Retirement Plans

On December 8, 1988, the Company entered into a deferred compensation plan with George R. Quist, the Chairman and Chief Executive officer of the Company. The plan was later amended on three occasions with the third amendment effective February 1, 2001. Under the terms of the plan as amended, upon the retirement of Mr. Quist, the Company is required to pay him ten annual installments in the amount of \$60,000. Retirement is defined in the plan as the age of 70, or a later retirement age, as specified by the Board of Directors. The \$60,000 annual payments are to be adjusted for inflation in accordance with the United States Consumer Price Index for each year after January 1, 2002. If Mr. Quist's employment is terminated by reason of disability or death before he reaches retirement age, the Company is to make the ten annual payments to Mr. Quist, in

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

the event of disability, or to his designated beneficiary, in the event of death.

The plan also provides that the Board of Directors may, in its discretion, pay the amounts due under the plan in a single, lump-sum payment. In the event that Mr. Quist dies before the ten annual payments are made, the unpaid balance will continue to be paid to his designated beneficiary. The plan further requires the Company to furnish an automobile for Mr. Quist's use and to pay all reasonable expenses incurred in connection with its use for a ten year period, and to provide Mr. Quist with a hospitalization policy with similar benefits to those provided to him the day before his retirement or disability. However, in the event Mr. Quist's employment with the Company is terminated for any reason other than retirement, death, or disability, the entire amount of deferred compensation payments under the plan shall be forfeited by him.

Employment Agreements

On July 16, 2004, the Company entered into an employment agreement with Scott M. Quist, its President and Chief Operating Officer. The agreement is effective as of December 4, 2003 and has a five-year term, but the Company has agreed to renew the agreement on December 4, 2008 and 2013 for additional five-year terms, provided Mr. Quist performs his duties with usual and customary care and diligence. Under the terms of the agreement, Mr. Quist is to devote his full time to the Company serving as its President, and Chief Operating Officer at not less than his current salary and benefits. The Company also agrees to maintain a group term life insurance policy of not less than \$1,000,000 on Mr. Quist's life and a whole life insurance policy in the amount of \$500,000 on Mr. Quist's life. In the event of disability, Mr. Quist's salary would be continued for up to five years at 75% of its current level.

In the event of a sale or merger of the Company and Mr. Quist is not retained in his current position, the Company would be obligated to continue Mr. Quist's current compensation and benefits for seven years following the merger or sale. The agreement further provides that Mr. Quist is entitled to receive annual retirement benefits beginning (i) one month from the date of his retirement (to commence no sooner than age 65), (ii) five years following complete disability, or (iii) upon termination of his employment without cause. These retirement benefits are to be paid for a period of ten years in annual installments in the amount equal to 75% of his then current rate of compensation. However, in the event that Mr. Quist dies prior to receiving all retirement benefits thereunder, the remaining benefits are to be paid to his heirs. The Company accrued \$31,500 and \$328,000 in fiscal 2004 and 2003, respectively, to cover the present value of anticipated retirement benefits under the employment agreement.

On December 4, 2003, the Company, through its subsidiary SecurityNational Mortgage Company, entered into an employment agreement with J. Lynn Beckstead, Jr., Vice President of Mortgage Operations and President of SecurityNational Mortgage Company. The agreement has a five-year term, but the Company has agreed to renew the agreement on December 4, 2008 and 2013 for additional five-year terms, provided Mr. Beckstead performs his duties with usual and customary care and diligence. Under the terms of the agreement, Mr. Beckstead is to devote his full time to the Company serving as President of SecurityNational Mortgage Company at not less than his current salary and benefits, and to include \$350,000 of life insurance protection. Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

In the event of a sale or merger of the Company, and Mr. Beckstead were not retained in his current position, the Company would be obligated to continue Mr. Beckstead's current compensation and benefits for five years following the merger or sale. The agreement further provides that Mr. Beckstead is entitled to receive annual retirement benefits beginning (i) one month from the date of his retirement (to commence no sooner than age 62 1/2) (ii) five years following complete disability, or (iii) upon termination of his employment without cause. These retirement benefits are to be paid for a period of ten years in annual installments in the amount equal to one-half of his then current annual salary. Director Compensation

