PROXY STATEMENT FOR  
ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD MAY 17, 2016

INTRODUCTION

The board of directors (the “Board”) of TriState Capital Holdings, Inc. (“TriState Capital” or the “Company”) is soliciting proxies so that you can vote at its Annual Meeting of Shareholders and any adjournments of that meeting (the “Annual Meeting”) which will be held as set forth in the accompanying Notice of Meeting. Even if you currently plan to attend the meeting, we urge you to vote by proxy before the meeting to ensure that your vote will be counted.

MEETING INFORMATION

Voting Procedures and Revocation

If you are a Record Holder. There are three ways you can vote by proxy:

You may vote over the Internet by going to <https://www.cesvote.com> and entering your control number that appears in the Proxy Materials you receive by mail.

You may vote by telephone by calling 1-888-693-8683 and following the recorded instructions. If you vote by telephone, you will also need your control number.

You may vote by filling out the proxy card accompanying the copy of this Proxy Statement you receive by mail and sending it back in the envelope provided.

The deadline for record holders to vote by telephone or over the Internet is 3:00 a.m., Eastern Time on May 17, 2016.

If you are a record holder you can revoke your proxy at any time before the vote is taken at the Annual Meeting by submitting to the Company’s Corporate Secretary written notice of revocation, which you can do at the meeting if you attend it after submitting a proxy, or by timely submitting a properly executed proxy of a later date. Written notices of revocation and other communications about revoking proxies should be addressed to TriState Capital Holdings, Inc., One Oxford Centre, Suite 2700, 301 Grant Street, Pittsburgh, PA 15219, ATTN: Corporate Secretary.

All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with the instructions received. If you sign and return your proxy card without giving specific voting instructions, your proxy will be voted in accordance with the Board’s recommendations below. Except for procedural matters incident to the conduct of the Annual Meeting, TriState Capital does not know of any matters other than those described in the Notice of Annual Meeting of Shareholders that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by the proxies in their discretion on such matters as recommended by a majority of the Board.

If Your Shares Are Held in Brokerage Accounts or Street Name. Your broker or nominee is the record holder of your shares and you are considered the “beneficial owner” of the shares. As the beneficial owner you have the right to direct your record holder as to how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. As a result, you received these Proxy Materials from your broker or nominee together with instructions as to how to direct the broker or nominee to vote your shares.

It is important for you to give your broker instructions as to how to vote your shares. Pursuant to the rules of the NASDAQ, brokers or other nominees may not exercise discretionary voting power on non-routine matters. Brokers and other nominees who are NASDAQ members have discretionary voting power only with respect to routine matters, such as the ratification of the selection of KPMG LLP as our independent registered public accounting firm. As a result, your broker or nominee will not be able to vote them and a broker non-vote will be deemed to have occurred as to your shares regarding the election of directors (but not regarding the ratification of KPMG LLP) unless you return your voting instruction form or submit your voting instructions by telephone or over the Internet in accordance with the instructions you received from your broker or nominee with this Proxy Statement.

We urge all shareholders having stock in street name to give instructions to their broker or nominee so that their votes are counted.

Table of Contents

If your shares are held in street name and after you give voting instructions to your broker or nominee you wish to revoke those instructions you will need to follow the instructions of your broker or nominee regarding the revocation of your instructions.

Recommendations of Board

For the reasons set forth in more detail later in this Proxy Statement, the Board recommends you vote:

FOR the election of Anthony J. Buzzelli, Helen Hanna Casey and James E. Minnick as Class IV members of the Board; and

FOR ratification of KPMG LLP as our independent registered public accounting firm.

Record Date; Quorum; Required Vote

The securities that can be voted at the Annual Meeting consist of all issued and outstanding shares of the common stock, without any par value per share, of TriState Capital (the “common stock”) with each share entitling its owner to one (1) vote on all matters. Only holders of record of common stock at the close of business on April 1, 2016, (the “Record Date”) will be entitled to notice of and to vote at the Annual Meeting. There were 136 record holders of common stock and 28,300,798 shares of common stock issued and outstanding as of the Record Date.

A quorum is required for the transaction of business at the Annual Meeting. A quorum is the presence at the meeting, in person or by proxy, of shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast on a particular matter to be acted upon at the meeting. Abstentions and broker non-votes are counted for purposes of determining presence or absence of a quorum, but are not considered a vote cast under the Pennsylvania Business Corporation Law of 1988, as amended.

The vote required for the two proposals identified in the Notice of Meeting is as follows:

1. Election of three Class IV directors - the duly nominated candidates receiving the highest number of votes will be elected; and
2. The ratification of KPMG LLP as independent registered public accounting firm - a majority of the votes cast by all holders of our common stock at the meeting.

In all cases, abstentions and broker-non-votes will have no effect on the vote or in determining whether the required number of votes has been received.

