**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

In February 2011, The Williams Companies, Inc. ("Williams") announced that its board of directors ("Board") approved pursuing a plan to divide its business into two separate, publicly traded corporations. This reorganization plan called for a separation of Williams' exploration and production business through an initial public offering ("IPO") of up to 20 percent of Williams' wholly owned subsidiary, WPX Energy, Inc. ("WPX"), and a subsequent tax-free spin-off of Williams' remaining interest in WPX to Williams' shareholders. On October 18, 2011, Williams announced that its Board approved pursuing a revised reorganization plan that calls for the complete separation of WPX via a tax-free spin-off of all of Williams' ownership in WPX to Williams' shareholders by year-end 2011. The approval of the revised reorganization plan does not preclude Williams from pursuing the original reorganization plan, including the IPO, if market conditions become favorable. Williams retains the discretion to determine whether and when to complete these transactions.

William R. Granberry and William G. Lowrie, who are members of Williams' Board, have been identified as prospective directors of WPX prior to the spin-off described above. By letters dated November 8, 2011, Messrs. Granberry and Lowrie notified Williams of their decision to resign as directors of Williams and the committees of the Board on which they serve, effective immediately preceding the spin-off of Williams' interest in WPX to Williams' shareholders. Messrs. Granberry and Lowrie will continue to serve as directors of Williams until such time. Mr. Granberry currently serves on the compensation and finance committees of Williams' Board and Mr. Lowrie is the Chairman of the audit committee and serves on the nominating and governance committee. Messrs. Granberry and Lowrie did not tender their notices of resignation due to a disagreement with Williams.
