For a more complete understanding of this offering, we encourage you to read this entire prospectus supplement, the accompanying prospectus and the documents to which we refer you. Our Company

Norfolk Southern Corporation is a Norfolk, Virginia based company that controls a major freight railroad, Norfolk Southern Railway Company. Norfolk Southern Railway Company is primarily engaged in the rail transportation of raw materials, intermediate products and finished goods primarily in the Southeast, East and Midwest and, via interchange with other rail carriers, to and from the rest of the United States. Norfolk Southern also transports overseas freight through several Atlantic and Gulf Coast ports. Norfolk Southern provides comprehensive logistics services and offers the most extensive intermodal network in the eastern half of the United States. The common stock of Norfolk Southern is listed on the New York Stock Exchange (NYSE) under the symbol “NSC.”

Norfolk Southern was incorporated on July 23, 1980, under the laws of the Commonwealth of Virginia. On June 1, 1982, Norfolk Southern acquired control of two major operating railroads, Norfolk and Western Railway Company (“NW”) and Southern Railway Company (“Southern”) in accordance with an Agreement of Merger and Reorganization dated as of July 31, 1980, and with the approval of the transaction by the Interstate Commerce Commission (now the Surface Transportation Board). Effective December 31, 1990, Norfolk Southern transferred all the common stock of NW to Southern, and Southern’s name was changed to Norfolk Southern Railway Company (“Norfolk Southern Railway” or “NSR”). Effective September 1, 1998, NW was merged with and into Norfolk Southern Railway. As of June 30, 2010, all the common stock of Norfolk Southern Railway was owned directly by Norfolk Southern.

Through a limited liability company, Norfolk Southern and CSX Corporation (“CSX”) jointly own Conrail Inc., whose primary subsidiary is Consolidated Rail Corporation (“CRC”). Norfolk Southern has a 58% economic and 50% voting interest in the jointly owned entity, and CSX has the remainder of the economic and voting interests. CRC owns and operates certain properties for the joint and exclusive benefit of NSR and CSX Transportation Inc. (see Note 5 to the consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009, incorporated herein by reference).

Our executive offices are located at Three Commercial Place, Norfolk, Virginia 23510-2191, and our telephone number is (757) 629-2600.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges for the periods indicated:

	Year Ended December 31,					Six-Months Ended
	2005	2006	2007	2008	2009	June 30, 2010
Ratio of earnings to fixed charges(a)	3.90	x 4.88	x 5.07	x 6.34	x 4.05	x 4.93x

(a) For purposes of computing the ratios of earnings to fixed charges, earnings represents income from continuing operations before income taxes, plus (a) the sum of (i) total interest expenses and (ii) amortization of capitalized interest, less (b) income of partially owned entities. Fixed charges are calculated as the sum of (i) interest expense on debt, (ii) interest expense on unrecognized tax benefit, (iii) other interest expense, (iv) calculated interest portion of rent expense and (v) capitalized interest.

DESCRIPTION OF THE NOTES

The following description of the Notes we are offering supersedes in its entirety the description of the general terms and provisions of our debt securities set forth in the accompanying prospectus under "Description of Debt Securities."

The Notes will be senior debt issued under a supplement to an indenture, dated as of January 15, 1991, as supplemented by the Second Supplemental Indenture, dated April 26, 1999, the Ninth Supplemental Indenture dated March 11, 2005 and as to be further supplemented as of the settlement date of this offering (the "Indenture") between Norfolk Southern and U.S. Bank Trust National Association, formerly known as First Trust of New York National Association, as successor trustee to Morgan Guaranty Trust Company of New York (the "Trustee").

General

On March 11, 2005, we issued \$300,000,000 principal amount of 6% senior notes due 2105 under the Indenture (the "Prior Notes"). The \$ principal amount of the Notes to be issued in this offering are additional notes under the Indenture, and will be fully fungible with the Prior Notes and be treated together with the Prior Notes as a single series of debt securities under the Indenture. The terms of the Notes, other than their issue date, issue price, first date of interest accrual and first interest payment date, will be identical to the Prior Notes. The Notes offered hereby will have the same CUSIP and ISIN numbers as the Prior Notes and will trade interchangeably with the Prior Notes immediately upon settlement. References to the "Notes" in this section of this prospectus supplement include both the Prior Notes and the Notes offered hereby.

