Item 1.01. Entry into a Material Definitive Agreement.

Effective as of April 1, 2013, Hecla Mining Company (“Hecla”), together with our wholly owned subsidiaries, Hecla Alaska LLC, Hecla Greens Creek Mining Company, and Hecla Juneau Mining Company, entered into a Ninth Amendment to Second Amended and Restated Credit Agreement (the “Ninth Amendment”) with The Bank of Nova Scotia and ING Capital LLC (the “Lenders”). The Ninth Amendment amends certain provisions of the Second Amended and Restated Credit Agreement, dated as of October 14, 2009, as amended.

The Ninth Amendment rescinds the provisions of the Eighth Amendment to Second Amended and Restated Credit Agreement, dated as of March 1, 2013, including the requirements that (1) we begin to effectuate the additional security requirements on all of our assets, including the hedging requirements and (2) we will not borrow under the Credit Agreement until the Commitment Letter with the Lenders, dated as of March 1, 2013, is terminated.

The Ninth Amendment includes a requirement that we maintain at least \$100 million of cash on hand until the Commitment Letter is terminated and that we grant to the Lenders a security interest in all of our interests in the Greens Creek mine, including all of the rights and interests in the joint venture agreement relating to the Greens Creek mine (all of which rights and interests are held by certain of our subsidiaries).

The Ninth Amendment (1) reduces the commitment amount under the credit agreement to \$100,000,000, (2) requires the addition of or reclassification of certain of our subsidiaries as material subsidiaries thereunder, and (3) increases our ability to incur capital leases to up to \$50 million.

In addition, the Ninth Amendment amends certain financial covenants in the credit agreement to include the following:

- Senior Leverage ratio (calculated as debt secured by liens divided by EBITDA) of not more than 2.50:1.00.
- Leverage ratio (calculated as total debt divided by EBITDA) of not more than 4.50:1.00 at all times prior to March 31, 2014 and not more than 4.00:1.00 at all times from and after March 31, 2014.
- Interest coverage ratio (calculated as EBITDA divided by interest expense) of not less than 3.00:1.00.
- Tangible net worth of greater than 80% of the Tangible Net Worth at completion of the Aurizon Acquisition plus 50% of positive quarterly Net Income thereafter.

A copy of the Ninth Amendment to the Second Amended and Restated Credit Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

The Ninth Amendment has been included to provide you with information regarding its terms. It is not intended to provide any other factual information about us.
