VOTING

As described further in the proposal, the affirmative vote of the holders of a plurality of the Shares present and entitled to vote at the Meeting will be required to elect the specified nominees as the Class III Trustees of the Fund provided a quorum is present. Abstentions and broker non-votes (i.e., Shares

Edgar Filing: FIRST TRUST HIGH INCOME LONG/SHORT FUND - Form DEF 14A

held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) will have no effect on the approval of the proposal.

For shareholders voting by mail, if the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the Shares represented thereby will be voted in accordance with the instructions marked thereon, or, if no instructions are marked thereon, will be voted in the discretion of the persons named on the proxy card. Accordingly, unless instructions to the contrary are marked thereon, a properly executed and returned proxy will be voted FOR the election of each specified nominee as a Class III Trustee and at the discretion of the named proxies on any other matters that may properly come before the Meeting, as deemed appropriate. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her Shares in person, or by timely submitting a letter of revocation or a later-dated proxy to the Fund at its address above. A list of shareholders entitled to notice of and to be present and to vote at the Meeting will be available at the Advisor's Wheaton, Illinois offices, located at 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187, for inspection by any shareholder during regular business hours prior to the Meeting. Shareholders will need to show valid identification and proof of Share ownership to be admitted to the Meeting or to inspect the list of shareholders.

Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding Shares entitled to vote on a matter. For the purposes of establishing whether a quorum is present with respect to the Fund, all Shares present and entitled to vote, including abstentions and broker non-votes, shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned to a time and place announced at the meeting to permit further solicitation of proxies without further notice with respect to one or more matters to be considered at such meeting, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment must be approved by the vote of holders of a majority of the Shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice if the time and place of the adjourned meeting are announced at the meeting. Unless a proxy is otherwise limited in this regard, any Shares present and entitled to vote at a meeting, including broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment.

PROPOSAL: ELECTION OF TWO (2) CLASS III TRUSTEES

TWO (2) CLASS III TRUSTEES ARE TO BE ELECTED TO THE BOARD OF TRUSTEES OF THE FUND BY HOLDERS OF SHARES OF THE FUND. CURRENT TRUSTEES JAMES A. BOWEN AND NIEL B. NIELSON ARE THE NOMINEES FOR ELECTION AS THE CLASS III TRUSTEES BY SHAREHOLDERS OF THE FUND FOR A THREE-YEAR TERM.

The Fund has established a staggered Board of Trustees pursuant to its By-Laws, and, accordingly, Trustees are divided into the following three (3) classes: Class I, Class II and Class III. James A. Bowen and Niel B. Nielson are currently the Class III Trustees of the Fund for a term expiring at the Meeting or until their respective successors are elected and qualified. If elected, Mr. Bowen and Mr. Nielson will hold office for a three-year term expiring at the Fund's 2022 annual meeting of shareholders. Robert F. Keith, Richard E. Erickson and Thomas R. Kadlec are current and continuing Trustees. Mr. Keith is the Class I Trustee for a term expiring at the Fund's 2020 annual meeting of shareholders.

Edgar Filing: FIRST TRUST HIGH INCOME LONG/SHORT FUND - Form DEF 14A

Dr. Erickson and Mr. Kadlec are the Class II Trustees for a term expiring at the Fund's 2021 annual meeting of shareholders. Each Trustee serves until his successor is elected and qualified, or until he earlier resigns or is otherwise removed.

REQUIRED VOTE: The nominees for election as the Class III Trustees must be elected by the affirmative vote of the holders of a plurality of the Shares of the Fund, cast in person or by proxy at the Meeting and entitled to vote thereon, provided a quorum is present. Abstentions and broker non-votes will have no effect on the approval of the proposal. Proxies cannot be voted for a greater number of persons than the number of seats open for election.

If you are voting by submitting a proxy card, unless you give contrary instructions on your proxy card, your Shares will be voted FOR the election of each nominee listed if your proxy card has been properly executed and timely received by the Fund. If either nominee should withdraw or otherwise become unavailable for election prior to the Meeting, the proxies named on your proxy card intend to vote FOR any substitute nominee recommended by the Fund's Board of Trustees in accordance with the Fund's procedures.

THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT
SHAREHOLDERS VOTE FOR THE ELECTION OF EACH NOMINEE.

