Proxy Statement For Annual Meeting of Stockholders
Approximate Date of Mailing: August 29, 2016

The accompanying proxy is solicited by the Board of Directors of Champions Oncology, Inc., a Delaware corporation, in connection with the Annual Meeting of Stockholders (the "Meeting") to be held on October 13, 2016, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying notice of the meeting. The Board of Directors has fixed the close of business on August 24, 2016 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the meeting. On that date, there were outstanding 10,967,499 shares of the Company's common stock par value \$0.001 per share (the "Shares"). The Board of Directors has designated its headquarters at One University Plaza, Suite 307, Hackensack, New Jersey 07601 as the place of the Meeting. The Meeting will be called to order at 9:00 AM, Eastern time.

The Board of Directors solicits this proxy and urges you to vote immediately. Unless the context otherwise indicates, references to "Champions," "we," "us," "our" or "the Company" means Champions Oncology, Inc.

Pursuant to the e-proxy rules and regulations adopted by the SEC, we have elected to provide access to our proxy materials over the Internet. On or about August 29, 2016, we mailed to our stockholders a notice (the "E-Proxy Notice") containing instructions on how to access online our 2016 Proxy Statement, and Annual Report on Form 10-K. If you would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting proxy materials included in the E-Proxy Notice. These materials will be available free of charge and will be sent to you within three business days of your request. Our Annual Report on Form 10-K does not constitute a part of the proxy solicitation material, but provides you with additional information about the Company.

Each record holder of Shares on the Record Date is entitled to one vote for each Share held on all matters to come before the meeting, including the election of directors. Because most of our stockholders cannot attend the Annual Meeting in person, it is necessary for a large number to be represented by proxy. Stockholders may vote by going online and casting their votes electronically or by requesting a proxy card and mailing it to us to the attention of Joel Ackerman, Chief Executive Officer of the Company. Please check the information forwarded by your bank, broker or other holder of record to see what options are available to you. A proxy may be revoked at any time before its exercise by delivering a later dated proxy, or written notice of revocation, to us to the attention of Joel Ackerman, Chief Executive Officer of the Company, or by voting by ballot at the Annual Meeting. Mere attendance at the Annual Meeting will not revoke a proxy. If you are a beneficial owner of Shares not registered in your own name, you will need additional documentation to vote personally at the Annual Meeting, as set forth in the instruction form you receive from your bank, broker or its nominee.

QUESTIONS AND ANSWERS FOR ANNUAL MEETING

Q: Who is asking for my vote and why am I receiving this document?

A: The Board of Directors asks that you vote on the matters listed in the Notice of Annual Meeting of stockholders that are more fully described in this Proxy Statement.

We are providing this Proxy Statement and related proxy card to our stockholders in connection with the solicitation by the Board of Directors of proxies to be voted at the Meeting. A proxy, if duly executed and not revoked, will be voted in accordance with the specific instructions noted on the proxy and, if it does not contain specific instructions, will be voted in accordance with the recommendations of the Board of Directors set forth in this Proxy Statement.

Q: Who is entitled to vote?

A: You may vote if you owned Shares on August 24, 2016, the date established by the Board of Directors under Delaware law and our by-laws for determining stockholders entitled to notice of and to vote at the Meeting. On the record date, there were 10,967,499 Shares outstanding. Each Share outstanding on the record date is entitled to one vote.

Q: What is a proxy?

A: A proxy is your legal designation of another person to vote your stock. If you designate someone in writing as your proxy or proxy holder, that document is also called a proxy or a proxy card. Mr. Joel Ackerman and Dr. Ronnie Morris have been designated as proxies or proxy holders for the Meeting. Proxies properly executed and received by our Secretary prior to the Meeting and not revoked will be voted in accordance with the terms thereof.

Q: What is a voting instruction?

A: A voting instruction is the instruction form you receive from your bank, broker or its nominee if you hold your Shares in street name. The form instructs you on how to direct your bank, broker or its nominee, as record holder, to vote your Shares.

Q: What am I voting on at the Meeting?

A: You will be voting on the following matters at the Meeting:

- Election of the seven named nominees to the Board of Directors;
- Ratification of EisnerAmper LLP as the Company's independent registered public accounting firm;
- Approval of a non-binding advisory resolution relating to the compensation of our named executive officers; and
- Any other business that may properly come before the Meeting or any adjournments or postponements thereof.

