All directors, officers and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports filed. Based solely on our review of the copies of Forms 3, 4 and any amendments thereto furnished to us during the fiscal year completed December 31, 2017, we believe that during the Company's 2017 fiscal year all of our named executive officers, directors, and greater than ten percent stockholders filed the required reports on a timely basis under Section 16(a) of the Exchange Act with the sole exception of the initial statement of beneficial ownership of securities on Form 3 filed by Mr. Bradford in connection with his appointment as our Chief Accounting Officer. Narrative Disclosure to Summary Compensation Table

Compensation Committee. The Board of Directors established the Compensation Committee in November, 2017. The Board of Directors appointed Messrs. Herlin, Jolly, and Haymons to the Compensation Committee, each of whom the Board of Directors has determined is independent pursuant to the independence tests under the NYSE American Company Guide. The Compensation Committee is charged with reviewing and approving the terms and structure of the compensation of the Company's executive officers.

The Company considers various factors when evaluating and determining the compensation terms and structure of its executive officers, including the following:

1. The executive's leadership and operational performance and potential to enhance long-term value to the Company's stockholders;
2. The Company's financial resources, results of operations, and financial projections;
3. Performance compared to the financial, operational, and strategic goals established for the Company;
4. The nature, scope, and level of the executive's responsibilities;
5. Competitive market compensation paid by other companies for similar positions, experience, and performance levels; and
6. The executive's current salary, the appropriate balance between incentives for long-term and short-term performance.

Company management is responsible for reviewing the base salary, annual bonus and long-term compensation levels for other Company employees, and the Company expects this practice to continue going forward. The entire Board of Directors remains responsible for significant changes to, or adoption, of new employee benefit plans.

The Company believes that the compensation environment for qualified professionals in the industry in which we operate is highly competitive. In order to compete in this environment, the compensation of our executive officers is primarily comprised of the following four components:

Base salary;

Discretionary cash bonuses;

Stock option awards and/or equity-based compensation; and

Other employment benefits.

Base Salary. Base salary, paid in cash, is the first element of compensation to our officers. In determining base salaries for our key executive officers, the Company aims to set base salaries at a level we believe enables us to hire and retain individuals in a competitive environment and to reward individual performance and contribution to our overall business goals. The Board of Directors believes that base salary should be relatively stable over time, providing the executive a dependable, minimum level of compensation, which is approximately equivalent to compensation that may be paid by competitors for persons of similar abilities. The Board of Directors believes that base salaries for our executive officers are appropriate for persons serving as executive officers of public companies similar in size and complexity similar to the Company.

The Company's named executive officers (being Messrs. Dickinson and Bradford) receive base salaries in accordance with the terms of their respective employment agreements (which are described below).

Discretionary Annual Bonus. Discretionary cash bonuses are another prong of our compensation plan. The Board of Directors believes that it is appropriate that executive officers and other employees have the potential to receive a portion of their annual cash compensation as a cash bonus to encourage performance to achieve key corporate objectives and to be competitive from a total remuneration standpoint.

We have no set formula for determining or awarding discretionary cash bonuses to our other executives or employees. In determining whether to award bonuses and the amount of any bonuses, we have taken and expect to continue to take into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package, as well as the Company's overall performance including cash flow and other operational factors.

The employment agreements we have entered into with certain of our executive officers provide that each is eligible to receive a discretionary cash bonus. Such bonuses are to be considered and determined by the Board of Directors, and

paid during the ninety-day period beginning February 1 of the year following that year for which the bonus was earned.

Equity based compensation. Each of the Company's executive officers is eligible to be granted awards under the Company's equity compensation plans. The Company believes that equity-based compensation helps align management and executives' interests with the interests of our stockholders. Our equity incentives are also intended to reward the attainment of long-term corporate objectives by our executives. We also believe that grants of equity-based compensation are necessary to enable us to be competitive from a total remuneration standpoint. At the present time, we have one active equity incentive plan for our management and employees, the 2016 Stock Incentive Plan, and one dormant equity incentive plan for our management and employees, the 2010 Stock Incentive Plan, pursuant to which there are still outstanding awards.

We have no set formula for granting awards to our executives or employees. In determining whether to grant awards and the amount of any awards, we take into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package.

The Company has granted stock options to each of its executive officers as described above in the table entitled "Security Ownership of Management, Directors, and Certain Beneficial Owners" and below in the table entitled "Stock Options, Stock Awards, and Equity Incentive Plans."