MANAGEMENT

MANAGEMENT OF THE FUND

The general supervision of the duties performed for the Fund under its investment management agreement with the Advisor is the responsibility of the Fund's Board of Trustees. The Trustees set broad policies for the Fund and choose the Fund's officers. The following is a list of the Trustees and executive officers of the Fund and a statement of their present positions and principal occupations during the past five years, the number of portfolios each Trustee oversees and the other trusteeships or directorships each Trustee holds, if applicable. As noted above, the Fund has established a staggered Board of Trustees consisting of five (5) Trustees divided into three (3) classes: Class I, Class II and Class III. The length of the term of office of each Trustee is generally three years, and when each Trustee's term begins and ends depends on the Trustee's designated class. The officers of the Fund serve indefinite terms. James A. Bowen is deemed an "interested person" (as that term is defined in the Investment Company Act of 1940, as amended ("1940 Act")) ("Interested Trustee") of the Fund due to his position as Chief Executive Officer of the Advisor. Except for Mr. Bowen, each Trustee is not an "interested person" (as that term is defined in the 1940 Act) and is therefore referred to as an "Independent Trustee."

UNITARY BOARD LEADERSHIP STRUCTURE

The same five persons serve as Trustees on the Fund's Board of Trustees and on the boards of all other funds in the First Trust Fund Complex (the "First Trust Funds"), which is known as a "unitary" board leadership structure. The unitary board structure was adopted for the First Trust Funds because of the efficiencies it achieves with respect to the governance and oversight of the First Trust Funds. Each First Trust Fund is subject to the rules and regulations of the 1940 Act (and other applicable securities laws), which means that many of the First Trust Funds face similar issues with respect to certain of their fundamental activities, including risk management, portfolio liquidity, portfolio valuation and financial reporting. In addition, all of the First Trust Funds that are closed-end funds (the "First Trust Closed-end Funds") are managed by the Advisor and, except for First Trust Intermediate Duration Preferred & Income Fund and First Trust Dynamic Europe Equity Income Fund, they employ common service providers for custody, fund accounting, administration and transfer agency that provide substantially similar services to the First Trust Closed-end Funds pursuant to substantially similar contractual arrangements.

-7-

Because of the similar and often overlapping issues facing the First Trust Funds, including among the First Trust Closed-end Funds, the Board of Trustees of each of the First Trust Funds (such Boards of Trustees referred to herein collectively as the "Board") believes that maintaining a unitary board structure promotes efficiency and consistency in the governance and oversight of all First Trust Funds and reduces the costs, administrative burdens and possible conflicts that may result from having multiple boards. In adopting a unitary board structure, the Trustees seek to provide effective governance through establishing a board the overall composition of which will, as a body, possess the appropriate skills, diversity, independence and experience to oversee the business of the First Trust Funds.

Annually, the Board reviews its governance structure and the committee structures, their performance and functions and reviews any processes that would enhance Board governance over the Fund's business. The Board has determined that its leadership structure, including the unitary board and committee structure, is appropriate based on the characteristics of the funds it serves and the characteristics of the First Trust Fund Complex as a whole. The Board is composed of four Independent Trustees and one Interested Trustee. The Interested Trustee serves as the Chairman of the Board of the Fund. An individual who is not a Trustee serves as President and Chief Executive Officer of the Fund.

In order to streamline communication between the Advisor and the Independent Trustees and create certain efficiencies, the Board has a Lead Independent Trustee who is responsible for: (i) coordinating activities of the Independent Trustees; (ii) working with the Advisor, Fund counsel and the independent legal counsel to the Independent Trustees to determine the agenda for Board meetings; (iii) serving as the principal contact for and facilitating communication between the Independent Trustees and the Fund's service providers, particularly the Advisor; and (iv) any other duties that the Independent Trustees may delegate to the Lead Independent Trustee. The Lead Independent

Edgar Filing: FIRST TRUST HIGH INCOME LONG/SHORT FUND - Form DEF 14A

Trustee is selected by the Independent Trustees and serves a three-year term or until his successor is selected. Richard E. Erickson currently serves as the Lead Independent Trustee.

The Board has established four standing committees (as described below) and has delegated certain of its responsibilities to those committees. The Board and its committees meet frequently throughout the year to oversee the Fund's activities, review contractual arrangements with and performance of service providers, oversee compliance with regulatory requirements, and review Fund performance. The Independent Trustees are represented by independent legal counsel at all Board and committee meetings (other than meetings of the Executive Committee). Generally, the Board acts by majority vote of all the Trustees, except where a different vote is required by applicable law.