Directors of the Company (but not including directors who are employees) are paid a director's fee of \$13,200 per year by the Company for their services and are reimbursed for their expenses in attending board and committee meetings. No additional fees are paid by the Company for committee participation or special assignments. However, each director is provided with an annual grant of stock options to purchase 1,000 shares of Class A Common Stock under the 2000 Director Stock Option Plan.

Employee 401(k) Retirement Savings Plan

In 1995, the Company's Board of Directors adopted a 401(k) Retirement Savings Plan. Under the terms of the 401(k) plan, effective as of January 1, 1995, the Company may make discretionary employer matching contributions to its employees who choose to participate in the plan. The plan allows the board to determine the amount of the contribution at the end of each year. The Board adopted a contribution formula specifying that such discretionary employer matching contributions would equal 50% of the participating employee's contribution to the plan to purchase Company stock up to a maximum discretionary employee contribution of 1/2% of a participating employee's compensation, as defined by the plan.

All persons who have completed at least one year's service with the Company and satisfy other plan requirements are eligible to participate in the 401(k) plan. All Company matching contributions are invested in the Company's Class A Common Stock. The Company's matching contributions for 2004, 2003 and 2002 were approximately \$5,746, \$4,493 and \$7,975, respectively. Also, the Company may contribute at the discretion of the Company's Board of Directors an Employer Profit Sharing Contribution to the 401(k) plan. The Employer Profit Sharing Contribution shall be divided among three different classes of participants in the plan based upon the participant's title in the Company. All amounts contributed to the plan are deposited into a trust fund administered by an independent trustee. The Company's contributions to the plan for 2004, 2003 and 2002, were \$128,949, \$110,081 and \$142,218, respectively.

Employee Stock Ownership Plan

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

is qualified in its entirety by the Ownership Plan, a copy of which is available for inspection at the Company's offices.

Under the Ownership Plan, the Company has discretionary power to make contributions on behalf of all eligible employees into a trust created under the Ownership Plan. Employees become eligible to participate in the Ownership Plan when they have attained the age of 19 and have completed one year of service (a twelve-month period in which the Employee completes at least 1,040 hours of service). The Company's contributions under the Ownership Plan are allocated to eligible employees on the same ratio that each eligible employee's compensation bears to total compensation for all eligible employees during each year. To date, the Ownership Plan has approximately 234 participants and had \$105,196 contributions payable to the Plan in 2004. Benefits under the Ownership Plan vest as follows: 20% after the third year of eligible service by an employee, an additional 20% in the fourth, fifth, sixth and seventh years of eligible service by an employee.

Benefits under the Ownership Plan will be paid out in one lump sum or in installments in the event the employee becomes disabled, reaches the age of 65, or is terminated by the Company and demonstrates financial hardship. The Ownership Plan Committee, however, retains discretion to determine the final method of payment. Finally, the Company reserves the right to amend or terminate the Ownership Plan at any time. The trustees of the trust fund under the Ownership Plan are George R. Quist, Scott M. Quist and Robert G. Hunter, who each serve as a director of the Company.

Deferred Compensation Plan

In 2001, the Company's Board of Directors adopted a Deferred Compensation Plan. Under the terms of the Deferred Compensation Plan, the Company will provide deferred compensation for a select group of management or highly compensated employees, within the meaning of Sections 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended. The board has appointed a committee of the Company to be the plan administrator and to determine the employees who are eligible to participate in the plan. The employees who participate may elect to defer a portion of their compensation into the plan. The Company may contribute into the plan at the discretion of the Company's Board of Directors. The Company's contribution for 2004, 2003 and 2002 was \$123,249, \$95,485 and \$100,577, respectively.