The Notes will bear interest at a rate of 6% per year. Interest will be payable semi-annually on March 15 and September 15 of each year, beginning September 15, 2010. Interest on the Notes will accrue from March 15, 2010, which is the most recent date to which interest has been paid on the Prior Notes. Interest on the Notes will be paid to holders of record on the March 1 or September 1 immediately before the interest payment date. If any interest payment date or a maturity date falls on a day that is not a Business Day, the required payment shall be made on the next Business Day as if it were made on the date such payment was due, and no interest shall accrue on the amount so payable for the period from and after such interest payment date or such maturity date, as the case may be. "Business Day" means any day, other than a Saturday or Sunday, on which banking institutions in the City of New York are open for business. Interest and principal will be payable in U.S. dollars at the Trustee's New York corporate trust office, which is located at 100 Wall Street, Suite 1600, New York, New York 10005. The Notes will mature on March 15, 2105. The Notes will be issued only in denominations of \$1,000 and integral multiples of \$1,000. There will be no sinking fund payments for the Notes.

Ranking

The Notes will be senior unsecured obligations of Norfolk Southern and will rank equally with all of our other senior unsecured indebtedness. As of June 30, 2010, prior to giving effect to the offering of the Notes, we had \$3.2 billion of outstanding senior indebtedness (none of which is secured indebtedness) not including the debt of our subsidiaries. Because we are a holding company, the Notes effectively will rank junior to all liabilities of our subsidiaries. As of June 30, 2010, total liabilities (other than intercompany liabilities) of our railroad subsidiaries were approximately \$11.3 billion and debt of our railroad subsidiaries was approximately \$848 million.

Optional Redemption

The Notes may be redeemed in whole at any time or in part from time to time, at our option, at a redemption price equal to the greater of (1) 100% of their principal amount or (2) the sum of the present

S-10

values of the remaining scheduled payments of principal and interest on the Notes to be redeemed, discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Yield plus 20 basis points for the Notes, plus accrued and unpaid interest on the principal amount being redeemed to the redemption date.

“Treasury Yield” means, with respect to any redemption date, (1) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(519)” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities,” for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the Remaining Life, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue will be determined and the Treasury Yield will be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month) or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield-to-maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price of such redemption date. The Treasury Yield will be calculated on the third Business Day preceding the redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Investment Banker as having a maturity most comparable to the remaining term of the applicable series of Notes, that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of maturity comparable to the remaining term of such Notes.

“Independent Investment Banker” means Merrill Lynch, Pierce, Fenner & Smith Incorporated or, if such firm is unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing in the United States appointed by the Trustee after consultation with us.

“Comparable Treasury Price” means, (1) the average of five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker obtains fewer than five such Reference Treasury Dealer Quotations, the average of all such quotations.

“Reference Treasury Dealer” means Merrill Lynch Government Securities, Inc. and its successors; provided, however, that if the foregoing ceases to be a primary U.S. Government securities dealer in New York, New York (a “Primary Treasury Dealer”) or otherwise fails to provide a Reference Treasury Dealer Quotation, the Company will substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotation” means a quotation for a Comparable Treasury Issue provided by a Reference Treasury Dealer.

Covenants

The Indenture contains the covenants summarized below, which will be applicable (unless waived or amended) so long as any of the Notes is outstanding.

Limitation on Liens on Stock or Indebtedness of Principal Subsidiaries. The Company will not, and will not permit any of its Subsidiaries to, create, assume, incur or suffer to exist any mortgage, pledge, lien, encumbrance, charge or security interest of any kind, other than a Purchase Money Lien, upon any stock or indebtedness, now owned or

hereafter acquired, of any Principal Subsidiary, to secure any Obligation (other than the Notes) of the Company, any Subsidiary or any other person, without in any such case making effective provision whereby all of the outstanding Notes are secured on an equal and ratable

S-11

basis with the obligations so secured. This restriction does not apply to any mortgage, pledge, lien, encumbrance, charge or security interest on any stock or indebtedness of a corporation existing at the time such corporation becomes a Subsidiary. This provision does not restrict any other property of the Company or its Subsidiaries. "Obligation" is defined as indebtedness for money borrowed or indebtedness evidenced by a bond, note, debenture or other evidence of indebtedness. "Purchase Money Lien" is defined as any mortgage, pledge, lien, encumbrance, charge or security interest of any kind upon any stock or indebtedness of any Principal Subsidiary acquired after the date any notes are first issued if such Purchase Money Lien is for the purpose of financing, and does not exceed, the cost to the Company or any Subsidiary of acquiring the indebtedness of such Principal Subsidiary and such financing is effected concurrently with, or within 180 days after, the date of such acquisition. "Principal Subsidiary" is defined as NSR. "Subsidiary" is defined as an entity a majority of the outstanding voting stock of which is owned, directly or indirectly, by the Company or one or more Subsidiaries, but does not include Conrail. The Indenture does not prohibit the sale by the Company or any Subsidiary of any stock or indebtedness of any Subsidiary.