The three Committee Chairmen and the Lead Independent Trustee currently rotate every three years in serving as Chairman of the Audit Committee, the Nominating and Governance Committee or the Valuation Committee, or as Lead Independent Trustee. The Lead Independent Trustee and the immediate past Lead Independent Trustee also serve on the Executive Committee with the Interested Trustee.

Including the Fund, the First Trust Fund Complex includes: 15 closed-end funds advised by First Trust Advisors; First Trust Series Fund, an open-end management investment company with four portfolios advised by First Trust Advisors; First Trust Variable Insurance Trust, an open-end management investment company with three portfolios advised by First Trust Advisors; and First Trust Exchange-Traded Fund, First Trust Exchange-Traded Fund II, First Trust Exchange-Traded Fund III, First Trust Exchange-Traded Fund IV, First Trust Exchange-Traded Fund V, First Trust Exchange-Traded Fund VI, First Trust Exchange-Traded Fund VII, First Trust Exchange-Traded Fund VIII, First Trust Exchange-Traded AlphaDEX(R) Fund and First Trust Exchange-Traded AlphaDEX(R)

-8-

Fund II, exchange-traded funds with, in the aggregate, 141 portfolios (each such portfolio, an "ETF" and each such exchange-traded fund, an "ETF Trust") advised by First Trust Advisors.

The four standing committees of the Board are: the Executive Committee (and Dividend and Pricing Committee), the Nominating and Governance Committee, the Valuation Committee and the Audit Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board of Trustees to the extent permitted by the Fund's Declaration of Trust and By-Laws. The members of the Executive Committee of the Fund also serve as a special committee of the Board known as the Dividend and Pricing Committee which is authorized to exercise all of the powers and authority of the Board in respect of the issuance and sale, through an underwritten public offering, of the Shares of the Fund and all other such matters relating to such financing, including determining the price at which such Shares are to be sold, approval of the final terms of the underwriting agreement, and approval of the members of the underwriting syndicate. Such Committee is also responsible for the declaration and setting of dividends. Mr. Kadlec, Mr. Bowen and Dr. Erickson are members of the Executive Committee. During the Fund's last fiscal year, the Executive Committee held 12 meetings.

The Nominating and Governance Committee of the Fund is responsible for appointing and nominating persons to the Fund's Board of Trustees. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Nominating and Governance Committee, and each is an Independent Trustee who is also an "independent

director" within the meaning of the listing rules of the primary national securities exchange on which the Fund's shares are listed for trading. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Fund's website at <https://www.ftportfolios.com> (go to News & Literature on the Fund's webpage). If there is no vacancy on the Board of Trustees of the Fund, the Board will not actively seek recommendations from other parties, including shareholders. In 2014, the Board of Trustees adopted a mandatory retirement age of 75 for Trustees, beyond which age Trustees are ineligible to serve. The Nominating and Governance Committee Charter provides that the Committee will not consider new trustee candidates who are 72 years of age or older or will turn 72 years old during the initial term. When a vacancy on the Board of Trustees of the Fund occurs and nominations are sought to fill such vacancy, the Nominating and Governance Committee may seek nominations from those sources it deems appropriate in its discretion, including shareholders of the Fund. The Nominating and Governance Committee may retain a search firm to identify candidates. To submit a recommendation for nomination as a candidate for a position on the Board of Trustees of the Fund, shareholders of the Fund shall mail such recommendation to W. Scott Jardine, Secretary, at 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187. Such recommendation shall include the following information: (i) evidence of Fund ownership of the person or entity recommending the candidate (if a Fund shareholder); (ii) a full description of the proposed candidate's background, including their education, experience, current employment and date of birth; (iii) names and addresses of at least three professional references for the candidate; (iv) information as to whether the candidate is an "interested person" in relation to the Fund, as such term is defined in the 1940 Act, and such other information that may be considered to impair the candidate's independence; and (v) any other information that may be helpful to the Committee in evaluating the candidate (see also "ADDITIONAL INFORMATION - SHAREHOLDER PROPOSALS" below). If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Nominating and Governance Committee is accepting recommendations, the recommendation will be forwarded to the Chairman of the Nominating and Governance Committee and the counsel to the Independent Trustees. In connection with the evaluation of candidates, the review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall the Nominating and Governance

-9-

Committee evaluate nominees recommended by a shareholder of the Fund on a basis substantially different than that used for other nominees for the same election or appointment of Trustees. During the Fund's last fiscal year, the Nominating and Governance Committee held four meetings.