1993 Stock Option Plan

On June 21, 1993, the Company adopted the Security National Financial Corporation 1993 Stock Incentive Plan (the "1993 Plan"), which reserves shares of Class A common stock for issuance thereunder. The 1993 Plan was approved at the annual meeting of the stockholders held on June 21, 1993. The 1993 Plan allows the Company to grant options and issue shares as a means of providing equity incentives to key personnel, giving them a proprietary interest in the Company and its success and progress.

The 1993 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both "incentive stock options," as defined under Section 422A of the Internal Revenue Code of 1986 (the "Code"), and "non-qualified options" may be granted pursuant to the 1993 Plan. The exercise prices for the options granted are equal to or greater than the fair market value of the stock subject to such options as of the date of grant, as determined by the Company's Board of Directors. The options granted

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

under the 1993 Plan, were to reward certain officers and key employees who have been employed by the Company for a number of years and to help the Company retain these officers by providing them with an additional incentive to contribute to the success of the Company.

The 1993 Plan is to be administered by the Board of Directors or by a committee designated by the Board. The terms of options granted or stock awards or sales effected under the 1993 Plan are to be determined by the Board of Directors or its committee. The Plan provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price per share to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the Plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the code, including a requirement that the option exercise price be no less than the fair market value of the option shares on the date of grant. The 1993 Plan provides that the exercise price for non-qualified options will be not less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company's Board of Directors.

The 1993 Plan has a term of ten years. The Board of Directors may amend or terminate the 1993 Plan at any time, subject to approval of certain modifications to the 1993 Plan by the shareholders of the Company as may be required by law or the 1993 Plan. On November 7, 1996, the Company amended the 1993 Plan as follows: (i) to increase the number of shares of Class A common stock reserved for issuance under the 1993 Plan from 300,000 Class A shares to 600,000 Class A shares; and (ii) to provide that the stock subject to options, awards and purchases may include Class C common stock. On October 14, 1999, the Company amended the 1993 Plan to increase the number of shares of Class A common stock reserved for issuance under the plan from 746,126 Class A shares to 1,046,126 Class A shares. The Plan terminated in 2003 and options granted thereunder are non-transferable.

2000 Director Stock Option Plan

On October 16, 2000, the Company adopted the 2000 Directors Stock Option Plan (the "Director Plan") effective November 1, 2000. The Director Plan provides for the grant by the Company of options to purchase up to an aggregate of 50,000 shares of Class A common stock for issuance thereunder. The Director Plan provides that each member of the Company's Board of Directors who is not an employee or paid consultant of the Company automatically is eligible to receive options to purchase the Company's Class A common stock under the Director Plan.

Effective as of November 1, 2000, and on each anniversary date thereof during the term of the Director Plan, each outside director shall automatically receive an option to purchase 1,000 shares of Class A common stock. In addition, each new outside director who shall first join the Board after the effective date shall be granted an option to purchase 1,000 shares upon the date which such person first becomes an outside director and an annual grant of an option to purchase 1,000 shares on each anniversary date thereof during the term of the Director Plan. The options granted to outside directors shall vest in their entirety on the first anniversary date of the grant. The primary purposes of the Director Plan are to enhance the Company's ability to attract and retain well-qualified persons for service as directors and to provide incentives to such directors to continue their association with the Company.

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

In the event of a merger of the Company with or into another company, or a consolidation, acquisition of stock or assets or other change in control transaction involving the Company, each option becomes exercisable in full, unless such option is assumed by the successor corporation. In the event the transaction is not approved by a majority of the "Continuing Directors" (as defined in the Director Plan), each option becomes fully vested and exercisable in full immediately prior to the consummation of such transaction, whether or not assumed by the successor corporation.

