

Item 5.02. Departure of Directors or Certain Officers; Election of Certain Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 17, 2018, the board of directors of Old Second Bancorp, Inc. (the “Company”) approved a form of performance-based restricted stock unit agreement (the “PRSU Agreement”) and awarded performance-based restricted stock units (“PRSUs”) to certain of its named executive officers in accordance with the terms of the Old Second Bancorp, Inc. 2014 Equity Incentive Plan (the “Equity Plan”) and the PRSU Agreement, as follows:

	Number of Performance-Based Restricted Stock Units(1)
Executive Officer	
James Eccher	40,000
Bradley Adams	25,000
Gary Collins	25,000

(1) Amount shown is the target amount of each award. The range of performance-based restricted stock units actually earned can be in the range of 0% of target for below threshold performance, to 75% of target for threshold performance, to 125% of target for maximum performance.

Under the terms of the PRSU agreement, the restricted stock units will vest annually in equal one-third increments over the three year performance period based on the Company’s achievement of performance goals determined by the Compensation Committee during the performance period at a threshold, target and maximum performance level, if the named executive officer continues to be employed with the Company through the applicable performance period. The performance metrics selected by the Compensation Committee for the above-referenced awards are:

- Cumulative adjusted earnings per share;
- Return on tangible common equity;
- Efficiency ratio; and
- Relative total shareholder return measured relative to the KBW NASDAQ Regional Banking Index.

The PRSU agreement provides that, in the event of the executive’s termination without cause by us, or if the executive terminates his employment for “good reason,” or if the executive dies or is disabled, or if the executive provides one year written notice before his intended retirement (as defined in the Equity Plan), then the executive will be issued (a) with respect to PRSUs for which the performance period has already ended, such shares that have vested and the continuous employment requirement will be waived, and (b) with respect to PRSUs for which the performance period has not ended, the continuous employment requirement will be waived and a pro rata number of PRSUs will vest determined based on (i) the target (100%) level of PRSUs that can be issued multiplied by (ii) the quotient of (x) the number of full months that have elapsed between the first day of the performance period and the effective date of the executive’s termination and (y) the total number of full months in the respective performance period.

The PRSU agreement also provides that, in the event of a change in control (as defined in the Equity Plan), and the awards are assumed by the surviving entity, then (a) the PRSUs will be fixed at the target (100%) performance level and will vest as of the end of the performance period, provided that the executive does not incur a termination of service; and provided further that, if within two years of the change in control, the executive is terminated without cause by us or the executive terminates his employment for good reason, all unvested PRSUs will immediately vest at the target (100%) performance level and be settled within 30-days of termination. If the PRSU agreement is not assumed by the

2

surviving entity, the market value of the target (100%) number of PRSUs will be determined as of the date of the change in control and such amount will be paid in cash at the end of the performance period; provided that, if within two years of the change in control, the executive is terminated without cause by us or the executive terminates his employment for good reason, then the cash value of the PRSUs will be paid within 30-days of termination.

A copy of the Equity Plan is filed as Appendix A to our Proxy Statement filed with the SEC on April 21, 2014. The foregoing description of the PRSU Agreement does not purport to be complete and is qualified in its entirety by reference to the form of PRSU agreement, which is incorporated herein by reference, as Exhibit 10.1.
