Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 8, 2009, the Compensation Committee (the “Committee”) of the Board of Directors of RCM Technologies, Inc. (the “Company”) granted non-qualified stock options to certain of the Company’s officers, employees and non-employee directors. The number of shares of the Company’s common stock, \$0.05 par value per share (the “Common Stock”) issuable upon exercise of these options is set forth opposite the name of each grantee in the following table:

<u>Name of Grantee</u>	<u>Position</u>	<u>Number of Shares Underlying Option</u>
Leon Kopyt	President and CEO	75,000
Kevin D. Miller	CFO, Treasurer and Secretary	50,000
Rocco Campanelli	Executive Vice President	25,000
Bill Gargano	Group Senior Vice President	25,000
Michael Saks	Senior Vice President	15,000
Norman S. Berson	Non-Employee Director	10,000
Robert B. Kerr	Non-Employee Director	10,000
Lawrence Needleman	Non-Employee Director	10,000

All of the option grants were made under the Company’s 2007 Omnibus Equity Compensation Plan except for the grant to Mr. Needleman, which was made utilizing shares remaining available for grant under the Company’s 2000 Employee Stock Incentive Plan. The option grants were made pursuant to the option grant agreements attached as exhibits hereto and incorporated by reference in this Item 5.02, and have the following terms and conditions, as well as such other terms and conditions as are set forth in the option grant agreements.

All of the options have a per share exercise price of \$1.73, the closing price of the Common Stock as reported on the NASDAQ Global Market on July 7, 2009, the date on which the options were granted. The options have a ten-year term.

The options granted to Messrs. Kopyt and Miller become exercisable on the first anniversary of the date of grant, assuming that the grantee has been continuously employed by the Company between the date of grant and such first anniversary, and provided that vesting may be accelerated in the event of a Change of Control, as defined in the grant agreement. The options granted to Messrs. Campanelli, Gargano and Saks become exercisable on the third anniversary of the date of grant, assuming that the grantee has been continuously employed by the Company between the date of grant and such third anniversary, and provided that vesting may be accelerated, so that the option would become exercisable as to 50% of the shares subject thereto, based upon the determination of the Committee on each of the first two anniversaries of the date of grant as to the achievement by the grantee of certain goals described in the grant agreements. The options granted to Messrs. Berson, Kerr and Needleman become exercisable in equal installments on the first two anniversaries of the date of grant.

On July 10, 2009, the Board of Directors voted to increase the annual retainer fee to the non-employee members of the Board for Board service from \$24,000 to \$36,000, which amount shall continue to be payable in cash in equal monthly installments. Non-employee members of the Board shall continue to receive meeting attendance fees of \$750 for each Board meeting and \$300 for each Committee meeting in excess of four that is held on a date other than the date of a Board meeting.
