## ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On October 25, 2018, Northwest Pipe Company and its wholly-owned subsidiary Ameron Water Transmission Group, LLC (together, the “Company”) entered into a Credit Agreement with Wells Fargo Bank, N.A. (the “Credit Agreement”) that provides for revolving loans and letters of credit in the aggregate amount of up to \$60 million, subject to a borrowing base (the “Revolver Commitment”). The borrowing base is calculated by applying various advance rates to eligible accounts receivable, contract assets, inventories and fixed assets, subject to various exclusions, adjustments and sublimits. As of October 25, 2018, the Company had \$6.0 million of outstanding borrowings under the Credit Agreement and additional borrowing capacity of \$32.5 million.

Borrowings under the Credit Agreement bear interest at rates related to the daily three month London Interbank Offered Rate plus 1.5% to 2.0%. The Credit Agreement requires the payment of an unused line fee of between 0.25% and 0.375%, based on the amount by which the Revolver Commitment exceeds the average daily balance of outstanding borrowings (as defined in the Credit Agreement) during any month. Such fee is payable monthly in arrears. The Credit Agreement will expire on October 25, 2023.

### Item 1.01.

The Credit Agreement contains customary representations and warranties, as well as customary affirmative and negative covenants, events of default and indemnification provisions in favor of the lender. The negative covenants include restrictions regarding the incurrence of liens and indebtedness and certain acquisitions and dispositions of assets and other matters, all subject to certain exceptions. The Credit Agreement also requires the Company to regularly provide financial information to Wells Fargo and to maintain a specified fixed charge coverage ratio upon certain triggers.

In connection with the execution and delivery of the Credit Agreement, the Company and certain of its subsidiaries also entered into a Guaranty and Security Agreement with Wells Fargo (the “Guaranty and Security Agreement”). Pursuant to the Guaranty and Security Agreement, the Company’s obligations under the Credit Agreement are secured by a security interest in substantially all of the Company’s and its subsidiaries’ assets.

The foregoing descriptions of the Credit Agreement and the Guaranty and Security Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of the Credit Agreement and the Guaranty and Security Agreement which are filed herewith as Exhibits to this Report, and are incorporated herein by reference.

### Item 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT
