Item 7.01 Regulation FD Disclosure.

On April 20, 2006, the Registrant's CEO and CFO made a presentation to analysts and investors on a strategic and financial overview of the Registrant. The presentation was Web-cast live from the Registrant's Web site and has been archived for 30 days on the Registrant's Web site. The Registrant issued a press release on April 13, 2006 announcing that the Web-cast would be held.

A transcript of the presentation is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

This presentation contains in addition to historical information, forward-looking statements based on assumptions made by management regarding future circumstances over which the Registrant may have little or no control, that involve risks, uncertainties and other factors that may cause actual results to be materially different from any future results expressed or implied by such forward-looking statements. These factors include, among others, the following: general economic and business conditions; weather conditions affecting customers' water usage or the company's cost of operations; the success of cost containment initiatives, including costs arising from changes in regulations; regulatory treatment of rate increase requests; availability and cost of capital; the success of growth initiatives, including pending acquisitions; the effect of regulation on consolidation of the industry; the ability to generate earnings from capital investment; and the other risks and uncertainties described in our filings with the Securities and Exchange Commission.
