Item 2. Acquisition or Disposition of Assets.

Concord EFS, Inc., a Delaware corporation (the "Company"), completed its acquisition of all of the outstanding common stock of Star Systems, Inc., a Delaware corporation ("Star"), on February 1, 2001. The acquisition was accomplished through the merger of Orion Acquisition Corp., a wholly owned subsidiary of the Company, with and into Star, with Star surviving as a wholly owned subsidiary of the Company. Star operates and will continue to operate a PIN-secured debit network.

The merger of Orion Acquisition Corp. and Star was accounted for as a pooling of interests for accounting purposes and is intended to constitute a tax-free reorganization under the Internal Revenue Code of 1986, as amended. The consideration for the acquisition consisted of the issuance by the Company of unregistered shares of its common stock, par value \$0.33 1/3 per share (the "Company Common Stock").

Edgar Filing: CONCORD EFS INC - Form 8-K/A

Immediately prior to the effective time of the merger:

o 5,160,338 shares of Star's common stock, par value \$.01 per share (the "Star Common Stock"), were issued and outstanding and held by 49 stockholders. Star's stockholders consisted of banking institutions which were members of the Star network, or affiliates thereof. Each share of Star Common Stock issued and outstanding immediately prior to the effective time of the merger was converted into the right to receive 4.6452 shares of Company Common Stock.

o options to acquire 167,703 shares of Star Common stock granted under the Star Systems, Inc. 2000 Equity Incentive Plan, as amended, were outstanding. These options were converted into options to purchase Company Common Stock, with the number of shares subject to each option and the exercise price adjusted by the 4.6452 exchange ratio.

The exchange ratio was determined based upon arm's length negotiations between the Company and Star.

In connection with the execution of the Merger Agreement, shareholders of Star owning in the aggregate more than a majority of the outstanding common stock of Star entered into separate voting agreements with the Company to approve the merger.

Pursuant to the Merger Agreement, Star's President and Chief Executive Officer, Ronald V. Congemi, was elected to the Board of Directors of the Company. In connection with the closing of the merger, Mr. Congemi was granted options to purchase 200,000 shares of Company Common Stock and E. Miles Kilburn, Star's Executive Vice President and Chief Financial Officer, was granted options to purchase 100,000 shares of Company Common Stock, in each case pursuant to the terms of the Company's 1993 Incentive Stock Option Plan, as amended.

In connection with the consummation of the merger, on February 1, 2001 the Company issued a press release.

Copies of the Merger Agreement, the form of Stockholder Agreement and the press release issued by the Company on February 1, 2001 are filed as exhibits hereto and are incorporated by reference herein.

Item 7. Financial Statements, Pro Forma Financial Information and Exhibits.

This Form 8-K/A is being submitted to file the audited financial statements of Star Systems, Inc. and to report and file the supplemental financial statements of Concord EFS, Inc. giving retroactive effect to the merger of the Company and Star on February 1, 2001, which has been accounted for as a pooling of interests.
