votes with respect to the election of the nominees to the Board. Votes that are withheld and broker non-votes will have no effect on the election of directors.

Ratification of Auditor. The affirmative vote of a majority of the shares represented at the 2016 annual meeting of stockholders and entitled to vote is required for the ratification of the selection of Marcum LLP as the Company’s independent registered public accounting firm for the 2016 fiscal year. Abstentions will have the same effect as a vote “AGAINST” this proposal, and broker non-votes will have no effect on the approval of this proposal.

Reverse Stock Split. The affirmative vote of a majority of our outstanding shares of common stock entitled to vote is required to approve the Reverse Stock Split Proposal. Abstentions and broker non-votes will have the same effect as a vote “AGAINST” this proposal.

Q: What if I sign and return my proxy without making any selections?

A: If you sign and return your proxy without making any selections, your shares will be voted "FOR" Proposals 1, 2 and 3. If other matters properly come before the meeting, James Kirsch and Katherine Butkevich will have the authority to vote on those matters for you at their discretion. As of the date of this proxy, we are not aware of any matters that will come before the meeting other than those disclosed in this proxy statement.

3

Q: What if I am a beneficial owner and I do not give the nominee voting instructions?

A: If you are a beneficial owner and your shares are held in the name of a broker, the broker is bound by the rules of the Nasdaq Stock Market regarding whether or not it can exercise discretionary voting power for any particular proposal if the broker has not received voting instructions from you. Brokers have the authority to vote shares for which their customers do not provide voting instructions on certain “routine” matters. A broker non-vote occurs when a nominee who holds shares for another does not vote on a particular item because the nominee does not have discretionary voting authority for that item and has not received instructions from the owner of the shares. Broker non-votes are included in the calculation of the number of votes considered to be present at the meeting for purposes of determining the presence of a quorum.

The table below sets forth, for each proposal on the ballot, whether a broker can exercise discretion and vote your shares absent your instructions and if not, the impact of such broker non-vote on the approval of the proposal.

Proposal	Can Brokers Vote Absent Instructions?	Impact of Broker Non-Vote
1. Election of Directors	No	None
2. Ratification of Auditor	Yes	N/A
3. Authorization of the Reverse Stock Split and Approval of a Corresponding Amendment to the Certificate of Incorporation to Effect the Reverse Split	No	Against

As a result, if you do not provide your nominee with voting instructions on Proposals 1 and 3, your shares will not be voted on those proposals.

Q: Can I change my vote after I have delivered my proxy?

A: Yes. You may revoke your proxy at any time before its exercise by:

- delivering to the Secretary, prior to the vote at the 2016 annual meeting of stockholders, a notice of revocation of the proxy bearing a later date than your proxy;
- executing and delivering to the Secretary a proxy dated as of a later date than a previously executed and delivered proxy;
- by voting again by Internet or telephone as more fully detailed in your proxy card; or
- attending the 2016 annual meeting of stockholders and voting in person.

If you are mailing a written notice of revocation or a later proxy, send it to: Professional Diversity Network, Inc., Attention: Secretary, 801 W. Adams Street, Suite 600, Chicago, Illinois 60607.

If you are a beneficial owner, you must contact your nominee to change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the meeting.

Q: Who can attend the 2016 Annual Meeting of Stockholders?

A: Only stockholders and our invited guests may attend the 2016 annual meeting of stockholders. To gain admittance, you must bring a form of personal identification to the meeting, where your name will be verified against our stockholder list. If a broker or other nominee holds your shares and you plan to attend the meeting, you should bring a recent brokerage statement showing your ownership of the shares as of the record date, a letter from the broker confirming such ownership, and a form of personal identification. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Q: If I plan to attend the 2016 Annual Meeting of Stockholders, should I still vote by proxy?

A: Yes. Casting your vote in advance does not affect your right to attend the 2016 annual meeting of stockholders.

If you vote in advance and also attend the meeting, you do not need to vote again at the meeting unless you want to change your vote. Written ballots will be available at the meeting for stockholders of record.

Beneficial owners who wish to vote in person must request a legal proxy from the broker or other nominee and bring that legal proxy to the 2016 annual meeting of stockholders.

Q: Where can I find voting results of the 2016 Annual Meeting of Stockholders?

A: We will announce the results for the proposals voted upon at the 2016 annual meeting of stockholders and publish voting results in a Form 8-K filed within four business days after the 2016 annual meeting of stockholders.

Q: Who should I call with other questions?

A: If you have additional questions about this proxy statement or the meeting or would like additional copies of this proxy statement or our annual report, please contact: Professional Diversity Network, Inc., Attention: Secretary, 801 W. Adams Street, Suite 600, Chicago, Illinois 60607, Telephone: (312) 614-0950.

PROPOSAL 1

ELECTION OF DIRECTORS

Our bylaws permit the Board to set the size of the Board, provided that the number of directors does not exceed nine. The size of our Board is currently set at nine, and the Board currently consists of seven directors with two vacancies. If the director nominees named in this proxy statement are elected, the Board will continue to consist of seven directors with two vacancies.

Upon the recommendation of the Nominating and Corporate Governance Committee of the Board, our Board has nominated the following six current directors: (i) Lee Hillman, (ii) Star Jones, (iii) James Kirsch, (iv) Stephen Pemberton, (v) Andrea Sáenz and (vi) David Schramm, and one director nominee, Katherine Butkevich, to be elected as directors at the 2016 annual meeting of stockholders. Directors are to be elected by a plurality vote of the voting power of our common stock present in person or by proxy at the 2016 annual meeting of stockholders to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified. Proxies cannot be voted for a greater number of persons than the number of the director nominees named in this proxy statement.

We believe that each of our directors possesses the experience, skills and qualities to fully perform his or her duties as a director and contribute to our success. Our directors were nominated because each is of high ethical character, highly accomplished in his or her field with superior credentials and recognition, has the ability to exercise sound business judgment, and is able to dedicate sufficient time to fulfilling his or her obligations as a director. We believe that our nominees as a group complement each other and each of their respective experiences, skills and qualities. Each director's principal occupation and other pertinent information about particular experience, qualifications, attributes and skills that led the Board to conclude that such person should serve as a director, appears below.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Director Independence

Our Board has reviewed the materiality of any relationship that each of our directors has with us, either directly or indirectly. Based on this review, our Board has determined that each of the following current members of our Board: Messrs. Hillman, Pemberton and Schramm and Mss. Sáenz and Zuckerberg, was “independent” as defined by Rule 5605(a)(2) of the Listing Rules of the Nasdaq Stock Market. In addition, each of Messrs. Feierstein and Marovitz, who resigned from our Board on June 29, 2016, and Ms. Brazile, who resigned from our Board on August 22, 2016, was “independent” as defined by Rule 5605(a)(2) of the Listing Rules of the Nasdaq Stock Market. Other than as described below regarding our Board Representation Agreement with White Winston Select Asset Funds, LLC, we do not otherwise have any oral or written agreement with any company for representatives from any company to serve on our Board. See “Certain Relationships and Related Party Transactions — Master Credit Facility and Related Agreements” for further details on the Board Representation Agreement.

Board Leadership Structure

The Board has not adopted a formal policy regarding the separation of the offices of Chairman of the Board and Chief Executive Officer. Rather, the Board believes that different leadership structures may be appropriate for the Company at different times, and it remains free to make this decision based on its evaluation of current circumstance.

Starting in 2016, in connection with (i) the transition of James Kirsch from Chief Executive Officer and Chairman of the Board to Executive Chairman and (ii) the appointment of Katherine Butkevich as our new CEO, we separated the offices of Chairman of the Board and Chief Executive Officer. The CEO is responsible for the strategic direction and the day-to-day leadership and performance of the Company, while the Chairman of the Board provides guidance to the CEO, sets the agenda for the Board meetings and presides over meetings of the Board. At this time, the Board believes that the current leadership structure is the best structure for the Company as it enables the Board to continue to benefit from Mr. Kirsch’s experience, skills, expertise and knowledge of the Company and the industry.

Board and Committee Meetings

During the fiscal year ended December 31, 2015, the Board held a total of seven meetings. We do not have a policy regarding director attendance at annual meetings of our stockholders, however, all directors are strongly encouraged to attend. All directors then serving were present at our 2015 annual meeting of stockholders.