2003 Stock Option Plan

On July 11, 2003, the Company adopted the Security National Financial Corporation 2003 Stock Incentive Plan (the "2003 Plan"), which reserved 500,000 shares of Class A common stock and 1,000,000 shares of Class C common stock for issuance thereunder. The 2003 Plan was approved by the Board of Directors on May 9, 2003, and by the stockholders at the annual meeting of the stockholders held on July 11, 2003. The 2003 Plan allows the Company to grant options and issue shares as a means of providing equity incentives to key personnel, giving them a proprietary interest in the Company and its success and progress.

The 2003 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both "incentive stock options", as defined under Section 422A of the Internal Revenue Code of 1986 (the "Code") and "non-qualified options" may be granted under the 2003 Plan. The exercise prices for the options granted are equal to or greater than the fair market value of the stock subject to such options as of the date of grant, as determined by the Company's Board of Directors. The options granted under the 2003 Plan are to reward certain officers and key employees who have been employed by the Company for a number of years and to help the Company retain these officers by providing them with an additional incentive to contribute to the success of the Company.

The 2003 Plan is to be administered by the Board of Directors or by a committee designated by the board. The terms of options granted or stock awards or sales affected under the 2003 Plan are to be determined by the Board of Directors or its committee. The Plan provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common Stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the Plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the code, including a requirement that the option exercise price be no less than then fair market value of the option shares on the date of grant. The 2003 Plan provides that the exercise price for non-qualified options will not be less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company's Board of Directors.

The 2003 Plan has a term of ten years. The Board of Directors may amend or terminate the 2003 Plan at any time, subject to approval of certain

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

modifications to the 2003 Plan by the shareholders of the Company as may be required by law or the 2003 Plan.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors and persons who own more than 10% of any class of the Company's common stock to file reports of ownership and periodic changes in ownership of the Company's common stock with the Securities and Exchange Commission. Such persons are also required to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of stock reports received by it with respect to fiscal 2004, or written representations from certain reporting persons, the Company believes that all filing requirements applicable to its directors, officers and greater than 10% beneficial owners were complied with, except that George R. Quist, Chairman and Chief Executive Officer of the Company, through an oversight, filed one late Form 4 report reporting the purchase of shares of Class A common stock in one transaction.

Certain Relationships and Related Transactions

On December 19, 2001, the Company entered into an option agreement with Monument Title, LLC, a Utah limited liability company in which the Company made available a \$100,000 line of credit to Monument Title at an interest rate of 8% per annum. The line of credit is secured by the assets of Monument Title. From December 28, 2001 to June 14, 2002, the Company advanced Monument Title a total of \$77,953 under the line of credit. The amount advanced under the line of credit plus accrued interest are payable upon demand. Ron Motzkus and Troy Lashley, who own 90% and 10% of the outstanding shares of Monument Title, respectively, are brother-in-laws of Scott M. Quist, President and Chief Operating Officer of the Company. The Company has the right under the option agreement for a period of five years from the date thereof to acquire 100% of the outstanding common shares of Monument Title for the sum of \$10. The purpose of the transaction, which was approved by the Company's Board of Directors, is to insure that the title and escrow work performed for Security National Mortgage Company in connection with its mortgage loans are completed as accurately as possible by Monument Title to avoid any economic losses to the Company.

On November 1, 2004, the Company entered into an Agreement to Repay Indebtedness and to Convey Option with Monument Title and Mr. Motzkus. Under the terms of the agreement, Monument Title agreed to pay the Company a total of \$94,177, representing the total of \$77,953 that the Company advanced to Monument Title under the line of credit, plus interest thereon, within seven days from the date of the agreement. Monument Title paid the \$94,177 to the Company pursuant to the agreement. In addition, the Company agreed to release its interest in the option agreement to acquire 100% of the outstanding common shares of Monument Title, in consideration for the payment of an additional \$94,177. Monument Title is to pay the additional \$94,177 to the Company in minimum payments of \$500 per month for the first twelve months following the date of the agreement, with additional payments of \$1,000 per month for the second twelve months following the date of the agreement. After the 24th month following the date of the agreement, the outstanding balance is to bear interest at the three-year treasury rate plus one percent. The minimum payment for the third year is \$1,500 per month, the minimum payment for the fourth year is \$2,000 per month and the minimum payment for the fifth year is \$2,500 per month.