Solicitation of Proxies

The cost of soliciting proxies in the form enclosed herewith will be borne by TriState Capital. In addition to the solicitation of proxies by mail, Internet, and telephone, TriState Capital, through its directors, officers and regular employees, may also solicit proxies personally or by telephone. TriState Capital also may request persons, firms and corporations holding shares of common stock in their names or in the name of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from the beneficial owners, and TriState Capital will reimburse the holders for their reasonable expenses in so doing.

Corporate Governance Principles and Board Matters

We are committed to having sound corporate governance principles, which are essential to running our business efficiently and maintaining our integrity in the marketplace. Our board of directors has adopted Corporate Governance Guidelines that set forth the framework within which our board of directors, assisted by its committees, directs the

affairs of our organization. The Corporate Governance Guidelines address, among other things, the composition and functions of our board of directors, director independence, compensation of directors, management succession and review, board committees and selection of new directors. In addition, our board of directors has adopted Codes of Business Conduct and Ethics that apply to all of our directors, officers and employees, including our Chief Executive Officer and Chief Financial Officer. Our Corporate Governance Guidelines, as well our Codes of Business Conduct and Ethics, are available on our investor relations website at <http://investors.tristatecapitalbank.com>. We expect that any amendments to our Codes of Business Conduct and Ethics, or any waivers of their requirements, will be disclosed on our investor relations website, as well as any other means required by NASDAQ rules.

Director qualifications. We believe that our directors should have the highest professional and personal ethics and values, consistent with our longstanding values and standards. They should have broad experience at the policy-making level in business, government or banking. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on boards of other companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. When considering potential director candidates, our board of directors also considers the candidate's character, judgment, diversity, age, skills, including financial literacy, and experience in the context of our needs and those of the board of directors.

## Table of Contents

We have no formal policy regarding the diversity of our board of directors. Our Nominating and Corporate Governance Committee and board of directors may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include personal characteristics. Our Nominating and Corporate Governance Committee's and our board's priority in selecting board members is identification of persons each of whom will further the interests of our shareholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members and professional and personal experiences and expertise relevant to our growth strategy. Our Nominating and Corporate Governance Committee implements this goal as part of its nomination process and assesses its implementation during both the nomination process and as part of the committee's self-assessment process.

Director independence. Under the rules of NASDAQ, independent directors must comprise a majority of our board of directors. The rules of NASDAQ, as well as those of the SEC, also impose several other requirements with respect to the independence of our directors. Our board of directors has evaluated the independence of its members based upon the rules of NASDAQ and the SEC, including as applicable those regarding members of particular committees of our board on which they serve. Applying these standards, our board of directors has affirmatively determined that each of our current directors is an independent director, with the exception of James F. Getz, our Chairman, Chief Executive Officer and President; A. William Schenck III, our Vice Chairman; and Mark L. Sullivan, our Vice Chairman and Chief Financial Officer, and that Anthony J. Buzzelli, who serves as a director and chairperson of our Audit Committee, is an independent director. Messrs. Getz, Schenck and Sullivan are also employees of TriState Capital Bank and Mr. Getz is also an officer of Chartwell Investment Partners, Inc. and Chartwell TSC Securities Corp. For additional information, see "Certain Relationships and Related Party Transactions."

Leadership structure. Our board of directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the board of directors because our board of directors believes that it is in the best interests of our organization to make that determination from time to time based on the position and direction of our organization and the membership of our board of directors. Our board of directors has determined that having our Chief Executive Officer serve as Chairman of the board of directors is in the best interests of our shareholders at this time. This structure makes best use of the Chief Executive Officer's extensive knowledge of our organization and the banking and investment management industries. Our board of directors views this arrangement as also providing an efficient nexus between our organization and the board of directors, enabling our board of directors to obtain information pertaining to operational matters expeditiously and enabling our Chairman to bring areas of concern before our board of directors in a timely manner. Because the positions of President, Chief Executive Officer and Chairman are held by the same person, our board of directors has established a Lead Independent Director position for which one of our directors is elected by the non-employee directors biennially. The Lead Independent Director coordinates the activities of the other non-employee directors. The Lead Independent Director's responsibilities include presiding at executive sessions of the Board, and other responsibilities that may be assigned by the non-employee directors.

Compensation committee interlocks and insider participation. None of our independent directors, including those who are members of our Compensation Committee, is an officer or employee of TriState Capital or its subsidiaries. In addition, none of our executive officers serves or has served as a member of the board of directors, Compensation Committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

## Board Committees

These committees consist of the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Risk Committee. Audit Committee. The Audit Committee assists our board of directors in fulfilling its responsibilities for general oversight of the integrity of our financial statements, compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of our internal audit function and that of our independent auditors. Report of the Audit Committee

The Audit Committee has reviewed and discussed with the Company's management and the Company's independent registered public accounting firm the audited financial statements of the Company contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2015.

