This press release contains forward-looking statements. Such statements are not statements of historical fact, and reflect the beliefs and expectations of the Companies' management. The words "anticipates," "believes," "estimates," "expects," "forecasts," "intends," "plans," "predicts," "projects" and "targets" and similar words are intended to identify these statements, which necessarily involve known and unknown risks and uncertainties. Known risks and uncertainties include those resulting from the short history of the Companies' operations as an independent, private-sector, entity and the introduction of competition to the Brazilian telecommunications sector, as well as those relating to the cost and availability of financing, the performance of the Brazilian economy generally, the levels of exchange rates between Brazilian and foreign currencies and the Federal Government's telecommunications policy. Accordingly, the actual results of operations of the Companies may be different from the Companies' current expectations, and the reader should not place undue reliance on these forward-looking statements. Forward-looking statements speak only as of the date they are made, and the Companies do not undertake any obligation to update them in light of new information or future developments.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
