Item 8.01. Other Events

Lamperd Less Lethal Receives Continued Product Orders and Welcomes New Distributors

SARNIA, ON--(Marketwired - February 21, 2017) - Lamperd Less Lethal, Inc. (OTC: LLLI) is continuing to book new sales of the company's advanced security products with three purchase orders being received last week. One of these orders came from a previously established distributor and the other two came from two new distributors. Lamperd management will also meet with additional new distributors at our headquarters this week to demonstrate products and discuss sales, training and shipping procedures. With market interest rising significantly in the Lamperd product line at this time we anticipate a steadily growing order flow.

About the Company

Lamperd Less Lethal, Inc. (LLLI) is a developer, manufacturer and international sales company for advanced less lethal weapons, ammunition and other security products marketed to police, correctional, military and private security forces. The company sells over 300 different products including small & large caliber projectile guns, flash grenades, pepper spray grenades, 37mm & 40mm launching systems and interlocking riot shields. Lamperd also offers advisory services and hands-on training classes run by highly accredited instructors.

This press release contains forward-looking statements relating to Lamperd Less Lethal, Inc. Lamperd Less Lethal, Inc. undertakes no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes in future operating results.

Safe Harbor for Forward-Looking Statements:

This news release includes forward-looking statements. While these statements are made to convey to the public the company's progress, business opportunities and growth prospects, readers are cautioned that such forward-looking statements represent management's opinion. Whereas management believes such representations to be true and accurate based on information and data available to the company at this time, actual results may differ materially from those described. The company's operations and business prospects are always subject to risk and uncertainties. Important factors that may cause actual results to differ are and will be set forth in the company's periodic filings with the U.S. Securities and Exchange Commission.