Q: How many votes must be present to hold the Meeting?

In order for the Meeting to be conducted, a majority of the outstanding Shares as of the record date must be represented in person or by proxy at the Meeting. This is referred to as a quorum. Abstentions, withheld votes and

A: Shares held of record by a bank, broker or its nominee (“Broker Shares”) that are voted on any matter (including an abstention or withheld vote by Broker Shares) are included in determining the number of votes present. Broker Shares that are not voted on any matter will not be included in determining whether a quorum is present.

Q: What vote is needed to elect directors?

A: The election of each nominee for director requires the affirmative vote of the holders of a plurality of the Shares voted in the election of directors.

Q: What vote is needed to ratify the appointment of EisnerAmper LLP?

A: The ratification of the appointment of EisnerAmper LLP requires the affirmative vote of a majority of the Shares present or represented by proxy at the Meeting.

Q: What vote is needed to approve the non-binding advisory resolution relating to the compensation of our named executive officers?

The approval of the non-binding advisory resolution relating to the compensation of our named executive officers requires the affirmative vote of a majority of the Shares present or represented by proxy at the Meeting. Because

A: your vote is advisory in nature, it will not be binding on the Company or the Board of Directors. However, the Board of Directors will review the results of the voting on this resolution and consider them when making future decisions on executive compensation.

Q: What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that stockholders vote “FOR” all of the proposed nominees for director, “FOR”

A: the ratification of the appointment of EisnerAmper LLP and “FOR” a non-binding resolution approving the compensation of our named executive officers.

Q: How do I vote?

A: Stockholders may vote by going online and casting their votes electronically or by requesting a proxy card and mailing it to us to the attention of Joel Ackerman, Chief Executive Officer of the Company.

Stockholders who hold Shares through banks, brokers or other nominees who wish to vote at the Meeting should be provided voting instructions on the instruction form provided to them from the institution that holds their Shares. If this has not occurred, please contact the institution that holds your Shares.

The deadline for votes received by mail is 5:00 p.m., Eastern time, on October 11, 2016.

Q: Can I attend the Meeting?

A: The Meeting is open to all holders of our Shares as of the record date, August 24, 2016. However, space is limited and seating at the meeting will be available on a first-come, first-served basis. You may vote by attending the Meeting and voting in person. Even if you plan to attend the Meeting, however, we encourage you to vote your Shares by proxy. We will not permit cameras, recording devices or other electronic devices at the Meeting.

Q: Can I change or revoke my vote?

A: Any stockholder giving a proxy may change or revoke it at any time before it is voted at the Meeting. A proxy can be changed or revoked by:
delivering a later dated proxy, or written notice of revocation, to us to the attention of Joel Ackerman, Chief Executive Officer of the Company; or
appearing at the Meeting and voting in person.

If you decide to vote by completing, signing, dating and returning the enclosed proxy card, you should retain a copy of the proxy card in the event that you decide later to change or revoke your proxy at the Meeting. Your attendance at the Meeting will not itself revoke a proxy.

If you are a stockholder whose Shares are held in street name with a bank, broker or other nominee, you must follow the instructions found on the voting instruction form provided by the bank, broker or other nominee, or contact your bank, broker or other nominee in order to change or revoke your previously given proxy.

Q: How will my Shares be voted if I sign, date and return my proxy card or voting instruction form, but do not provide complete voting instructions with respect to each proposal?

A: Stockholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, it is intended that all proxies that are signed and returned will be voted "FOR" the election of all nominees for director, "FOR" the ratification of the appointment of EisnerAmper LLP and "FOR" a non-binding resolution approving the compensation of our named executive officers. As to any other business that may properly come before the Meeting, the persons named in the enclosed proxy card or voting instruction will vote the Shares represented by the proxy in the proxy holders' discretion. The Board of Directors does not presently know of any other such business.

Q: How will my Shares be voted if I do not return my proxy card or my voting instruction form?

A: It will depend on how your ownership of Shares is registered. If you own your Shares as a registered holder, which means that your Shares are registered in your name with our transfer agent, your Shares will only be voted if our transfer agent receives specific voting instructions from you. Otherwise, your unvoted Shares will not be represented at the Meeting and will not count toward the quorum requirement, which is explained under "Questions and Answers — How many votes must be present to hold the Meeting?" above, unless you attend the Meeting to vote them in person.

