**Material Fact**

Banco Bradesco S.A. informs its shareholders and the market in general that, in a meeting held on this date, the Board of Directors resolved to cancel the capital stock increase by means of private subscription of shares, approved in the Special Shareholders' Meeting held on December 17, 2015, at the amount of R\$3,000,000,000.00, by the issuance of 164,769,488 new book-entry, registered shares, with no par value, of which 82,571,414 are common shares at the unit price of R\$19.20 and 82,198,074 are preferred shares at the unit price of R\$17.21.

The decision derived from the volatility of the national and international stock markets, with impacts on the share price in the Stock Exchange.

Mentioned cancellation will be submitted to shareholders' approval in general shareholders' meeting.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
