Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Westinghouse Solar (the “Company”), announced that on July 13, 2011, the Company received written notification (the “Determination Letter”) from the Listing Qualifications Department of The NASDAQ Stock Market LLC stating that the Company’s common stock is subject to delisting from The NASDAQ Capital Market, pending the Company’s opportunity to request a hearing before a NASDAQ Listing Qualifications Panel (the “Panel”).

As previously disclosed, on May 6, 2011, the Company received a letter (the “Letter”) from the NASDAQ Stock Market notifying the Company that it did not meet the requirement to maintain a minimum of \$2,500,000 in stockholders’ equity set forth in NASDAQ Listing Rule 5550(b)(1) (the “Listing Rule”). The Letter also noted that the Company did not meet the other compliance alternatives under the Listing Rule of a market value of listed securities of \$35 million, or \$500,000 of net income from continuing operations in the most recently completed fiscal year or in two of the last three most recently completed fiscal years. On June 20, 2011, pursuant to the Letter, the Company submitted a plan to regain compliance to NASDAQ. On July 13, 2011, the Company received the Determination Letter from NASDAQ informing the Company of the determination by the Staff that the plan submitted by the Company did not provide a definitive plan evidencing its ability to achieve near term compliance with the continued listing requirements or sustain such compliance over an extended period of time, and that its common stock is therefore subject to delisting from The NASDAQ Capital Market.

The Company intends to request a hearing before the Panel to review the Staff Determination, which will stay any action with respect to the Staff Determination and allow the continued listing of the Company’s common stock on The NASDAQ Capital Market until the Panel renders a decision subsequent to the hearing. At the hearing, the Company intends to present a plan to regain compliance and to request that the Panel allow the Company additional time within which to regain compliance. If the Panel or the Staff of NASDAQ accepts our plan, NASDAQ can grant us a period of up to 180 calendar days from the date of the May 6, 2011 Letter for us to regain compliance with the Listing Rule. There can be no assurance that the Panel will grant the Company’s request for continued listing on The NASDAQ Capital Market.