If you are a stockholder whose Shares are held in street name, meaning that your Shares are registered in the name of your bank, broker or other nominee, your bank, broker or other nominee may not vote your Shares in its discretion (with certain limited exceptions) unless you have provided voting instructions to the bank, broker or its nominee.

Generally, your broker may vote your Shares in its discretion on “routine matters.” We believe that the ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm is a routine matter for which brokerage firms may vote in their discretion on behalf of their clients if no voting instructions are provided. Therefore, if you are a stockholder whose Shares are held in street name with a bank, broker or other nominee and you do not return your voting instruction form, your bank, broker or other nominee may vote your Shares on the ratification of the appointment by the Audit Committee of EisnerAmper LLP as our independent registered public accounting firm.

Q: Where can I find the results of the Meeting?

A: We intend to announce preliminary voting results at the Meeting and publish final results through a Current Report on Form 8-K that we will file with the SEC within four business days of the Meeting.

Q: Who pays for the solicitation of proxies?

A: We will pay for the cost of the solicitation of proxies.

Q: Could other matters be decided at the Meeting?

A: As of the date of the mailing of this Proxy Statement, the Board of Directors did not know of any other business that might be brought before the Meeting. However, if any other matters should properly come before the Meeting or any adjournment or postponement thereof, it is the intention of the persons named in the accompanying proxy to vote on such matters as they, in their discretion, may determine.

Q: Where can I find the corporate governance materials?

A: The charters of our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, are available on our Internet website at <http://www.championsoncology.com> under the Corporate Governance section of the Investor Relations tab and are available in print to any stockholder upon request by contacting our investor relations department as described below.

Q: How do I communicate with the Board of Directors?

A: Stockholders and other interested persons may communicate with the full Board of Directors, a specified committee of the Board of Directors or a specified individual member of the Board of Directors in writing by mail addressed to Champions Oncology, Inc. One University Plaza, Suite 307, Hackensack, New Jersey 07601, Attention: Chairman of the Nominating and Corporate Governance Committee. The Chairman of the Nominating and Corporate Governance Committee and his duly authorized agents are responsible for collecting and organizing stockholder communications. Absent a conflict of interest, the Chairman of the Nominating and Corporate Governance Committee is responsible for evaluating the materiality of each stockholder communication and determining whether further distribution is appropriate, and, if so, whether to (1) the full Board of Directors, (2) one or more committee members, (3) one or more Board members and/or (4) other individuals or entities.

Proposal No. 1
Election of Directors

Our Nominating and Corporate Governance Committee has unanimously recommended to the Board of Directors, and the Board of Directors has unanimously approved, the persons named below as nominees for election to the Board of Directors at the Meeting. Each nominee has consented to being named as such and to serve as such if elected. Each of these nominees currently serves as a director. Each nominee who is elected will serve as a director until his successor is elected at our next annual meeting of stockholders and until his successor has been elected and qualified, or until his earlier death, resignation or removal. Unless contrary instruction is given, the person(s) named in the proxies solicited by the Board of Directors will vote each such proxy for the election of the named nominee. If the nominee is unable to serve, the Shares represented by all properly executed proxies which have not been revoked will be voted for the election of such substitute as the Board of Directors may recommend or the Board of Directors may reduce the size of the Company's Board to eliminate the vacancy. At this time, the Company's Board does not anticipate that the nominees will be unavailable to serve.

Set forth below is information concerning the age, principal occupation, employment and directorships during the past five years and positions with the Company of each nominee, and the year in which he first became a director of the Company. Also set forth below is a brief discussion of the specific experience, qualifications, attributes or skills that led to the conclusion that each nominee should serve as a director as of the date of this Proxy Statement, in light of the Company's business and structure. The Nominating and Corporate Governance Committee reviews at least annually the skills and characteristics of new and existing directors. Corporate Governance

Independence of Directors

The Company's Board has determined that Messrs. Mendelson, Poliakoff, Tobin and Breitfeld are "independent" as defined in Rule 5605(a)(2) of the Nasdaq Stock Market Rules ("Nasdaq Rules"). On October 28, 2015 we received a notification letter from Nasdaq confirming our notification to Nasdaq of our non-compliance with Nasdaq listing rule 5605(b)(1)(A), which requires that the Company's Board consist of a majority of independent directors. Such non-compliance occurred when a former director of ours did not stand for re-election at last year's annual stockholder meeting. On April 11, 2016, Dr. Breitfeld joined the Company's Board. The Company's Board currently consists of four independent directors and three non-independent directors.

