 Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Top of the Form

Item 1.01 Entry into a Material Definitive Agreement.

On April 15, 2008, The Kansas City Southern Railway Company ("KCSR"), a wholly-owned subsidiary of Kansas City Southern (the "Company"), entered into a Participation Agreement (the "Participation Agreement") dated as of April 1, 2008, among KCSR, KCSR 2008-1 Statutory Trust (acting through U.S. Bank Trust National Association as Owner Trustee) (the "Trust"), U.S. Bank Trust National Association (in its individual capacity), MetLife Capital, Limited Partnership (the "Owner Participant"), Wilmington Trust Company (the "Indenture Trustee"), and Export Development Canada (the "Loan Participant") with respect to thirty (30) Electro-Motive Diesel, Inc. SD70ACe locomotives (the "Locomotives").

Pursuant to the terms of the Participation Agreement, KCSR agreed to sell the Locomotives to the Trust for an aggregate purchase price of approximately \$63.5 million (the "Purchase Price"), which was paid to KCSR on April 15, 2008. The Owner Participant agreed to contribute a portion of the aggregate Purchase Price to the Trust in exchange for one hundred percent (100%) ownership of the beneficial interest of the Trust.

KCSR and the Trust also entered into an Equipment Lease Agreement dated as of April 1, 2008 (the "Lease"), pursuant to the terms of which KCSR agreed to lease the Locomotives from the Trust for an initial term of approximately twenty years. KCSR is obligated to pay rent on the Locomotives bi-annually with the first rent payment due and payable on July 15, 2008, and the remaining rent payments due and payable on January 15 and July 15 of each year during the term of the Lease with the final rent payment due on April 15, 2028. Subject to certain adjustments provided in the Participation Agreement and the Lease, the aggregate of the rent payments for the Locomotives leased to KCSR by the Trust is approximately \$91.8 million.

The Lease contains representations, warranties and covenants typical of such equipment leases. Events of default in the Lease include, but are not limited to, certain payment defaults, certain bankruptcy and liquidation proceedings and the failure to observe or perform any covenants or agreements contained in the Lease. Any event of default could trigger acceleration of KCSR's payment obligations under the terms of the Lease.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information required by this item is included in Item 1.01 above and is incorporated herein by reference.