The Valuation Committee of the Fund is responsible for the oversight of the valuation procedures of that Fund (the "Valuation Procedures"), for determining the fair value of the Fund's securities or other assets under certain circumstances as described in the Valuation Procedures, and for evaluating the performance of any pricing service for the Fund. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Valuation Committee. During the Fund's last fiscal year, the Valuation Committee held four meetings.

The Audit Committee of the Fund is responsible for overseeing the Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing independent auditors (subject also to Board approval). The Audit Committee operates under a written charter adopted and approved by the Board, a copy of which is attached as Exhibit A hereto, and

Edgar Filing: FIRST TRUST HIGH INCOME LONG/SHORT FUND - Form DEF 14A

is available on the Fund's website at <https://www.ftportfolios.com> (go to News & Literature on the Fund's webpage). Messrs. Erickson, Kadlec, Keith and Nielson, all of whom are "independent directors" within the meaning of the listing rules of the primary national securities exchange on which the Fund's shares are listed for trading, serve on the Audit Committee. Messrs. Kadlec and Keith have each been determined to qualify as an "Audit Committee Financial Expert" as such term is defined in Form N-CSR. During the Fund's last fiscal year, the Audit Committee held seven meetings.

In carrying out its responsibilities, as described below under "INDEPENDENT AUDITORS' FEES--Pre-Approval," the Audit Committee pre-approves all audit services and permitted non-audit services for the Fund (including the fees and terms thereof) and non-audit services to be performed for the Advisor by Deloitte & Touche LLP ("Deloitte & Touche"), the Fund's independent registered public accounting firm ("independent auditors"), if the engagement relates directly to the operations and financial reporting of the Fund.

RISK OVERSIGHT

As part of the general oversight of the Fund, the Board is involved in the risk oversight of the Fund. The Board has adopted and periodically reviews policies and procedures designed to address the Fund's risks. Oversight of investment and compliance risk, including oversight of sub-advisors, is performed primarily at the Board level in conjunction with the Advisor's advisory oversight group and the Fund's Chief Compliance Officer ("CCO"). Oversight of other risks also occurs at the Committee level. The Advisor's advisory oversight group reports to the Board at quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance as well as information related to sub-advisors and their operations and processes. The Board reviews reports on the Fund's and the service providers' compliance policies and procedures at each quarterly Board meeting and receives an annual report from the CCO regarding the operations of the Fund's and the service providers' compliance program. In addition, the Independent Trustees meet privately each quarter with the CCO. The Audit Committee reviews with the Advisor the Fund's major financial risk exposures and the steps the Advisor has taken to monitor and control these exposures, including the Fund's risk assessment and risk management policies and guidelines. The Audit Committee also, as appropriate, reviews in a general manner the processes other Board committees have in place with respect to risk assessment and risk management. The Nominating and Governance Committee monitors all matters related to the corporate governance of the Fund. The Valuation Committee monitors valuation

-10-

risk and compliance with the Fund's Valuation Procedures and oversees the pricing services and actions by the Advisor's Pricing Committee with respect to the valuation of portfolio securities.

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost-effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Advisor or other service providers. For instance, as the use of Internet technology has become more prevalent, the Fund and its service providers have become more susceptible to potential operational risks through breaches in cyber security (generally, intentional and unintentional events that may cause the Fund or a service provider to lose proprietary information, suffer data corruption or lose operational capacity). There can be no guarantee that

Edgar Filing: FIRST TRUST HIGH INCOME LONG/SHORT FUND - Form DEF 14A

any risk management systems established by the Fund, its service providers, or issuers of the securities in which the Fund invests to reduce cyber security risks will succeed, and the Fund cannot control such systems put in place by service providers, issuers or other third parties whose operations may affect the Fund and/or its shareholders. Moreover, it is necessary to bear certain risks (such as investment related risks) to achieve the Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

BOARD DIVERSIFICATION AND TRUSTEE QUALIFICATIONS

As described above, the Nominating and Governance Committee of the Board oversees matters related to the nomination of Trustees. The Nominating and Governance Committee seeks to establish an effective Board with an appropriate range of skills and diversity, including, as appropriate, differences in background, professional experience, education, vocations, and other individual characteristics and traits in the aggregate. Each Trustee must meet certain basic requirements, including relevant skills and experience, time availability, and if qualifying as an Independent Trustee, independence from the Advisor, sub-advisors, underwriters or other service providers, including any affiliates of these entities.

