*(e) Compensatory Arrangements of Certain Officers.*

*Severance Plans*

On June 28, 2018, the Board of Directors (the “Board”) of Ocwen Financial Corporation (the “Company”) approved the Ocwen Financial Corporation United States Basic Severance Plan (the “Severance Plan”) and the Ocwen Financial Corporation United States Change in Control Severance Plan (the “CIC Plan”). The Company’s Compensation Committee previously approved, and recommended that the Board approve, each of the Severance Plan and the CIC Plan.

Under the terms of the Severance Plan, if a participant’s employment with the Company is terminated by the Company due to an eligible termination which includes: a reduction of force; the closing of an office or business location; a downsizing; the restructuring, reorganization or reengineering of a business group, unit or department; a job elimination; or such other reason as the Company shall determine in its sole discretion, the participant will generally be entitled to receive the following severance benefits pursuant to the Severance Plan: (i) a lump sum payment of severance at the participant’s monthly base salary rate equal to the participant’s “severance multiple,” and (ii) a monthly subsidy equal to the participant’s expected cost of COBRA premiums for continued medical coverage for a limited period of time corresponding to the number of months in the participant’s severance multiple. A participant holding the title of Executive Vice President, Senior Vice President or Vice President at the time of his or her termination would have a “severance multiple” equal to 18 months, 12 months or six months, respectively. Participants holding other titles will be eligible for benefits at a severance multiple that varies in proportion to their seniority and tenure with the Company.

A participant will be eligible for benefits under the CIC Plan if a Change in Control (as defined in the CIC Plan) occurs and either the participant’s employment is involuntarily terminated within the 12-month period following the Change in Control or he or she has been requested by the Company to continue in the employment of the Company through a specified date following a Change in Control and the participant remains in the employment of the Company for such specified period. The benefits under the CIC Plan are generally the same benefits as the severance benefits provided under the Severance Plan, except (i) a participant holding the title of Executive Vice President, Senior Vice President or Vice President at the time of his or her termination would have a “severance multiple” of 24 months, 15 months or nine months, respectively, and (ii) a participant holding the title of Executive Vice President at the time of his or her termination would also be entitled to a lump sum payment of a prorated target bonus for the year in which the termination occurs. Participants holding other titles will be eligible for benefits at a severance multiple that varies in proportion to their seniority and tenure with the Company.

The Severance Plan and the CIC Plan each provide that if the Company and PHH Corporation (together with its subsidiaries, "PHH") close their previously disclosed merger transaction, employees of PHH immediately prior to the closing of the merger will not be eligible for benefits under such plan for a period of one year. Such employees will remain eligible for benefits under the terms of the PHH severance plans in effect immediately prior to closing, which the Company has agreed to continue in effect for a period of one year following the merger closing. There can be no assurance that the merger will close or as to the timing of such closing if it occurs.

A participant's right to severance benefits under the Severance Plan or CIC Plan, as the case may be, is conditioned upon the participant's execution of a separation and release agreement. Any and all equity awards held by a participant in the Severance Plan or the CIC Plan will be governed by the applicable award agreements. If a participant is entitled to severance benefits under the CIC Plan, the participant will not also receive severance benefits under the Severance Plan.

The foregoing descriptions of the Severance Plan and the CIC Plan do not purport to be complete and are qualified in their entirety by reference to the complete copies of the Severance Plan and CIC Plan attached hereto as Exhibits 10.1 and 10.2, respectively.
