5.02(e):

On January 19, 2012, the Compensation Committee of the Board of Directors of Orion Marine Group, Inc. (the "Company") awarded J. Michael Pearson, the Company's President and Chief Executive Officer a grant of 248,000 options supplemental to his equity award of 166,667 restricted shares August 2011.

This option award was based on the value of the Company's stock on the date of grant and vest over a 5 year period, with 1/5 vesting upon the first anniversary of the grant date, and 1/60 per month thereafter, such that all awards are fully vested on the fifth anniversary of the grant date. The exercise price of options granted is \$6.52 per share. The fair value of the options, as calculated under the Black-Scholes method, on the date of grant was \$4.05, or \$1,004,400.

The option portion of Mr. Pearson's equity award in August 2011 was delayed pending further review by the Compensation Committee in light of the new say on pay rules. The Compensation Committee believes this grant continues its philosophy as an incentive for executive management to take a longer-term view of the performance of the Company, and further align management with shareholder interests. In this regard, it remains the intent of the Compensation Committee to forgo granting equity awards of the Company's stock to its executive officers in fiscal years 2012 and 2013.
