All documents filed by the Registrant and the Plan pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended, subsequent to the date hereof and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold shall be deemed to be incorporated by reference herein and to be a part hereof from the dates of filing of such reports and documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein, or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein, modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

The Registrant's By-laws (the "By-Laws") provide, among other things, that the Registrant shall (i) indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person who was or is a party or witness, or is threatened to be made a party or witness, or is otherwise involved in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Registrant) by reason of the fact that he, or a person for whom he is the legal representative, is or was a director or officer of the Registrant, or is or was serving at the request of the Registrant as a director or officer of another corporation, partnership, joint venture, trust or other enterprise (including service with respect to employee benefit plans), against all liability, loss suffered and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Registrant, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful, and (ii) indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person who was or is a party or witness, or is threatened to be made a party or witness, or is otherwise involved in, any threatened, pending or completed action or suit by or in the right of the Registrant to procure a judgment in its favor by reason of the fact that he is or was a director or officer of the Registrant, or is or was serving at the request of the Registrant as a director or officer of another corporation, partnership, joint venture, trust or other enterprise (including service with respect to employee benefit plans) against all liability, loss suffered and expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Registrant and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Registrant unless and only to the extent that the Court of Chancery or the court in which such action, suit or proceeding was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper. Notwithstanding the foregoing, the Registrant is not required to indemnify any director or officer of the Registrant in connection with an action, suit or proceeding (or part thereof) initiated by such director or officer against the Registrant or any directors, officers or employees thereof unless (i) the initiation of such proceeding (or portion thereof) was authorized by the Board of Directors of the Registrant or (ii) notwithstanding the lack of such authorization, the person seeking indemnification is successful on the merits.

The By-Laws further provide that (i) expenses (including attorneys' fees) incurred by any current or former officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Registrant, to the fullest extent permitted by applicable law, in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Registrant and (ii) the indemnification and advancement of expenses provided therein shall not be deemed exclusive of any other rights to which those seeking indemnification shall be entitled, or may thereafter acquire under any statute, provision of the Registrant's Certificate of Incorporation, the By-Laws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

The By-Laws further provide that any repeal or modification of the indemnification provisions of the By-Laws will not adversely affect any right or protection thereunder of a director or officer of the Registrant in respect of any action, suit or proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of or relating to any acts or omissions occurring prior to such repeal or modification, and the rights to indemnification and advancement of expenses pursuant to the indemnification provisions of the By-Laws will vest at the time any such person becomes a director or officer of the Registrant.

Section 145 of the General Corporation Law of the State of Delaware authorizes indemnification by the Registrant of directors and officers under the circumstances provided in the provisions of the By-Laws described above, and requires such indemnification for expenses actually and reasonably incurred to the extent a director or officer is successful in the defense of any action, or any claim, issue or matter therein.

The Registrant has purchased insurance which purports to insure the Registrant against certain costs of indemnification which may be incurred by it pursuant to the By-Laws and to insure the officers and directors of the Registrant, and of its subsidiary companies, against certain liabilities incurred by them in the discharge of their functions as such officers and directors except for liabilities resulting from their own malfeasance.

Item 8. Exhibits.

See the Exhibit Index, which is incorporated herein by reference. The Registrant agrees to furnish supplementally a copy of any omitted schedule to the SEC upon request.