Forfeiture and Grant of Stock Options. The Board of Directors granted stock options to Messrs. Dickinson, Peitz, and Bradford for fiscal year 2017 under the 2016 Stock Incentive Plan. On June 2, 2017 the Board approved granting Mr. Dickinson 1,200,000 options and Mr. Peitz 500,000 options to acquire shares under the the 2016 Plan. On June 23, 2017, the Board granted Mr. Bradford 50,000 options to acquire shares under the 2016 Plan.

As discussed below, Mr. Franciscus was granted 800,000 options to acquire shares under the 2016 Plan, however, Mr. Franciscus forfeited 533,334 of these options to acquire shares in connection with his resignation as discussed below.

In connection with his resignation, as discussed below, Mr. Kasch had 623,333 options to acquire shares vest during 2017, however, these and all remaining unexercised options expired as of August 5, 2017. In total, Mr. Kasch forfeited 1,485,000 options to acquire shares during 2017.

In connection with his resignation, as discussed below, Mr. Devers forfeited 190,000 options to acquire shares on August 4, 2017. In addition, Mr. Devers had 83,333 options to acquire shares immediately vest in connection with his resignation. All of Mr. Devers' remaining unexercised options expired on February 15, 2018.

The Board of Directors granted stock options to Messrs. Kasch, Peitz, and Devers for fiscal year 2016 under the 2010 Stock Incentive Plan (the “2010 Plan”). Subsequently, on June 17, 2016, the Board of Directors appointed a special committee of disinterested directors (the “Special Committee”) to address certain claims in a letter dated June 14, 2016 from an attorney purporting to represent a stockholder of the Company regarding the 2010 Plan and equity awards granted thereunder. After investigation and consultation with its counsel, the Special Committee verified that certain stock options granted under the 2010 Plan had exceeded applicable limitations on grants in the 2010 Plan.

On July 7, 2016, the Special Committee unanimously approved: (a) the rescission (and forfeiture by the holders) of certain stock option awards to purchase 2,560,000 shares of the Company’s common stock that had been granted to named executive officers Rick Kasch, Robert Devers, and Austin Peitz, and to directors Keith Behrens and Steve Oppenheim in excess of the 2010 Plan’s limitations (“Excess Options”), and (b) the grant of new options to purchase 1,960,000 shares of the Company’s common stock (the “New Options”), pursuant to a new stock incentive plan to be approved by the Board of Directors, the 2016 Stock Incentive Plan (the “2016 Plan”). The New Options were also subject to: (i) each of the subject optionees entering into the letter agreements (disclosed below) with the Company and (ii) stockholder approval of the 2016 Plan.

In connection with its approval of the grant of the New Options as described above, the Special Committee considered, among other things: (1) the fact that, because all of the New Options were replacing previously outstanding options, these transactions did not have a significant impact on dilution for the Company’s stockholders, (2) the fact that any compensation granted instead of granting the New Options would likely have involved expenditure of a significant amount of cash, which would not be in the best interests of the Company, (3) the fact that any compensation granted instead of granting the New Options might not have provided the same level of incentives to the recipients as the Excess Options and (4) the fact that the New Options were granted subject to stockholder approval of the 2016 Plan.

Subsequently, on July 18, 2016, the Board of Directors unanimously approved the adoption of the 2016 Plan. The stockholders approved the 2016 Plan at the Adjourned Annual Meeting of Stockholders held on September 29, 2016.

Also on July 18, 2016, the Company entered into letter agreements with Messrs. Kasch, Devers, Peitz, Behrens and Oppenheim. Pursuant to the letter agreements, each such officer/director agreed to forfeit his Excess Options. The Company agreed to grant the New Options pursuant to new stock option agreements that provide for vesting on substantially the same schedule as the Excess Options would have vested but could not be exercised prior to stockholder approval of the 2016 Plan. The exercise price of the New Options is the greater of the original exercise price of the Excess Options or the closing market price on July 7, 2016, the date the Special Committee approved the grant of the New Options. Under the letter agreements, the termination date of each New Option is the termination date of the rescinded option, except that if the termination date of the rescinded option is prior to the two-year anniversary of the date of the letter agreement, then the termination date of the New Option is extended six months past the termination date of the rescinded option. Further, the Company agreed to submit the 2016 Plan to the stockholders of the Company for approval as soon as reasonably possible. As noted above, the Company submitted the 2016 Plan to the stockholders of the Company on September 29, 2016, and it was approved.