The Board has three standing Committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. During 2015, the Audit Committee met on four occasions, the Compensation Committee met on two occasions and the Nominating and Corporate Governance Committee met on two occasions. Each director, other than Donna Brazile, Stephen Pemberton and Randi Zuckerberg, attended 75% or more of the meetings of the Board and of the committees of which the director was a member.

Audit Committee

The Audit Committee was established for the purpose of overseeing our accounting and financial reporting processes and audits of our financial statements. The Audit Committee operates under a charter approved by the Board, a copy of which is available on the Corporate Governance link of the Investor Relations section of our website, www.prodivnet.com.

The Audit Committee’s primary functions include:

- assisting the Board with the oversight of our financial reporting process, accounting functions and the integrity of our financial statements;
- reviewing and assessing of the adequacy of our internal controls over and procedures for financial reporting;

 - reviewing and approving all related-party transactions; and
- reviewing procedures designed to assess, monitor and manage compliance with laws and regulations and our code of business conduct and ethics.

The Audit Committee currently consists of Lee Hillman (Chair), Stephen Pemberton, Andrea Sáenz and David Schramm. The Audit Committee meets periodically with our independent registered public accounting firm, both with and without management present. The Board has determined that each member of the Audit Committee meets the enhanced independence standards for audit committee members under Rule 5605(c)(2) of Nasdaq's Listing Rules and under Rule 10A-3 under the Exchange Act. The Board has also determined that Mr. Hillman meets the requirements of an audit committee financial expert under Item 407(d)(5)(ii) of Regulation S-K.

Compensation Committee

The Compensation Committee operates under a charter approved by the Board, a copy of which is available on the Corporate Governance link of the Investor Relations section of our website, www.prodivnet.com.

The Compensation Committee is responsible for, among other things:

- reviewing and approving on an annual basis corporate goals and objectives for CEO compensation, evaluating the CEO's performance in light of those goals and objectives, and recommending to the Board the CEO's overall compensation levels based on this evaluation;
- reviewing and approving on an annual basis the annual base salaries and annual incentive opportunities of the CEO and the other executive officers;
- reviewing and approving periodically all other cash-based and equity-based incentive awards and opportunities of the CEO and the other executive officers;
- reviewing and approving any employment agreements and severance arrangements, change-in-control agreements and change-in-control provisions affecting any elements of compensation and benefits of the CEO and the other executive officers;
- providing guidance to senior management on significant issues affecting compensation philosophy or policy; and
 - conducting a risk assessment of our compensation policies and practices.

The Compensation Committee currently consists of David Schramm (Chair), Lee Hillman, Stephen Pemberton and Andrea Sáenz. The Board has determined that each member of the Compensation Committee meets the independence requirements of Rule 5605(a) of Nasdaq's Listing Rules and Rule 10C-1 under the Exchange Act. The Compensation

Committee has the authority to delegate its responsibilities to a subcommittee.

Compensation Consultants

The management and the Compensation Committee may, from time to time, directly retain the services of consultants or other experts to assist the management or the Compensation Committee, as the case may be, in connection with executive compensation matters. However, during the fiscal year ended December 31, 2015, neither the management nor the Compensation Committee engaged a compensation consultant.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee (the “Nominating Committee”) operates under a charter approved by the Board, a copy of which is available on the Corporate Governance link of the Investor Relations section of our website, www.prodivnet.com.

The Nominating Committee is responsible for, among other things:

- leading the search for individuals qualified to serve as members of the Board and conducting the appropriate inquiries with respect to such persons;
- evaluating the size and composition of the Board and its committees and recommending any changes to the Board;
- reviewing the qualifications of, and making recommendations regarding, director nominations submitted to the Company by stockholders;
- reviewing the Board’s committee structure and recommending to the Board for its approval directors to serve as members of each committee; and
- reviewing and recommending committee slates annually and recommending additional committee members to fill vacancies as needed.

The Nominating Committee currently consists of Stephen Pemberton (Chair), Lee Hillman, Andrea Sáenz and David Schramm. The Board has determined that each member of the Nominating Committee meets the independence requirements of the Listing Rules of the Nasdaq Stock Market.

Consideration of Director Nominees

The Nominating Committee’s charter includes the Company’s general director nomination policies. The Nominating Committee believes that it is in the best interest of the Company and its stockholders to obtain highly qualified candidates to serve as members of the Board. In addition to any past or future policies adopted by the Board, with respect to director nominations, the Nominating Committee will consider any additional factors as it deems appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable size, experience as an executive with a publicly traded company and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

The Nominating Committee may use multiple sources for identifying director candidates, including its own contacts and referrals from other directors, members of management, the Company’s advisors and executive search firms. The Nominating Committee will also consider director candidates recommended by stockholders in accordance with the procedures governing such recommendations in the Company’s bylaws and will evaluate such director candidates in

the same manner in which it evaluates candidates recommended by other sources. Under our bylaws, if a stockholder wishes to submit a director candidate for consideration by the Nominating Committee, the stockholder must provide written notice delivered to the Secretary of the Company not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding the annual meeting.

Board's Role in Management of Risk

We face numerous risks more fully described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 filed with the SEC on March 30, 2016, as amended. Our management bears responsibility for the day-to-day management of risks we face and for communicating the most material risks to the Board and its committees. The Board, as a whole and through its committees, is responsible for overseeing and reviewing with management Company-wide risks and the policies and practices established to manage such risks. The Board and its committees perform their risk management function principally through the receipt of regular reports from management and discussions with management regarding risk assessment and risk management. In its risk oversight role, the Board is responsible for satisfying itself that the risk management processes described and implemented by management are adequate and functioning as designed.

Code of Conduct and Ethics

We have adopted a Code of Conduct and Ethics that applies to all of our employees, officers and directors. The Code of Conduct and Ethics is available on our internet web site at www.prodivnet.com under "Company-Investor Relations – Corporate Governance – Governance Documents." We intend to provide disclosure of any amendments or waivers of our Code of Ethics on our website within four business days following the date of the amendment or waiver.

Certain Relationships and Related Party Transactions

The following is a summary of transactions, since January 1, 2014, to which we have been a party in which the amount involved exceeded the lesser of \$120,000 or 1% of the average of our total assets at December 31, 2014 and December 31, 2015, and in which any of our directors, executive officers, beneficial holders of more than 5% of our capital stock or certain other related persons had or will have a direct or indirect material interest, other than compensation arrangements that are described under the section of this proxy statement entitled "Executive Compensation."

Master Credit Facility and Related Agreements

On March 30, 2016, the Company and certain of its subsidiaries entered into a Master Credit Facility (the "Master Credit Facility") with White Winston Select Asset Funds, LLC (the "White Winston"). The Master Credit Facility provides for a revolving credit facility in the original principal amount up to \$5,000,000, provided that the borrowings thereunder may not exceed 75% of the Company's eligible customer receivables, as determined pursuant to the Master Credit Facility, unless otherwise approved in White Winston's discretion. Borrowings under the Master Credit Facility bear interest at 8% per annum, subject to an increase of 700 basis points in case of an event of default. As of June 30, 2016, there was \$1,572,576 outstanding under the Master Credit Facility.

In connection with the closing of the Master Credit Facility, the Company issued three warrants to White Winston: (i) a warrant (the "Fixed \$0.25 Warrant") to purchase up to 1,000,000 shares of the Company's common stock at an exercise price of \$0.25 per share, (ii) a warrant (the "Pro Rata Warrant") to purchase at an exercise price of \$0.25 per share a certain number of shares of the Company's common stock, up to 1,750,000 shares, pro rata based on the ratio of the actual advances made under the Master Credit Facility to the maximum principal amount of the Master Credit Facility, and (iii) a warrant (the "Fixed \$2.50 Warrant," and together with the Fixed \$0.25 Warrant and the Pro Rata Warrant, the "Warrants") to purchase up to 1,000,000 shares of the Company's common stock at an exercise price of \$2.50 per share. The Fixed \$0.25 Warrant and the Pro Rata Warrant are exercisable for five years from the date of issuance and the Fixed \$2.50 Warrant is exercisable for five years beginning on December 30, 2016. As the holder of the Fixed \$0.25 Warrant and the Pro Rata Warrant, White Winston was the beneficial owner of approximately 15.93% of the Company's common stock as of the date of this proxy statement.