Board of Directors Meetings

During the fiscal year ended April 30, 2016, the Company's Board met five times. No incumbent director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Company's Board held during the year and (2) the total number of meetings held by all committees on which the director served during such year. Our policy is that directors are expected to attend our annual meetings of stockholders. At our annual meeting of stockholders on October 13, 2016, two of our directors attended.

Board Committees

The Company's Board has the following committees, each of which meets at scheduled times:

Audit Committee. The Audit Committee is appointed by the Company's Board to assist the Company's Board in its duty to oversee the Company's accounting, financial reporting and internal control functions and the audit of the Company's financial statements. The role of the Audit Committee is to oversee management in the performance of its responsibility for the integrity of the Company's accounting and financial reporting and its systems of internal controls, the performance and qualifications of the company's independent auditor, including the independent auditor's independence, the performance of the Company's internal audit function; and the Company's compliance with legal and regulatory requirements.

The current members of the Audit Committee are: (i) Scott Tobin, who is serving as Chairperson, (ii) Abba David Poliakoff and (iii) Daniel Mendelson, each of whom is independent under the Nasdaq Rules. The Company's Board has reviewed whether our Audit Committee members meet the heightened independence standards of Rule 10A-3 of the Securities Exchange Act of 1934, as amended, and the Nasdaq Rules, and concluded that each member meets such requirements. The Company's Board has also examined the SEC's definition of "audit committee financial expert" and determined that Mr. Tobin satisfies this definition. Accordingly, Mr. Tobin has been designated by the Company's Board as the Company's audit committee financial expert. The Audit Committee met four times during the fiscal year ended April 30, 2016.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and procedures that are intended to assure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and the stockholders on an ongoing basis. The Nominating and Corporate Governance Committee makes recommendations to the Company's Board regarding matters and practices concerning the Company's Board, its committees and individual directors; evaluates the current composition and governance structure of the Company's Board and determines its future requirements; makes recommendations concerning the qualifications, compensation and retirement age of directors; recommends nominees for election to the Company's Board and establishes and administers a Board

evaluation process; makes recommendations to the Company's Board about the appointment of directors to the Board Committees and the selection of the Chairpersons of the Board Committees; and reviews timely nominations by stockholders for the election of directors and ensures that such stockholders are advised of any action taken by the Company's Board with respect thereto.

The current members of Nominating and Corporate Governance Committee are: (i) Daniel Mendelson, who is serving as Chairperson and (ii) Abba David Poliakoff, each of whom is independent under the Nasdaq Rules. The Nominating and Corporate Governance Committee met one time during the fiscal year ended April 30, 2016. The policy of the Company's Board is to encourage the selection of directors who will contribute to our company. The Nominating and Corporate Governance Committee considers recommendations from stockholders, as well as other people, as it deems appropriate. Stockholders wishing to nominate a director candidate must comply with certain procedures. We explain the procedures for nominating a director candidate at next year's annual meeting in "Other Matters."

Compensation Committee. The Compensation Committee is charged with reviewing and determining the compensation of the Chief Executive Officer and the other executive officers of the Company. The Compensation Committee, among other things, reviews all forms of compensation for senior management of the Company, including the form and amount of current salary, deferred salary, cash and non-cash benefits and all compensation plans of the Company; approves base salary amounts, incentive and bonus compensation amounts and individual stock and/or option grants and awards for all corporate officers at or above the Vice President level (including the President) and all other reporting officers of the Company; administers the Company's 2010 Equity Incentive Plan; prepares and approves reports to stockholders on compensation matters required by the SEC and other government bodies; performs an annual performance appraisal for the President and other senior managers designated by the Board; and establishes levels of director compensation.

The current members of the Compensation Committee are: (i) Abba David Poliakoff, who is serving as Chairperson; (ii) Scott Tobin; and (iii) Daniel Mendelson, each of whom is independent under the NASDAQ Rules. The Compensation Committee met two times during the fiscal year ended April 30, 2016.