Pursuant to the letter agreements, the option holders agreed to the rescission of Excess Options, and the Company granted new options, as follows:

Rescinded stock options to purchase an aggregate of 1,785,000 shares of common stock granted to Rick Kasch, President, Chief Executive Officer and Chairman of the Board, and granted Mr. Kasch new stock options to purchase an aggregate of 1,185,000 shares of common stock;

Rescinded stock options to purchase an aggregate of 165,000 shares of common stock granted to Robert Devers, Chief Financial Officer and Treasurer, and granted Mr. Devers new stock options to purchase an aggregate of 165,000 shares of common stock

Rescinded stock options to purchase an aggregate of 360,000 shares of common stock, granted to Austin Peitz, Senior Vice President of Operations, and granted Mr. Peitz new stock options to purchase an aggregate of 360,000 shares of common stock

Rescinded stock options to purchase an aggregate of 100,000 shares of common stock granted to Keith Behrens, Director, and granted Mr. Behrens new stock options to purchase an aggregate of 100,000 shares of common stock and

Rescinded stock options to purchase an aggregate of 150,000 shares of common stock granted to Steve Oppenheim, former Director, and granted Mr. Oppenheim new stock options to purchase an aggregate of 150,000 shares of common stock.

Other Compensation/Benefits. Another element of the overall compensation is through providing our executive officers various employment benefits, such as the payment of health and life insurance premiums on behalf of the executive officers. Additionally, the Company provided Messrs. Peitz and Kasch with an automobile (Peitz) or an automobile allowance (Kasch). Our executive officers are also eligible to participate in our 401(k) plan on the same basis as other employees and the Company historically has made matching contributions to the 401(k) plan, including for the benefit of our executive officers.

Declared Discretionary Bonuses

During 2017, the Board of Directors awarded discretionary bonuses to Messrs. Dickinson, Kasch, Peitz, and Devers, as shown in the Summary Compensation Table above. The Board of Directors did not award any discretionary bonuses for the 2016 fiscal year to Messrs. Kasch, Devers, or Peitz. Mr. Peitz did receive bonuses in the amount of \$45,000 during fiscal 2016 related to a formulaic bonus program entered into in April 2015 pursuant to amendment to his employment agreement which reduced his salary by \$42,938. As of June 22, 2016, Mr. Peitz entered into a new employment agreement with the Company (described below) that terminated the formulaic bonus program.

The Dickinson Employment Agreement provides for severance compensation if Mr. Dickinson is terminated without cause or upon a change of control. The Dickinson Employment Agreement also contains other standard provisions contained in agreements of this nature, including confidentiality and non-competition provisions as well as eligibility for discretionary bonuses and long-term incentive awards.

Rick Kasch – Mr. Kasch was chief executive officer and president of the Company. He entered into an employment agreement with the Company on June 22, 2016 (the “Kasch Employment Agreement”) to replace his prior employment agreement with the Company dated July 27, 2010, as amended. The Kasch Employment Agreement had a term of July 1, 2016 through June 30, 2017, and would have been automatically renewed thereafter on a year-to-year basis unless Enservco or Mr. Kasch provided the other with 60 days’ notice of non-renewal or the agreement was otherwise terminated. The Kasch Employment Agreement provided for an annual base salary of \$260,466. In addition, the Kasch Employment Agreement provided for an automobile allowance of \$1,400 per month. The Kasch Employment Agreement also provided for standard employment benefits and contained other standard provisions contained in agreements of this nature including confidentiality and non-competition provisions as well as eligibility for discretionary bonuses and longer-term incentive awards.

On May 5, 2017, Mr. Kasch notified the Company of his resignation as President, Chief Executive Officer, and as a member of the Company's Board of Directors, effective immediately. Mr. Kasch also resigned from all positions held with the Company's subsidiaries. Mr. Kasch's decision to resign was not the result of any disagreement with the Company, the Board, or management, or any matter relating to the Company's operations, policies or practices.

In connection with Mr. Kasch's resignation, the Company entered into an Executive Severance Agreement with Mr. Kasch on May 5, 2017 (the "Severance Agreement"). The Severance Agreement provides for certain modified severance compensation and benefits to Mr. Kasch in lieu of and in settlement of the compensation and benefits to be paid to Mr. Kasch upon termination of his employment pursuant to the Kasch Employment Agreement.