Listed below for each nominee and each continuing Trustee are the experiences, qualifications and attributes that led to the conclusion, as of the date of this Proxy Statement, that each nominee and each continuing Trustee should serve as a trustee.

ATTENDANCE AT ANNUAL MEETINGS OF SHAREHOLDERS

The Board seeks to have as many Trustees as possible in attendance at annual meetings of shareholders. The policy of the Nominating and Governance Committee relating to attendance by Trustees at annual meetings of shareholders is contained in the Fund's Nominating and Governance Committee Charter, which is available on the Fund's website located at <https://www.ftportfolios.com> (go to News & Literature on the Fund's webpage). In addition, the Board's attendance at last year's annual shareholder meeting is available on the Fund's website located at <https://www.ftportfolios.com>. To find the Board's attendance, select the Fund under the "Closed-End Funds" tab, select the "News & Literature" link, and go to the "Shareholder Updates and Information" heading.

AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Trustees in its oversight of the Fund's accounting and financial reporting process. The Audit Committee operates pursuant to a charter (the "Charter") that was most recently reviewed by the Board of Trustees on December 10, 2018, a copy of which is attached as Exhibit A hereto, and is available on the Fund's website located at <https://www.ftportfolios.com> (go to News & Literature on the Fund's webpage). As set forth in the Charter, management of the Fund has the primary responsibility for establishing and maintaining systems for accounting, reporting, disclosure and internal controls. The Fund's independent auditors have the primary responsibility to plan and implement an audit, with proper consideration given to the accounting, reporting and internal controls.

In performing its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors, Deloitte & Touche LLP, the audited financial statements of the Fund for the fiscal year ended October 31, 2018 at a meeting held on December 19, 2018, and discussed the audit of such financial statements with the independent auditors and management.

In addition, the Audit Committee discussed with the independent auditors the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent auditors as required by the Public Company Accounting Oversight Board ("PCAOB") Auditing Standard 1301, Communications with Audit Committees. The Audit Committee also received from the independent auditors the written disclosures and letter required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committees Concerning

Edgar Filing: FIRST TRUST HIGH INCOME LONG/SHORT FUND - Form DEF 14A

Independence, delineating relationships between the independent auditors and the

-15-

Fund, and discussed the impact that any such relationships may have on the objectivity and independence of the independent auditors.

The members of the Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Fund's Audit Committee necessarily rely on the information provided to them by Fund management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the independent auditors are in fact "independent."

Based on its consideration of the Fund's audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche LLP, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended to the Board the inclusion of the Fund's audited financial statements in the Fund's Annual Report to Shareholders for the year ended October 31, 2018.

INDEPENDENT AUDITORS' FEES

Deloitte & Touche has been selected to serve as the independent auditors for the Fund for its current fiscal year, and acted as the independent auditors for the Fund for its most recently completed fiscal year. Deloitte & Touche has advised the Fund that, to the best of its knowledge and belief, Deloitte & Touche professionals did not have any direct or material indirect ownership interest in the Fund inconsistent with independent professional standards pertaining to independent registered public accounting firms. Representatives of Deloitte & Touche are not expected to be present at the Meeting, but will have the opportunity to make a statement if they desire to do so and will be available should any matter arise requiring their presence. In reliance on Rule 32a-4 under the 1940 Act, the Fund is not seeking shareholder ratification of the selection of Deloitte & Touche as independent auditors.

Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees

During each of the last two fiscal years of the Fund, Deloitte & Touche has billed the Fund and the Advisor for the fees set forth below.

Edgar Filing: FIRST TRUST HIGH INCOME LONG/SHORT FUND - Form DEF 14A

FEES BILLED TO:	AUDIT FEES (2)		AUDIT-RELATED FEES		TAX FEES (3)

Non-Audit Fees

During each of the last two fiscal years of the Fund, Deloitte & Touche has billed the Fund and the Advisor for the non-audit fees listed below for services provided to the entities indicated.

AGGREGATE NON-AUDIT FEES

	2017	2018
Fund(1)	\$5,200	\$8,900
Advisor	\$44,000 (2)	\$48,190 (3)

- (1) These fees were for the fiscal years ended October 31.
- (2) These fees relate to 2016 federal and state tax matters, tax compliance and Foreign Account Tax Compliance Act (FATCA).
- (3) These fees relate to 2017 federal and state tax matters and consulting fees.

