CANNELL CAPITAL LLC

[May **, 2015]

Dear Fellow Envivio Stockholders:

Cannell Capital LLC (“Cannell Capital”) and the other participants (collectively, the “Participants” or “we”) in the enclosed proxy statement (the “Proxy Statement”) are experienced investors and corporate leaders. Our primary goal is to increase stockholder value, something we have done for publicly traded companies across a number of industries.

Cannell Capital is an investment management firm that for 23 years has invested in undervalued and underperforming public companies. We seek to actively engage and work closely with management teams and boards of directors to identify and execute opportunities that will increase stockholder value. Ideally, we do such collaboratively.

We believe that Envivio, Inc. (the “Company”) is currently undervalued and can grow exponentially. We believe that the poor performance of the Company is due in large part to the Company’s high operational expenses and lack of product focus, which is a direct result of the lack of effective oversight and decision-making by the current board of directors of the Company (the “Board”).

We do not believe the current Board is acting in the best interest of stockholders of the Company. Under the leadership of the current Board, the Company has sustained an operating loss of approximately \$12 million for the fiscal year ended January 2014. The Company, under the leadership of the current Board, followed that performance up with an operating loss of approximately \$15 million for the fiscal year ended January 2015.

We are interested in enhancing the performance of the Company by aligning the Board, stockholders, executive management and other stakeholders around core values. We share the interest of all Company stockholders in restoring stockholder value. We believe that it is time for meaningful stockholder representation on the Company’s Board and the adoption of proven and enhanced corporate governance policies designed to benefit the Company’s stockholders.

Currently the Board consists of seven (7) directors. The Company has a classified Board and as a result, only two (2) directors are up for election at the Annual Meeting. We seek to elect our two highly qualified nominees, Jeffrey H. Misthal and Howard E. Marks (our “Nominees”).

We believe that a Board that includes our two (2) Nominees and five (5) incumbent directors will better serve the interests of stockholders than the current Board. As such we urge stockholders to vote for our Nominees.

We are therefore seeking your support to take the following actions:

- (1) to elect Jeffrey H. Misthal and Howard E. Marks to serve as Class III directors of the Board of the Company and to hold office until the 2018 annual meeting of stockholders and until their respective successors have been duly qualified and elected;
- (2) [to ratify the appointment of [•] as the Company’s independent registered public accounting firm for the fiscal year ending January 31, 2016];
- (3) [to vote for a non-binding “say on pay” advisory vote on the compensation of the Company’s named executive officers]; and
- (4)

to grant the proxy holders discretion to vote on all other matters as may properly come before the Annual Meeting.

The Proxy Statement and form of GOLD proxy card are first being furnished to the stockholders of the Company on or about [•], 2015.

Our Nominees are each committed to acting in the best interests of the Company's stockholders and each has consented to being named as a nominee in the Proxy Statement and, if elected, to serve as a director on the Board. We believe that your voice in the future of the Company can best be expressed through, among other things, the election of our Nominees at the Annual Meeting.

We believe that the Company's Board must be comprised of highly qualified and experienced individuals that can provide a new and fresh perspective with full transparency and fairness. As fellow stockholders of Envivio, we feel the time has come for a Board that is committed to further implementing and fully embracing long-overdue corporate governance and operational reforms while exploring all opportunities to maximize stockholder value. We believe our Nominees bring the necessary skill, energy and experience to the Board required to effect the change. If elected, our Nominees will strive to be catalysts for this necessary change.

We are seeking your support at the Annual Meeting. Please read the Proxy Statement carefully for more detailed information about our Nominees.

Sincerely,

Cannell Capital LLC

- If your Shares are held in a brokerage account or bank, you are considered the beneficial owner of the Shares, and these proxy materials, together with a GOLD voting form, are being forwarded to you by your broker or bank. As a beneficial owner, you must instruct your broker, trustee or other representative how to vote. Your broker cannot vote your Shares on your behalf without your instructions.
- Depending on your broker or custodian, you may be able to vote either by toll-free telephone or by the Internet. Please refer to the enclosed voting form for instructions on how to vote electronically. You may also vote by signing, dating and returning the enclosed voting form.

Because only your latest dated proxy card will count, we urge you not to return any proxy card you receive from the Company. Even if you return the management proxy card marked “withhold” as a protest against the incumbent directors, it will revoke any proxy card you may have previously sent to Cannell Capital. Remember, you can vote for our Nominees only on our GOLD proxy card. So please make certain that the latest dated proxy card that you return is the GOLD proxy card.

