Item 1.01 Entry into a Material Definitive Agreement.

On May 14, 2012, Saratoga Resources, Inc. (the Company) entered into purchase agreements (the Purchase Agreements) to sell 2,969,360 shares of its common stock at \$6.25 per share in a private placement (the Offering) to a select group of institutional and accredited investors. The Company expects net proceeds at closing of approximately \$17.7 million after the deduction of placement agent commissions and offering expenses. The forms of Purchase Agreements are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and are incorporated by reference into this Item 1.01.

The Company expects to use the net proceeds from this financing to fund acceleration of its drilling and development program and for working capital. The transaction is expected to close on or about May 17, 2012, subject to the satisfaction of certain customary closing conditions.

C. K. Cooper & Company and Ladenburg Thalmann & Co, Inc. acted as co-placement agents for the Offering.

The shares of common stock to be sold in the Offering have not been registered under the Securities Act of 1933, as amended (the Securities Act), or applicable state securities laws, and accordingly may not be offered or sold in the United States except pursuant to an effective registration statement or an applicable exemption from the registration requirements of the Securities Act and such applicable state securities laws. Pursuant to the terms of a Registration Rights Agreement to be executed at closing of the Offering, the Company will agree to file a registration statement with the Securities and Exchange Commission registering the resale of the shares of common stock issued in the Offering. The form of Registration Rights Agreement to be executed in connection with the Offering is attached hereto as Exhibit 10.3 and is incorporated by reference into this Item 1.01.

This Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy the securities, nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state. Any offering of the securities under the resale registration statement will only be by means of a prospectus.
