1. TO THE COMPANY'S SHAREHOLDERS

1.1. **Subscription Rights**. All those who hold shares issued by the Company on July 6, 2009 shall be entitled to preemptive right in the subscription of Class B preferred shares. The shares issued by the Company acquired as of July 7, 2009 shall not be entitled to the subscription right resulting from the capital increase approved as provided for in above item (iv).

1.2. **Preemptive Right Ratio**. The preemptive right shall be exercised by the Company's shareholders proportionally to their interest in the capital stock, at the ratio of 7.003400833%, as provided for in the caput of Article 171 of Brazilian Corporate Law, considering the maximum amount of capital increase.

1.3. **Term for Share Subscription**. The preclusive term of forty-five (45) days for the Company's shareholders to exercise their preemptive right in the subscription of Class B preferred shares shall begin on July 8, 2009 and end on August 21, 2009.

1.4. **Means of Payment**. The Company's shareholders who exercise their preemptive right in the subscription of Class B preferred shares shall pay in cash, in domestic currency.

1.5. **Issue Price and Justification**. The issue price of new shares was established at forty reais (R\$40.00) per Class B preferred share issued, based on the average closing price of the preferred shares issued by the Company, PCAR4, weighted by volume in the last ten (10) trading sessions of BM&FBovespa Securities, Commodities and Futures Exchange (BM&FBOVESPA) immediately before the execution date of the Agreement, added by a 9.35% premium.

1.6. Procedure for Share Subscription

1.6.1. Each shareholder may, upon subscription, observing the procedure set forth in item 1.7.1 below, condition the subscription of the capital increase to which he or she is entitled:

(i) to the subscription of a maximum number of shares, as provided for in item (iv) above (16,609,046 shares);
or

(ii) to the subscription of a ratio or minimum number of shares, which shall not be lower than the minimum number of shares set forth in item (iv) above (12,404,849 shares).

1.6.2. In case the shareholder fails to present, upon subscription, the condition associated to his or her subscription, the intention of the shareholder to subscribe the capital increase will be considered firm, unconditional, without withdrawal rights, except for the acquisition of the minimum amount of capital increase set forth in item (iv)

above.

1.6.3. In the case of item 1.6.1(ii) above, the shareholder shall, upon subscription, specify if he or she intends to receive the total number of the shares that he or she subscribed or only the necessary amount to maintain his or her interest in the Company's capital stock, as before this subscription, unchanged and in this case, the overpaid amount shall be refunded, without monetary restatement, by the Company to the shareholder within ten (10) business days, upon the transfer of the referred amount to the checking account specified by the shareholder on the subscription list, as provided for in item 1.7.1 below.

1.6.3.1. Similarly, in the event that the condition, as provided for in item 1.6.1(i) or 1.6.1(ii), where applicable, established by the shareholder, is not implemented, the total amount paid by the shareholder shall be refunded, without monetary restatement, by the Company, also against transfer of the referred amount to the checking account specified by the shareholder on the subscription list, as provided for in item 1.7.1 below. In the absence of expression, it shall be assumed that the shareholder intends to receive the total number of shares subscribed by him or her.

1.6.4. After the term aforementioned in 1.3 expires, as provided for in subparagraph b, paragraph 7, Article 171 of Brazilian Corporate Law, unsubscribed shares will be apportioned among the shareholders who have expressed their interest in them, and these shareholders shall subscribe them within five (5) business days as of the date when the unsubscribed shares are determined and announced.

1.6.5. In the event that some shares remain unsubscribed after the apportionment aforementioned in item 1.6.4, they shall be allocated to the shareholders of Globex, as and, if necessary, to serve Globex's shareholders who adhere to the Agreement, in the exact limit of their credits. Once the procedures described in this item 1.6.5 are concluded, in case the maximum amount set forth in item (iv) is not reached and since the minimum amount set forth in the same item is reached, a partial Company's capital stock increase shall be ratified.

1.7.3. The Company's shareholders who wish to trade their subscription rights may do so. Shareholders whose shares are registered in the Company's registers at Banco Itaú S.A. shall request from that institution the respective right assignment list, which shall be issued by Banco Itaú S.A.

1.7.6. It is advisable that the holders of American Depositary Receipts (ADRs) consult the ADRs depository bank, The Bank of New York Mellon, for further information about the rights to which they are entitled upon this capital stock increase.

1.8. Block. The current deposit block of the Company's outstanding preferred shares, PCAR4, that were converted into to Class A preferred shares, pursuant to item (ii) above, shall be valid until and including July 10, 2009.

2. TO GLOBEX'S SHAREHOLDERS

2.1. Subscription of the Class B Preferred Shares and Adhesion to the Agreement.

2.1.1. Globex's controlling shareholders elected to subscribe the Class B preferred shares, according to the Subscription Agreement executed by them on the same execution date of the Agreement, and by reason of that Globex's controlling shareholders were granted an additional credit of 10% of the installment portion of the purchase price, which shall be exclusively used to pay the Class B preferred shares.

2.1.2. Alternatively to the tender offer to be executed by Mandala, a CBD S subsidiary, for the acquisition of common shares held by the minority shareholders of Globex (OPA), pursuant to Article 254-A of the Brazilian Corporate Law and CVM Rule 361/02, Globex's minority shareholders may choose, irrevocably and irreversibly, to adhere to the Agreement and consequently, sell to Mandala, wholly or partially, Globex shares held by them, for R\$7.5850 per share, of which R\$3.4353 shall be paid in cash and R\$4.1497 shall be paid in one installment, in the 4th anniversary of the effective date of share acquisition referred to in this item and subsequent transfer to Mandala. The installment portion shall be adjusted according to the CDI variation in the period between the 90th day after the execution date of the Agreement, June 07, 2009, and the date of its effective payment, *pro rata temporis*.