In addition, the Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered certified public accountant communications with the Audit Committee concerning independence, and discussed with the independent registered public accounting firm its independence from the Company and its management. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management.

The Audit Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

Additional Information

From time to time, certain of our directors and officers are involved in legal proceedings (as defined in Item 401 of Regulation S-K) in capacities not associated with their roles as officers and directors of TriState Capital. One such matter involves James J. Dolan, one of our directors. In addition to his other business ventures, Mr. Dolan has invested in real estate and other ventures. In October 2011, entities associated with a real estate project for which Mr. Dolan served as a statutory manager filed a petition for voluntary liquidation under Chapter 7 of the U.S. Bankruptcy Code and the project has been sold as a result. We do not believe the matter has a material effect on us or on Mr. Dolan's ability to serve as director or as a member of any of our committees.

Shareholder Communications with Directors

Shareholders who desire to communicate with the Board or a specific director should send any communication, in writing, to TriState Capital Holdings, Inc., One Oxford Centre, Suite 2700, 301 Grant Street, Pittsburgh, PA 15219, ATTN: Corporate Secretary. Any such communication should state the number of shares beneficially owned by the shareholder. TriState Capital's Secretary will initially review all communications received. The Secretary will relay all such communications to the appropriate director or directors on a periodic basis unless the Secretary determines that the communication: does not relate to the business or affairs of TriState Capital or the functioning or constitution of the Board or any of its committees; relates to routine or insignificant matters that do not warrant the attention of the Board; is an advertisement or other commercial solicitation or communication; is frivolous or offensive; or is otherwise not appropriate for delivery to directors. The director or directors who receive any such communication will have discretion to determine whether the subject matter of the communication should be brought to the attention of the full Board or one or more of its committees and whether any response to the person sending the communication is appropriate. Any such response will be made through TriState Capital's management and only in accordance with TriState Capital's policies and procedures, as well as applicable laws and regulations relating to the disclosure of information.

## BENEFICIAL OWNERSHIP

The following table provides information regarding the beneficial ownership of our voting stock as of March 17, 2016, for:

- each person known to us to be the beneficial owner of more than five percent of our common stock;
- each of our directors and named executive officers; and
- all directors and executive officers, as a group.

We have determined beneficial ownership in accordance with the rules of the SEC, based and in reliance on information filed with the SEC, in our files or furnished to us, including for any non-insider, filings made under Section 13 of the Securities Exchange Act of 1934. Except as indicated by the footnotes below, we believe, based on that information, that the persons and entities named in the tables below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws. Directors and executive officers share ownership in the table may include unvested shares of Restricted Stock granted under the Company's 2014 Omnibus Incentive Plan that are subject to forfeiture and transfer restrictions until they vest. Unless otherwise noted, the address for each shareholder listed on the table below is: c/o TriState Capital Holdings, Inc., One Oxford Centre, Suite 2700, 301 Grant Street, Pittsburgh, Pennsylvania 15219.

The table below calculates the percentage of beneficial ownership of our common stock based on 28,300,798 shares of common stock outstanding as of March 17, 2016, except as follows. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed outstanding shares of common stock subject to options or other convertible or exercisable securities held by that person that are currently exercisable or convertible or exercisable or convertible within sixty days of March 17, 2016; however, we did not deem these shares outstanding for the purpose of computing the percentage ownership of any other person.

## SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of a registered class of its equity securities, to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are also required to furnish TriState Capital with copies of all such reports they file. Based solely upon a review of the reports filed pursuant to Section 16 of the Exchange Act and written representations of our executive officers and directors, TriState Capital believes that its directors, executive officers and greater than 10% beneficial owners timely filed all reports required under Section 16, except that, due to an administrative oversight, Mr. Bonvenuto, Buzzelli, Dewhurst, Dolan, Minnick, Seidel, Yasinsky and Zappala and Ms. Casey each inadvertently made a filing with respect to a grant of restricted stock made to them one day late, Mr. Dolan reported a June 2015 gift transaction in a Form 4 that was timely filed in March 2016 regarding a sale of stock and Mr. Getz inadvertently made one late filing with respect to a stock and an option grant made to him during 2015.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in the “Executive Compensation” section to follow, below is a description of each transaction since January 1, 2015, and each proposed transaction in which:

• we have been or are to be a participant;  
• the amount involved exceeds or will exceed \$120,000; and  
• any of our directors, executive officers or beneficial holders of more than 5% of our capital stock, or any immediate family member of or person sharing the household with any of these individuals (other than tenants or employees), had or will have a direct or indirect material interest.

