See item 9 on Page 2

See item 9 on Page 3

- (b) Percent of class:

See item 11 on Page 2

See item 11 on Page 3

² Ownership is calculated on the basis of the currently exercisable portion of a warrant issued by the Issuer to TCW Energy Funds X Holdings, L.P. (Holdings). ING Life Insurance and Annuity Company (ILIAC) holds a 6.81556% equity interest in Holdings.

TCW Asset Management Company (TAMCO) serves as discretionary investment manager to ILIAC with regard to its investment in Holdings pursuant to an Amended and Restated Investment Management and Custody Agreement dated as of December 3, 2004 among ILIAC, TAMCO and Trust Company of the West. If the warrant were exercised, ILIAC and TAMCO would have shared power to vote (or direct the vote) and dispose of (or direct the disposition of) common units of Rio Vista.

The warrant provides that Holdings may, until a demand loan (Demand Loan) advanced by an affiliate of Holdings is repaid in full, purchase common units in the Issuer in an amount determined by dividing the outstanding principal amount then owed on the Demand Loan by an exercise price equal to the lower of (A) \$13.33 per common unit, and (B) 90% multiplied by the average of the closing prices for a common unit for the 20 trading days immediately preceding the date of Holdings election to exercise. In addition, as of November 19, 2008, Holdings has the right to convert debt owed by the Issuer under a senior credit facility (Credit Facility), net of the Demand Loan, but including accrued interest and expenses on the remaining principal amount, into additional common units of the Issuer at a price equal to 90% of the 20-day average trading price of such units preceding the election to convert. As of November 30, 2008, Holdings had the right to convert \$2.25 million under the terms of the Demand Loan and \$23.26 million under the terms of the Credit Facility. Holdings did not elect to convert any portion of either the Demand Loan or the Credit Facility at that time. Assuming that Holdings had made an election to convert all of the outstanding amounts under the Credit Facility and the Demand Note, as of December 31, 2008, Holdings would have been entitled to receive 33,502,660 common units, equaling 92.38% of the total, as calculated in accordance with the rules under Section 13(d). Assuming that Holdings had made an election to convert all of the outstanding amounts under the

Credit Facility and the Demand Note as of December 31, 2008, ILIAC's indirect interest in the warrant would have entitled it to receive an indirect interest in 2,283,394 common units, equaling 6.30% of the total, as calculated in accordance with the rules under Section 13(d).
