- \$1,500 for attendance in person or by telephone at each other Board or committee meeting;
- an annual retainer of \$10,000 to the chair of each of the Finance, Human Resources and Governance Committees;

The non-management director who is selected to be the presiding director at executive sessions of the Board will receive an additional annual cash retainer of \$5,000.

The Board also approved as a component of non-management director compensation an award of stock options having a value of \$30,000 and shares of restricted stock with a value of \$70,000, both to be granted in January 2006 pursuant to the Company's 2003 Equity Incentive Plan. The option exercise price will equal the Company's reported stock price when the grant is made and the number of shares subject to the stock options will be determined using the Company's policies and practices for the granting of stock options. The number of shares of restricted stock will be determined using the Company's reported stock price when the shares are issued.
