**Item 1.01 Entry into a Material Definitive Agreement.**

On January 18, 2018, Lightbridge Corporation (the “Company”) entered into a Securities Purchase Agreement (the “Purchase Agreement”) with several purchasers identified in the Purchase Agreement thereto (the “Purchasers”), pursuant to which the Purchasers will purchase 2,666,667 shares of the Company’s newly created Non-Voting Series B Convertible Preferred Stock (the “Preferred Stock”) and associated warrants (the “Warrants”) to purchase 666,664 shares of the Company’s common stock for approximately \$4.0 million, or \$1.50 per share of Preferred Stock and related Warrant (the “Offering”), subject to the terms and conditions set forth in the Purchase Agreement.

The Warrants have a per share of common stock exercise price of \$1.875, which is subject to adjustment in the event of certain stock dividends and distributions, stock splits, recapitalizations, stock combinations, reclassifications or similar events affecting the Company’s common stock. The Warrants are exercisable upon issuance and will expire six months after issuance. The Warrants contain provisions that prohibit exercise if the holder, together with its affiliates, would beneficially own in excess of 4.99% of the number of shares of the Company’s common stock outstanding immediately after giving effect to such exercise. The holder of the Warrants may increase or decrease this percentage not in excess of 19.99% of the number of shares of the Company’s common stock outstanding immediately after giving effect to such exercise by providing at least 61 days’ prior notice to the Company. In the event of certain corporate transactions, the holder of the Warrants will be entitled to receive, upon exercise of the Warrants, the kind and amount of securities, cash or other property that the holders would have received had they exercised warrants immediately prior to such transaction. The Warrants do not contain voting rights or any of the other rights or privileges as a holder of the Company’s common stock.

The Preferred Stock is non-voting and will be convertible at the option of the holders into shares of the Company’s common stock initially on a one-for-one basis. Dividends will accrue on the Preferred Stock at the rate of 7% per year and will be paid in-kind. The Company has the option of forcing the conversion of the Preferred Stock if the trading price for the Company’s common stock is more than \$5.4902 before August 2, 2019, or if the trading price is more than \$8.2353 at any time. The Company may also redeem the Preferred Stock after August 2, 2019. The Company is being advised by London based investment bank, Innovator Capital Limited.

The closing of the Offering is subject to certain conditions, including the Company’s entry into an Investors Rights Agreement with the Purchaser and the evidence of the filing and acceptance of the Certificate of Designation from the Secretary of State of Nevada. The Company expects to use the proceeds from the Offering for general corporate purposes, including but not limited to research and development.

The issuance of the Preferred Stock, the Warrants and the underlying common stock under the Purchase Agreement is exempt from registration under the Securities Act of 1933, as amended, pursuant to the exemption for transactions by an issuer not involving any public offering under Section 4(a)(2) of the Securities Act.

The Investors Rights Agreement will require the Company to register the shares of common stock issuable upon conversion of the Preferred Stock and exercise of the Warrants. The Investors Rights Agreement will also provide the Purchasers with participation rights for future equity offerings until the third anniversary of the closing date, and will provide certain Purchasers with pro rata rights to exercise Warrants that were not exercised by any Purchaser prior to such Warrants' original expiration date, will impose volume limitations on the Purchaser's ability to sell common stock following conversion of the Preferred Stock, and will limit the Purchasers' ability to direct the voting of the common stock issuable upon conversion of the Preferred Stock to 4.99% of the Company's outstanding common stock.

The foregoing is a summary description of certain terms of the Purchase Agreement and the exhibits thereto and, by its nature, is incomplete. A copy of the Purchase Agreement, including the exhibits thereto, is filed as Exhibits 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
