**Item 1.01. Entry into a Material Definitive Agreement.**

On May 15, 2012, Medical Alarm Concepts Holdings, Inc. (the Company) reached agreement with an accredited investor to increase the previously established credit line to \$750,000 from the previously reported balance of \$422,293.78. Funds from this credit line have been and will be used for general corporate purposes, development of strategic marketing programs, inventory acquisition to meet the growing demand being seen for the Company's MediPendant product, initial MotorBooster inventory acquisition, radio spot creation, and for the purchasing of radio air time to support the MotorBooster product launch. Under the terms of the credit line, all loans are due and payable within 12 months of receipt of funds and bear interest at a rate 8% per annum. These loans result in no shareholder dilution and there are no provisions within the terms allowing for conversion of this debt to common or preferred shares.

On May 8, 2012, the Company signed an agreement with advertising and marketing firm Fried/Drake/Green of Needham, Massachusetts. Under the terms of the agreement Fried/Drake/Green will perform various marketing and advertising services on behalf of the Company relating to the introduction of the MotorBooster product into the marketplace. Fried/Drake/Green will receive no upfront cash from the Company but instead will be paid 8.5% of gross sales for the first six months of the program and 5% for the next six months, or until the agency's fees are paid, which are estimated at between \$70,000 and \$75,000. Costs associated with the MotorBooster marketing program that are not directly associated with professional agency's fees will be the responsibility of the Company.

**Item 8.01. Other Events.**

On May 16, 2012, the Company was advised by a leading retail warehouse discount chain, of the acceptance of its website design to promote the Company's MediPendant product. This website going live, anticipated over the coming days, is expected to signify the beginning of the marketing phase of their strategic alliance partnership agreement announced on December 19, 2011. Under the terms of the partnership, the retailer will be marketing and promoting the MediPendant™ to its existing customer base via its website and in their subscriber magazine.

On May 10, 2012, the Company revised its agreement with the patent holder of the MediPendant™ technology extending the use of the intellectual property rights for its lifesaving personal medical alarm technology through the end of March 2013.

**SIGNATURE**