QUESTIONS AND ANSWERS ABOUT THIS PROXY SOLICITATION

Why am I receiving these proxy materials?

Cannell Capital sent you this Proxy Statement and the accompanying proxy card because Cannell Capital is soliciting your proxy to vote at the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your Shares. Instead, you may simply complete, sign and return the accompanying GOLD proxy card.

What am I being asked to vote on?

You are being asked to vote:

- (1) to elect two independent directors to serve as Class III directors on the Board of the Company, further described in this Proxy Statement under the heading “PROPOSAL NO. 1: ELECTION OF OUR NOMINEES TO THE BOARD”;
- (2) [to ratify the appointment of [•] as the Company’s independent registered public accounting firm for the fiscal year ending January 31, 2016 as further described in this Proxy Statement under the heading “PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF [•]”]; and
- (3) [to conduct a non-binding “say on pay” advisory vote on the compensation of the Company’s named executive officers as further described in this Proxy Statement under the heading “PROPOSAL NO. 3: NON-BINDING “SAY ON PAY” ADVISORY VOTE”];].

What is the recommendation of Cannel Capital?

Cannell Capital recommends that you vote using the GOLD proxy card:

- (1) “FOR” the election of Jeffrey H. Misthal and Howard E. Marks to serve as Class III directors on the Board.
- (2) [“FOR” the ratification of [•] as the Company’s independent public accounting firm for the fiscal year ending January 31, 2016]; and
- (3) [“FOR” the non-binding “say on pay” advisory vote approving the compensation of the Company’s named executive officers].

Who may vote at the Annual Meeting?

Stockholders of the Company, as recorded in the Company’s stock register at the close of business on the Record Date, may vote at the Annual Meeting.

Please also note that if you hold your Shares in “street name” (that is, through a broker, bank or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date and check in at the registration desk at the meeting.

How do proxies work?

Cannell Capital is asking you to appoint J. Carlo Cannell as your proxy holder to vote your Shares at the Annual Meeting. You make this appointment by voting the enclosed GOLD proxy card or by using one of the voting methods described below. Giving us your proxy means you authorize the proxy holders to vote your Shares at the Annual Meeting, according to the directions you provide. You may vote for all, some, or none of our director nominees. You also may vote for or against the other voting proposals, or abstain from voting, to the extent there are any competing proposals. Unless you indicate otherwise on the GOLD proxy card or through the telephone or Internet voting procedures, you also authorize your proxy holders to vote your Shares on any matters not known by

Cannell Capital at the time this Proxy Statement was printed and that, under the Company's Amended and Restated Bylaws (the "Bylaws"), may be properly presented for action at the Annual Meeting.

If I vote using the GOLD proxy card, will I have the opportunity to vote for the remaining seats on the Board?

The GOLD proxy card will not authorize the proxy holders to vote for any nominees to the Board other than our Nominees. However, if you choose to attend the Annual Meeting and vote in person, you may vote for our Nominees as well as for any other nominees to fill the remaining board seats.

What happens if I abstain from voting?

If you give instructions to abstain from voting, your Shares will not be voted on any matter. Abstentions will be counted as present for purposes of determining the presence of a quorum, but will have no effect on the outcome of the election of directors or on the outcome of any other proposals.

What happens if I fail to instruct my broker?

If you hold your Shares in street name through a broker, bank or other custodian, only it can vote your Shares, and only upon your specific instruction. Because this is a "contested" meeting, if you fail to instruct your broker on how to vote your Shares, your broker will not be able to vote your Shares with respect to any of the Proposals and those Shares will have no effect on the outcome of the votes.

How do I vote?