In connection with the closing of the Master Credit Facility, the Company also entered into a Board Representation Agreement (the "Board Representation Agreement") with White Winston. Under the Board Representation Agreement, we granted White Winston the right to designate nominees for election to our Board of Directors from the date the principal amount outstanding under the Master Credit Facility first exceeds \$2,000,000 until such time as White Winston's interest (calculated pursuant to the terms of the Board Representation Agreement) falls below five percent for 60 consecutive days. Pursuant to the terms of the Board Representation Agreement, White Winston also received the right, subject to certain exceptions, to purchase a portion of any shares of common stock and any warrants, options, debentures or other securities exercisable or exchangeable for or convertible into shares of common stock offered for sale by the Company. The number of new securities White Winston will be entitled to purchase shall be determined pursuant to the terms of the Board Representation Agreement in proportion to White Winston's interest.

On August 10, 2016, we and our wholly-owned subsidiaries, NAPW, Inc., Noble Voice LLC and Compliant Lead LLC, entered into an Amendment to Master Credit Facility and Consent and Waiver Agreement (the “Amendment”) with White Winston. Pursuant to the Amendment, White Winston consented to the acquisition of our common stock by CFL and the other transactions contemplated by the stock purchase agreement, dated as of August 12, 2016, between the Company and CFL (the “Purchase Agreement”) and waived its participation rights and board representation rights under the Board Representation Agreement in connection therewith. In consideration for the Amendment, we agreed that the Pro Rata Warrant shall be fully exercisable, notwithstanding the pro rata formula set forth in the Warrant, and paid a fee of \$15,000. In addition, White Winston granted us an option to repurchase its outstanding, in-the-money Warrants following consummation of the Tender Offer on the terms set forth in the Amendment. See “Security Ownership of Certain Beneficial Owners and Management—Arrangements that May Result in a Change of Control” for more information on the Purchase Agreement.

The Company is also a party to a Consulting and Monitoring Agreement (the “Consulting Agreement”) with White Winston, pursuant to which the Company shall pay to White Winston a monthly monitoring fee at White Winston’s hourly rate and shall reimburse White Winston for all reasonable and necessary out of pocket fees and expenses. As of June 30, 2016, the Company had paid \$104,964.19 to White Winston under the Consulting Agreement.

Merger with NAPW

On September 24, 2014 (the “Closing Date”), the Company closed its merger transaction with NAPW Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Company, NAPW, Inc., a New York corporation (“Old NAPW”), and Mr. Proman, then the sole shareholder of Old NAPW, pursuant to an Agreement and Plan of Merger, dated as of July 11, 2014 (the “Merger Agreement”). In accordance with the terms of the Merger Agreement, on the Closing Date, all shares of Old NAPW common stock issued and outstanding immediately prior to the effective time of the Merger were converted into and became the right to receive 5,110,975 shares of our common stock, which were issued to Mr. Proman as sole shareholder of Old NAPW. In addition, pursuant to separate subscription agreements, 959,096 shares of our common stock were issued to Ms. Jones, then Old NAPW’s President and National Spokeswoman, and 239,774 shares were issued to Mr. Wesser, then Old NAPW’s General Counsel. Ms. Jones is now an executive officer and a director of the Company, and Mr. Wesser is also now an executive officer of the Company. Additionally, at the effective time of the merger, the Company, as additional consideration, paid to Proman, in cash, \$3,555,000 and issued to Proman (i) a promissory note in the original principal amount of \$445,000, (ii) an option to purchase 183,000 shares of our common stock at a price of \$3.45 per share, (iii) a warrant to purchase 50,000 shares of our common stock at a price of \$4.00 per share and (iv) a warrant to purchase 131,250 shares of our common stock at a price of \$10.00 per share.

The Company has an outstanding promissory note in the amount of \$445,000 (the “Promissory Note”) payable to Mr. Proman. The Promissory Note has an annual interest rate of 0.35%, was originally to mature on August 15, 2015, and was due and payable in quarterly installments of \$137,500 on each of November 15, 2014, February 15, 2015, May 15, 2015, with a final payment of \$32,500 payable on August 15, 2015. Pursuant to the terms of the Separation Agreement and Mutual Release of All Claims (the “Separation Agreement”) dated July 16, 2015, between Mr. Proman and the Company, the maturity of the Promissory Note was extended until repayment in full of the principal amount outstanding thereunder along with the accrued interest. In addition, Mr. Proman agreed to among other things forfeit any amounts owed to him under the Promissory Notes in case he breaches his obligations under the Separation Agreement. See “Executive Compensation—Separation Agreement with Matthew B. Proman” for further details on the terms of the Separation Agreement. The other terms of the Promissory Note remained unchanged.

Our repayment obligations under the Promissory Note are subject to certain performance criteria. If NAPW (on a stand-alone basis) on any payment date fails to meet such performance criteria as of the end of the fiscal quarter then most recently ended with respect to gross revenue and net cash from operations, then the Company's obligation to make payments of principal and accrued interest on that date will be deferred to the next payment date that follows the next fiscal quarter end during which NAPW is able to meet such performance criteria, and the maturity date shall be correspondingly extended until such time as the note may be repaid in full. If NAPW (on a stand-alone basis) on any payment date, as of the end of the fiscal quarter then most recently ended, satisfies the gross revenue performance criteria, but fails to satisfy the cash flow performance criteria, then the Company will only be required to make payments of interest and principal to the extent NAPW has positive cash flows from operations equal to or greater than the amount due, as defined in the Promissory Note. The Promissory Note is not convertible or exchangeable for shares of our common stock, is unsecured and may be prepaid, in full or in part, at any time by the Company without premium or penalty. The amounts owing under the Promissory Note may be accelerated upon the occurrence of an event of default. As of the date of this proxy statement, NAPW has not met any of the specified performance criteria. Accordingly, the Company has not paid any principal or interest under the Promissory Note and as of the date of this proxy statement, \$445,000 of principal was outstanding under the Promissory Note. The payment of the \$137,500 due on August 15, 2016 was deferred until November 15, 2016.

Also, at the effective time of the merger, as a condition to the closing of the merger, Messrs. Proman and Wesser, Ms. Jones (collectively, the "NAPW Affiliates") and the Company entered into a registration rights agreement (the "Registration Rights Agreement"), pursuant to which the Company, on March 31, 2015, filed an amended universal shelf registration on Form S-3 (File No. 333-201341) with the SEC providing for, among other things, the resale of the shares by the holders of shares of common stock issued to them in connection with the Merger. The Company is further required to use its best efforts to keep such registration statement effective until the earlier of three years thereafter or when each of the parties to the Registration Rights Agreement (other than the Company) can sell all of his or her shares without the need for current public information or other restriction pursuant to Rule 144 under the Securities Act of 1933, as amended (the "Securities Act"). Once sold by the holders under the registration statement, the shares will be freely tradable without restriction or further registrations under the Securities Act.

EXECUTIVE COMPENSATION

In this section, we describe our compensation programs and policies and the material elements of compensation for the year ended December 31, 2015 for our Chairman and Chief Executive Officer, and our two most highly compensated executive officers, other than our Chief Executive Officer, whose total compensation was in excess of \$100,000. We refer to all individuals whose executive compensation is disclosed in this proxy statement as our “named executive officers.”

Our Compensation Committee is responsible for reviewing and evaluating the components of our compensation programs, including employee base salaries and benefit plans. The Compensation Committee will provide advice and recommendations to the Board on such matters. See “Corporate Governance — Compensation Committee” for further details on the role of the Compensation Committee.

Summary Compensation Table

The following table provides information regarding the compensation earned during the years ended December 31, 2015 and December 31, 2014 by our Chairman and Chief Executive Officer, and our two most highly compensated executive officers, other than our Chief Executive Officer, whose total compensation was in excess of \$100,000.

(1) Our Board re-designated Mr. Kirsch from his position as our Chief Executive Officer on March 30, 2016. Mr. Kirsch is continuing to serve as our Executive Chairman with management responsibility for the Company’s PDN Network and Noble Voice divisions.

