Item 1.01 Entry into a Material Definitive Agreement.

On March 6, 2007, Wright Express Corporation (the "Company") purchased put option contracts and sold call option contracts, designed to be a costless collar, on the wholesale price of gasoline and the retail price of diesel fuel with J. Aron & Company (collectively, the "Contracts"). The Contracts have an aggregate notional amount of approximately 14 million gallons of gasoline and diesel fuel and will expire on a monthly basis during the third and fourth quarters of 2008 and the first quarter of 2009. The settlement of the Contracts is based upon the New York Mercantile Exchange's New York Harbor Reformulated Gasoline Blendstock for Oxygen Blending and the U.S. Department of Energy's weekly retail on-highway diesel fuel price for the month. The Contracts lock in a weighted average retail floor price of approximately \$2.48 per gallon and a weighted average retail ceiling price of approximately \$2.54 per gallon.

On March 12, 2007, the Company issued a press release announcing this transaction.

In addition, on March 8, 2007, the Company entered into the Second Amendment to the Company's credit agreement by and among the Company, as borrower, and the lenders named therein and JPMorgan Chase Bank, as administrative agent (the "Amendment"). The Amendment revises the Company's original credit agreement to, among other things, permit the Company to repurchase shares of its common stock having an aggregate purchase price of up to seventy-five million dollars (\$75,000,000).

A copy of the Amendment is attached as exhibit 10.3 and is incorporated by reference. The description above is a summary of the Amendment and you are directed to the exhibit for the complete terms of the Amendment.

Item 8.01 Other Events.

On March 12, 2007, the Company issued a press release entitled "Wright Express Extends Its Existing Fuel-Price Risk Management Program through 1Q 2009." A copy of the press release is attached as exhibit 99.1 and is incorporated by reference in its entirety.
