ITEM 1.01 Entry into a Material Definitive Agreement

On December 16, 2005, Align Technology, Inc. (the Company) and Comerica Bank entered into an Amended and Restated Loan and Security Agreement (the Amended Credit Agreement). The Amended Credit Agreement amends and replaces the Company's Loan and Security Agreement dated as of December 20, 2002, as amended. The Amended Credit Agreement increases the available borrowings under the revolving line of credit from \$15 million to \$20 million. Included in the new revolving line of credit is a letter of credit facility of up to \$5 million, a foreign exchange facility of up to \$5 million and an equipment facility of up to \$10 million. The Company may elect interest rates on its borrowing calculated by reference to Comerica Bank's prime rate less one-half of one percent or LIBOR plus two percent. The new credit facility matures on December 16, 2007, at which time all outstanding borrowings must be repaid.

The new credit facility contains certain restrictive loan covenants, including, among others, financial covenants requiring a minimum quick ratio and minimum tangible net worth, and covenants limiting the Company's ability to dispose of assets, make acquisitions, be acquired, incur indebtedness, grant liens, make investments, pay dividends and repurchase stock.

The new credit facility contains events of default that include, among others, non-payment of principal, interest or fees, violation of covenants, bankruptcy and insolvency events, cross defaults to certain other indebtedness, material judgments, and unauthorized payments on subordinated debt. The occurrence of an event of default will increase the applicable rate of interest by 3.0% and could result in the acceleration of the Company's obligations under the new credit facility.

As of the date of this Current Report on Form 8-K, the Company has no outstanding borrowings under the Amended Credit Agreement. The foregoing description of the Amended Credit Agreement is qualified in its entirety by the Amended Credit Agreement attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by this reference.

ITEM 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of Registrant.

The information set forth under Item 1.01, Entry into a Material Definitive Agreement, is incorporate herein by reference.