(2) All other compensation consists of the following: (1) for Mr. Kirsch, an auto allowance of \$9,504, (2) for Ms. Jones, an auto allowance of \$7,630, \$3,360 for parking and, from January 2015 to March 2015, \$13,905 paid to Ms. Jones’ personal driver and (iii) for Mr. Proman, \$10,500 for an auto allowance, \$5,000 for a personal driver and a severance payment of \$206,250.

(3) The amounts shown in the Stock Awards column reflect unique restricted stock awards granted to Ms. Jones in connection with our merger with NAPW. These awards represent a portion of the total amount of merger consideration that Mr. Proman requested be paid to Ms. Jones in recognition of the considerable services she

provided to NAPW. Due to the fact that Ms. Jones was a shareholder in NAPW, these restricted stock awards are considered compensatory and are shown in the table below.

Employment Agreements with Named Executive Officers

We currently have employment agreements with James Kirsch, the Company's Executive Chairman, who served as its Chief Executive Officer through March 30, 2016; Star Jones, the Company's President; and David Mecklenburger, the Company's Chief Financial Officer (each such agreement, an "Employment Agreement," and collectively, the "Employment Agreements").

The Employment Agreement with Mr. Kirsch provides that he will serve as the Company's Chief Executive Officer and may be designated to serve as Executive Chairman of the Board and receive an annual base salary of \$275,000. Ms. Jones's Employment Agreement provides that she will serve as the Company's President and receive an annual base salary of \$300,000, and that she shall have the opportunity to discuss her duties and responsibilities with the Chief Executive Officer. Mr. Mecklenburger's Employment Agreement provides that he will serve as the Company's Chief Financial Officer and receive an annual base salary of \$200,000. Since the end of the fiscal year ended December 31, 2014, the Compensation Committee recommended, and the Board approved, an increase in the annual base salary payable to Mr. Kirsch from \$275,000 to \$325,000, effective January 1, 2015 and an increase in the annual base salary payable to Mr. Mecklenburger from \$200,000 to \$250,000, effective January 1, 2015.

Each Employment Agreement provides the named executive officer with an initial term of three years that automatically renews for successive one year terms unless either party provides advance written notice of its intention to terminate the Employment Agreement. The base salary of each of Mr. Kirsch and Mr. Mecklenburger will be automatically increased annually by the greater of 3% of his then current base salary or the annual percentage increase in the Consumer Price Index. In March 2016, Mr. Kirsch became our Executive Chairman and Katherine Butkevich was appointed Chief Executive Officer. As a result, the term of Mr. Kirsch's Employment Agreement was automatically renewed for another three years, and his base salary in effect immediately prior to his change in role cannot be reduced.

The Employment Agreements provide that each named executive officer will be eligible for an annual bonus and have his or her salary reviewed each year by the Board. In addition, the named executive officers will be reimbursed for all reasonable business expenses incurred in the ordinary course of business and taking into consideration each such Executive's unique responsibilities within the Company. The Employment Agreements also generally permit the Executives to participate in all benefit plans and programs offered by the Company.

Under the terms of the Employment Agreements, each named executive officer is subject to a non-competition, non-interference and non-raiding restrictive covenant during their employment and 18 months following the named executive officer's last day of employment with the Company. In the event that a named executive officer's employment is terminated without "Cause" or the named executive officer resigns for "Good Reason" (as those terms are defined by the Employment Agreements), the post-employment restrictive covenant period may not extend past the severance period (as described below). The Employment Agreements also contain customary confidentiality, work product and return of Company property covenants.

The Employment Agreements provide each named executive officer with severance pay in the event that such named executive officer is terminated without "Cause" or resigns for "Good Reason." Upon such a termination of employment, such named executive officer is entitled to continue to receive such named executive officer's monthly salary at his or her then current rate for the greater of six months or the number of remaining whole months in such named executive officer's term (whether the initial term or an extension), as well as a pro rata bonus based on the Company's actual performance for the year in which such termination occurs. Finally, Ms. Jones' Employment Agreement also provides that she will become immediately fully vested in any unvested shares of restricted stock granted to her in connection with the merger with NAPW, Inc. upon her termination without "Cause" or her resignation for "Good Reason."

Separation Agreement with Matthew B. Proman

On July 16, 2015, the Company entered into the Separation Agreement with Mr. Proman, the Company's former Executive Vice President and Chief Operating Officer, in connection with Mr. Proman's resignation from his executive officer positions at the Company and from the Board.

Under the terms of the Separation Agreement, the Company agreed to pay to Mr. Proman lump-sum severance in the amount of \$206,250, equal to the value of nine months of his annual salary, less all legally required payroll deductions. The Company also agreed to reimburse Mr. Proman for the amount of any premiums for individual medical insurance for Mr. Proman that are paid by Mr. Proman under the Consolidated Omnibus Budget Reconciliation Act (COBRA) during the nine-month period following the date of the Separation Agreement. Mr. Proman released and discharged the Company and its officers, directors, employees and agents from any and all claims, whether now known or unknown, which Mr. Proman then had or had had based upon or arising out of any matter occurring or existing at any time up to and including the date of the Separation Agreement. The Company likewise released and discharged Mr. Proman from any and all claims, whether then known or unknown, which the Company then had or had had based upon or arising out of any matter occurring or existing at any time up to and including the date of the Separation Agreement. In addition, the parties agreed that (i) the warrant to purchase 50,000 shares of the Company's common stock for \$4.00 per share, (ii) the warrant to purchase 131,250 shares of the Company's common stock for \$10.00 per share and (iii) options to purchase 183,000 shares of the Company's common stock at \$3.45 per share, received by Mr. Proman in connection with the merger with NAPW, shall expire three calendar years from the date of the Separation Agreement.

Mr. Proman also agreed to provisions in the Separation Agreement prohibiting him from, for a period of one year following the date of the Separation Agreement, (i) disparaging the Company or any of its subsidiaries, or any of its or their products and services, directors, officers, employees or other agents, (ii) competing against the Company or any of its subsidiaries, (iii) soliciting the termination of any employee of the Company or any of its subsidiaries and (iv) interfering with the relationship between the Company and its subsidiaries, on the one hand, and their customers, on the other hand. Under the Separation Agreement, the Company also granted to Mr. Proman a co-sale right such that at any time that the Company proposes to sell shares of its common stock in a private placement or public offering, Mr. Proman would have the opportunity to participate in such sale by causing one of his shares to be included in the sale with each share of common stock the Company proposes to sell, at the price per share at which the Company will be selling its shares.

The Company also agreed to release Mr. Proman from the provisions of the Registration Rights Agreement that would otherwise prohibit him from selling the Merger Shares prior to September 24, 2015.

Arrangements that May Result in a Change of Control

On August 12, 2016, we entered into a Purchase Agreement with CFL. Pursuant to the Purchase Agreement, we have agreed to issue and sell to CFL (the "Share Issuance and Sale"), and CFL has agreed to purchase, at a price of \$1.20 per share (the "Per Share Price"), upon the terms and subject to the conditions set forth in the Purchase Agreement, a number of shares of our common stock, par value \$0.01 per share (the "Common Stock"), such that CFL will hold shares of Common Stock equal to approximately 51% of the outstanding shares of Common Stock, determined on a fully-diluted basis, after giving effect to the consummation of the transactions contemplated by the Purchase Agreement, including the Tender Offer described below (the "Proposed Transactions").

YOU WILL NOT BE ASKED TO VOTE ON THE PROPOSALS RELATED TO THE PROPOSED TRANSACTIONS AT THE ANNUAL MEETING. YOU WILL RECEIVE SEPARATE MATERIALS WITH RESPECT TO A SPECIAL MEETING OF STOCKHOLDERS TO BE HELD AT A LATER DATE DETERMINED BY THE BOARD, TO VOTE ON SUCH PROPOSALS.