Pursuant to the terms of the Severance Agreement, the Company paid Mr. Kasch his base salary through May 31, 2017 in accordance with the normal schedule for such payment, subject to Mr. Kasch's agreement that such salary shall be reduced to 50% of his base salary effective May 5, 2017. The Company also paid Mr. Kasch any remaining balance of the accrued and unpaid amount of his reduced base salary, together with benefits, including unused vacation days (which amount to \$25,045) and expense reimbursements which were then due and payable under the Kasch Employment Agreement. In addition, Mr. Kasch received the following severance payments, subject to applicable employer and employee withholding by the Company: (i) payment to Mr. Kasch of \$391,000 as follows: (x) an initial payment in the amount of \$120,000 on May 31, 2017 and (y) the balance of \$271,000 payable in 11 equal monthly installments of \$24,636 commencing on July 1, 2017 with a final installment of the balance then due on June 1, 2018; (ii) a bonus payment of \$120,000 on or before April 1, 2018; (iii) a lump sum representing the automobile allowance pursuant to the Kasch Employment Agreement in the amount of \$25,199 on the first payday following May 5, 2017; (iv) a lump sum representing health care benefits pursuant to the Kasch Employment Agreement in the amount of \$18,793 on the first payday following May 5, 2017; and (v) a lump sum representing 401(k) matching benefits in the amount of \$21,839 on the first payday following May 5, 2017. These options were not exercised and, therefore, were forfeited.

Mr. Kasch continued to serve as a consultant to the Company until June 30, 2017 (the "Separation Date"). Additionally, Mr. Kasch cooperated and consulted with the Company and its executive officers and the Board after the Separation Date, on an as-needed basis, at no cost to the Company, for up to 20 hours per month, through August 31, 2017.

The Severance Agreement contains other standard provisions contained in agreements of this nature including restrictive covenants concerning confidentiality, non-competition, non-solicitation and non-disparagement, and a general release of any and all claims Mr. Kasch may have against the Company, its directors, officers and associated persons.

The Peitz Employment Agreement provided for an annual base salary of \$192,938. Additionally, the Company provided Mr. Peitz with an automobile. On April 27, 2018, Mr. Peitz notified the Company of his resignation as Senior Vice President of Field Operations, effective immediately. Mr. Peitz also resigned from all positions held with the Company's subsidiaries. In connection with Mr. Peitz's resignation, the Company entered into an Executive Severance Agreement with Mr. Peitz on April 27, 2018 (the "Peitz Severance Agreement"). The Peitz Severance Agreement provides for certain modified compensation and benefits to Mr. Peitz in lieu of and in settlement of the compensation and benefits to be paid to Mr. Peitz upon termination of his employment pursuant to the Peitz Employment Agreement.

Pursuant to the Peitz Severance Agreement, on Mr. Peitz's separation date the Company paid Mr. Peitz any remaining balance of Mr. Peitz's accrued and unpaid benefits, including unused vacation days and expense reimbursements which were then due and payable under the Peitz Employment Agreement. In addition, within five business days of the date of Mr. Peitz's separation date, the Company will make a lump sum payment to Mr. Peitz in an amount equal to: (i) twelve months of Mr. Peitz's base salary as of the date of his resignation; plus (ii) a bonus equal to the greater of (x) Mr. Peitz's most recent annual bonus, or (y) six months of Mr. Peitz's base salary as of the date of his resignation. The Company will also provide Mr. Peitz with medical, dental, and vision benefits until the earlier of twelve months after April 27, 2018 or the date on which Mr. Peitz obtains substantially similar coverage through another employer. The Company will also transfer to Mr. Peitz title to the Company-owned automobile presently in Mr. Peitz's possession.

In addition, the Peitz Severance Agreement provides that all stock options relating to the common stock of the Company held by Mr. Peitz immediately vested on Mr. Peitz's separation date. Risks of Compensation Programs

The Company's equity-based compensation is performance-based in that the issued stock options become valuable as the stockholders' returns (measured by stock price) increase. Furthermore, in all cases, options granted to the Company's employees include time-based vesting. The Company believes that this vesting, coupled with the internal controls and oversight of the risk elements of its business, have minimized the possibility that the compensation programs and practices will have a material adverse effect on the Company and its financial, and operational, performance.

Compensation of Directors

Each member of the Board of Directors receives a quarterly director fee of \$7,000. Directors who are members of the Board's Audit Committee receive an additional fee of \$1,000 per quarter. As chair of the Audit Committee, Mr. Haymons receives an additional fee of \$3,000 per quarter. Mr. Dickinson is an employee of the Company and is not paid for his service as a member of the Board of Directors. Item 13. Certain Relationships and Related Transactions, and Director Independence.

Related Party Transactions Policy and Procedures

The Board has adopted a written policy that establishes a framework for the review and approval or ratification of transactions between the Company and its related parties and/or their respective affiliated entities. We refer to this policy as our "Related Party Transactions Policy". The Related Party Transactions Policy is available on our website at www.enservco.com.

Pursuant to this policy, "Related Parties" includes our executive officers and directors, any nominee for director, beneficial owners of 5% or greater of the Company's voting securities, and the immediate family members any of the foregoing persons. An "Immediate Family Member" of a Related Party means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or any person sharing a household with the Related Party, other than a tenant or employee.