For the election of directors, you may either vote "FOR" the two nominees or you may "WITHHOLD" your vote for one or more of the nominees. For any other matter to be voted on, you may vote "FOR" or "AGAINST" or abstain from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you may vote in person at the Annual Meeting. Alternatively, you may vote by proxy by using the accompanying GOLD proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the Annual Meeting.
- To vote by proxy, simply complete, sign and date the accompanying GOLD proxy card and return it promptly in the envelope provided. If you return your signed GOLD proxy card to us before the Annual Meeting, we will vote your Shares as you direct.
- To vote over the Internet or by telephone 24 hours per day, seven days per week. Your Internet or telephone vote authorizes the named proxies to vote your Shares in the same manner as if you marked, signed and returned your proxy card. You may vote over the Internet at www.proxyvote.com. You may vote by telephone by calling (800) 454-8683. Use any touch-tone telephone to vote your proxy. Have your proxy card in hand when you access the web site to vote by Internet, or when you vote by telephone. If you submit your proxy by Internet or by telephone, you do not need to mail back your proxy card. The Internet and telephone voting facilities will close at 11:59 p.m. on [•], 2015.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent. If your Shares are held in the name of a brokerage firm, bank nominee or other institution, only it can sign a GOLD proxy card with respect to your

Shares and only after receiving your specific instructions. Accordingly, please sign, date and mail the enclosed GOLD proxy instruction form in the postage-paid envelope provided. To ensure that your Shares are voted, you should also contact the person responsible for your account and give instructions for a GOLD proxy card to be issued representing your Shares.

If you hold your Shares in a stock brokerage account or by a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a “legal proxy” from your broker, bank or other nominee and present it at the Annual Meeting.

How do I revoke a proxy?

You may revoke your proxy before it is voted at the meeting by:

- submitting a revocation letter with a later date than your proxy card;
- delivering a second signed proxy card dated later than the first signed proxy card;
 - voting at a later time by telephone or the Internet; or
 - attending the Annual Meeting and voting in person.

A revocation letter may be delivered either to Cannell Capital in care of InvestorCom at the address set forth on the back cover of this Proxy Statement or to the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Cannell Capital in care of InvestorCom, Inc., 65 Locust Avenue, New Canaan, CT 06840 or by contacting InvestorCom at (203) 972-9300, or by email to info@investor-com.com so that Cannell Capital will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding Shares. Additionally, InvestorCom may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the proposals described herein.

If you are a street name stockholder, and you vote by proxy, you may later revoke your proxy instructions by informing the holder of record in accordance with that holder's procedures.

Remember, your latest-dated proxy is the only one that counts.

Should I submit a proxy if I plan to attend the Annual Meeting?

Whether you plan to attend the Annual Meeting or not, we urge you to sign, date and return a GOLD proxy card or vote by telephone or the Internet as described on the GOLD proxy card. Returning the enclosed GOLD proxy card by mail or by telephone or the Internet will not affect your right to attend the Annual Meeting and vote in person.

Who will count the votes and how will my vote(s) be counted?

Votes will be counted by the inspector of elections appointed for the Annual Meeting, who will separately count "FOR" and "WITHHOLD" votes with respect to the election of directors, and, with respect to the other proposals, "FOR" and "AGAINST" votes, abstentions and broker non-votes. A "broker non-vote" occurs when a nominee holding Shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions. Both abstentions and broker non-votes will have no effect and will not be counted toward the vote total for any proposals.

Who can help answer my questions?

BACKGROUND TO THE SOLICITATION

The following is a chronology of events leading up to this proxy solicitation:

- Between June 12, 2013 and June 12, 2014 Cannell, through the Funds, acquired 1,695,484 shares of the stock of the Company on behalf of its clients.
- On March 26, 2014, Cannell conducted a call with Alice Kousoum of investor relations at the Blueshirt Group to discuss the Company's financial results and future prospects.
- Beginning in April 2014 and continuing through November 2014, Cannell determined its belief that the Company would have a better operating performance if stockholder representatives were added to the Board.
- On January 16, 2015, Messrs. Cannell, Gillman and Marks entered into a Solicitation Agreement for the purpose of seeking changes to the corporate governance of the Company, including nominating directors for election at the 2015 annual meeting of stockholders of the Company.
- On January 16, 2015, Cannell, Messrs. Cannell, Gillman and Marks filed a Schedule 13D with the SEC disclosing an aggregate of 1,870,097 Shares, constituting approximately 6.75% of the Shares outstanding as of December 10, 2014 of the Company and its intention to nominate two people to the Board at the 2015 annual meeting.
- On January 16, 2015, Mr. Marks issued a press release announcing the group's intention to run a dissident slate of directors at the 2015 annual meeting of the Company in order to add new talent to the Company's Board for the purpose of maximizing stockholder value and improving corporate governance.
- On February 10, 2015, Mr. Cannell, certain employees of Cannell and Mr. Gillman met with the Company's Chairman Terry Kramer and Director and Chairman of the Audit Committee Marcel Gani. (Mr. Gillman participated via video conference) In the meeting, Mr. Cannell asked Mr. Kramer and Mr. Gani to avoid the expense and distraction of a contested election by appointing two stockholder representatives to the Board.
- On February 24, 2014, Tristan Partners, a fund managed by Cannell, delivered a nomination letter to the Company notifying the Company in accordance with its Bylaws of its nomination of Messrs. Marks and Misthal for election to the Board at the Annual Meeting.
- On March 10, 2015, April Pietsch, Corporate Assistant, emailed Mr. Cannell to schedule a meeting with Cannell's two nominees and the Company's Nominating and Corporate Governance Committee. The meeting was intended as part of the Committee's process of reviewing potential director candidates for the Company's 2015 annual meeting.