Pre-Approval

Pursuant to its Charter and its Audit and Non-Audit Services Pre-Approval Policy, the Audit Committee of the Fund is responsible for the pre-approval of all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its independent auditors. The Chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee up to \$25,000 and report any such pre-approval to the full Audit Committee.

The Audit Committee is also responsible for the pre-approval of the independent auditors' engagements for non-audit services with the Advisor and any entity controlling, controlled by or under common control with the Advisor that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. If the independent auditors have provided non-audit services to the Advisor or any entity controlling, controlled by or under common control with the Advisor that provides ongoing services to the Fund that were not pre-approved pursuant to its policies, the Audit Committee will consider whether the provision of such non-audit services is compatible with the auditors' independence.

None of the Audit Fees, Audit-Related Fees, Tax Fees, or All Other Fees, if any, or the Aggregate Non-Audit Fees disclosed above that were required to be pre-approved by the Audit Committee pursuant to its Pre-Approval Policy were

-17-

pre-approved by the Audit Committee pursuant to the pre-approval exceptions included in Regulation S-X.

Because the Audit Committee has not been informed of any such services, the Audit Committee of the Fund has not considered whether the provision of non-audit services that were rendered to the Advisor and any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c) (7) (ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant's independence.

In addition, the Trustees may require any proposed nominee to furnish such other information as they may reasonably require or deem necessary to determine the eligibility of such proposed nominee to serve as a Trustee.

Without limiting the foregoing, any shareholder who gives a Shareholder Notice of any matter proposed to be brought before a shareholder meeting (whether or not involving nominees for Trustees) is required to deliver, as part

-19-

of such Shareholder Notice: (i) the description of and text of the proposal to be presented; (ii) a brief written statement of the reasons why such shareholder favors the proposal; (iii) such shareholder's name and address as they appear on the Fund's books; (iv) any other information relating to the shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with the solicitation of proxies with respect to the matter(s) proposed pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder; (v) the class or series and number of all Shares of the Fund owned beneficially and of record by such shareholder; (vi) any material interest of such shareholder in the matter proposed (other than as a shareholder); (vii) a representation that the shareholder intends to appear in person or by proxy at the shareholder meeting to act on the matter(s) proposed; (viii) if the proposal involves nominee(s) for Trustees, a description of all arrangements or understandings between the shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by the shareholder; and (ix) in the case of a shareholder (a "Beneficial Owner") that holds Shares entitled to vote at the meeting through a nominee or "street name" holder of record, evidence establishing such Beneficial Owner's indirect ownership of, and entitlement to vote, Shares at the meeting of shareholders. Shares "beneficially owned" means all Shares which such person is deemed to beneficially own pursuant to Rules 13d-3 and 13d-5 under the 1934 Act.

In addition, the By-Laws provide that, unless required by federal law, no matters shall be considered at or brought before any annual or special meeting unless such matter has been deemed a proper matter for shareholder action by at least sixty-six and two-thirds percent (66-2/3%) of the Trustees. Timely submission of a proposal does not mean that such proposal will be brought before the meeting.

AUDIT COMMITTEE CHARTER

I. PURPOSE

The Audit Committee (the "Committee") is appointed by each Board of Trustees (the "Board") of the investment companies (the "Funds") advised by First Trust Advisors L.P. ("Fund Management") for the following purposes:

1. to oversee the accounting and financial reporting processes of each Fund and its internal controls and, as the Audit Committee deems appropriate, to inquire into the internal controls of certain third-party service providers;

2. to oversee the quality and integrity of each Fund's financial statements and the independent audit thereof;

3. to oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal controls and independent audits; and

4. to approve, prior to the appointment, the engagement of each Fund's independent auditor and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent auditor.

II. COMMITTEE ORGANIZATION AND COMPOSITION

A. Size and Membership Requirements.

1. The Committee shall be composed of at least three members, all of whom shall be trustees of the Funds. Each member of the Committee, and a Committee chairperson, shall be appointed by the Board on the recommendation of the Nominating and Governance Committee.

