Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Restricted Stock Awards pursuant to the Company's 2008 Long-Term Incentive Compensation Plan, which vest 25% on the first and second anniversary of the date of grant and 50% on the third anniversary of the date of grant.

The options are performance stock options. The options vest on the third anniversary of the date of grant based on the achievement of established three year growth and profitability targets. 100% of the options listed above will vest if a performance level equal to 120% of the established targets is achieved. Achievement of performance levels between 80% and 120% of target results in vesting of a reduced percentage of the options based on a sliding scale. None of the options will vest if a performance level of less than 80% of the targets is achieved.
- (3) These options have a three-year vesting schedule, pursuant to which the shares underlying the options shall vest in one-third increments commencing one year after the date of grant. The date shown is the date the first vested number of shares becomes/became exercisable.
- (4) These options cliff vest on the fifth anniversary of the date of grant.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
