Press release

Swisscom to enter into negotiations with Vodafone

Swisscom will enter into negotiations with Vodafone to repurchase the 25% stake in Swisscom Mobile. With this move, Swisscom aims to secure financial advantages, optimise the balance-sheet structure and improve its position in terms of implementing the Group s strategy, notably in the area of convergent offerings. The successful strategic partnership with Vodafone would continue on the basis of a commercial agreement.

The Swiss Federal Council decided today that were Swisscom to buy back Vodafone s 25% stake in Swisscom Mobile this would not be taken into account in the net-debt limit for Swisscom set out in the government s strategic goals. In the Federal Council s opinion, such a transaction would not alter the risks of the Swisscom Group. Were the transaction to go ahead, Swisscom s net-debt limit would remain unchanged at 1.5 times EBITDA, thus guaranteeing a high level of strategic flexibility.