REPORT OF THE COMPENSATION COMMITTEE

Under rules established by the Securities and Exchange Commission (the "Commission"), the Company is required to provide certain data and information in regard to the compensation and benefits provided to the Company's Chairman of the Board of Directors and Chief Executive Officer and the five other most highly compensated executive officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

Executive Compensation Philosophy. The Compensation Committee of the Board of Directors is composed of four directors, all of whom are independent, outside directors. The Compensation Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Company's executive compensation policy is based on principles designed to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

Executive Compensation Components. The key components of the Company's compensation program are base salary, an annual incentive award, and equity participation. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance and aligns executive officers' interests with those of stockholders. The Compensation Committee reviews each component of executive compensation on an annual basis.

Base Salary. Base salaries for executive officers are set at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executive officers. Base pay increases are provided to executive officers based on an evaluation of each executive's performance, as well as the performance of the Company as a whole. In establishing base salaries, the

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

Compensation Committee not only considers the financial performance of the Company, but also the success of the executive officers in developing and executing the Company's strategic plans, developing management employees and exercising leadership. The Compensation Committee believes that executive officer base salaries for 2004 were reasonable as compared to amounts paid by companies of similar size.

Annual Incentive. The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to attainment of specific Company financial performance. This approach creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each executive officer's compensation at risk. Consequently, each year the Compensation Committee establishes potential bonuses for executive officers based on the Company's achievement of certain financial performance. The Compensation Committee believes that executive officer annual bonuses for 2004 were reasonable as compared to amounts paid by companies of similar size.

Stock Options. The Compensation Committee believes that equity participation is a key component of its executive compensation program. Stock options are granted to executive officers primarily based on the officer's actual and potential contribution to the Company's growth and profitability and competitive marketplace practices. Option grants are designed to retain executive officers and motivate them to enhance stockholder value by aligning the financial interests of executive officers with those of stockholders. Stock options also provide an effective incentive for management to create stockholder value over the long term since the full benefit of the compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years.

Compensation of Chief Executive Officer. Consistent with the executive compensation policy and components described above, the Compensation Committee determined the salary, bonus and stock options received by George R. Quist, the Chairman of the Board and Chief Executive Officer of the Company, for services rendered in 2004. Mr. Quist received a base salary of \$165,600 for 2004. He also received an annual bonus of \$50,000 and stock options to purchase 100,000 shares of the Company's Class A common stock, of which 50,000 shares are exercisable at \$3.96 per share and 50,000 shares are exercisable at \$3.55 per share. Under the Compensation Committee's rules, the Chief Executive Officer may not be present during voting or deliberations related to his compensation.

REPORT OF THE AUDIT COMMITTEE

The Company has an Audit Committee consisting of three non-management directors, Charles L. Crittenden, H. Craig Moody, and Norman G. Wilbur. Each member of the Audit Committee is considered independent and qualified in accordance with applicable independent director and audit committee listing standards. The Company's Board of Directors has adopted a written charter for the Audit Committee.

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form DEF 14A

During the year 2004, the Audit Committee met four times. The Audit Committee has met with management and discussed the Company's internal controls, the quality of the Company's financial reporting, the results of internal and external audit examinations, and the audited financial statements. In addition, the Audit Committee met with the Company's former independent auditors, Tanner LC, and discussed all matters required to be discussed by the auditors with the Audit Committee under Statement on Auditing Standards No. 61 (communication with audit committees). The Audit Committee reviewed and discussed with the auditors their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (independence discussions with audit committees), and considered with the auditors whether the provision of financial information systems design and implementation and other non-audit services provided by them to the Company during 2004 was compatible with the auditors' independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which is responsible for the integrity of the Company's internal controls and its financial statements and reports, and the Company's independent auditors, who are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on these financial statements.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.
