EXPLANATORY NOTE

Platform Specialty Products Corporation, a Delaware corporation (the "Company") is filing this Post-Effective Amendment No.1 to deregister certain shares of its common stock (the "Shares") and related plan participation interests (the "Interests") in the Platform Specialty Products Corporation Employee Savings and 401(k) Plan (formerly MacDermid, Incorporated Employee Savings and 401(k) Plan), effective as of January 1, 2014, as amended by Amendment No. 2, dated as of September 8, 2014, Amendment No. 3, dated as of November 17, 2014, Amendment No. 4, dated as of February 10, 2015, Amendment No. 5, dated as of October 31, 2015, and Amendment No. 6, dated as of April 21, 2016 (collectively, and as from time to time amended, the "401(k) Plan"). An aggregate of 1,000,000 issued and outstanding Shares and an indeterminate number of Interests were originally registered to be offered under the 401(k) Plan pursuant to the Registration Statement on Form S-8 (File No. 333-205340) filed with the Securities and Exchange Commission (the "SEC") on June 29, 2015 (the "Original Registration Statement").

The 401(k) Plan does not offer a Company stock fund but rather allows plan participants to purchase Shares with employee contributions through a self-directed "brokerage window." In the context of providing such self-directed brokerage window, the Company and the 401(k) Plan do no more than describe the self-directed brokerage window as part of the investment alternatives under the 401(k) Plan, make payroll deductions, and pay administrative expenses not in any way tied to particular investments selected by the 401(k) Plan participants and take no action to draw such participants' attention to the possibility of investing in the Shares through the brokerage window. As a result, based on the SEC's recent guidance on self-directed brokerage windows, the Company is not considered to be offering its securities to its employees for purposes of registration under the Securities Act of 1933, as amended. Given that the Shares issued under the 401(k) Plan are not required to be registered, the Company is filing this Post-Effective Amendment No. 1 to the Original Registration Statement to deregister all remaining Shares and the related Interests that were previously registered under the Original Registration Statement.
