**Item 1.01 Entry into a Material Definitive Agreement**

The information provided in Item 3.02 is hereby incorporated by reference.

**Item 3.02 Unregistered Sales of Equity Securities.**

On July 23, 2013, BIO-Key International, Inc. (the “Company,” “we” or “us”), pursuant to a Securities Purchase Agreement (the “SPA”), issued to certain private investors 3,500,006 units consisting of 3,500,006 shares of our common stock and warrants to purchase an additional 3,500,006 shares of our common stock for an aggregate purchase price of \$1,050,000. Each unit had a purchase price of \$0.30 and consisted of one share of common stock and one warrant.

The warrants are immediately exercisable at an exercise price of \$0.40 per share at any time prior to July 22, 2018. The exercise price and the number of shares issuable upon exercise of the warrants are subject to adjustment upon the occurrence of certain events, including stock dividends, stock splits, combinations, and reclassifications of our capital stock, and the warrants immediately terminate upon the sale of all or substantially all of our assets or the acquisition of more than 50% of our voting securities by any person in one or a series of related transactions. The warrants do not confer upon the holders thereof any voting, dividend or other rights as stockholders of our company.

Investors in the July 2013 private offering have anti-dilution rights which require us to issue additional shares of common stock to such investors if, within the six (6) month period after July 23, 2013, we issue additional shares of common stock (other than to employees, officers, directors or consultants or pursuant to stock dividends) at a purchase price less than \$0.30 per share. The number of additional shares issuable is determined pursuant to a formula based on the number of shares issued at such lower price and the total number of shares outstanding at the time of such issuance calculated on a fully-diluted basis.

The securities were issued in a private placement transaction solely to a limited number of accredited investors pursuant to the exemption from registration provided by Section 4(2) of the Securities Act and/or Rule 506 of Regulation D thereunder, without engaging in any advertising or general solicitation of any kind and without payment of underwriting discounts or commissions to any person.

The descriptions of the SPA and the warrants set forth above are qualified in their entirety by reference to a copy of the SPA and the Form of Warrant filed previously with the Securities and Exchange Commission, which are referenced in Item 9.01 to this report.
