Special Shareholders Meeting

We invite the shareholders of this Company to meet at the Special Shareholders Meeting to be held on March 10, 2009, at 4:30 pm, at the Company s headquarters, Cidade de Deus, Vila Yara, Osasco, São Paulo, at Salão Nobre, 5 andar, Prédio Novo, in order to examine and resolve on the Board of Directors proposals to:

1. Amend the Bylaws to Sole Paragraph of Article 24, in view of the change in the names of the Codes of Ethics, which are now called Bradesco Organization s Codes of Ethical Conduct, both corporate and by sector;
2. Pursuant to Article 12 of Law # 6,404/76 and CVM Rules # 323 and # 358, of January 19th, 2000 and January 3rd, 2002, respectively, and considering:

that, within the shareholding structure, there is a large number of shareholders with interest lower than 50 shares, considering that most of these shareholders are under the condition of inactive, generating a significant volume of services and operating costs to the Company; and

the purpose of adjusting the shareholding structure, with the consequent decrease in operating controls/costs to the Company and its shareholders, providing greater efficiency to the operational system of book-entry shares and disclosure of information to shareholders,

To submit to reverse split 3,069,869,800 non-par registered book-entry shares, representing the Capital Stock, at the ratio of 50 (fifty) to 1 (one), in compliance with the respective types, changing them into 61,397,396 non-par registered book-entry shares, and also considering:

the need to keep the share quotation value in the market at an attractive level for trading, providing better liquidity to shares in the domestic market and to DRs - Depositary Receipts in the international market,

To submit to stock split 61,397,396 non-par registered book-entry shares, at the ratio of 1 (one) to 50 (fifty), pursuant to the respective types, changing them into 3,069,869,800 non-par registered book-entry shares.

Both the reverse split and the stock split will only be simultaneously carried out after the term granted to shareholders for adjustments to positions, provided for in the next paragraph.

After the operation ratification by the Brazilian Central Bank, the Company will publish a Material Fact , establishing a term of not less than 60 days, as of its publication, so that common or preferred shareholders in a number not multiple of 50 can, at their free and exclusive discretion, round their positions either in the Bradesco Depositary Institution or in each Brokerage Firm which have shares under Custody, accordingly.

The shareholders that want to complement their positions to a multiple of 50 shares, immediately higher, by type, may do it by means of trading on BM&FBOVESPA S.A. Securities, Commodities and Futures Exchange, through the Brokerage Firm of their free choice.

The shareholders shall be exempt from the brokerage fee and other fees, exclusively for purchases made by means of Bradesco S.A. Corretora de Títulos e Valores Mobiliários and Ágora Corretora de Títulos e Valores Mobiliários S.A.,

Bradesco Organization's companies.

In the event of a possible lack of liquidity in the market for acquisition of shares for position rounding, and, if of their interest, shareholders may trade with the Company's Controlling Shareholders (in this case, the shareholder shall go to a Bradesco Branch).

After the term set forth for the adjustment by shareholders, the possible fractions of shares will be separated, grouped in whole numbers and sold in an Auction to be held on BM&FBOVESPA S.A. - Securities, Commodities and Futures Exchange, and the respective amounts shall be at the disposal of shareholders entitled to them.

Considering that the reverse split and the stock split will be processed at the same proportion, this operation, if approved by the Shareholders Meeting and by the proper Regulatory Bodies, will not change the number of shares comprising the Capital Stock and, consequently, will not amend the caput of Article 6 of Banco Bradesco S.A. s Bylaws and the amount of Monthly Dividends.

Simultaneously to the operation in the Brazilian Market, also in compliance with the term for the adjustment to positions, the reverse split and split of DRs Depository Receipts will be processed in the US Market (NYSE) ADRs and in the European Market (Latibex) GDRs.
