### **Approval of Notes Issuance in the Local Market**

Rio de Janeiro, May 15, 2015 – Petróleo Brasileiro S.A. – Petrobras informs that its Board of Directors, in a meeting held today, approved the issuance of non-convertible and unsecured notes, to be public offered in the Brazilian market, according to CVM Instruction nº 400, of December 29, 2003, as amended.

The mentioned approval allows the Company to issue up to 300,000 (three hundred thousand) notes, with face value of R\$10,000 (ten thousand reais), which will sum to up to R\$3,000,000,000 (three billion reais).

The total amount of notes above mentioned can be incremented by an additional lot of notes (hot issue) equivalent to up to 20% (twenty percent) of the total of notes initially offered and/or by a supplemental lot of notes (green shoe) equivalent to up to 15% (fifteen percent) of the total amount of notes initially offered, according to the applicable legislation.

The Company will assess the market conditions and its funding needs throughout 2015 to make a final decision regarding this issuance. In case it chooses to execute the deal, all material information, corporate approvals and other documents will be disclosed, in compliance with the legal requirements.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