A "Related Party Transaction" includes:

- any transaction or relationship directly or indirectly involving a Related Party that would need to be disclosed under Item 404(a) of Regulation S-K;
- any material amendment or modification to an existing Related Party Transaction; and
- any transaction deemed by the directors or the Company's legal counsel to be a Related Party Transaction.

Under the Related Party Transactions Policy, Related Party Transactions are prohibited, unless approved or ratified by the disinterested directors of the Company. A Related Party Transaction entered into without pre-approval is not invalid, unenforceable, or in violation of the policy, provided that such transaction is brought to the disinterested directors as promptly as reasonably practical after it is entered into, and such transaction is ratified.

The Company's executive officers, directors, or nominees for director are required to promptly notify the Board of Directors and the Company's legal counsel of any proposed Related Party Transaction. The Company's disinterested directors will review such transaction, considering all relevant facts and circumstances, including the commercial reasonableness of the terms, the benefit and perceived benefit (or lack thereof) to the Company, opportunity costs of alternate transactions, the materiality and character of the Related Party's direct or indirect interest, and the actual or apparent conflict of interest of the Related Party. The disinterested directors shall not approve or ratify a Related Party Transaction unless they have determined that upon consideration of all relevant information, the proposed Related Party Transaction is in, or not inconsistent with, the best interests of the Company and its shareholders.,

The following sets forth information regarding transactions between the Company (and its subsidiaries) and its officers, directors and significant stockholders since January 1, 2017 or otherwise outstanding as of April 15, 2018.

Chairman of the Board of Directors provides Letter of Credit to PNC Bank

On March 31, 2017, the Company's Chairman, Richard Murphy issued an irrevocable standby letter of credit in the face amount of \$1,500,000 for the benefit of PNC Bank. The letter of credit was issued in connection with the tenth amendment to the Company Amended and Restated Revolving Credit and Security Agreement with PNC Bank. PNC had the ability to make a drawing under the Tenth Amendment Letter of Credit and apply all of the proceeds of letter of credit to pay down the principal balance of the revolving credit facility. The letter of credit was converted into subordinated debt with a maturity dated April 2022 and a stated interest rate of 10%. This standby letter of credit was replaced with the Subordinated Loan Agreement described below.

Subordinated Loan Agreement entered into with Cross River Partners, L.P.

On June 28, 2017, the Company entered into a subordinated loan agreement (the "Subordinated Loan Agreement") with Cross River Partners, L.P., ("Cross River"), which documents the Company's obligations to Cross River with respect to the financial accommodations made to the Company by Cross River in connection with the Tenth Amendment to the Company Amended and Restated Revolving Credit and Security Agreement with PNC Bank. In connection with the Subordinated Loan Agreement, on June 28, 2017, the Company delivered two subordinated promissory notes to Cross River in the amounts of \$1 million and \$1.5 million, respectively (each a "Note", collectively, the "Notes" and, together with the Subordinated Loan Agreement, the "Subordinated Loan Documents"). The Notes each have a maturity date of June 28, 2022 (the "Maturity Date") and bear interest at a fixed per annum rate of 10.0%.

On August 10, 2017, the Company entered in to the Loan and Security Agreement with East West Bank ("the "2017 Credit Agreement"), which replaced the 2014 Credit Agreement. In relation to the 2017 Credit Agreement, on August 7, 2017, Cross River entered into a subordination agreement with East West Bank. The Company began making quarterly payments of accrued interest under each Note on July 1, 2017 and will continue making such interest only payments until all of the Company's obligations under the 2017 Credit Agreement have been satisfied. Once all of the Company's obligations under the 2017 Credit Agreement have been satisfied, the Company will begin making quarterly payments of principal (based on an amortization schedule of 10 years) plus interest until the Maturity Date. On the Maturity Date, all amounts still outstanding under the Notes will become due and payable. The Company has the right to prepay the outstanding balance of all principal and interest of either or both Notes, in whole, subject to a prepayment penalty equal to the total interest that would have been due and payable on the next two quarterly payments following such prepayment.

In connection with the Subordinated Loan Agreement, on June 28, 2017, the Company issued Cross River two five-year warrants (the “Warrants”) to buy an aggregate total of 1,612,902 shares of the Company’s common stock at an exercise price of \$0.31 per share, the average closing price of the Company’s common stock for the 20 day period ended May 11, 2017.

Based on the foregoing criteria, Messrs. Behrens, Haymons, Herlin, Jolly, and Murphy are considered independent directors and were confirmed as such by the Board of Directors.

Audit Committee. See Item 10 for discussion of the independence of members of the Audit Committee.

Haymons, Jolly and Herlin are independent under this requirement.