2.1.2.1. Globex's shareholders who choose to adhere to the Agreement shall mandatorily subscribe and pay the Class B preferred shares in the amount equivalent to the installment portion of the purchase price of their respective transferred shares, and shall have their respective Globex shares transferred to Mandala on the payment date of the cash of the purchase price of these shares according to the schedule in item 2.1.2.6 below.

2.1.2.2. It shall be granted to Globex's minority shareholders who express their intention to adhere to the Agreement and subscribe the Class B preferred shares, and once the adhesion to the Agreement is irrevocably and irreversibly executed, similarly to Globex's controlling shareholders, an additional credit of 10% of the installment portion of the purchase price, in the amount of R\$0.4150 per share, which shall be exclusively used to pay the Class B preferred shares;

2.1.2.3. In the event that the amount of credit held by a particular Globex shareholder, already increased by the additional credit of 10%, as provided for in item 2.1.2.2 above, is not sufficient to pay an integer of Class B preferred

shares, this shareholder shall receive the next lower integer of Class B preferred shares, receiving the corresponding difference in cash within ten (10) business days as of the ratification of the capital stock increase.

2.1.2.4. For illustration purposes, below there is an example of the calculus of the amount to be paid in cash and of the number of Class B preferred shares to which a Globex shareholder who has chosen to adhere to the Agreement and owns 1,000 shares issued by Globex (GLOB3) would be entitled:

2.1.2.5. The shares issued by Globex that are transferred to Mandala due to the adhesion of their holders to the Agreement shall be automatically excluded from the OPA.

2.1.2.6. Globex s shareholders who express their intention to adhere to the Agreement and subscribe the Class B preferred shares shall have their respective shares issued by Globex automatically blocked for trading, and the cash portion of the purchase price of the shares issued by Globex sold pursuant to this item 2.1.2, in the amount of R\$3.4353 per share, shall be paid according to the schedule below, without monetary restatement:

- (i) the shareholders who adhere to the Agreement and subscribe Class B preferred shares between and including July 8 and 17, 2009 shall receive the cash portion of the purchase price on July 24, 2009;

2.1.3. In case, due to the exercise, by CBD's shareholders, of the preemptive right in the subscription of Class B preferred shares issued, pursuant to item 1.1 above, it is not possible for Globex's shareholders who had expressed their intention to subscribe the Class B preferred shares to effectively subscribe them, totally or partially, these Globex's shareholders shall receive the amount equivalent to the Class B preferred shares whose intention of subscription was expressed but not executed, in cash, within ten (10) business days as of the ratification of the capital increase aforementioned in item (iv).

2.2. Term to Express the Intention. Globex's shareholders who, as provided for in item 2.1.2 above, wish to adhere to the Agreement and subscribe the Class B preferred shares shall express their intention within forty-five (45) days, starting on July 8, 2009 and ending on August 21, 2009.

2.3. Means of Payment. Globex's shareholders who chose to adhere to the Agreement and, consequently, subscribe the Class B preferred shares, as provided for in item 2.1 above, shall mandatorily pay the subscribed shares with the credits held against Mandala, resulting from the installment portion of the purchase price of their respective shares, pursuant to the Agreement.

2.4. Guarantee of the Subscription Price of Class B Preferred Shares. As provided for in the Agreement, and exclusively to Globex's shareholders who adhere to the Agreement, who consequently subscribe the Class B preferred shares, shall be ensured that, should the market value of the Class A preferred shares, calculated according to the weighted average price by volume in each trading session, within fifteen (15) trading sessions of BM&FBOVESPA immediately before each date of conversion, as described in item (iv.3) above, be lower than the price per Class A preferred share equivalent to forty reais (R\$40.00), duly restated according to the CDI variation, as of the date of execution of the Agreement until the respective date of conversion, Mandala shall pay to Globex's shareholders who subscribed to the Class B preferred shares, on the second business day immediately after each respective date of conversion, an amount corresponding to the aforementioned difference, per Class B preferred share subscribed (Difference). For clarification purposes, the terms and conditions reflected in this item 2.4.1 constitute a contractual right, and not a right associated to, resulting from, or inherent to the Class B preferred shares.

2.4.1. With regard to the Class B preferred shares to be converted within five (5) days after the ratification of CBD's capital stock increase resulting from the issue of Class B preferred shares, the amount of the respective Difference is R\$3.6927 per Class B preferred share, which shall be paid by Mandala on the same date of conversion mentioned in this item 2.4.1.1.

2.4.2. The amount of the Difference aforementioned in item 2.4.1.1 shall be adjusted according to the CDI variation as of June 7, 2009 until the date of its effective payment.

2.5. Instructions for Expression of Intention to Adhere to the Agreement and Share Subscription.

2.5.1. The Globex's shareholders whose shares are deposited at BM&FBOVESPA and wish to adhere to the Agreement and consequently subscribe the Class B preferred shares shall irrevocably and irreversibly request adhesion to the Agreement through their custody agents, observing the terms set forth by BM&FBOVESPA and the conditions of this Notice.
