Item 1.01. Entry into a Material Definitive Agreement.

Purchase and Sale Agreement

On October 20, 2017, Linn Energy Holdings, LLC (“LEH”) and Linn Operating, LLC (“LOL” and together with LEH, the “Seller”), each of which is a subsidiary of Linn Energy, Inc. (the “Company”), entered into a purchase and sale agreement (the “PSA”) with an undisclosed buyer (the “Buyer”). Pursuant to the terms of the PSA, the Seller agrees to sell properties consisting of approximately 20,000 net acres in North Dakota, South Dakota and Montana (the “Assets Sale”) to the Buyer for a contract price of \$285 million, subject to closing adjustments. Proceeds from the Assets Sale are expected to be added as additional cash on the Company’s balance sheet to be used for funding of the Company’s announced share repurchase program and other general corporate purposes. The Assets Sale is expected to close on or before November 30, 2017, with an effective date of March 1, 2017.

The PSA contains various representations, warranties, covenants and indemnification obligations of the Seller and the Buyer that are customary in transactions of this type. The closing is subject to satisfaction or waiver of specified conditions, including the material accuracy of the representations and warranties of the Seller and the Buyer. There can be no assurance that these closing conditions will be satisfied.

The PSA may be terminated, subject to certain exceptions, (i) by mutual written consent of the Seller and the Buyer, (ii) resulting from certain material breaches of the PSA that remain uncured and cause the failure of certain closing conditions, (iii) if the closing has not occurred on or before December 31, 2017, (iv) in the event the conditions related to the Title Defect Values (as defined in the PSA) and the Aggregate Environmental Defect Values (as defined in the PSA) are not satisfied and (v) upon the occurrence of certain other events specified in the PSA.

On October 20, 2017, the Buyer paid into escrow an earnest money deposit (the “Deposit Amount”). If the PSA is terminated under certain circumstances involving a breach of the PSA by the Buyer, the Seller will be entitled to receive the Deposit Amount as liquidated damages. Alternatively, if the PSA is terminated under certain circumstances involving a breach of the PSA by the Seller, the Buyer will be entitled, if the Buyer does not seek and successfully enforce specific performance of the PSA, to receive the Deposit Amount and to seek to recover damages for such breach in an amount not to exceed the Deposit Amount. If the closing of the PSA occurs, the Deposit Amount will be applied as a credit toward the purchase price.

The foregoing description of the PSA and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the PSA, which will be filed as an exhibit to the Company’s Annual Report on Form 10-K for the year ending December 31, 2017.