REASONS FOR THE SOLICITATION

The Company, a high margin provider of video infrastructure services, produces significant amounts of free cash flow. The company has a stable customer base in end markets which are projected to grow considerably in the coming years.

We conducted due diligence on the Company and its business and analyzed its operating and stock performance. After performing this analysis, we determined that the Company is undervalued and can grow exponentially with the right management team and Board guiding it. Specifically, we are concerned that:

- the Company has been burdened by high operational expense and poor corporate governance practices;
- the Company's potential remains unrealized due to the Board's lack of effective oversight; and
- the Company has not been well managed since its 2012 initial public offering. Its stock price has trended sharply lower ever since and seems unlikely to attain the \$9.00 per share at which it was initially sold to the public.

In our view, addressing these issues requires a stronger, independent Board with relevant industry expertise and commitment to stockholder value. Therefore, we are soliciting your support to elect our Nominees at the Annual Meeting; Nominees we believe will provide new, independent voices in the Company's boardroom and will seek to work constructively with the Board to enhance stockholder value, including through the following:

- implementing and embracing long overdue cost cutting measures;
- improving the makeup, structure, and compensation of the Company's internal sales force;
- implementing a compensation system whereby top management is paid for performance;
- working to protect the Company's invaluable cash balances and not waste such on ill-considered research & development.

We are Concerned with the Company's Stock Price Underperformance.

We feel that stock price returns are the most objective measure of management and Board performance, and the Company's stock prices have steadily fallen over the past few years. For example, the Company's share price declined by more than 70% from May 2012 through February 2015.

The Company's stock is down over 80% since its 2012 initial public offering. We believe that the placement of new and independent directors on the board of directors is the best way to ensure that the interests of the Company's shareholders are protected.

We are Concerned with the Company's History of Significant Operating Losses and Missed Earnings.

The current Board has presided over prolonged operating underperformance. The Company had operating losses for every fiscal year from 2007 through the fiscal year ending in 2015.

Additionally, the Company has regularly missed its earnings estimates and has failed to accept responsibility for its poor performance. In Q3 of the 2014 fiscal year, the Company missed its Earnings per Share estimates by (\$.07) and revenue estimates by \$3 million. Once the Company reported these numbers, the share price immediately dropped by 20%. The Company blamed the Q3 performance on “softening macro-economic conditions within EMEA and customer consolidation in the U.S.”

In Q1 of the 2014 fiscal year, the Company missed its Earnings per Share estimates by (\$0.05) and revenue estimates by \$3.2 million. The Company blamed these results on seasonality and poor spending by customers.

We are Concerned with the Company’s SG&A Expenses.

We believe the Company has abnormally high SG&A expenses as compared to its peers. Its closest competitor in terms of product offerings, Harmonic Inc. (NASDAQ: HLIT), has seen much lower SG&A expenses as compared to its revenue. In 2013, HLIT had SG&A at less than 50% of revenue while, in the same year, the Company had SG&A expenses representing 70% of revenue.

We are Concerned that this Board is plagued by Questions on Independence.

We believe that the Company and its stockholders will greatly benefit from a Board with diverse experience and perspective. Change on the Board is critical to ensuring renewed focus and commitment on delivering stockholder value. The Board currently has one member, R. David Spreng (appointed in August 2004), who has over 9 years of tenure. Additionally, two other members of the Board are approaching this nine year mark while an additional three members of the Board have been on the Board for 3 or more years.

We are Concerned with the Lack of Sufficient Stock Ownership by the Current Board Members up for Election and the Resulting Misalignment of Interests.

