Lamperd Less Lethal Signs Agreement with Gökser Makine Sanayi for Sales and Licensing in Turkey and Other Countries

Full Lamperd Product Line and Training Included in Agreement

SARNIA, Ontario, July 12, 2018 (NewMediaWire) -- Lamperd Less Lethal, Inc. (OTC PINK: LLLI), an innovation leader and manufacturer of advanced security solutions for law enforcement, military and other users worldwide, has signed an agreement for the full line of product sales and training with a major Turkish aerospace and defense company, Gökser Makine Sanayi or Gokser Machine Energy (<http://www.gokser.com/>). This agreement was concluded at the recent SEDEC Security and Defense Conference in Turkey with the assistance of the Embassy of Canada Trade Commissioner in Turkey, Ms. Pinar Atakanli. The first part of the new agreement will be for the commencement of sales and associated training programs for the entire Lamperd product line to end users within the Republic of Turkey as well as other countries. The second part of the agreement will involve the establishment of manufacturing facilities within Turkey for the licensed, on-site production of Lamperd products with the assistance of the Turkish government.

CEO Barry Lamperd commented, "Our keynote presentations and meetings at the SEDEC conference in Ankara, Turkey were extremely successful and productive. We would like to express our great appreciation to the representatives of the Republic of Turkey as well as our new marketing partners at Gökser Makine Sanayi for the smooth and efficient business dealings which have resulted in an excellent agreement that should greatly benefit us all, as well as provide much needed less lethal security solutions in places where they are needed most. I also wish to thank Canada Trade Commissioner Ms. Pinar Atakanli who was instrumental in guiding us to achieving a successful agreement signing at the conference. In addition to the agreement with Gökser, we also held direct meetings with representatives of other countries attending SEDEC to discuss their specific security needs and offer our recommendations for the most appropriate less lethal measures which we can supply to any NATO country in the world."