Pursuant to the Purchase Agreement, we have agreed to commence a partial issuer tender offer to purchase up to 2,500,000 shares of Common Stock as soon as reasonably practicable following the execution of the Purchase Agreement (the “Tender Offer”). The price per share to be paid for each share of Common Stock validly tendered and not withdrawn shall be paid from the proceeds of the Share Issuance and Sale and shall be equal to the Per Share Price, net to the tendering holder in cash but subject to reduction for any required withholding of taxes (or any higher price offered and paid pursuant to the Tender Offer, subject to the mutual agreement of the Company and CFL). In addition, pursuant to a co-sale right, our existing shareholder will have the right to sell up to 1,647,397 shares of Common Stock to CFL as of the date of the Purchase Agreement (the “Co-Sale Right”), and such Co-Sale Right, to the extent exercised, will reduce the number of shares of Common Stock to be purchased by CFL directly from us. The number of shares of Common Stock that CFL will purchase will be that amount that allows it to hold 51% of the outstanding shares of Common Stock, determined on a fully-diluted basis, after giving effect to the number of shares of Common Stock (if any) we purchase in the Tender Offer, and any shares sold to CFL pursuant to the co-sale right (collectively, the “Common Shares”). Assuming full participation by our stockholders in the Tender Offer, the number of Common Shares sold by us to CFL will be 17,122,794, subject to further reduction depending on how many shares, if any, are purchased by CFL from our existing stockholders pursuant to the Co-Sale Right. If, immediately following the consummation of the Tender Offer and after giving effect to our purchase of all shares of Common Stock validly tendered and not withdrawn in the Tender Offer, the Common Shares amount to less than 51% of the then-outstanding shares of Common Stock, determined on a fully-diluted basis, then CFL shall have an option (the “Call Option”) to purchase, at a price per share equal to the Per Share Price, such additional number of shares of Common Stock (the “Call Option Shares”) as are necessary for the previously issued Common Shares plus the Call Option Shares to equal 51% of the then-outstanding shares of Common Stock determined on a fully-diluted basis, taking into account the issuance of the Call Option Shares.

Pursuant to the terms of the Escrow Agreement, dated as of August 12, 2016 (the “Escrow Agreement”), by and among the Company, CFL and Wilmington Trust, N.A., as escrow agent (the “Escrow Agent”), CFL has funded approximately \$1.7 million (the “Escrow Amount”) into an escrow account with the Escrow Agent as security for CFL’s potential termination fee obligations under the Purchase Agreement described below. The Escrow Amount will be held by the Escrow Agent in accordance with, and released pursuant to the terms and subject to the conditions set forth in, the Escrow Agreement.

The Purchase Agreement contains customary representations, warranties, covenants and agreements of the parties thereto, and completion of the Share Issuance and Sale is subject to the approval of our stockholders at a special meeting of stockholders to be announced at a later date. The Purchase Agreement also contains other customary closing conditions, including, among others, the execution of certain ancillary agreements and documentation; all receipt of all required consents and approvals necessary to consummate the Share Issuance and Sale; the absence of any injunction or proceeding by a government entity seeking to restrain or prohibit consummation of the Proposed Transactions; the absence of any change or event that has had or would reasonably be expected to have a material adverse effect on the Company; and receipt of a clearance by the Committee on Foreign Investment in the United States. The consummation of the Tender Offer will be conditioned upon the consummation of the Share Issuance and Sale and such other conditions to be set forth in an offer to purchase.

The Purchase Agreement also contains customary indemnification and termination provisions. If the Purchase Agreement is terminated under certain circumstances set forth in the Purchase Agreement, we may be required to reimburse CFL for its costs and expenses in connection with the Share Issuance and Sale, up to a maximum amount of \$205,000, and, in certain cases, may also be required to pay CFL a termination fee of \$615,000. In certain instances specified in the Purchase Agreement, upon termination by us, the Escrow Agent would be required to release to us the full Escrow Amount as a “reverse” termination fee.

Under the terms of the Purchase Agreement and as a condition to consummating the Share Issuance and Sale, at the closing of the Share Issuance and Sale, we, CFL and each of the shareholders of CFL (the “CFL Shareholders”) will enter into a stockholders’ agreement (the “Stockholders’ Agreement”). The Stockholders’ Agreement will provide certain limitations on the ability of CFL and the CFL Shareholders to acquire additional securities from us, and will provide for certain participation rights to CFL, to enable CFL to participate in our future equity issuances, in order to maintain its then-current beneficial ownership interest in the Company, up to the CFL Shareholders’ then-current ownership percentage based on the number of shares of Common Stock then-outstanding, but no greater than 51.0% of the outstanding shares of Common Stock, determined on a fully-diluted basis, on a given date. The Stockholders’ Agreement will also provide for certain “standstill” covenants prohibiting CFL or the CFL Shareholders or their respective affiliates from taking certain actions with respect to the Company or the Board of Directors. Under the Stockholders’ Agreement, CFL will be entitled to nominate individuals reasonably acceptable to the Nominating and Governance Committee of the Board of Directors for election as directors of the Company, so long as CFL’s beneficial ownership level exceeds certain predefined percentage thresholds of our issued and outstanding Common Stock. The Stockholders’ Agreement will provide that, upon the closing of the Share Issuance and Sale and for so long as CFL’s beneficial ownership level exceeds 49.5% of our issued and outstanding Common Stock, CFL will be entitled to nominate five of nine directors on the Board of Directors. The Stockholders’ Agreement will further provide certain restrictions on the transfer of the Common Shares issued and sold to CFL in the Share Issuance and Sale, including, among other restrictions, a lock-up during the one-year period following the closing of the Share Issuance and Sale. The Stockholders’ Agreement will also provide certain demand, shelf and piggyback registration rights to CFL that will require the Company to effect the registration under the Securities Act of 1933, as amended (the “Securities Act”), of the resale of the Common Shares and other shares of Common Stock (including the Call Option Shares) acquired by CFL.

PROPOSAL 3

AMENDMENT OF OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT OF OUR COMMON STOCK AND TO REDUCE PROPORTIONALLY THE NUMBER OF SHARES OF COMMON STOCK THE COMPANY IS AUTHORIZED TO ISSUE

Introduction

As previously announced, we have received a delisting notice from the Nasdaq Stock Market (“Nasdaq”) for failing to comply with the continued listing requirement of maintaining a minimum bid price of at least \$1.00 per share. In order to regain compliance, the closing bid price of our common stock must be at least \$1.00 per share for a minimum of 10 consecutive trading days prior to October 10, 2016. If we fail to satisfy this minimum bid price requirement before the October 10, 2016 deadline, our common stock will be delisted from the Nasdaq Capital Market and thereafter trade over-the-counter on the OTC bulletin board or OTC Markets.

As of August [], 2016, the closing bid price of our common stock on the Nasdaq Capital Market was \$[]. Because we cannot be assured that we will meet the \$1.00 minimum bid price requirement prior to October 10, 2016, we are asking our stockholders to approve this Reverse Stock Split proposal.

Our Board has approved and is submitting for stockholder approval a series of proposed amendments to our Amended and Restated Certificate of Incorporation (“Certificate of Incorporation”) that would effect a reverse stock split (the “Reverse Stock Split”) in a ratio of [1-for-2] [1-for-3] [1-for-4] [1-for-5] [1-for-6] [1-for-7] [1-for-8] [1-for-9] [1-for-10] [1-for-11] [1-for-12] [1-for-13] [1-for-14] [1-for-15], with the final ratio to be set by the Board following stockholder approval and prior to the time of filing of an amendment to our Certificate of Incorporation with the Delaware Secretary of State, and to reduce proportionally the number of shares of common stock the company is authorized to issue

If the Board determines to effect the Reverse Stock Split by filing the applicable amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware, the Certificate of Incorporation would be amended accordingly, and all other amendments will be abandoned. Approval of this Reverse Stock Split proposal will authorize the Board in its discretion to effectuate the Reverse Stock Split in any of the ratios described above, or not to effect the Reverse Stock Split. The text of the form of amendments to the Certificate of Incorporation, one of which would be filed with the Secretary of State of the State of Delaware to effect the Reverse Stock Split, are set forth in Appendix A to this Proxy Statement. However, such text is subject to amendment to include such changes as may be required by the office of the Secretary of State of the State of Delaware or as the Board deems necessary and advisable to effect the Reverse Stock Split.

We believe that enabling our Board to set the ratio within the stated range will provide us with the flexibility to implement the Reverse Stock Split in a manner designed to maximize the anticipated benefits for our stockholders. In determining whether to implement the Reverse Stock Split and selecting the exchange ratio, our Board will consider factors such as:

- The status of the common stock listing on the Nasdaq Capital Market;
- The historical trading price and trading volume of our common stock;
- The then prevailing trading price and trading volume for our common stock;

- The anticipated impact of the Reverse Stock Split on the trading price of and market for our common stock; and
 - Prevailing general market and economic conditions.