2. Each member of the Committee shall be independent of the Funds and must be free of any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member. With respect to the Funds which are closed-end funds or open-end exchange-traded funds ("ETFs"), each member must meet the independence and experience requirements of the listing rules of the primary national securities exchange on which a Fund's shares are listed for trading (as applicable), and Section 10A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 10A-3 thereunder, and other applicable rules and regulations of the Securities and Exchange Commission ("SEC"). Included in the foregoing is the requirement that no member of the Committee be an "interested person" of the Funds within the meaning of Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"), nor shall any Committee member accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Funds, or any subsidiary thereof, (except in the capacity as a Board or committee member).

3. At least one member of the Committee shall have been determined by the Board, exercising its business judgment, to qualify as an "audit committee financial expert" as defined by the SEC.

4. With respect to Funds whose shares are listed on NYSE Arca or on the New York Stock Exchange, each member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially literate" as required by the New York Stock Exchange or NYSE Arca (as applicable). In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to have "accounting or related financial management expertise," as required by the New York Stock Exchange or NYSE Arca (as applicable). Such member may, but need not be, the same person as the Funds' "audit committee financial expert." With respect to Funds that are closed-end funds or ETFs whose shares are listed on the NYSE American Stock Market or the NASDAQ Stock Market, each member of the Committee shall be able to read and understand fundamental financial statements, including a Fund's balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially sophisticated," as required by the NYSE American Stock Market or the NASDAQ Stock Market (as applicable). Any member whom the Board determines to be an "audit committee financial expert" shall be presumed to qualify as financially sophisticated. With respect to Funds that are closed-end funds or ETFs whose shares are listed and trade primarily on any other national securities exchange, the Committee will comply with any applicable requirements of such exchange relating to the financial backgrounds of the Committee members.

5. With respect to Funds that are closed-end funds or ETFs, Committee members shall not serve simultaneously on the audit committee of more than two public companies, in addition to their service on the Committee.

B. Frequency of Meetings.

The Committee will ordinarily meet once for every regular meeting of the Board. The Committee may meet more or less frequently as appropriate, but no less than four times per year.

C. Term of Office.

Committee members shall serve until they resign or are removed or replaced by the Board.

III. RESPONSIBILITIES

A. With respect to Independent Auditors:

1. The Committee shall be responsible for the appointment or replacement (subject, if applicable, to Board and/or shareholder ratification), compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds ("External Auditors"). The External Auditors shall report directly to the Committee.

2. The Committee shall meet with the External Auditors and Fund Management to review the scope, fees, audit plans and staffing of the proposed audits for each fiscal year. At the conclusion of the audit, the Committee shall review such audit results, including the External Auditors' evaluation of each Fund's financial and internal controls, any

comments or recommendations of the External Auditors, any audit problems or difficulties and Fund Management's response, including any restrictions on the scope of the External Auditors' activities or on access to requested information, any significant disagreements with Fund Management,

A-2

any accounting adjustments noted or proposed by the auditor but not made by the Fund, any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement, any significant changes required from the originally planned audit programs and any adjustments to the financial statements recommended by the External Auditors.

3. The Committee shall meet with the External Auditors in the absence of Fund Management, as necessary.

4. The Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for each Fund by its External Auditors in accordance with the Audit and Non-Audit Services Pre-Approval Policy. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee where the fee for such engagement does not exceed the amount specified in the Audit and Non-Audit Services Pre-Approval Policy, and shall report any such pre-approval to the full Committee.

5. The Committee shall pre-approve the External Auditors' engagements for non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Funds, if the engagement relates directly to the operations and financial reporting of the Funds, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee where the fee for such engagement does not exceed the amount specified in the Audit and Non-Audit Services Pre-Approval Policy, and shall report any such pre-approval to the full Committee.

6. If the External Auditors have provided non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Funds that were not pre-approved pursuant to the de minimis exception, the Committee shall consider whether the provision of such non-audit services is compatible with the External Auditors' independence.

7. The Committee shall obtain and review a report from the External Auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Funds consistent with PCAOB Ethics and Independence Rule 3526) regarding (a) the External Auditors' internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by an inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) the External Auditors' independence, including all relationships between the External Auditors and the Funds and their affiliates; and evaluating the qualifications, performance and independence of the External Auditors, including their membership in the SEC practice section of the AICPA and their compliance with all applicable

requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of management and discussing such reports with the External Auditors. The Committee shall present its conclusions with respect to the External Auditors to the Board.

8. The Committee shall review reports and other information provided to it by the External Auditors regarding any illegal acts that the External Auditors should discover (whether or not perceived to have a

A-3

material effect on a Fund's financial statements), in accordance with and as required by Section 10A(b)(1) of the Exchange Act.

