Item 1.01 Entry into a Material Definitive Agreement.

Effective June 19, 2006, MarineMax, Inc., a Delaware corporation (the "Company") entered into a Second Amended and Restated Credit and Security Agreement, among the Company and its subsidiaries, as Borrowers, and Bank of America, N.A., KeyBank, N.A., General Electric Commercial Distribution Finance Corporation, Wachovia Bank, N.A., Wells Fargo Bank, N.A., National City Bank, N.A., U.S. Bank, N.A., and Branch Banking and Trust Company, as Lenders.

The credit facility amends and replaces our previous credit facility with the same financial institutions and adds four new Lenders. The credit facility provides us a line of credit with asset-based borrowing availability of up to \$500 million for working capital and inventory financing, with the amount of permissible borrowings determined pursuant to a borrowing base formula. The credit facility also permits approved-vendor floorplan borrowings of up to \$20 million. The credit facility accrues interest at the London Interbank Offered Rate (LIBOR) plus 150 to 260 basis points, with the interest rate based upon the ratio of our net outstanding borrowings to our tangible net worth. The credit facility is secured by our inventory, accounts receivable, equipment, furniture, and fixtures. The credit facility requires us to satisfy certain covenants, including maintaining a leverage ratio tied to our tangible net worth. The credit facility matures in May 2011, with two one-year renewal options.

On June 20, 2006, we issued a press release announcing our entry into a Second Amended and Restated Credit and Security Agreement. A copy of the press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference in this Item 1.01.

Item 9.01 Financial Statements and Exhibits.