If approved by our stockholders, the authorization will remain effective until the Company regains compliance with Nasdaq's listing requirements as further described below or the Company is delisted.

Reasons for the Reverse Stock Split

Our common stock is listed on the Nasdaq Capital Market under the symbol “IPDN.” Nasdaq has several continued listing criteria that companies must satisfy in order to remain listed on the exchange. One criteria for continued listing is that we maintain a trading price that is greater than or equal to \$1.00 per share. In October 2015, we received a deficiency notice from the Nasdaq stating that for the last 30 consecutive days we had not met the minimum bid price requirement of \$1.00 per share, as required by the Nasdaq Listing Rules. We have been provided two consecutive 180-day grace periods by Nasdaq to regain compliance and can do so if the bid price of our common stock closes at \$1.00 per share or more for a minimum of 10 consecutive trading days before October 10, 2016. If we fail to regain compliance by October 10, 2016, our common stock will be subject to delisting by Nasdaq.

Our Board believes that the continued listing of our common stock on Nasdaq is in the best interests of our stockholders. If our common stock was delisted from Nasdaq, trading, if any, in our securities may then continue to be conducted in the over-the-counter market on the OTC bulletin board, OTC Markets or in the “pink sheets.” In this case, we could face significant material adverse consequences, including:

- the issuance of our securities may require compliance with the individual securities laws or “blue sky” laws of several states, which may be time consuming and costly;
 - limited availability of market quotations for our securities;
- the determination that our common stock is a “penny stock,” which would require brokers trading in our common stock to adhere to more stringent rules, possibly resulting in a reduced level of trading activity in the secondary trading market for our common stock;
 - more limited amount of news and analyst coverage for us;
- decreased ability to issue additional securities or obtain additional financing in the future; and
- decreased ability of our securityholders to sell their securities in certain states.

The purpose of the Reverse Stock Split is to increase the market price of our common stock. The Board intends to implement the Reverse Stock Split only if it believes that a decrease in the number of shares outstanding is likely to improve the trading price for our common stock and improve the likelihood that we will be allowed to maintain our listing on Nasdaq. If the trading price of our common stock increases without a reverse stock split, the Board may exercise its discretion not to implement the Reverse Stock Split.

The Board believes that stockholder approval of the range of potential exchange ratios (rather than a single exchange ratio) provides the Board with the flexibility to achieve the desired results of the Reverse Stock Split. By voting in favor of the Reverse Stock Split, you are expressly authorizing the Board to select one reverse stock split ratio from among the ratios set forth in this Proposal 3. If the stockholders approve this proposal, the Board would effect the Reverse Stock Split only upon the Board’s determination that the Reverse Stock Split would be in the best interests of the Company and its stockholders at that time.

To effect the Reverse Stock Split, the Board would set the timing for such a split and select the specific ratio from the range of ratios described in this Proposal 3. No further action on the part of stockholders will be required to either implement or abandon the reverse stock split. If the proposal is approved by stockholders, and the Board determines to implement any of the reverse stock split ratios, we would communicate to the public, prior to the effective date of the reverse split, additional details regarding the reverse split, including the specific ratio the Board selects.

You should keep in mind that the implementation of a reverse stock split does not have an effect on the actual or intrinsic value of the Company's business or your proportional ownership in the Company. You should also consider that in many cases, the market price of a company's shares declines after a reverse stock split.

Certain Risks Associated with the Reverse Stock Split

The total market capitalization of our common stock after the Reverse Stock Split may not be equal to or greater than the total market capitalization before the Reverse Stock Split and the per share market price of our common stock following the Reverse Stock Split may not increase in proportion to the reduction in the number of our outstanding shares.

There can be no assurance that the market price per new share of our common stock after the Reverse Stock Split will remain unchanged or increase in proportion to the reduction in the number of old shares of our common stock outstanding before the Reverse Stock Split. For example, based on the closing price of our common stock on August 19, 2016 of \$0.93 per share, if the Board were to implement the Reverse Stock Split and utilize a ratio of 1-for-4, we cannot assure you that the post-split market price of our common stock would be \$3.72 (that is, $\$0.93 \times 4$) per share or greater. In many cases, the market price of a company's shares declines after a reverse stock split.

Accordingly, the total market capitalization of our common stock (the aggregate value of all Company common stock at the then market price) after the Reverse Stock Split when and if implemented may be lower than the total market capitalization before the Reverse Stock Split. Moreover, in the future, the market price of our common stock following the Reverse Stock Split may not exceed or remain higher than the market price prior to the Reverse Stock Split.

The Reverse Stock Split may not increase the Company's stock price over the long term, which may prevent the Company from qualifying for continued listing with Nasdaq.

While we expect that the Reverse Stock Split, together with other actions required to meet applicable listing standards, will enable our shares to qualify for listing on Nasdaq and that we will be able to continue to meet on-going quantitative and qualitative listing requirements, we cannot be sure that this will be the case. Negative financial or operational results or adverse market conditions could affect the market price of our common stock and jeopardize our ability to meet or maintain applicable Nasdaq continued listing requirements. Furthermore, in addition to its enumerated listing and maintenance standards, Nasdaq has broad discretionary authority over the initial and continued listing of securities, which it could exercise with respect to our common stock.

If the Reverse Stock Split is effected, the resulting per-share stock price may not attract institutional investors or investment funds and may not satisfy the investing guidelines of such investors and, consequently, the trading liquidity of our common stock may not improve.

While the Board believes that a higher stock price may help generate investor interest, there can be no assurance that the Reverse Stock Split will result in a per-share price that will attract institutional investors or investment funds or that such share price will satisfy the investing guidelines of institutional investors or investment funds. As a result, the trading liquidity of our common stock may not necessarily improve.

A decline in the market price of our common stock after the Reverse Stock Split is implemented may result in a greater percentage decline than would occur in the absence of a reverse stock split, and the liquidity of our common stock could be adversely affected following the Reverse Stock Split.

If the Reverse Stock Split is effected and the market price of our common stock declines, the percentage decline may be greater than would occur in the absence of a reverse stock split. The market price of our common stock will, however, also be affected by our performance and other factors, which are unrelated to the number of shares of common stock outstanding. Furthermore, the liquidity of our common stock could be adversely affected by the reduced number of shares outstanding after the Reverse Stock Split.

Principal Effects of the Reverse Split

If approved and implemented, the principal effects of the Reverse Stock Split would include the following:

- the number of outstanding shares of the Company's common stock will be decreased based on the reverse stock split ratio selected by the Board;
- the total number of shares of common stock the Company is authorized to issue will be reduced proportionally based on the reverse stock split ratio selected by the Board;
- appropriate adjustments will be made to stock options, restricted stock and other securities convertible into shares of our common stock granted under our plans to maintain the economic value of the awards;
- the number of shares reserved for issuance under our 2013 Equity Compensation Plan, as amended, will be reduced proportionally based on the ratio selected by the Board (and any other appropriate adjustments or modifications will be made under the plans); and
- the exercise price of our warrants to purchase our common stock and the number of shares reserved for issuance upon exercise will be adjusted in accordance with their terms based on the ratio selected by the Board.

Depending on the ratio of the Reverse Stock Split determined by the Board, a minimum of two and a maximum of fifteen shares of existing common stock will be combined into one share of common stock. The table below shows, as of August 4, 2016, the approximate number of outstanding shares of common stock (excluding treasury shares) that would result from the listed hypothetical reverse stock split ratios (without giving effect to the treatment of fractional shares) based on 14,510,960 shares of common stock issued and outstanding as of such date:

Reverse Stock Split Ratio	Approximate Number of Outstanding Shares of Common Stock Following the Reverse Stock Split
1-for-2	7,255,480
1-for-3	4,836,987
1-for-4	3,627,740
1-for-5	2,902,192
1-for-6	2,418,493
1-for-7	2,072,994
1-for-8	1,813,870
1-for-9	1,612,329
1-for-10	1,451,096
1-for-11	1,319,178
1-for-12	1,209,247
1-for-13	1,116,228
1-for-14	1,036,497
1-for-15	967,397

If effected, the Reverse Stock Split also would reduce our treasury shares proportionately based on the Reverse Stock Split ratio. As of June 30, 2016, we had 8,382 shares of common stock held as treasury shares.

