**Item 1.01 Entry into a Material Definitive Agreement**

On March 31, 2005, STAAR Surgical Company (the Company) entered into the Purchase Agreement and the Registration Rights Agreement described in Item 3.02 below.

### Item 3.02. Unregistered Sales of Equity Securities

On March 31, 2005, the Company entered into a Purchase Agreement with the investors named therein (the Investors ) who agreed to purchase 4,100,000 shares of the Company's Common Stock (the Shares ) at a price per share of \$3.50 (the Private Placement ). Payment of the \$14.35 million aggregate purchase price for the Shares is expected to be received by the Company on or about April 5, 2005.

Pacific Growth Equities, LLC acted as placement agent for the Private Placement. In consideration of its services, it is receiving from the Company a commission of 6% of the gross proceeds of the Private Placement, for aggregate fees of \$861,000.

Net proceeds of the Private Placement will be used by the Company for working capital and general corporate purposes.

The following summary of the Private Placement is not intended to be exhaustive and is qualified in its entirety by reference to the Stock Purchase Agreement, a copy of which is attached to this report as Exhibit 10. 1 (the Stock Purchase Agreement ), and the Registration Rights Agreement, a copy of which is attached to this report as Exhibit 10. 2 (the Registration Rights Agreement ).

As of March 31, 2005, the Company and the Investors signed and delivered the Stock Purchase Agreement, evidencing the commitment of each Investor to purchase shares of Common Stock from the Company at a price per share of \$3.50, and the commitment of the Company to sell to each Investor such Shares. The aggregate number of Shares to be purchased under the Stock Purchase Agreement was 4,100,000 shares. The Private Placement is expected to close on April 5, 2005, subject to customary closing conditions.

Each of the Investors is an accredited investor within the meaning of Rule 501(a) of Regulation D under the Securities Act of 1933, as amended (the Act ). The Private Placement is intended to be exempt from the registration requirements of Section 5 of the Act through the exemption available under Section 4(2) of the Act and Rule 506 of Regulation D.

The Shares are restricted securities, as defined in Rule 144(a)(3) under the Act, and accordingly the Shares may not be resold by the Investors without registration under the Act or an available exemption from registration. Under the Registration Rights Agreement, the Company will be obligated to file with the Securities and Exchange Commission (the SEC ) within 15 business days after the closing of the Private Placement (the Closing ) a registration statement on Form S-3 registering under the Act the resale of the Shares by the Investors (the Registration Statement ).

The Company will be required to keep the Registration Statement effective until the earlier of (1) two years after the Closing, (2) the time when all of the Shares have been sold under the Registration Statement or in other transactions that result in the Shares being freely tradable, or (3) the time when all of the Shares can be sold without registration or restriction. The Company will be required to keep a current prospectus available for the Investors to use for resales during that period.

The Company can declare a Suspension Period, suspending the Investors' use of the Registration Statement for resales, on up to two occasions during each year following the Closing, for a period of no longer than 30 days on each such occasion, if necessary to avoid premature disclosure of material nonpublic information that is not adequately disclosed in the then available prospectus.

If the Registration Statement has not been declared effective within 90 days of the Closing (or within 120 days of the Closing if the Registration Statement is subject to review by the SEC), the Company must pay the Investors 1% of their initial investment amount for each 30-day period (or, on a pro rata basis, any portion of a 30-day period) between that deadline and the actual date of effectiveness. If the Company declares more than two Suspension Periods during any twelve-month period following the Closing, or any Suspension Period lasts longer than 30 days, then the Company must pay the Investors 1% of their initial investment amount for each 30-day period (or, on a pro rata basis, any portion of a 30-day period) when use of the Registration Statement has been suspended in excess of the permitted periods.

The Registration Rights Agreement also gives the Investors limited piggyback registration rights, entitling them to join in other registration statements filed by the Company under specified circumstances.

The Purchase Agreement includes standard representations and warranties by the Company for a transaction of this type, which in general require that the business, financial condition and results of operations of the Company conform with the descriptions and financial statements included in the Company's reports and other documents filed with the SEC.

In the Private Placement the Investors received no securities or rights to acquire securities other than the Shares. No warrants or convertible securities were included in the Private Placement.