### Ordinary Banking Relationships

Certain of our officers, directors and principal shareholders, as well as their immediate family members and affiliates, are customers of, or have participated in transactions with, TriState Capital Bank or us in the ordinary course of business. These transactions include deposits, loans and other financial services related transactions. Such related party transactions are made in the ordinary course of

business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. As of the record date, April 1, 2016, no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans. We expect to continue to enter into transactions in the ordinary course of business on similar terms with our officers, directors and principal shareholders, as well as their immediate family members and affiliates.

For additional information on related party transactions, please refer to Note 20 “Related Party Transactions” in the Company’s Annual Report on Form 10-K

### Policies and Procedures Regarding Related Party Transactions

Transactions by TriState Capital or our affiliates with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by TriState Capital Bank with its affiliates) and the Federal Reserve’s Regulation O (which governs certain loans by TriState Capital Bank to its executive officers, directors, and principal shareholders). We and our wholly owned subsidiary, TriState Capital Bank, have adopted policies designed to ensure compliance with these regulatory requirements and restrictions.

In addition, our board of directors adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and NASDAQ concerning related party transactions. Related party transactions are transactions in which we are a participant, the amount involved exceeds \$120,000 and a related party has or will have a direct or indirect material interest. Related parties of TriState Capital Holdings, Inc. include directors (including nominees for election as directors), executive officers, beneficial holders of more than 5% of our capital stock and the immediate family members of these persons. Our Chief Risk Officer, in consultation with management and outside counsel, as appropriate, reviews potential related party transactions to determine if they are subject to the policy and, if they are, whether to approve or disapprove them, subject to review by the Nominating and Corporate Governance Committee, or to refer them to that committee without an approval or disapproval. In determining whether to approve or ratify the Chief Risk Officer’s approval of a related party transaction, the Nominating and Corporate Governance Committee considers, among other factors, the fairness of the proposed transaction, the direct or indirect nature of the related party’s interest in the transaction, the appearance of an improper conflict of interest for any director or executive officer taking into account the size of the transaction and the financial position of the related party, whether the transaction would impair an outside director’s independence, the acceptability of the transaction to our regulators and the potential violations of other corporate policies. Our Related Party Transactions Policy is available on our investor relations website at <http://investors.tristatecapitalbank.com>.

## 401(k) Retirement Plan

We maintain a defined contribution 401(k) retirement savings plan for our employees. Our 401(k) plan is intended to qualify as a tax-qualified plan under Section 401 of the Internal Revenue Code so that contributions to our 401(k) plan and income earned on those contributions are not taxable to participants until withdrawn or distributed from the 401(k) plan. Our 401(k) plan provides that each participant may contribute up to 84% of his or her pre-tax compensation, up to a statutory limit of \$17,500 for 2014 and \$18,000 for 2015. Participants who are at least 50 years old are also entitled to make “catch-up” contributions, which may be up to an additional \$5,500 above the statutory limit

in 2014 and an additional \$6,000 in 2015.

Beginning in 2011, we automatically contributed three percent of our employee's semi-monthly base salary to the employee's 401(k) plan on a per pay basis, subject to IRS limitations. Full-time employees and certain part-time employees are eligible to participate upon the first month following their first day of employment or having attained age 21, whichever is later. Substantially all of our employees received an automatic contribution of three percent of their base salary in 2015. Under our 401(k) plan, each employee is fully vested in his or her deferred salary contributions. Employer contributions vest as per our 401(k) plan document. Employee and employer contributions are held and invested by the plan's trustee.

#### Compensation of Directors

We pay our non-employee directors based on the directors' participation in board of directors and committee meetings held throughout the year at TriState Capital and TriState Capital Bank. Messrs. Getz, Schenck and Sullivan are employees of TriState Capital Bank and as such, do not receive any direct remuneration for serving as directors of TriState Capital or TriState Capital Bank. During 2015, non-employee directors each received an annual retainer of \$30,000. In addition directors received \$1,500 per in-person board or committee meeting attended and \$1,000 per telephonic board or committee meeting attended. The chairperson of our Audit Committee receives an

annual fee of \$12,000, the chairperson of our Risk Committee receives an annual fee of \$10,000, the chairperson of each of the Compensation Committee and the Nominating and Corporate Governance Committee receive an annual fee of \$7,000, and the chairperson of the Director Loan Review Sub-Committee of the Bank receives an annual fee of \$8,000 as compensation for their services as chairpersons of such committees.

We have also granted restricted stock awards to our directors as compensation for their services. In 2015, each of our non-employee directors received restricted stock awards of 3,000 shares of our outstanding common stock with a grant date fair value of \$12.68 per share. It is contemplated that non-employee directors will receive similar grants of restricted stock for their service as members of our board of directors in future years.

The following table sets forth compensation paid, earned or awarded during 2015 to each of our directors other than Messrs. Getz, Schenck and Sullivan, whose compensation is described in the “Summary Compensation Table” above.
