Item 1.01 Entry into a Material Definitive Agreement

On October 4, 2016, Del Toro Silver Corp. (the “Company”) entered into a Purchase Option Agreement with Lazarus Mining LLC (the “Vendor”), pursuant to which the Company purchased an option to acquire 100% of all right, title and interest in and to six (6) unpatented U.S. Bureau of Land Management mining claims, known as the Mt. Vernon Mine, located in Sierra Country, California. The Vendor is Nevada Limited Liability Corporation that is wholly owned and controlled by Patrick Fagen, the President, Chief Executive Officer, Secretary, Treasurer, Vice President, Chief Financial Officer, and Director of the Company.

Pursuant to the agreement, in consideration for a non-refundable deposit of \$100 paid to the Vendor, the Company has acquired the exclusive right until January 31, 2017 to perform due diligence on the Mt. Vernon Mine and to purchase the 100% of the interest of the Vendor in the property, subject to a perpetual 2% net smelter returns royalty payable to the Vendor in respect of all gold production from the property.

The purchase price for the property will consist of \$500,000, payable on or before January 31, 2017, and the issuance by February 15, 2017 of non-transferable stock options to purchase up to 2,000,000 common shares of the Company, exercisable for two years after issuance at a price of \$0.05 per share.

The Company may extend the exclusivity period for up to three (3) additional thirty (30) consecutive day periods by paying an additional \$1,000 non-refundable deposit for each such additional 30-day period. Payment for the extension term periods must be made prior to the end of the then current 30-day period and will be credited toward the total purchase price at closing.

If the Company completes the purchase of the property, it is required to purchase, for \$5,000, all membership interest in River Resources LLC, which is the single purpose entity that holds the current plan of operations for the mine.