We believe the Board’s ineffectiveness at tackling the persistent destruction of stockholder value is in large part a function of a troubling misalignment of interests between the directors and the stockholders. As reported in the Company’s 2014 proxy statement, the current Board members that are up for election at the Annual Meeting, Mr. Gani and Mr. Kramer, do not own any stock in the Company.

Our independent, experienced and highly qualified Nominees will provide a fresh perspective in the Company’s boardroom, each with a demonstrated commitment to stockholders and their interests. Our Nominees will immediately and aggressively seek to start the process of rebuilding stockholder value. Our Nominees are committed to fully implementing and embracing long overdue corporate governance and operational reforms. Each of the highlighted areas above will receive the immediate attention and focus of our Nominees.

PROPOSAL NO. 1

ELECTION OF OUR NOMINEES TO THE BOARD

The Board is currently composed of seven directors. The Board is divided into three classes serving staggered three-year terms. At the Annual Meeting, two Class III directors will be elected. Cannell Capital is seeking your support at the Annual Meeting to elect our Nominees to serve until the 2018 annual meeting of stockholders, or until their successors are duly elected and qualified.

Background of our Nominees

Tristan Partners has nominated two highly qualified Nominees who we believe possess the expertise necessary to restore and enhance stockholder value. Our Nominees are “independent” for purposes of the Securities and Exchange Commission (the “SEC” or the “Commission”) and NASDAQ Stock Market rules and are committed to implementing appropriate corporate governance changes.

Other Information About Our Nominees

None of the Nominees own any Shares in the Company.

Our Nominees will not receive any compensation from Cannell Capital or any other participant in the Proxy Statement for their services as directors of the Company. Additionally, none of the Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceedings.

Other than as set forth in this paragraph, there are no arrangements or understandings among the Nominees, the other participants in this Proxy Statement or any other person or persons pursuant to which the nomination described herein is to be made. On January 16, 2015, Cannell Capital, J. Carlo Cannell, Charles M. Gillman and Howard E. Marks entered into a Solicitation Agreement in which, among other things, all such members agreed (a) to form a group for the purpose of seeking representation on the Board at the Annual Meeting and taking all other actions to achieve the foregoing, and (2) to jointly solicit proxies for the election of the Nominees.

We do not expect that our Nominees will be unable to stand for election. In the event that any Nominee is unable to serve or for good cause will not serve, we may seek to replace such Nominee with a substitute nominee to the extent substitution is permissible under the Bylaws. In such case that we are permitted to substitute a nominee, we will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to any

substitute nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Only in such case will the Shares represented by the enclosed GOLD proxy card be voted for substitute nominees. In addition, Tristan Partners reserves the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying our Nominees. Tristan Partners reserves the right to nominate additional persons, to the extent this is not prohibited under the Bylaws or applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Tristan Partners. We believe any attempt to increase the size of the current Board or to reconstitute or reconfigure the classes on which the current directors serve constitutes an

unlawful manipulation of the Company's corporate machinery. In the event that we nominate additional nominees as described above, we will file and deliver supplemental proxy materials, including a revised proxy card, that (i) identifies such additional nominees, (ii) discloses whether such nominees have consented to being named in the supplemental proxy materials and to serve on the Board if elected, and (iii) includes the disclosure required by Items 5(b) and 7 of Schedule 14A of the Exchange Act with respect to such additional nominees.

Each Nominee presently is, and if elected as a director of the Company would be, an independent director within the meaning of (i) applicable NASDAQ listing standards applicable to board composition, and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. Each of the Nominees is a citizen of the United States.

OTHER MATTERS

We are not aware of any other proposals to be brought before the Annual Meeting. Should other proposals be brought before the Annual Meeting, the persons named as proxies in the enclosed GOLD proxy card will vote on such matters at their discretion.

SOLICITATION OF PROXIES

Voting and Proxy Procedures

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each Share is entitled to one vote. Stockholders who sell Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such Shares after the Record Date. Based on publicly available information, we believe that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Shares.

Shares represented by properly executed GOLD proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the proposal to elect our Nominees to the Board, [FOR] the ratification of the appointment of [•] as the independent registered public accounting firm of the Company for fiscal year 2016, [FOR] the non-binding “say on pay” advisory vote, and will grant authority to the persons named as proxies to vote on all other matters as may properly come before the Annual Meeting at their discretion.

