This current report includes forward-looking statements. Edison International based these forward looking statements on its current expectations and projections about future events

Edgar Filing: EDISON INTERNATIONAL - Form 8-K

knowledge of facts as of the date of this current report and its assumptions about future circumstances. In this report, the word "expected" is intended to identify forward-looking information. Forward-looking information is subject to various risks and uncertainties that may be outside the control of Edison International and its subsidiaries. Edison International has no obligation to publicly update or revise any forward-looking information, whether due to new information, future events, or otherwise. This current report should be read in conjunction with Edison International's Annual Report on Form 10-K for the year ended December 31, 2004, and subsequent Reports on Form 10-Q.

Section 8 - Other Events

Item 8.01 Other Events

Edison Mission Energy ("EME"), a subsidiary of Edison International, has entered into a Purchase Agreement, dated as of August 17, 2005, to sell its aggregate 80% interest in the Doga Project ("Doga Project") to EME's co-investor in the Doga Project, Doga Enerji Yatirim Isletme ve Ticaret Limited ("Doga Enerji"). Doga Enerji will acquire an additional 30% interest in the Doga Project, and The Kansai Electric Power Co., Ltd. ("Kansai") will acquire a 50% interest in the Doga Project. The Doga Project is a 180 megawatt gas-fired cogeneration plant located in Istanbul, Turkey. The terms and conditions of the Purchase Agreement, including the purchase price, are upon and are substantially similar to those established in the auction process conducted in 2004 for the Doga Project portfolio of international energy assets. Completion of the sale is subject to the satisfaction of certain closing conditions, including obtaining the consent of a majority of the project's lenders. The sale is expected to close in the fourth quarter of 2005.
