**Item.5.02** **Entry Into a Material Definitive Agreement**

On December 27, 2007, DOR BioPharma, Inc. (the “Company”) entered into new three-year employment agreements (“Employment Agreements”) with Christopher J. Schaber, PhD, Evan Myriantopoulos, and James Clavijo, CPA, the President and Chief Executive Officer, Chief Financial Officer and Controller, respectively. These agreements replace existing employment agreements that were in force.

The primary changes to the terms of the original agreements are as follows:

As previously disclosed, the Board of Directors of the Company authorized the issuance of the following number of shares to each of Dr. Schaber and Messrs. Myriantopoulos and Clavijo immediately prior to the completion of a transaction, or series or a combination of related transactions, negotiated by the Company’s Board of Directors whereby, directly or indirectly, a majority of the Company’s capital stock or a majority of its assets are transferred from the Company and/or the Company’s stockholders to a third party: 1,000,000 common shares to Dr. Schaber, 750,000 common shares to Mr. Myriantopoulos and 300,000 common shares to Mr. Clavijo. The amended agreements include the Company’s obligation to issue such shares to the executives if such event occurs.

Dr. Schaber’s monetary compensation (base salary and bonus) remained unchanged from 2006. He will be paid nine months severance upon termination of employment. Upon a change in control of the Company due to merger or acquisition, all of Dr. Schaber’s options shall become fully vested, and be exercisable for a period of five years after such change in control (unless they would have expired sooner pursuant to their terms). In the event of his death during term of the agreement, all of his unvested options shall immediately vest and remain exercisable for the rest of their term and become the property of Dr. Schaber’s immediate family.

Mr. Myriantopoulos monetary compensation (base salary and bonus) remained unchanged from 2006. He will be paid six months severance upon termination of employment. Upon a change in control of the Company due to merger or acquisition, all of Mr. Myriantopoulos’ options shall become fully vested, and be exercisable for a period of three years after such change in control (unless they would have expired sooner pursuant to their terms). In the event of his death during term of contract, all of his unvested options shall immediately vest and remain exercisable for the rest of their term and become property of Mr. Myriantopoulos’ immediate family.

Mr. Clavijo’s monetary compensation (base salary and bonus) remained unchanged from 2006. He will be paid six months severance (subject to setoff) upon termination of employment. Upon a change in control of the Company due to merger or acquisition, all of Mr. Clavijo’s options shall become fully vested, and be exercisable for a period of three years after such change in control (unless they would have expired sooner pursuant to their terms). In the event of his death during term of contract, all of his unvested options shall immediately vest and remain exercisable for the rest of their term and become property of Mr. Clavijo’s immediate family.

The foregoing description of the employment agreements does not purport to be complete and is qualified in its entirety by reference to Exhibits 10.1, 10.2 and 10.3, which are incorporated herein by reference.