The participants in this solicitation intend to vote all of their Shares in favor of the election of our Nominees and [“for” Proposals No. 2 and 3.]

Quorum

The presence of a quorum is required to transact business at the Annual Meeting. A quorum will be present if at least a majority of the voting power of the capital stock issued and outstanding and entitled to vote is represented in person or by proxy at the meeting. Your Shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be considered to be Shares present for the purpose of determining whether a quorum exists. A broker non-vote occurs when a nominee holding Shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Votes Required for Approval

The Bylaws provide that elections of directors are determined by the vote of the holders of a majority of the voting power of the capital stock and entitled to vote present in person or represented by proxy. Abstentions and broker non-votes are not considered to be Shares cast, and therefore will not have any effect on the outcome of such proposals. Votes withheld from any Proposal will be counted for purposes of determining the presence or absence of a quorum, but will otherwise have no effect on the outcome of the vote. Likewise, abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, but will otherwise have no effect.

Thus, for Proposal No. 1 concerning the election of our Nominees, the two nominees receiving the highest number of affirmative votes properly cast at the election in person or by proxy shall be elected to the Board.

For all other Proposals and other matters properly presented for a vote at the Annual Meeting, approval will require the affirmative vote of a majority of the votes properly cast at the election in person or by proxy in favor of such proposal or matter. Stockholders of record may appoint proxies to vote their Shares by signing, dating and mailing the GOLD proxy card in the envelope provided

If you need assistance, please contact our proxy solicitor, InvestorCom at (877) 972-0090.

Discretionary Voting

Shares held in “street name” and held of record by banks, brokers or nominees may not be voted by such banks, brokers or nominees unless the beneficial owners of such Shares provide them with instructions on how to vote.

Abstentions and Broker Non-Votes

Abstentions and broker “non-votes” will count as votes present for the purpose of determining whether a quorum is present. A “broker non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner.

Revocation of Proxies

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation.

The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered to either Cannell Capital in care of InvestorCom at the address set forth on the back cover of this Proxy Statement or to the Company's address, 400 Oyster Point Boulevard, Suite 325, South San Francisco, California 94080, or any other address provided by the Company. Although a revocation is effective if delivered to Cannell Capital or the Company, we request that either the original or photostatic copies of all revocations be mailed to Cannell Capital in care of InvestorCom at the address set forth on the back cover of this Proxy Statement so that Cannell Capital will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding Shares. Additionally, InvestorCom may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the proposals described herein.

IF YOU WISH TO VOTE FOR THE PROPOSAL TO ELECT OUR NOMINEES TO THE BOARD AT THE TIME OF THE ANNUAL MEETING, TO VOTE ON THE OTHER PROPOSALS DESCRIBED HEREIN AND TO GRANT THE PROXY HOLDERS DISCRETION TO VOTE ON ALL OTHER MATTERS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE ENVELOPE PROVIDED.

Proxy Solicitation; Expenses

The solicitation of proxies pursuant to this Proxy Statement is being made by Cannell Capital. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

Executed proxies may be solicited in person, by mail, advertisement, telephone, telecopier, telegraph or email. Solicitation may be made by Cannell Capital, our Nominees, employees of the members of Cannell Capital and their affiliates and Charles M. Gillman, none of whom will receive additional compensation for such solicitation. Proxies will be solicited from individuals, brokers, banks, bank nominees and other institutional holders. We have requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. We will reimburse these record holders for their reasonable out-of-pocket expenses.

Cannell Capital has retained InvestorCom to solicit proxies on our behalf in connection with the Annual Meeting. InvestorCom will employ approximately [*] people in its efforts. Cannell Capital and Charles M. Gillman have agreed to reimburse InvestorCom for its reasonable expenses and to pay to InvestorCom a fee of up to [\$xx,xxx]. InvestorCom will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. InvestorCom will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders.

In addition to the engagement of InvestorCom described above, costs related to the solicitation of proxies include expenditures for printing, postage and related expenses and are expected to be approximately [\$xx,xxx], plus legal expenses. The entire expense of our proxy solicitation is being borne by Cannell Capital and Charles M. Gillman. If our Nominees are elected to the Board, Cannell Capital and Charles M. Gillman will seek reimbursement of expenses and such reimbursement will not be submitted to a vote of the stockholders.