Communications with the Board

Any stockholder desiring to contact the Company's Board, or any specific director(s), may send written communications to: Board of Directors (Attention: (Name(s) of director(s), as applicable)), c/o the Company's Secretary, One University Plaza, Suite 307, Hackensack, New Jersey 07601. Any proper communication so received will be processed by the Secretary. If it is unclear from the communication received whether it was intended or appropriate for the Company's Board, the Secretary will (subject to any applicable regulatory requirements) use his judgment to determine whether such communication should be conveyed to the Company's Board or, as appropriate, to the member(s) of the Company's Board named in the communication.

Leadership Structure and Risk Oversight

14

While the Company's Board believes that there are various structures which can provide successful leadership to the Company, we currently have separate individuals serving in the roles of Chairman of the Board and Chief Executive Officer in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day-to-day leadership of the Company, while the Chairman of the Board provides guidance to the Chief Executive Officer and presides over meetings of the full Board. This structure is appropriate at this time to the Company's business because it reflects the industry experience, vision and energy brought to the Company's Board of directors by the Chairman, Dr. Sidransky, and the Chief Executive Officer, Mr. Ackerman.

Management is responsible for the day-to-day management of risks the Company faces, while the Company's Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Company's Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and the risks facing the Company. Senior management attends the Company's Board meetings and is available to address any questions or concerns raised by the Company's Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

The Audit Committee has received the written disclosures and the letter from the independent auditors required by Rule 3526, Communication with Audit Committees Concerning Independence, as adopted by the Public Company Accounting Oversight Board and has discussed with the independent auditors the independent auditors' independence.

Such services include consents related to SEC and other regulatory filings. The aggregate fees billed to the Company by EisnerAmper LLP for audit services rendered to the Company for the fiscal years ended April 30, 2015 and 2016 totaled \$ 158,500 and \$233,400, respectively.

Proposal No. 2

Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee has appointed EisnerAmper LLP as its independent registered public accounting firm for the fiscal year ending April 30, 2017. EisnerAmper LLP has served as the Company's independent public accountants since fiscal 2015. A representative of EisnerAmper LLP is expected to be present at the Meeting with an opportunity to make a statement and to be available to respond to appropriate questions.

EisnerAmper LLP's principal function is to audit the consolidated financial statements of the Company and its subsidiaries and, in connection with that audit, to review certain related filings with the SEC and to conduct limited views of the financial statements included in our quarterly reports.

The Board of Directors and the Audit Committee recommend that stockholders vote "FOR" ratification of the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for the fiscal year ending April 30, 2017.

Appointment of our independent registered public accounting firm is not required to be submitted to a vote of the stockholders of the Company for ratification by our by-laws or otherwise. However, the Board of Directors is submitting the appointment of EisnerAmper LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether to retain the firm. In such event, the Audit Committee may retain EisnerAmper LLP, notwithstanding the fact that the stockholders did not ratify the appointment or may select another nationally recognized accounting firm without resubmitting the matter to stockholders. Even if the appointment is ratified, the Audit Committee reserves the right, in its discretion, to

select a different nationally recognized accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. The Audit Committee is solely responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm.

Proposal No. 3

Non-Binding Proposal to Approve the Compensation of Our Executive Officers

SEC rules adopted pursuant to the recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enable our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules.

For the reasons stated below, we are requesting your approval of the following non-binding resolution:

“RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.”

The compensation of our named executive officers is comprehensively described in the Executive Compensation section, and the accompanying tables (including all footnotes) and narrative, of this Proxy Statement.

The Compensation Committee designs our compensation policies for our named executive officers to create executive compensation arrangements that are linked both to the creation of long-term growth, stockholder value and company-wide performance, and are competitive with peer companies of similar complexity and encourage stock ownership by our senior management. Based on its review of the total compensation of our named executive officers for fiscal year 2016, the Compensation Committee believes that the total compensation for each of the named executive officers is reasonable and effectively achieves the designed objectives of driving superior business and financial performance, attracting, retaining and motivating our people, aligning our executives with stockholders' long-term interests, focusing on the long-term and creating balanced program elements that encourage aligned, systemic, sustainable performance.

Neither the approval nor the disapproval of this resolution will be binding on us or the Company's Board or will be construed as overruling a decision by us or the Company's Board. Neither the approval nor the disapproval of this resolution will create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for us or the Company's Board. However, the Compensation Committee values the opinions that our stockholders express in their votes and will consider the outcome of the vote when making future executive compensation decisions, as it deems appropriate.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO APPROVE THE NON-BINDING ADVISORY RESOLUTION RELATING TO THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.