9. The Committee shall oversee the rotation of the lead (or concurring) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further consider the rotation of the independent auditor firm itself.

10. The Committee shall establish and recommend to the Board for ratification a policy of the Funds with respect to the hiring of employees or former employees of the External Auditors who participated in the audits of the Funds' financial statements.

11. The Committee shall take (and, where appropriate, recommend that the Board take) appropriate action to oversee the independence of the External Auditors.

12. The Committee shall report regularly to the Board on the results of the activities of the Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements that relate to the Fund's accounting and financial reporting, internal controls and independent audits, the performance and independence of the Funds' External Auditors, or the performance of the internal audit function, if any.

B. With respect to Fund Financial Statements:

1. The Committee shall meet to review and discuss with Fund Management and the External Auditors the annual audited financial statements of the Funds, and any major issues regarding accounting and auditing principles and practices, and the Funds' disclosures under "Management's Discussion and Analysis," and shall meet to review and discuss with Fund Management the semi-annual financial statements of the Funds and the Funds' disclosures under "Management's Discussion and Analysis" or any similar discussion of the Fund's performance, if any.

2. The Committee shall review and discuss reports, both written and oral, from the External Auditors or Fund Management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles ("GAAP") for policies and practices that have been discussed with Fund Management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the External Auditors; (c) other material written communications between the External Auditors and Fund Management, such as any management letter or schedule of unadjusted differences; and (d) all non-audit services

provided to any entity in the investment company complex (as defined in Rule 2-01 of Regulation S-X) that were not pre-approved by the Committee.

3. The Committee shall review disclosures made to the Committee by the Funds' principal executive officer and principal financial officer during their certification process for the Funds' periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Funds' internal controls.

A-4

4. The Committee shall discuss with the External Auditors the matters required to be discussed by the applicable PCAOB Auditing Standard that arise during the External Auditor's review of the Funds' financial statements.

5. The Committee shall review and discuss with Fund Management and the External Auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls and any special audit steps adopted in light of material control deficiencies, and (b) analyses prepared by Fund Management or the External Auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.

6. The Committee shall review and discuss with Fund Management and the External Auditors the effect of regulatory and accounting initiatives on the Funds' financial statements.

7. The Committee shall discuss with Fund Management the Funds' press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Committee or any member of the Committee also serving on the Dividend and Pricing Committee shall be authorized to have these discussions with Fund Management on behalf of the Committee, and shall report any material matters to the Committee.

8. The Committee shall discuss with Fund Management the Funds' major financial risk exposures and the steps Fund Management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. In fulfilling its obligations under this paragraph, the Committee may, as applicable, review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.

C. With respect to serving as a Qualified Legal Compliance Committee:

1. The Committee shall serve as the Funds' "qualified legal compliance committee" ("QLCC") within the meaning of the rules of the SEC and, in that regard, the following shall apply:

(i) The Committee shall receive and retain, in confidence, reports of evidence of (a) a material violation of any federal or state securities laws, (b) a material breach of a fiduciary duty arising under any federal or state laws or (c) a similar material violation of any federal or state law by a Fund or any of its officers, trustees, employees or agents (a "Report of Material Violation"). Reports of Material Violation may be addressed to the Funds, attention W. Scott Jardine, by e-mail at sjardine@ftportfolios.com or at the address of the principal office of the Funds, which currently is 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187, who shall forward the Report of Material Violation to the Committee.

A-5

(iii) After considering the Report of Material Violation, the Committee shall do the following if it deems an investigation necessary:

(1) Notify the Board;

(2) Initiate an investigation, which may be conducted either by the chief legal officer (or the equivalent thereof) of the Fund or by outside attorneys; and

(3) Retain such additional expert personnel as the Committee deems necessary.

(iv) At the conclusion of any such investigation, the Committee shall:

(4) Recommend, by majority vote, that the Fund implement an appropriate response to evidence of a material violation; and

2. The Committee shall take all other action that it deems appropriate in the event that the Fund fails in any material respect to implement an appropriate response that the Committee, as the QLCC, has recommended the Fund take.

D. Other Responsibilities:

1. The Committee shall receive, retain and handle complaints received by the Funds regarding accounting, internal accounting controls, or auditing matters from any person, whether or not an employee of the Funds or Fund Management, and shall receive submissions of concerns, including anonymous submissions, regarding questionable accounting or auditing matters by officers of the Funds and employees of Fund