The common stock resulting from the Reverse Stock Split will remain validly issued, fully paid and non-assessable. Following the Reverse Stock Split, we will continue to be subject to the reporting requirements of the Exchange Act.

If implemented, the Reverse Stock Split would not have any effect on our current dividend policy. We have never declared or paid any cash dividends or distributions on our capital stock. We currently intend to retain our future earnings to support operations and to finance expansion. As a result, our directors and management do not anticipate paying any cash dividends on shares of our common stock in the foreseeable future.

The Reverse Stock Split would not, by itself, affect our assets or business prospects. Also, if approved and implemented, the Reverse Stock Split may result in some stockholders owning “odd lots” of less than 100 shares of common stock. Odd lot shares may be more difficult to sell, and brokerage commissions and other costs of transactions in odd lots are generally somewhat higher than the costs of transactions in “round lots” of even multiples of 100 shares. The Board believes, however, that these potential effects are outweighed by the benefits of the Reverse Stock Split.

Fractional Shares

No fractional shares will be issued. We will round up any fractional shares resulting from the Reverse Stock Split to the nearest whole share.

No Going Private Transaction

Notwithstanding the decrease in the number of outstanding shares of common stock following the proposed Reverse Stock Split, our Board does not intend for this transaction to be the first step in a “going private transaction” within the meaning of Rule 13e-3 under the Exchange Act.

Procedure for Implementing the Reverse Stock Split

The Reverse Stock Split, if approved by our stockholders, would become effective following the filing of a Certificate of Amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware as of the time of filing or such other time set forth in the Certificate of Amendment (the “Effective Time”). The Effective Time of the Reverse Stock Split will be determined by our Board based on its evaluation as to when such action will be the most advantageous to us and our stockholders. Beginning at the Effective Time, each certificate representing shares of common stock will be deemed for all corporate purposes to evidence ownership of the number of whole shares into which the shares previously represented by the certificate were combined pursuant to the Reverse Stock Split. The form of amendment to our Certificate of Incorporation to implement the Reverse Stock Split is attached to this proxy statement as Appendix A.

After the Effective Time, our common stock will have a new Committee on Uniform Securities Identification Procedures (“CUSIP”) number, which is a number used to identify our equity securities. Stock certificates with the older CUSIP number will need to be exchanged for stock certificates with the new CUSIP number by following the procedures described below.

Effect on Beneficial Owners of Common Stock

Upon the implementation of the Reverse Stock Split, we intend to treat shares held by stockholders through a bank, broker, custodian or other nominee in the same manner as registered stockholders whose shares are registered in their names. Banks, brokers, custodians or other nominees will be instructed to effect the Reverse Stock Split for their beneficial holders holding our common stock in street name. However, these banks, brokers, custodians or other nominees may have different procedures than registered stockholders for processing the Reverse Stock Split. Stockholders who hold shares of our common stock with a bank, broker, custodian or other nominee and who have any questions in this regard are encouraged to contact their banks, brokers, custodians or other nominees.

Effect on Registered “Book-Entry” Holders of Common Stock

Certain of our registered holders of common stock may hold some or all of their shares electronically in book-entry form with Continental Stock Transfer & Trust Company, Inc., our transfer agent (the “Transfer Agent”). These stockholders do not have stock certificates evidencing their ownership of the common stock. They are, however, provided with a statement reflecting the number of shares registered in their accounts.

Stockholders who hold shares electronically in book-entry form with the Transfer Agent will not need to take action. The Reverse Stock Split will automatically be reflected in the Transfer Agent’s records and on their next statement.

Exchange of Stock Certificates and Elimination of Fractional Share Interests

We expect that the Transfer Agent will act as exchange agent for purposes of implementing the exchange of stock certificates. As soon as practicable after filing of an amendment to our Certificate of Incorporation effecting a Reverse Stock Split, the stockholders holding common stock in certificated form will be sent a letter of transmittal by the Transfer Agent. The letter of transmittal will contain instructions on how a stockholder should surrender his, her

or its certificates representing pre-split shares of our common stock to the Transfer Agent in exchange for certificates representing post-split shares. No new certificates will be issued to a stockholder until that stockholder has surrendered the stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal.

STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATES AND SHOULD NOT SUBMIT ANY CERTIFICATES TO THE TRANSFER AGENT WITHOUT THE LETTER OF TRANSMITTAL. PLEASE DO NOT SEND ANY CERTIFICATES TO THE COMPANY.

No service charges will be payable by holders of shares of common stock in connection with the exchange of certificates. All such expenses will be borne by the Company.

Accounting Matters

The proposed amendment to our Certificate of Incorporation will not affect the par value of our common stock per share, which will remain \$0.01 par value per share. As a result of the Reverse Stock Split, upon the Effective Time, the stated capital on our balance sheet attributable to our common stock, which consists of the par value per share of our common stock multiplied by the aggregate number of shares of our common stock issued and outstanding, will be reduced in proportion to the size of the Reverse Stock Split. Correspondingly, our additional paid-in capital account, which consists of the difference between our stated capital and the aggregate amount paid to us upon issuance of all currently outstanding shares of our common stock, shall be credited with the amount by which the stated capital is reduced. Our stockholders' equity, in the aggregate, will remain unchanged. However, after the Reverse Stock Split, net income or loss per share, and other per share amounts, will be increased because there will be fewer shares of common stock outstanding. In future financial statements, net income or loss per share and other per share amounts for periods ending before the Reverse Stock Split would be recast to give retroactive effect to the Reverse Stock Split.

Material U.S. Tax Consequences

The following discussion of the material U.S. federal income tax consequences of the Reverse Stock Split is based on the current provisions of the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations promulgated under the Code, Internal Revenue Service ("IRS") rulings and pronouncements and judicial decisions now in effect. Those legal authorities are subject to change at any time by legislative, judicial or administrative action, possibly with retroactive effect to the Reverse Stock Split. No ruling from the IRS with respect to the matters discussed below has been requested, and there is no assurance that the IRS or a court would agree with the conclusions set forth in this discussion. The following discussion assumes that the pre-split shares of common stock were, and post-split shares will be, held as "capital assets" as defined in the Code. This discussion may not address certain U.S. federal income tax consequences that may be relevant to particular stockholders in light of their specific circumstances or to certain types of stockholders (like dealers in securities, insurance companies, foreign individuals and entities, financial institutions and tax-exempt entities) that may be subject to special treatment under the U.S. federal income tax laws. This discussion also does not address any tax consequences under state, local or foreign laws.

PLEASE CONSULT YOUR OWN TAX ADVISOR REGARDING THE U.S. FEDERAL, STATE, LOCAL, AND FOREIGN INCOME AND OTHER TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT IN YOUR PARTICULAR CIRCUMSTANCES UNDER THE INTERNAL REVENUE CODE AND THE LAWS OF ANY OTHER TAX JURISDICTION.

We will not recognize any gain or loss for U.S. federal income tax purposes as a result of the Reverse Stock Split.

A stockholder will not recognize gain or loss for U.S. federal income tax purposes on the exchange of pre-split shares of our common stock for post-split shares of our common stock in the Reverse Stock Split. A stockholder's aggregate tax basis in the post-split shares of our common stock the stockholder receives in the Reverse Stock Split will be the same as the stockholder's aggregate tax basis in the pre-split shares of our common stock the stockholder surrenders in exchange therefor. A stockholder's holding period for the post-split shares of our common stock the stockholder receives in the Reverse Stock Split will include the stockholder's holding period for the pre-split shares of our common stock the stockholder surrenders in exchange therefor. Stockholders who have different bases or holding periods for pre-split shares of our common stock should consult their tax advisors regarding their bases or holding periods in their post-split common stock.

No Appraisal Rights

Stockholders will not have dissenters' or appraisal rights under Delaware corporate law or under the Company's Certificate of Incorporation in connection with the Reverse Stock Split.