Limitations on Funded Debt. The Indenture provides that the Company will not permit any Restricted Subsidiary to incur, issue, guarantee or create any Funded Debt unless, after giving effect thereto, the sum of the aggregate amount of all outstanding Funded Debt of the Restricted Subsidiaries would not exceed an amount equal to 15% of Consolidated Net Tangible Assets.

The limitation on Funded Debt will not apply to, and there will be excluded from Funded Debt in any computation under such restriction, Funded Debt secured by:

- (1) Liens on real or physical property of any corporation existing at the time such corporation becomes a Subsidiary;
- (2) Liens on real or physical property existing at the time of acquisition thereof incurred within 180 days of the time of acquisition thereof (including, without limitation, acquisition through merger or consolidation) by the Company or any Restricted Subsidiary;
- (3) Liens on real or physical property thereafter acquired (or constructed) by the Company or any Restricted Subsidiary and created prior to, at the time of, or within 270 days after such acquisition (including, without limitation, acquisition through merger or consolidation) (or the completion of such construction or commencement of commercial operation of such property, whichever is later) to secure or provide for the payment of all or any part of the purchase price (or the construction price) thereof;
- (4) Liens in favor of the Company or any Restricted Subsidiary;
- (5) Liens in favor of the United States of America, any State thereof or the District of Columbia, or any agency, department or other instrumentality thereof, to secure partial, progress, advance or other payments pursuant to any contract or provisions of any statute;
- (6) Liens incurred or assumed in connection with the issuance of revenue bonds the interest on which is exempt from federal income taxation pursuant to Section 103(b) of the Internal Revenue Code of 1954, as amended;
- (7) Liens securing the performance of any contract or undertaking not directly or indirectly in connection with the borrowing of money, the obtaining of advances or credit or the securing of Funded Debt if made and continuing in the ordinary course of business;
- (8) Liens incurred (no matter when created) in connection with the Company's or a Restricted Subsidiary's engaging in a leveraged or single-investor lease transaction; provided, however, that the instrument creating or

evidencing any borrowings secured by such Lien will provide that such borrowings are payable solely out of the income and proceeds of the property subject to such Lien and are not a general obligation of the Company or such Restricted Subsidiary;

S-12

(9) Liens under workers' compensation laws, unemployment insurance laws or similar legislation, or good faith deposits in connection with bids, tenders, contracts or deposits to secure public or statutory obligations of the Company or any Restricted Subsidiary, or deposits of cash or obligations of the United States of America to secure surety, repletion and appeal bonds to which the Company or any Restricted Subsidiary is a party or in lieu of such bonds, or pledges or deposits for similar purposes in the ordinary course of business, or Liens imposed by law, such as laborers' or other employees', carriers', warehousemen's, mechanics', materialmen's and vendors' Liens and Liens arising out of judgments or awards against the Company or any Restricted Subsidiary with respect to which the Company or such Restricted Subsidiary at the time shall be prosecuting an appeal or proceedings for review and with respect to which it shall have secured a stay of execution pending such appeal or proceedings for review, or Liens for taxes not yet subject to penalties for nonpayment or the amount or validity of which is being in good faith contested by appropriate proceedings by the Company or any Restricted Subsidiary, as the case may be, or minor survey exceptions, minor encumbrances, easement or reservations of, or rights of others for, rights of way, sewers, electric lines, telegraph and telephone lines and other similar purposes, or zoning or other restrictions or Liens on the use of real properties, which Liens, exceptions, encumbrances, easements, reservations, rights and restrictions do not, in the opinion of the Company, in the aggregate materially detract from the value of said properties or materially impair their use in the operation of the business of the Company and its Restricted Subsidiaries;

(10) Liens incurred to finance construction, alteration or repair of any real or physical property and improvements thereto prior to or within 270 days after completion of such construction, alteration or repair;

(11) Liens incurred (no matter when created) in connection with a Securitization Transaction;

(12) Liens on property (or any Receivable arising in connection with the lease thereof) acquired by the Company or a Restricted Subsidiary through repossession, foreclosure or liens proceeding and existing at the time of the repossession, foreclosure, or like proceeding;

(13) Liens on deposits of the Company or a Restricted Subsidiary with banks (in the aggregate, not exceeding \$50 million), in accordance with customary banking practice, in connection with the providing by the Company or a Restricted Subsidiary of financial accommodations to any Person in the ordinary course of business; or

(14) any extension, renewal, refunding or replacement of the foregoing.