Reservation of Right to Abandon Reverse Stock Split

We reserve the right to abandon the Reverse Stock Split without further action by our stockholders at any time before the effectiveness of the filing with the Secretary of State of the State of Delaware of a Certificate of Amendment to our Certificate of Incorporation, even if the authority to effect the Reverse Stock Split has been approved by our stockholders at the 2016 annual meeting of stockholders. By voting in favor of the Reverse Stock Split, you are expressly also authorizing the Board to determine not to proceed with, and abandon, the Reverse Stock Split if it should decide that such action is in the stockholders' best interest. If the Board determines not to proceed with a Reverse Stock Split, the number of shares of common stock the Company is authorized to issue will remain at 25,000,000 shares until such time as the Board recommends, and our stockholders separately approve, any future increase (including any increase that may be approved in connection with Proposed Transactions at a separate meeting of our stockholders to be held at a later date).

OUR BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THIS PROPOSAL 3.

OTHER MATTERS

Section 16(a) Beneficial Ownership Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-10 percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms they file. Based solely on our review of the copies of the forms received by us and written representations from certain reporting persons, we believe that, during the year ended December 31, 2015, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements, except that one Form 4 for each of Donna Brazile, Barry Feierstein, Daniel Marovitz, Stephen Pemberton, Andrea Sáenz and Randi Zuckerberg reporting the grant of stock options was not timely filed due to an administrative error.

Proxy Solicitation Costs

We will pay the entire cost of soliciting proxies to be voted at the 2016 annual meeting of stockholders. In addition to solicitation by mail, proxies may be solicited on our behalf by directors, officers or employees in person, by telephone, by facsimile or by electronic mail. These persons will receive no additional compensation for solicitation of proxies, but may be reimbursed for reasonable out-of-pocket expenses. Banks, brokerage firms and other custodians, nominees or fiduciaries will be requested to forward soliciting material to their principals and to obtain authorization for the execution of proxies. They will be reimbursed for their reasonable out-of-pocket expenses incurred in that regard.

Stockholder Nominations and Proposals for 2017 Annual Meeting of Stockholders

In order to be included in the Company's proxy materials for the 2017 annual meeting of stockholders, any proposal must be received by May 1, 2017 and otherwise comply with the requirements of Rule 14a-8 of the Exchange Act.

In addition, our bylaws establish advance notice procedures with regard to stockholder nominations for the election of directors or other business to be properly brought before an annual meeting. For nominations or other business to be properly brought before the meeting by a stockholder, written notice of such nomination or business must be received by our Secretary at our principal executive office not less than 90 days nor more than 120 days prior to the anniversary of the date on which we first mailed our proxy materials or notice of availability of proxy materials (whichever is earlier) for the preceding year's annual meeting. Assuming that next year's annual meeting of stockholders is held on schedule, we must receive written notice of an intention to introduce a nomination or other item of business at that meeting between May 1, 2017 and May 31, 2017.

However, in the event that the date of the next annual meeting is more than 30 days before or more than 60 days after the one year anniversary date of the prior year's meeting, a stockholder must provide written notice of any stockholder nominations for the election of directors or other business to the Secretary not earlier than the close of business on the 120th day before the date of the annual meeting and not later than the close of business on the later of (i) the 90th day prior to the annual meeting or (ii) the tenth day following the day on which a public announcement of the annual meeting was first made.

The notice must contain specified information and representations concerning the stockholder (and the beneficial owner, if any, on whose behalf the nomination or proposal is made), the nominee(s) or other business.

Edgar Filing: Professional Diversity Network, Inc. - Form PRER14A

All notices of nominations or proposals by stockholders, whether or not to be included in the Company's proxy materials, should be sent to Professional Diversity Network, Inc., Attention: Secretary, 801 W. Adams Street, Suite 600, Chicago, Illinois 60607.

We reserve the right to reject, rule out of order or take other appropriate action with respect to any nominations or proposals that do not comply with these and other applicable requirements.

As of the date of this proxy statement, we do not know of any matters to be presented at the 2016 annual meeting of stockholders other than those described in this proxy statement. If any other matters should properly come before the meeting, proxies in the enclosed form will be voted on those matters in accordance with the judgment of the person or persons voting the proxies, unless otherwise specified.

List of Stockholders Entitled to Vote at the 2016 Annual Meeting of Stockholders

A list of stockholders entitled to vote at the 2016 annual meeting of stockholders will be open for examination by any stockholder for any purpose germane to the meeting during ordinary business hours for a period of 10 days prior to the 2016 annual meeting of stockholders and continuing through the 2016 annual meeting of stockholders.

Stockholder Communications

Stockholders may communicate with one or more directors or the Board as a whole by sending written communications addressed to such person or persons to the Secretary, Professional Diversity Network, Inc., Attention: Secretary, 801 W. Adams Street, Suite 600, Chicago, Illinois 60607. All communications will be compiled by the Secretary and relayed to the applicable director or directors.

Householding

The SEC rules permit registrants to adopt a procedure called “householding.” Under this procedure, stockholders of record who have the same address and last name will receive only one set of proxy materials, unless one or more of these stockholders notifies the registrant that they wish to continue receiving individual sets. This procedure reduces printing costs and postage fees incurred by the registrant.

We have not adopted this householding procedure with respect to our record holders; however, a number of brokerage firms have instituted householding which may impact certain beneficial owners of our common stock. If your family has multiple accounts by which you hold common stock, you may have previously received a householding notification from your broker. Please contact your broker directly if you have any questions, require additional copies of the proxy materials, or wish to revoke your decision to household, and thereby receive multiple sets. Those options are available to you at any time.

FORM OF CERTIFICATE OF AMENDMENT TO THE
AMENDED AND RESTATED CERTIFICATE OF INCORPORATION
OF
PROFESSIONAL DIVERSITY NETWORK, INC.

Pursuant to the provisions of Section 242 of the General Corporation Law of the State of Delaware, Professional Diversity Network, Inc., a Delaware Corporation (the "Corporation"), in order to amend its Amended and Restated Certificate of Incorporation, hereby certifies as follows:

FIRST: The name of the Corporation is PROFESSIONAL DIVERSITY NETWORK, INC.

SECOND: That the Board of Directors of the Corporation adopted resolutions setting forth a proposed amendment to the Corporation's Amended and Restated Certificate of Incorporation, declaring said amendment to be advisable and in the best interests of the Corporation and its stockholders, and authorizing the appropriate officers of the Corporation to solicit the consent of the stockholders therefor, which resolution setting forth the proposed amendment is as follows:

RESOLVED, that Paragraph 4.2 of the Amended and Restated Certificate of Incorporation of the Corporation be amended to read in its entirety as follows:

"4.2 Common Stock. The total number of shares of Common Stock that the Corporation shall have authority to issue is [] 1 shares, \$0.01 par value per share. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the total voting power of the outstanding shares of capital stock of the Corporation entitled to vote, irrespective of the provisions of Section 242(b)(2) of the General Corporation Law or any corresponding provision hereinafter enacted.

Effective as of [] [a.m./p.m.], Eastern time, on the date this Certificate of Amendment to the Amended and Restated Certificate of Incorporation is filed with the Secretary of State of the State of Delaware (the "Effective Time"), each [two] [three] [four] [five] [six] [seven] [eight] [nine] [ten] [eleven] [twelve] [thirteen] [fourteen] [fifteen] shares of Common Stock issued and outstanding immediately prior to the Effective Time shall be combined and changed into one (1) validly issued, fully paid and non-assessable share of Common Stock without any further action by the Corporation or any holder thereof, subject to the treatment of fractional share interests as described below (the "Reverse Stock Split"). No certificates representing fractional shares of Common Stock shall be issued in connection with the Reverse Stock Split. Stockholders who otherwise would be entitled to receive fractional shares of Common Stock because they hold a number of shares not evenly divisible by the Reverse Stock Split ratio will automatically be entitled to receive an additional fraction of a share of Common Stock to round up to the next whole share. Each certificate that immediately prior to the Effective Time represented shares of Common Stock ("Old Certificates"), shall thereafter represent that number of shares of Common Stock into which the shares of Common Stock represented by the Old Certificate shall have been combined, plus any additional fraction of a share of Common Stock to round up to the next whole share."

THIRD: That the foregoing amendment was approved by the stockholders of the Corporation at a meeting duly called and held on September 26, 2016 and entitled to vote on the proposal.

FOURTH: That said amendment was duly adopted in accordance with the provisions of Section 242 of the General Corporation Law of the State of Delaware.

IN WITNESS WHEREOF, the Corporation has caused this certificate to be signed this [] day of [], 2016.
